The separate numeric designations in a Tract description which are underneath a 'BG' heading shall mean and describe individual Blocks within a Block Group as provided in the report of the Bureau of the Census for the United States decennial census of 2000 for the State of Georgia.

~~(2) The term 'Precinct' is synonymous with the term 'voting precinct' and means a geographical area, established in accordance with Article 7 of this chapter, within which all electors vote at one polling place.~~

~~(4) Precinct names and designations following VTD designations are included for convenience only; and in the event the description of any congressional district contains a conflict between the geographical boundaries of any VTD and the boundaries of the following named precinct, the geographical boundary of the VTD as shown on the census maps for the United States decennial census of 1990 for the State of Georgia shall control.~~
