9 purposes.

10 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

11 **SECTION 1.**

12 Chapter 3 of Title 12 of the Official Code of Georgia Annotated, relating to state parks and
13 facilities, is amended by adding at the end of Article 7 a new Part 14 to read as follows:

14 "Part 14

15 12-3-600.

16 This part shall be known and may be cited as the 'Power Alley Development Authority
17 Act.'

18 12-3-601.

19 (a) There is created a body corporate and politic to be known as the Power Alley
20 Development Authority which shall be deemed to be a political subdivision of the State of
21 Georgia and a public corporation by that name, style, and title. Said body may contract and
22 be contracted with, sue and be sued, implead and be impleaded, and complain and defend
23 in all courts of law and equity, except that the authority or the trustee acting under the trust

1 indenture shall in no event be liable for any torts committed by any of the officers, agents,
2 and employees. The authority is granted the same exemptions and exclusions from taxes
3 as are now granted to cities and counties for the operation of facilities similar to facilities
4 to be operated by the authority as provided under the provisions of this part.

5 (b) The authority shall consist of nine members who are residents of the counties in the
6 geographic jurisdiction of the authority as follows:

7 (1) Five members shall be appointed by the Governor. The terms of the initial members
8 appointed by the Governor shall begin July 1, 2001, and one such member shall serve for
9 a term of two years, two such members shall serve for terms of three years, and two such
10 members shall serve for terms of four years. Thereafter all members appointed by the
11 Governor shall serve for terms of four years;

12 (2) Two members shall be appointed by the President of the Senate for terms concurrent
13 with the President of the Senate's term as Lieutenant Governor; and

14 (3) Two members shall be appointed by the Speaker of the House of Representatives for
15 terms concurrent with the Speaker's term as Speaker.

16 All members shall serve until their successors are appointed and qualified.

17 (c) The members of the authority shall elect one of their members as chairperson and
18 another as vice chairperson. They shall also elect a secretary and a treasurer who need not
19 be members. The offices of secretary and treasurer may be combined in one person.

20 (d) The authority may make such bylaws for its government as is deemed necessary but
21 is under no obligation to do so.

22 (e) Any five members of the authority shall constitute a quorum necessary for the
23 transaction of business, and a majority vote of those present at any meeting at which there
24 is a quorum shall be sufficient to do and perform any action permitted to the authority by
25 this part. However, no person shall be entitled to exercise or cast a proxy vote for any
26 member. No vacancy on the authority shall impair the right of a quorum to transact any
27 and all business as aforesaid.

28 (f) The members shall receive no compensation for their services; but all members shall
29 be entitled to be reimbursed from funds of the authority for actual expenses, including
30 travel and any other expenses, incurred while in the performance of their duties.
31 Employees of the authority shall receive reasonable compensation, to be determined by the
32 members of the authority, for their services.

33 (g) A vacancy in one of the appointive positions shall be filled in the same manner as the
34 original appointment for the remainder of the unexpired term.

35 12-3-602.

36 (a) As used in this part, the term:

1 (1) 'Authority' means the Power Alley Development Authority created in Code Section
2 12-3-601.

3 (2) 'Cost of the project' means and embraces the cost of construction; the cost of all
4 lands, properties, rights, easements, and franchises acquired and the cost of all
5 conveyances in fee simple of the authority's title thereto and leases thereof; the cost of
6 all machinery and equipment; financing charges; interest prior to and during construction
7 and for one year after completion of construction; cost of engineering, architectural,
8 fiscal, and legal expenses, plans, and specifications; other expenses necessary or incident
9 to determining the feasibility or practicability of the project; administrative expenses; and
10 such other expenses as may be necessary or incident to the financing authorized in this
11 part, the construction of any project, and the placing of the same in operation. Any
12 obligation or expense incurred for any of the foregoing purposes shall be regarded as a
13 part of the cost of the project and may be paid or reimbursed as such out of the proceeds
14 of revenue bonds issued under the provisions of this part for such project.

15 (3) 'Geographic jurisdiction of the authority' means each county in the state which
16 contains any part of U.S. Highway 280 running from Columbus to Savannah.

17 (4) 'Project' means and includes the acquisition, financing, construction, equipping,
18 maintenance, marketing, or operation of roads, bridges, or rail or air or other
19 transportation facilities; industrial, commercial, office, and retail facilities; restaurants,
20 motels, hotels, and recreation centers and areas, including, but not limited to,
21 playgrounds; parks; hiking, camping, and picnicking areas and facilities; swimming and
22 wading pools; lakes; golf courses; tennis courts; athletic fields and courts; clubhouses;
23 gymnasiums; auditoriums; and related buildings; and the usual and convenient facilities
24 pertaining to such undertakings and extensions and improvements of such facilities; the
25 acquisition of transportation facilities, parking facilities, or parking areas in connection
26 therewith; the acquisition of the necessary property therefor, both real and personal; and
27 the lease and sale of any part or all of such facilities, including real and personal property,
28 so as to assure the efficient and proper development, maintenance, and operation of such
29 recreational facilities and areas deemed by the authority to be necessary, convenient, or
30 desirable.

31 (5) 'Public property' means any public property within the geographic jurisdiction of the
32 authority.

33 (6) 'Revenue bonds,' 'bonds,' and 'obligations' mean revenue bonds as defined and
34 provided for in Article 3 of Chapter 82 of Title 36 and such type of obligations may be
35 issued by the authority as authorized under said Article 3 and, in addition, shall also mean
36 obligations of the authority, the issuance of which are hereinafter specifically provided
37 for in this part.

1 (b) Any project shall be deemed 'self-liquidating' if, in the judgment of the authority, the
2 revenues and earnings to be derived by the authority therefrom and all properties used,
3 leased, and sold in connection therewith will be sufficient to pay the cost of operating,
4 maintaining, repairing, improving, and extending the project and to pay the principal of and
5 interest on the revenue bonds which may be issued to finance, in whole or in part, the cost
6 of such project or projects.

7 12-3-603.

8 The authority shall have powers:

9 (1) To have a seal and alter the same at pleasure;

10 (2) To acquire by purchase, lease, or otherwise, with the exception of eminent domain,
11 and to hold, lease, and dispose of real and personal property of every kind and character
12 for its corporate purposes;

13 (3) To acquire in its own name by purchase, on such terms and conditions and in such
14 manner as it may deem proper, real property or rights of easements therein or franchises
15 necessary or convenient for its corporate purposes and to use the same so long as its
16 corporate existence shall continue; to lease or make contracts with respect to the use of
17 the same; or to dispose of the same in any manner it deems to the best advantage of the
18 authority, subject to the provisions of Code Section 12-3-625. No property shall be
19 acquired under the provisions of this part upon which any lien or other encumbrance
20 exists unless, at the time such property is so acquired, a sufficient sum of money is
21 deposited in trust to pay and redeem the fair value of such lien or encumbrance. If the
22 authority shall deem it expedient to construct any project on any lands, the title to which
23 shall then be in the State of Georgia, the Governor is authorized to convey, for and in
24 behalf of the state, title to such lands to the authority upon payment to the State of
25 Georgia for the credit of the general fund of the state the reasonable value of such lands,
26 such value to be determined by three appraisers to be agreed upon by the Governor and
27 the chairperson of the authority. If the authority shall deem it expedient to construct any
28 project on any lands, the title to which shall then be in a county or in any municipality
29 incorporated in the geographic jurisdiction of the authority, the governing body of that
30 county or municipality is authorized to convey title to such lands to the authority upon
31 payment for the credit of the general funds of said counties or municipalities the
32 reasonable value of such lands, such value to be determined by three appraisers to be
33 agreed upon by the governing authority or body of said county or municipality and the
34 chairperson of the authority;

1 (4) To appoint, select, and employ officers, agents, and employees, including, but not
2 limited to, engineering, architectural, and construction experts; fiscal agents; and
3 attorneys and fix their respective compensations;

4 (5) To make contracts and leases and to execute all instruments necessary or convenient,
5 including contracts for construction of projects and leases of projects or contracts with
6 respect to the use of projects which it causes to be erected or acquired, and to dispose by
7 conveyance of its title in fee simple of real and personal property of every kind and
8 character, subject to the provisions of Code Section 12-3-625. Any and all persons, firms
9 and corporations, the state, and any and all political subdivisions, departments,
10 institutions, or agencies of the state are authorized to enter into contracts, leases, or
11 agreements with the authority upon such terms and for such purposes as they deem
12 advisable; and, without limiting the generality of the above, authority is specifically
13 granted to municipal corporations and counties and to the authority to enter into contracts
14 and lease and sublease agreements with the State of Georgia or any agencies or
15 departments thereof relative to parks and recreational centers, areas, and facilities and
16 relative to any property, which such department or other agency or department of the
17 State of Georgia has now or may hereafter obtain by lease from the United States
18 government or any agency or department thereof, and with the United States government
19 or any agency or department thereof. The authority is specifically authorized to convey
20 title, in fee simple, to any and all of its lands and any improvements thereon to any
21 persons, firms, corporations, municipalities, the State of Georgia, or the United States
22 government, or any agency or department thereof, subject to the rights and interests of
23 the holders of any of the bonds or obligations authorized to be issued pursuant to this
24 part, by the resolution or trust indenture of the authority authorizing the issuance of any
25 of its bonds or obligations as provided in Code Section 12-3-616;

26 (6) To construct, erect, acquire, own, repair, remodel, maintain, add to, extend, improve,
27 equip, operate, and manage projects as defined in paragraph (4) of Code Section
28 12-3-602, the cost of any such project to be paid in whole or in part from the proceeds of
29 revenue bonds or other funds of the authority or from such proceeds or other funds and
30 any grant from the United States of America or any agency or instrumentality thereof;

31 (7) To accept loans or grants of money or materials or property of any kind from the
32 United States of America or any agency or instrumentality thereof upon such terms and
33 conditions as the United States of America or such agency or instrumentality may
34 impose;

35 (8) To accept loans or grants of money or materials or property of any kind from the
36 State of Georgia or any agency or instrumentality or political subdivision thereof upon

1 such terms and conditions as the State of Georgia or such agency or instrumentality or
2 political subdivision may impose;

3 (9) To borrow money for any of its corporate purposes and to execute evidences of such
4 indebtedness and to secure the same, to issue negotiable revenue bonds payable solely
5 from funds pledged for that purpose, and to provide for the payment of the same and for
6 the rights of the holders thereof;

7 (10) To exercise any power usually possessed by private corporations performing similar
8 functions which is not in conflict with the Constitution and laws of this state;

9 (11) The authority and the trustee acting under the trust indenture are specifically
10 authorized from time to time to sell, lease, grant, exchange, or otherwise dispose of any
11 surplus property, both real or personal, or interest therein not required in the normal
12 operation of and usable in the furtherance of the purpose for which the authority was
13 created, except as such right and power may be limited as provided in Code Section
14 12-3-616;

15 (12) To borrow money for any of its corporate purposes from any bank, banks, or other
16 lending institutions and to execute evidences of such indebtedness and to secure the
17 same;

18 (13) To serve as an agency in managing, developing, and leasing property received or
19 leased from the United States of America;

20 (14) To fix, alter, charge, and collect tolls, fees, rents, charges, and assessments for the
21 use of the facilities of or for the services rendered by the authority, such rates to be at
22 least sufficient to provide for payment of all expenses of the authority, the conservation,
23 maintenance, and operation of its facilities and properties, the payment of principal and
24 interest on its notes, bonds, and other evidences of indebtedness or obligation, and to
25 fulfill the terms and provisions of any agreement made with the purchasers and holders
26 of any such notes, bonds, or other evidences of indebtedness or obligation; and

27 (15) To do all things necessary or convenient to carry out the powers expressly given in
28 this part.

29 12-3-604.

30 (a) The authority, or any authority or body which has succeeded or which may in the
31 future succeed to the powers, duties, and liabilities vested in the authority, shall have power
32 and is authorized at one time, or from time to time, to provide by resolution for the issuance
33 of negotiable revenue bonds for the purpose of paying all or any part of the cost, as defined
34 in this part, of any one project or a combination of projects. The principal and interest of
35 such revenue bonds shall be payable solely from the special fund provided in Code Section
36 12-3-615 for such payment. The bonds of each issue shall be dated and shall mature at such

1 times and bear interest at such rates as may be determined by the authority, payable in such
2 medium of payment as to both principal and interest as may be determined by the authority,
3 and may be made redeemable before maturity, at the option of the authority, at such price
4 or prices and under such terms and conditions as may be fixed by the authority in the
5 resolution providing for the issuance of the bonds.

6 (b) Such revenue bonds or obligations shall be issued pursuant to and in conformity with
7 Article 3 of Chapter 82 of Title 36; and all procedures pertaining to such issuance and the
8 conditions thereof shall be the same as those contained in said Article 3 of Chapter 82 of
9 Title 36.

10 12-3-605.

11 The authority shall determine the form of the bonds, including any interest coupons to be
12 attached thereto, and shall fix the denomination or denominations of the bonds and the
13 place or places of payment of principal and interest thereof which may be at any bank or
14 trust company within or outside the state. The bonds may be issued in coupon or registered
15 form, or both, as the authority may determine; and provision may be made for the
16 registration of any coupon bond as to principal alone and also as to both the principal and
17 interest.

18 12-3-606.

19 All such bonds shall be signed by the chairperson of the authority, and attested by the
20 secretary and treasurer of the authority, the official seal of the authority shall be affixed
21 thereto, and any coupons attached thereto shall bear the facsimile signatures of the
22 chairperson and secretary and treasurer of the authority. Any coupon may bear the
23 facsimile signatures of such persons; and any bond may be signed, sealed, and attested on
24 behalf of the authority by such persons as, at the actual time of the execution of such bonds,
25 shall be duly authorized or hold the proper office, although at the date of such bonds such
26 persons may not have been so authorized or shall not have held such office. In case any
27 officer whose signature shall appear on any bonds or whose facsimile signature shall
28 appear on any coupon shall cease to be such officer before delivery of such bonds, such
29 signature shall nevertheless be valid and sufficient for all purposes as if he or she had
30 remained in office until such delivery.

31 12-3-607.

32 All revenue bonds issued under this part shall have and are declared to have all the qualities
33 and incidents of negotiable instruments under the laws of this state. Such bonds are

1 declared to be issued for an essential public and governmental purpose, and the said bonds
2 and the income thereof shall be exempt from all taxation within the state.

3 12-3-608.

4 The authority may sell such bonds in such manner and for such price as it may determine
5 to be in the best interest of the authority, and the proceeds derived from the sale of such
6 bonds shall be used solely for the purpose provided in the proceedings authorizing the
7 issuance of such bonds.

8 12-3-609.

9 Prior to the preparation of definitive bonds, the authority may, under like restrictions, issue
10 interim receipts, interim certificates, or temporary bonds with or without coupons
11 exchangeable for definitive bonds upon the issuance of the latter.

12 12-3-610.

13 The authority may also provide for the replacement of any bond or any coupons which
14 shall become mutilated or be destroyed or lost.

15 12-3-611.

16 Such revenue bonds may be issued without any other proceedings or the happening of any
17 other conditions or things than those proceedings, conditions, and things which are
18 specified or required by this part. Any resolution providing for the issuance of revenue
19 bonds under the provisions of this part shall become effective immediately upon its passage
20 and need not be published or posted; and any such resolution may be passed at any regular
21 or special or adjourned meeting of the authority by a majority of its members.

22 12-3-612.

23 Revenue bonds issued under the provisions of this part shall not be deemed to constitute
24 a debt of any county in the geographic jurisdiction of the authority or the state nor a pledge
25 of the faith and credit of any of said counties or the state; but such bonds shall be payable
26 solely from the fund provided for in Code Section 12-3-615. The issuance of such revenue
27 bonds shall not directly, indirectly, or contingently obligate any of said counties or the state
28 to levy or to pledge any form of taxation whatever therefor or to make any appropriation
29 for their payment. All such bonds shall contain recitals on their face covering substantially
30 the foregoing provisions of this Code section.

1 12-3-613.

2 In the discretion of the authority, any issue of such revenue bonds may be secured by a
3 trust indenture by and between the authority and a corporate trustee which may be any trust
4 company or bank having the powers of a trust company within or outside of the state. Such
5 trust indenture may pledge or assign fees, rents, tolls, revenues, and earnings to be received
6 by the authority, including the proceeds derived from the sale from time to time of any
7 surplus property of the authority, both real and personal. Either the resolution providing for
8 the issuance of revenue bonds or such trust indenture may contain such provisions for
9 protecting and enforcing the rights and remedies of the bondholders as may be reasonable
10 and proper and not in violation of law, including covenants setting forth the duties of the
11 authority in relation to the acquisition of property; the construction of the project; the
12 maintenance, operation, repair, and insurance of the project; and the custody, safeguarding,
13 and application of all moneys, including the proceeds derived from the sale of property of
14 the authority, both real and personal; and may also provide that any project shall be
15 constructed and paid for under the supervision and approval of consulting engineers or
16 architects employed or designated by the authority; and may also contain provisions
17 concerning the conditions, if any, upon which additional revenue bonds may be issued. It
18 shall be lawful for any bank or trust company incorporated under the laws of this state to
19 act as such depository and to furnish such indemnifying bonds or pledge such securities as
20 may be required by the authority. Such indenture may set forth the rights and remedies of
21 the bondholders and of the trustee and may restrict the individual right of action of
22 bondholders as is customary in trust indentures securing bonds and debentures of
23 corporations. In addition to the foregoing, such trust indenture may contain such other
24 provisions as the authority may deem reasonable and proper for the security of the
25 bondholders. All expenses incurred in carrying out such trust indenture may be treated as
26 a part of the cost of maintenance, operation, and repair of the project affected by such
27 indenture.

28 12-3-614.

29 The authority shall, in the resolution providing for the issuance of revenue bonds or in the
30 trust indenture, provide for the payment of the proceeds of the sale of the bonds to any
31 officer or person who or any agency, bank, or trust company which shall act as trustee of
32 such funds and shall hold and apply the same to the purposes hereof, subject to such
33 regulations as this part and such resolution or trust indenture may provide.

1 12-3-615.

2 The revenues, rents, fees, tolls, and earnings derived from any particular project or projects,
3 regardless of whether or not such fees, earnings, and revenues were produced by a
4 particular project for which bonds have been issued, and any moneys derived from the sale
5 of any properties, both real and personal, of the authority, unless otherwise pledged and
6 allocated, may be pledged and allocated by the authority to the payment of the principal
7 and interest on revenue bonds of the authority as the resolution authorizing the issuance of
8 the bonds or in the trust instrument may provide. Such funds so pledged, from whatever
9 source received, which said pledge may include funds received from one or more or all
10 sources, shall be set aside at regular intervals as may be provided in the resolution or trust
11 indenture into a sinking fund, which said sinking fund shall be pledged to and charged with
12 the payment of:

13 (1) The interest upon such revenue bonds as such interest shall fall due;

14 (2) The principal of the bonds as the same shall fall due;

15 (3) Any premium upon bonds acquired by the redemption, payment, or otherwise;

16 (4) The necessary charges of the paying agent or agents for paying principal and interest;
17 and

18 (5) Any investment fees or charges.

19 The use and disposition of such sinking fund shall be subject to such regulations as may
20 be provided in the resolution authorizing the issuance of the revenue bonds or in the trust
21 indenture; but, except as may otherwise be provided in such resolution or trust indenture,
22 such sinking fund shall be maintained as a trust account for the benefit of all revenue bonds
23 without distinction or priority of one over another. Subject to the provisions of the
24 resolution authorizing the issuance of the bonds or in the trust indenture, any surplus
25 moneys in the sinking fund may be applied to the purchase or redemption of bonds; and
26 any such bonds so purchased or redeemed shall forthwith be canceled and shall not be
27 reissued, printed, and delivered.

28 12-3-616.

29 Except to the extent the rights given in this Code section may be restricted by resolution
30 passed before the issuance of bonds or by a trust indenture, any holder of revenue bonds
31 or interest coupons issued under this part, any receiver for such holders, or any indenture
32 trustee, if any, may either at law or in equity, by action, mandamus, or other proceedings,
33 protect and enforce any and all rights under the laws of the State of Georgia or granted by
34 this part or under such resolution or trust indenture. Such holder, receiver, or trustee may
35 enforce and compel performance of all duties required by this part, or by resolution or trust
36 indenture, to be performed by the authority or any officer thereof, including the fixing,

1 charging, and collecting of revenues, rents, and other charges for the use of the project or
2 projects. In the event of default of the authority upon the principal and interest obligations
3 of any revenue bond issue, such holder, receiver, or trustee shall be subrogated to each and
4 every right, specifically including the contract rights of collecting rental, which the
5 authority may possess against the state or any department, agency, or institution of the state
6 and, in the pursuit of his or her or its remedies as subrogee, may proceed either at law or
7 in equity, by action, mandamus, or other proceedings, to collect any sums by such
8 proceedings due and owing to the authority and pledged or partially pledged directly or
9 indirectly to the benefit of the revenue bond issue of which such holder, receiver, or trustee
10 is representative. No holder, receiver, or trustee shall have the right to compel any exercise
11 of the taxing power of the state to pay any such bond or the interest thereon, or to enforce
12 the payment thereof against any property of the state, nor shall any such bond constitute
13 a charge, lien, or encumbrance, legal or equitable, upon the property of the state.

14 12-3-617.

15 The authority is authorized to provide by resolution for the issuance of bonds of the
16 authority for the purpose of funding or refunding any revenue bonds issued under the
17 provisions of this part and then outstanding, together with accrued interest thereon and
18 premium, if any. The issuance of such funding or refunding bonds, the maturities and all
19 other details thereof, the rights of the holders thereof, and the duties of the authority in
20 respect to the same shall be governed by the foregoing provisions of this part insofar as the
21 same may be applicable.

22 12-3-618.

23 Any action to protect or enforce any rights under the provisions of this part or any action
24 against such authority shall be brought in the superior court of one of the counties in the
25 geographic jurisdiction of the authority; and any action pertaining to validation of any
26 bonds issued under the provisions of this part shall likewise be brought in one of said
27 courts which shall have exclusive, original jurisdiction of such actions.

28 12-3-619.

29 Bonds of the authority shall be confirmed and validated in accordance with the procedure
30 of Article 3 of Chapter 82 of Title 36. The petition for validation shall also make party
31 defendant to such action the State of Georgia or any municipality, county, authority,
32 political subdivision, or instrumentality of the State of Georgia or the United States
33 government or any department or agency of the United States government, if subject to
34 having such action brought against it and if consenting to same, which has contracted with

1 the authority for the services and facilities of the project for which bonds are to be issued
2 and sought to be validated; and the state or such municipality, county, authority, political
3 subdivision, or instrumentality shall be required to show cause, if any, why such contract
4 or contracts and the terms and conditions thereof should not be inquired into by the court
5 and the validity of the terms thereof be determined and the contract or contracts adjudicated
6 as a part of the basis of the security for the payment of any such bonds of the authority. The
7 bonds, when validated, and the judgment of validation shall be final and conclusive with
8 respect to such bonds and the security for the payment thereof and interest thereon and
9 against the authority issuing the same, the state and any municipality, county, authority,
10 political subdivision, or instrumentality, if a party to the validation proceedings, contracting
11 with the Power Alley Development Authority.

12 12-3-620.

13 While any of the bonds issued by the authority remain outstanding, the powers, duties, or
14 existence of said authority or of its officers, employees, or agents shall not be diminished
15 or impaired in any manner that will affect adversely the interest and rights of the holders
16 of such bonds; and no other entity, department, agency, or authority will be created which
17 will compete with the authority to such an extent as to affect adversely the interest and
18 rights of the holders of such bonds; nor will the state itself so compete with the authority.
19 The provisions of this part shall be for the benefit of the authority and the holders of any
20 such bonds and, upon the issuance of bonds under the provisions hereof, shall constitute
21 a contract with the holders of such bonds.

22 12-3-621.

23 All moneys received pursuant to the authority of this part, whether as proceeds from the
24 sale of revenue bonds; as grants or other contributions; or as revenues, income, fees, and
25 earnings, shall be deemed to be trust funds to be held and applied solely as provided in this
26 part.

27 12-3-622.

28 Without limiting the generality of any provisions of this part, the general purpose of the
29 authority is declared to be that of economic and tourism development in the geographic
30 jurisdiction of the authority through acquiring, constructing, financing, equipping,
31 maintaining, marketing, or operating projects as defined in this part and acquiring the
32 necessary property therefor, both real and personal, and leasing or selling any or all of such
33 facilities, including real property, and doing any and all things deemed by the authority to

1 be necessary, convenient, or desirable for and incident to the efficient and proper
2 development and operation of such types of undertakings.
