19 The council shall have the power to issue bonds for the purpose of raising revenue to carry
20 out any project, program, or venture authorized under this charter or the general laws of the
21 state. Such bonding authority shall be exercised in accordance with the laws governing bond
22 issuances by municipalities in effect at the time said issue is undertaken.

23 **SECTION 7.11.**

24 Revenue Bonds.

25 Revenue bonds may be issued by the council as provided by Article 3 of Chapter 82 of Title
26 36 of the O.C.G.A., known as the "Revenue Bond Law," as now or hereafter amended, or by
27 any other Georgia law as now or hereafter provided.

SECTION 7.12.

Short Term Notes.

Pursuant to applicable state law, but not otherwise, the city may obtain temporary loans between January 1 and December 31 of each year.

SECTION 7.13.

Fiscal Year.

The council shall set the fiscal year by ordinance. Said fiscal year shall constitute the budget year and the year for financial accounting and reporting of each and every office, department or institution, agency and activity of the city government, unless otherwise provided by state or federal law.

SECTION 7.14.

Preparation of Budgets.

The council shall provide, by ordinance, the procedures and requirements for the preparation and execution of an annual operating budget and a capital improvement program and a capital budget, including requirements as to the scope, content, and form of such budgets and programs.

SECTION 7.15.

Submission of Operating Budget to City Council.

On or before a date fixed by the council, but not later than 30 days prior to the beginning of each fiscal year, the city manager shall submit to the council a proposed operating budget for the ensuing fiscal year. The budget shall be accompanied by a message from the city manager containing a statement of the general fiscal policies of the city, the important features of the budget, explanations of major changes recommended for the next fiscal year, a general summary of the budget, and such other comments and information as he or she may deem pertinent. The operating budget and the capital improvements budget hereinafter provided for, the budget message, and all supporting documents shall be filed in the office of the city manager and shall be open to public inspection.

SECTION 7.16.**Action by Council on Budget.**

(a) The council may amend the operating budget proposed by the city manager, except that the budget, as finally amended and adopted, must provide for all expenditure required by law, or by other provisions of this charter, and for all debt service requirements for the ensuing fiscal year and the total appropriations from any fund shall not exceed the estimated fund balance, reserves, and revenues, constituting the fund availability of such fund.

(b) The council shall adopt the final operating budget for the ensuing fiscal year on or before a date fixed by ordinance of the council. If the council fails to adopt the budget by said date, the amounts appropriated for the current fiscal year shall be applicable to the ensuing fiscal year on a month-to-month basis, with all items prorated accordingly, until such time as the council adopts a budget for the ensuing fiscal year. Such adoption shall take the form of an appropriation ordinance setting out the estimated revenues in detail by sources and making appropriations according to fund and by organizational unit, purpose, or activity as set out in the budget document.

(c) The amount set out in the adopted operating budget for each organizational unit shall constitute the annual appropriation for such item, and no expenditure shall be made or encumbrance created in excess of the otherwise unencumbered balance of the appropriations or allotment thereof, to which it is chargeable.

SECTION 7.17.**Property Tax Levies.**

As the next order of business, following adoption of the operating budget, the council shall levy, by ordinance, an annual tax on all real and personal property within the City of Sandy Springs. The tax rate set by such ordinance shall be such that reasonable estimates of revenues from such levy shall at least be sufficient, together with other anticipated revenues, fund balances, and applicable reserves, to equal the total amount appropriated for each of the several funds set forth in the annual operating budget for defraying the expenses of the general government of the City of Sandy Springs and the retirement of bonds.

SECTION 7.18.

Additional Appropriations.

The council may make appropriations in addition to those contained in the current operating budget at any regular or special meeting called for such purpose, but any such additional appropriations may be made only from an existing unappropriated surplus in the fund to which it applies.

SECTION 7.19.

Capital Improvements Budget.

(a) On or before the date fixed by the city council, but not later than 30 days prior to the beginning of each fiscal year, the city manager shall submit to the council a proposed capital improvements budget with his or her recommendations as to the means of financing the improvements proposed for the ensuing fiscal year. The council shall have power to accept, with or without amendments, or reject the proposed program and proposed means of financing. The council shall not authorize an expenditure for the construction of any building, structure, work, or improvement, unless the appropriations for such project are included in the capital improvements budget, except to meet a public emergency threatening the lives, health, or property of the inhabitants, when passed by two-thirds' vote of the membership of the council.

(b) The council shall adopt the final capital improvements budget for the ensuing fiscal year on or before a date fixed by ordinance of the council. No appropriation provided for in the capital improvements budget shall elapse until the purpose for which the appropriation was made shall have been accomplished or abandoned, provided the city manager may submit amendments to the capital improvements budget at any time during the fiscal year, accompanied by his or her recommendations thereon. Any such amendments to the capital improvements budget shall become effective only upon adoption by a vote of the council.

SECTION 7.20.

Contracting Procedures.

All contracts shall be made or authorized by the council and shall not bind the city unless reduced to writing, approved by the council, and spread upon the minutes. All contracts, and all ordinances or resolutions making contracts or authorizing the same, shall be drawn by the city attorney or shall be submitted to him or her before authorization by the council.

SECTION 7.21.**Centralized Purchasing; City Property.**

(a) The council shall, by ordinance, prescribe procedures for a system of centralized purchasing for the City of Sandy Springs.

(b) The council may sell and convey any real or personal property owned or held by the City of Sandy Springs for governmental or other purposes, at a public or private sale, after due advertisement, for such consideration as it shall deem equitable and just for the city.

(c) The council may quitclaim any rights it may have in property not needed for public purposes upon report by the city manager and adoption of a resolution, both finding that the property is not needed for public or other purposes and that the interest of the city has no readily ascertainable monetary value.

(d) Whenever, in opening, extending, or widening any street, avenue, alley, or public place of the city, a small parcel or tract of land is cut off or separated by such work from a larger tract or boundary of land owned by the city, the council may authorize the city manager to execute and deliver, in the name of the city, a deed conveying said cutoff or separated parcel or tract of land to an abutting or adjoining property owner or owners in exchange for rights of way of said street, avenue, alley, or public place, or in settlement of any alleged damages sustained by said abutting or adjoining property owner. All deeds and conveyances, so executed and delivered, shall convey all title and interest the city has in such property, notwithstanding the fact that no public sale, after advertisement, was or is hereafter made.

SECTION 7.22.**Audits.**

(a) There shall be an annual independent audit of all city accounts, funds, and financial transactions by a certified public accountant selected by the city council. The audit shall be conducted according to generally accepted accounting principles. Any audit of any funds by the state or federal government may be accepted as satisfying the requirements of this charter. Copies of all audit reports shall be available at printing cost to the public.

(b) As a minimum, all audits and budgets of the city shall satisfy the requirements of Chapter 81 of Title 36 of the O.C.G.A., relating to local government audits and budgets.

SECTION 7.23.**Homestead Exemptions.**

(a) There is granted a homestead exemption for each resident of the City of Sandy Springs of \$5,000.00 on the resident's home which the resident owns and actually occupies as a residence and homestead, such exemption to be applicable to all ad valorem taxes levied by the City of Sandy Springs, except ad valorem taxes to pay interest on and retire bonded indebtedness.

(b) Each resident of the City of Sandy Springs who is 65 years of age or over or who is disabled is granted an exemption from all City of Sandy Springs ad valorem taxes in the amount of \$10,000.00 on a homestead owned and occupied by such resident if such resident's adjusted gross income, together with the adjusted gross income of the resident's spouse who also resides at such homestead, does not exceed the maximum amount which may be received by an individual and an individual's spouse under the federal Social Security Act. As used in this subsection, the term "adjusted gross income" shall have the same meaning as defined in the United States Internal Revenue Code of 1986, except that for the purposes of this subsection, the term shall include only that portion of income or benefits received as retirement, survivor, or disability benefits under the federal Social Security Act or under any other public or private retirement, disability, or pension system which exceeds the maximum amount which may be received by an individual and an individual's spouse under the federal Social Security Act. The homestead exemption provided for in this subsection shall apply to ad valorem taxes levied to pay interest on and retire bonded indebtedness of the City of Sandy Springs.

(c) In order to qualify for the exemption provided for in subsection (b) of this section because of disability, the person claiming such exemption shall be required to obtain a certificate from not more than three physicians licensed to practice medicine under Chapter 34 of Title 43 of the O.C.G.A., relative to medical practitioners, as now or hereafter amended, certifying that in the opinion of such physician or physicians such person is mentally or physically incapacitated to the extent that such person is unable to be gainfully employed and that such incapacity is likely to be permanent.

(d) Applications for the homestead exemptions provided for by this section shall be processed in the same manner as other applications for homestead exemptions, and the provisions of law applicable to the processing of homestead exemptions, as the same now exist or may hereafter be amended, shall apply thereto.
