27 an interest shall constitute cause for which an authority member may be removed or an  
28 employee discharged or otherwise disciplined, at the discretion of the authority.

29 (b) Any contract or transaction of the authority involving a conflict of interest not  
30 disclosed under subsection (a) of this Code section or involving a violation of any other

19 (6) To accept loans or grants, or both, of money, materials, or property of any kind from

8 useful for its purposes;

9 (15) To fix, alter, charge, and collect fares, rates, rentals, and other charges for its

22 in Article 3 of Chapter 2 of Title 22. The method used shall be the one which, in the  
23 opinion of the authority, will result in a quick and effective adjudication of the just and  
24 adequate compensation to be paid to the owner or owners of the property taken.

25 12-3-658.

26 It is found, determined, and declared that the creation of the authority and the carrying out

7 is located.

8 12-3-660.

9 It is found, determined, and declared that the consideration paid and given and to be paid  
10 and given to this state by the authority for its leasehold and privileges thereunder is good,  
11 valuable, and sufficient consideration therefor and that this action on the part of the  
12 authority and the state is in the interest of the public welfare of the state and its citizens.

13 12-3-661.

14 Any action to protect or enforce any rights under this article shall be brought in the
