16 school safety zone when that person does not have a legitimate cause or need to be present
17 thereon. Each principal or designee of each public or private school in this state shall have
18 the authority to exercise such control over the buildings and grounds upon which a school
19 is located so as to prohibit any person who does not have a legitimate need or cause to be
20 present thereon from loitering upon such premises. Each principal or designee of each
