In the resolution, the authority shall determine that the project financed with the proceeds of the revenue bonds is self-liquidating. Revenue bonds may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions, and things which are specified or required by this Act. Any resolution providing for the issuance of revenue bonds under the provisions of this Act shall become effective immediately upon its passage and need not be published or posted, and any such resolution may be passed at any regular or special or adjourned meeting of the authority by a majority of its members.

SECTION 13.

Credit not pledged.

Revenue bonds of the authority shall not be deemed to constitute a debt of Lumpkin County, Georgia, nor a pledge of the faith and credit of said county, but such revenue bonds shall be payable solely from the fund hereinafter provided for. The issuance of such revenue bonds shall not directly, indirectly, or contingently obligate said county to levy or to pledge any form of taxation whatsoever for payment of such revenue bonds or to make any appropriation for their payment, and all such revenue bonds shall contain recitals on their face covering substantially the foregoing provisions of this section. Notwithstanding the foregoing provisions, this Act shall not affect the ability of the authority and said county to enter into an intergovernmental contract pursuant to which said county agrees to pay amounts sufficient to pay operating charges and other costs of the authority or any project including, without limitation, the principal of and interest on revenue bonds in consideration for services or facilities of the authority.

SECTION 14.

Trust indenture as security.

In the discretion of the authority, any issuance of revenue bonds may be secured by a trust indenture by and between the authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or outside the state. Either the resolution providing for the issuance of the revenue bonds or such trust indenture may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including

covenants setting forth the duties of the authority in relation to the acquisition and construction of the project, the maintenance, operation, repair, and insuring of the project, and the custody, safeguarding, and application of all moneys.

SECTION 15.

To whom proceeds of bonds shall be paid.

In the resolution providing for the issuance of revenue bonds or in the trust indenture, the authority shall provide for the payment of the proceeds of the sale of the revenue bonds to any officer or person who, or any agency, bank, or trust company which, shall act as trustee of such funds and shall hold and apply the same to the purposes thereof, subject to such regulations as this Act and such resolution or trust indenture may provide.

SECTION 16.

Sinking fund.

The moneys received pursuant to an intergovernmental contract and the revenues, fees, tolls, fines, charges, and earnings derived from any particular project or projects, regardless of whether or not such revenues, fees, tolls, fines, charges, and earnings were produced by a particular project for which revenue bonds have been issued, unless otherwise pledged and allocated, may be pledged and allocated by the authority to the payment of the principal and interest on revenue bonds of the authority as the resolution authorizing the issuance of the revenue bonds or the trust indenture may provide. Such funds so pledged from whatever source received shall be set aside at regular intervals as may be provided in the resolution or trust indenture into a sinking fund, which sinking fund shall be pledged to and charged with the payment of:

- (1) The interest upon such revenue bonds as the same shall fall due;
- (2) The principal or purchase price of such revenue bonds as the same shall fall due;
- (3) Any premium upon such revenue bonds as the same shall fall due;
- (4) The purchase of such revenue bonds in the open market; and
- (5) The necessary charges of the paying agent for paying principal and interest.

The use and disposition of such sinking fund shall be subject to such regulations as may be provided in the resolution authorizing the issuance of the revenue bonds or in the trust indenture, but, except as may otherwise be provided in such resolution or trust indenture, such sinking fund shall be maintained as a trust account for the benefit of all revenue bonds without distinction or priority of one over another.

SECTION 17.

Remedies of bondholders.

Any holder of revenue bonds or any of the coupons appertaining thereto and the trustee under the trust indenture, if any, except to the extent the rights given in this Act may be restricted by resolution passed before the issuance of the revenue bonds or by the trust indenture, may, either at law or in equity, by suit, action, mandamus, or other proceedings, protect and enforce any and all rights under the laws of the state, including specifically but without limitation, the Revenue Bond Law, or granted under this Act or under such resolution or trust indenture, and may enforce and compel performance of all duties required by this Act or by such resolution or trust indenture to be performed by the authority or any officer thereof, including the fixing, charging, and collecting of revenues, fees, tolls, fines, and other charges for the use of the facilities and services furnished.

SECTION 18.

Validation.

Revenue bonds and the security therefor shall be confirmed and validated in accordance with the procedure of the Revenue Bond Law. The petition for validation shall also make party defendant to such action the state and any institution, department, or other agency of the state and any county, municipality, school district, or other political subdivision or authority of the state which has contracted with the authority for services or facilities relating to the project for which revenue bonds are to be issued and sought to be validated. Such defendant shall be required to show cause, if any exists, why such contract or contracts shall not be adjudicated as a part of the basis for the security for the payment of any such revenue bonds. The revenue bonds, when validated, and the judgment of validation shall be final and conclusive with respect to such revenue bonds and the security for the payment thereof and interest thereon and against the authority and all other defendants.

SECTION 19.

Venue and jurisdiction.

Any action to protect or enforce any rights under the provisions of this Act or any suit or action against such authority shall be brought in the Superior Court of Lumpkin County, Georgia, and any action pertaining to validation of any revenue bonds issued under the provisions of this Act shall likewise be brought in said court which shall have exclusive, original jurisdiction of such actions.

SECTION 20.

Interest of bondholders protected.

While any of the revenue bonds issued by the authority remain outstanding, the powers, duties, or existence of said authority or its officers, employees, or agents shall not be diminished or impaired in any manner that will affect adversely the interests and rights of the holders of such revenue bonds, and no other entity, department, agency, or authority shall be created which will compete with the authority to such an extent as to affect adversely the interest and rights of the holders of such revenue bonds nor shall the state itself so compete with the authority. The provisions of this Act shall be for the benefit of the authority and the holders of any such revenue bonds and, upon the issuance of such revenue bonds under the provisions of this Act, shall constitute a contract with the holders of such revenue bonds.

SECTION 21.

Moneys received considered trust funds.

All moneys received pursuant to the authority of this Act, whether as proceeds from the sale of revenue bonds, as grants or other contributions, or as revenue, income, fees, and earnings, shall be deemed to be trust funds to be held and applied solely as provided in this Act.

SECTION 22.

SECTION 23.

Rates, charges, and revenues; use.

The authority is authorized to prescribe and fix rates and to revise same from time to time and to collect revenues, tolls, fees, and charges for the services, facilities, and commodities furnished and, in anticipation of the collection of the revenues, to issue revenue bonds or other types of obligations as provided in this Act to finance, in whole or in part, the costs of the project and to pledge to the punctual payment of said revenue bonds or other obligations all or any part of the revenues.

SECTION 24.

Rules, regulations, service policies, and procedures for operation of projects.

It shall be the duty of the authority to prescribe rules, regulations, service policies, and procedures for the operation of any project or projects constructed or acquired under the provisions of this Act, including the basis upon which recreational services and facilities and other public services and facilities shall be furnished. The authority may adopt bylaws.

SECTION 27.

Effect on other governments.

This Act shall not and does not in any way take from Lumpkin County, Georgia, or any county or municipality the authority to own, operate, and maintain facilities or to issue revenue bonds as provided by the Revenue Bond Law.

SECTION 28.

Liberal construction of Act.

This Act, being for the welfare of various political subdivisions of the state and its inhabitants, shall be liberally construed to effect the purposes hereof.
