 6 related matters; to provide for the submission of this amendment for ratification or rejection;
 7 and for other purposes.

8 BE IT RESOLVED BY THE GENERAL ASSEMBLY OF GEORGIA:

9 SECTION 1.

10 Article III of the Constitution of Georgia is amended by adding at the end thereof a new
 11 Section XI to read as follows:

12 "SECTION XI. 13 PUBLIC INITIATIVE

14 Paragraph I. *Power vested in the people.* Notwithstanding any other provision of this
 15 Constitution, the people of Georgia reserve to themselves the power, through the process
 16 set forth in this section, which shall be known as the initiative petition process, to enact or
 17 reject statutes and amendments to statutes and amendments to the Constitution and to
 18 repeal statutes and amendments to statutes. The people, through the initiative petition
 19 process, shall have the power to make all laws consistent with this Constitution, and not
 20 repugnant to the Constitution of the United States, which they shall deem necessary and
 21 proper for the welfare of the state.

22 Paragraph II. *Initiative petitions process.* (a) An initiative petition shall be signed in
 23 each congressional district by a number of registered electors equal to 10 percent or more
 24 of the total number of electors who were registered and eligible to vote for candidates for
 25 the office of Governor in the last preceding gubernatorial election in that congressional

1 district, and the total number of registered electors signing the initiative petition shall be
2 equal to 10 percent or more of the total number of electors within the state who were
3 registered and eligible to vote for candidates for the office of Governor in the last preceding
4 gubernatorial election.

5 (b) An initiative petition shall be approved as to its form by the Secretary of State prior
6 to such petition being circulated for signatures.

7 (c)(1) An initiative petition proposing a constitutional amendment shall state the full text
8 of the constitutional amendment, shall state the language which is to appear on the ballot,
9 and shall contain the following enacting clause: 'BE IT RESOLVED BY THE PEOPLE
10 OF THE STATE OF GEORGIA:'. An initiative petition proposing an amendment to the
11 Constitution shall not refer to more than one subject matter and shall not contain matter
12 different from what is expressed in the title thereof.

13 (2) An initiative petition proposing a statute, amendment to a statute, or repeal of a
14 statute or amendment to a statute shall state the full text of the statute or amendment to
15 a statute to be enacted or the statute or amendment to a statute to be repealed and shall
16 contain the following enacting clause: 'BE IT ENACTED BY THE PEOPLE OF THE
17 STATE OF GEORGIA:'. No statute or section of the Official Code of Georgia
18 Annotated shall be amended or repealed by mere reference to its title or to the number of
19 the section of the Official Code of Georgia Annotated, but the amending or repealing Act
20 shall distinctly describe the law to be amended or repealed as well as the alteration to be
21 made. An initiative petition proposing a statute or amendment to a statute or the repeal
22 of a statute or an amendment to a statute shall not refer to more than one subject matter
23 and shall not contain matter different from what is expressed in the title thereof.

24 (d) Each elector signing an initiative petition shall affix thereto his or her signature,
25 residence address, and the name of the county in which he or she is a registered elector.
26 An elector who has signed a petition may strike his or her name from the petition at any
27 time prior to the presentation of the petition to the Secretary of State. The petition may
28 consist of one or more documents, but each document shall contain only the signatures of
29 electors residing in the same county, and each document shall have affixed thereto an
30 affidavit made by the circulator of such document to the effect that all of the signatures are
31 genuine and that each individual who signed such document was at the time of signing a
32 registered elector in the county of his or her residence. The affidavit shall be executed
33 before a person authorized by law to administer oaths in the State of Georgia.

34 (e) Any person who signs a name other than his or her own on an initiative petition, or
35 who knowingly signs his or her name more than once for the same proposition at one
36 election, or who signs a petition knowing that he or she is not a qualified registered elector
37 shall be guilty of a misdemeanor. Any person who gives or receives money or anything

1 of value for signing an initiative petition, for obtaining the signatures of others on an
2 initiative petition, for striking a signature from an initiative petition, or for obtaining the
3 retraction of signatures of others on an initiative petition shall be guilty of a misdemeanor.
4 Each petition shall include a warning statement setting forth the preceding sentences.

5 (f)(1) Such initiative petition shall be filed with the Secretary of State not less than 60
6 days before a regular legislative session of the General Assembly. The Secretary of State
7 shall immediately proceed to examine each petition filed and compute and verify whether
8 or not the proper number of signatures appear on the petition. If the petition contains less
9 than the required number of signatures, the Secretary of State shall reject the petition and
10 no further action shall be taken on such petition. No petition may be amended or
11 supplemented after such petition is submitted to the Secretary of State for verification.
12 If the petition appears to contain the required number of signatures, the Secretary of State
13 shall certify the total number of signatures appearing on the petition and the total for each
14 congressional district.

15 (2) If any citizen shall furnish proof satisfactory to the Secretary of State within 30
16 days following the date on which the Secretary of State certifies the total number of
17 signatures appearing on the petition that 300 or more signatures appearing on the petition
18 are not the signatures of registered electors or are duplicate signatures or are not the
19 genuine signatures of such persons, or any combination thereof, the Secretary of State
20 shall provide the voter registration officials of each county with a certified copy of the
21 petition or appropriate portions thereof. Such county voter registration officials shall
22 examine the signatures appearing on the petition and shall certify the number of valid
23 signatures of registered electors which appear on the petition to the Secretary of State
24 within 30 days following the receipt of the copy of such petition. The Secretary of State
25 shall tabulate and certify the total number of valid signatures appearing on the petition
26 and shall certify whether the necessary number of signatures appear on the petition. If
27 an insufficient number of signatures appear on the petition, the Secretary of State shall
28 reject the petition and no further action shall be taken on such petition. If the required
29 number of signatures appear on the petition, the Secretary of State shall proceed to send
30 the petition to the General Assembly.

31 (g) The General Assembly shall have two regular legislative sessions within which to act
32 on the proposal in the petition. The General Assembly shall have the option to enact either
33 an identical constitutional amendment, statute, or amendment to a statute or one with minor
34 modifications which do not subvert the main intent of the petition, to repeal the statute or
35 amendment to a statute, or to reject the proposed constitutional amendment, statute, or
36 amendment to a statute or to reject the proposed repeal of a statute or amendment to a
37 statute. If the General Assembly enacts the proposed constitutional amendment, statute,

1 or amendment to a statute in language identical to that of the petition, the initiative petition
2 process shall end. If the General Assembly repeals the statute or amendment to a statute,
3 the initiative petition process also shall end. If the General Assembly enacts the
4 constitutional amendment, statute, or amendment to a statute with modifications to the
5 language of the petition, any elector of the state may bring a direct action in the Supreme
6 Court of Georgia to challenge whether the modifications subvert the main intent of the
7 petition. If such an action results in a ruling which declares that the modifications subvert
8 the main intent of the petition, the petition as originally written shall be submitted for
9 approval or disapproval by the electors of the entire state at the next regular general
10 election which is more than 90 days after the date of such ruling. If the General Assembly
11 rejects or fails to act on the proposed constitutional amendment, statute, or amendment to
12 a statute or proposed repeal of a statute or amendment to a statute within two regular
13 legislative sessions, the petition shall be submitted for approval or disapproval by the
14 electors of the entire state at the next general election which is more than 90 days after the
15 end of the second regular General Assembly session.

16 (h) The Secretary of State shall cause the entire text of the proposed constitutional
17 amendment, statute, or amendment to a statute or proposed repeal of a statute or
18 amendment to a statute to be published in a newspaper of general circulation in each
19 congressional district of the state as provided by law once each week for three consecutive
20 weeks immediately preceding the date of the general election at which such proposed
21 amendment is to be submitted.

22 (i)(1) Amendments to the Constitution proposed by initiative petition shall appear on the
23 ballots in the same form as other proposed amendments. The provisions of Article X,
24 Section I, Paragraph VI of the Constitution, relating to effective dates of amendments to
25 the Constitution, shall be applicable to amendments proposed by initiative petition,
26 except that any amendment affecting taxation or relating to the raising of revenue shall
27 become effective on the first day of July of the second year following its ratification.

28 (2) The Secretary of State, the Attorney General, and the Governor shall examine each
29 statute and each amendment to a statute and each repeal of a statute or amendment to a
30 statute proposed by an initiative petition and shall adopt language to appear on the ballot
31 which shall adequately identify the measure to be voted upon. Such language shall be in
32 the form of a question and shall not imply or suggest the approval or rejection of such
33 proposal. All electors desiring to vote in favor of such proposed statute or amendment
34 to a statute becoming the law of the state or in favor of such repeal of a statute or
35 amendment to a statute shall vote 'Yes' and those electors desiring to vote against the
36 proposed statute or amendment to a statute becoming the law of the state or repeal of a
37 statute or amendment to a statute shall vote 'No.' It shall be the duty of the Secretary of

1 State to tabulate the results of such election and to declare and certify the results thereof.
 2 If a majority of the electors voting on such question at such election vote for approval of
 3 such proposed statute or amendment to a statute or of such repeal of a statute or
 4 amendment to a statute, it shall become law and take effect on the first day of January
 5 immediately following the election, except that any proposed statute or amendment to a
 6 statute which affects taxation or relates to the raising of revenue shall become effective
 7 on the first day of July in the second year following the election. If a majority of such
 8 electors vote for disapproval of such statute or amendment to a statute or repeal of a
 9 statute or amendment to a statute, no further action shall be taken on such petition. An
 10 initiative measure approved by the electors shall have the same force of authority as a law
 11 enacted by the General Assembly.

12 (j) If conflicting initiative petitions submitted to the electors at the same general election
 13 are approved, the petition receiving the highest number of affirmative votes shall become
 14 law. If an initiative petition is defeated by the electors voting in a general election, an
 15 initiative petition which contains essentially the same provisions shall not be submitted to
 16 the electors at the next two general elections.

17 (k) Any person or committee which accepts contributions or makes expenditures
 18 designed to bring about the approval or rejection of any initiative petition shall be subject
 19 to requirements for public disclosure and reporting of such contributions and expenditures
 20 as provided by general law; provided, however, that no individual, partnership, committee,
 21 association, corporation, or other organization or group of individuals shall be allowed to
 22 contribute an aggregate amount in excess of \$500.00 to any person or committee which
 23 accepts contributions or makes expenditures designed to bring about the approval or
 24 rejection of any initiative petition.

25 Paragraph III. *Provisions of section self-executing; legislative procedures.* The
 26 provisions of this section are self-executing but the General Assembly may provide by law
 27 for procedures to facilitate the operation thereof."

28 SECTION 2.

29 The above proposed amendment to the Constitution shall be published and submitted as
 30 provided in Article X, Section I, Paragraph II of the Constitution. The ballot submitting the
 31 above proposed amendment shall have written or printed thereon the following:

32 "() YES Shall the Constitution be amended so as to provide that the people of the
 33 State of Georgia shall have a limited power through initiative petition to
 34 () NO enact statutes, amendments to statutes, and amendments to the Constitution
 35 and to repeal statutes and amendments to statutes?"

- 1 All persons desiring to vote in favor of ratifying the proposed amendment shall vote "Yes."
- 2 All persons desiring to vote against ratifying the proposed amendment shall vote "No." If
- 3 such amendment shall be ratified as provided in said Paragraph of the Constitution, it shall
- 4 become a part of the Constitution of this state.
