12 "43-11-52.

15 (b) Notwithstanding any other provision of law, the board may issue a special license to  
16 qualifying dentists under the terms and conditions set forth in this Code section. The

3 of the special license.

4 (e) The examination by the board, any application fees, and all licensure and renewal fees

6 (f) If, at the time application is made for the special license, the dentist is not in  
7 compliance with the continuing education requirements established by the board for  
8 dentists in this state, the dentist may be issued a nonrenewable temporary license to  
9 practice for six months provided the applicant is otherwise qualified for such license.

10 (g) The liability of persons practicing dentistry under and in compliance with a special  
11 license issued under this Code section and the liability of their employers for such practice  
12 shall be governed by Code Section 51-1-29.1.
