13 (a) The General Assembly finds that improper disposal of computer equipment may

23 Representatives. Each member of the council shall serve at the pleasure of the appointing  
24 authority. The initial meeting of the council shall be at the call of the Governor, and the  
25 council shall thereafter elect its own officers and meet at the call of the chairperson or any  
26 three members.

1 (c) The council shall be attached for administrative purposes to the Department of Natural  
2 Resources which shall provide appropriate staff and facilities as needed by the council. The  
3 members of the council shall not be compensated for their service on the council but may  
4 be reimbursed from funds appropriated or otherwise available to the Department of Natural  
5 Resources for their actual and reasonable expenses incurred in performing their duties as  
6 members of the council.

7 (d) The council shall have the following powers and duties:

8 (1) To investigate problems and concerns related to the disposal and recycling of  
9 computer equipment;

10 (2) To issue reports of its findings and recommendations as may be appropriate;

11 (3) To advise the General Assembly and state agencies with respect to legislative,  
12 regulatory, or other actions within its area of expertise;

13 (4) To accept and expend for its purposes any funds granted to the council by any agency  
14 of state or federal government or through private donations; and

15 (5) To develop and assist in the establishment of pilot programs and ongoing programs  
16 for the recycling and proper disposal of computer equipment."

17 (e) This council shall stand abolished on July 1, 2005.
