11 (a) The tax commissioner of Franklin County shall be compensated as provided in this

13 (b) The person who was in office as such official on February 1, 2002, shall receive as a

19 end of each complete four-year term of office served by such official which is completed
20 after February 1, 2002, the total compensation then being received by such official shall
21 be increased by 5 percent. If the base minimum salary amount provided by general law for
22 a tax commissioner of a county having the same population as Franklin County is increased
23 on or after May 1, 2002, the total compensation then being received by the tax
24 commissioner of Franklin County shall be increased in the same amount and on the same
25 effective date as the change in such base minimum salary contained in subsection (a) of

1 such Code section. This subsection shall be applicable only to the individual in office as
