

ADOPTED

1 Senators Thompson of the 33rd and Gingrey of the 37th offered the following amendment:

2 Amend SB 98 by inserting "to require certain physicians to provide information regarding
3 surveillance tests to certain patients;" after "cancer;" in line 3 of page 1, by deleting the
4 quotation marks at the end of line 11 of page 2, and by inserting after line 11 of page 2 the
5 following:

6 "(d) A physician who assesses a patient for ovarian cancer and such patient is at risk for
7 ovarian cancer shall advise such patient of the availability of surveillance tests in
8 accordance with the practices of the profession generally under similar conditions and like
9 surrounding circumstances."
