1 (c) *Article 1 definitions and principles.* Article 1 of this title contains general definitions
2 and principles of construction and interpretation applicable throughout this article.

3 11-9-103. **Purchase money security interest; application of payments; burden of**
4 **establishing.**

5 (a) *Definitions.* As used in this Code section, the term:

6 (1) 'Purchase money collateral' means goods or software that secures a purchase money
7 obligation incurred with respect to that collateral.

8 (2) 'Purchase money obligation' means an obligation of an obligor incurred as all or part
9 of the price of the collateral or for value given to enable the debtor to acquire rights in or
10 the use of the collateral if the value is in fact so used.

11 (b) *Purchase money security interest in goods.* A security interest in goods is a purchase
12 money security interest:

13 (1) To the extent that the goods are purchase money collateral with respect to that
14 security interest;

15 (2) If the security interest is in inventory that is or was purchase money collateral, also
16 to the extent that the security interest secures a purchase money obligation incurred with
17 respect to other inventory in which the secured party holds or held a purchase money
18 security interest; and

19 (3) Also to the extent that the security interest secures a purchase money obligation
20 incurred with respect to software in which the secured party holds or held a purchase
21 money security interest.

22 (c) *Purchase money security interest in software.* A security interest in software is a
23 purchase money security interest to the extent that the security interest also secures a
24 purchase money obligation incurred with respect to goods in which the secured party holds
25 or held a purchase money security interest if:

26 (1) The debtor acquired its interest in the software in an integrated transaction in which
27 it acquired an interest in the goods; and

28 (2) The debtor acquired its interest in the software for the principal purpose of using the
29 software in the goods.

30 (d) *Consignor's inventory purchase money security interest.* The security interest of a
31 consignor in goods that are the subject of a consignment is a purchase money security
32 interest in inventory.

33 (e) *Application of payment in nonconsumer goods transaction.* In a transaction other than
34 a consumer goods transaction, if the extent to which a security interest is a purchase money
35 security interest depends on the application of a payment to a particular obligation, the
36 payment must be applied:

1 (1) In accordance with any reasonable method of application to which the parties agree;

2 (2) In the absence of the parties' agreement to a reasonable method, in accordance with
3 any intention of the obligor manifested at or before the time of payment; or

4 (3) In the absence of an agreement to a reasonable method and a timely manifestation of
5 the obligor's intention, in the following order:

6 (A) To obligations that are not secured; and

7 (B) If more than one obligation is secured, to obligations secured by purchase money
8 security interests in the order in which those obligations were incurred.

9 (f) *No loss of status of purchase money security interest in nonconsumer goods*
10 *transaction.* In a transaction other than a consumer goods transaction, a purchase money
11 security interest does not lose its status as such, even if:

12 (1) The purchase money collateral also secures an obligation that is not a purchase
13 money obligation;

14 (2) Collateral that is not purchase money collateral also secures the purchase money
15 obligation; or

16 (3) The purchase money obligation has been renewed, refinanced, consolidated, or
17 restructured.

18 (g) *Burden of proof in nonconsumer goods transaction.* In a transaction other than a
19 consumer goods transaction, a secured party claiming a purchase money security interest
20 has the burden of establishing the extent to which the security interest is a purchase money
21 security interest.

22 (h) *Nonconsumer goods transactions; no inference.* The limitation of the rules in
23 subsections (e), (f), and (g) of this Code section to transactions other than consumer goods
24 transactions is intended to leave to the court the determination of the applicable rules in
25 consumer goods transactions. The court may not infer from that limitation the nature of the
26 applicable rule in consumer goods transactions and may continue to apply established
27 approaches.

28 **11-9-104. Control of deposit account.**

29 (a) *Requirements for control.* A secured party has control of a deposit account if:

30 (1) The secured party is the bank with which the deposit account is maintained;

31 (2) The debtor, secured party, and bank have agreed in an authenticated record that the
32 bank will comply with instructions originated by the secured party directing disposition
33 of the funds in the deposit account without further consent by the debtor; or

34 (3) The secured party becomes the bank's customer with respect to the deposit account.

1 (b) *Debtor's right to direct disposition.* A secured party that has satisfied subsection (a)
 2 of this Code section has control, even if the debtor retains the right to direct the disposition
 3 of funds from the deposit account.

4 **11-9-105. Control of electronic chattel paper.**

5 A secured party has control of electronic chattel paper if the record or records comprising
 6 the chattel paper are created, stored, and assigned in such a manner that:

7 (1) A single authoritative copy of the record or records exists which is unique,
 8 identifiable, and, except as otherwise provided in paragraphs (4), (5), and (6) of this Code
 9 section, unalterable;

10 (2) The authoritative copy identifies the secured party as the assignee of the record or
 11 records;

12 (3) The authoritative copy is communicated to and maintained by the secured party or
 13 its designated custodian;

14 (4) Copies or revisions that add or change an identified assignee of the authoritative copy
 15 can be made only with the participation of the secured party;

16 (5) Each copy of the authoritative copy and any copy of a copy is readily identifiable as
 17 a copy that is not the authoritative copy; and

18 (6) Any revision of the authoritative copy is readily identifiable as an authorized or
 19 unauthorized revision.

20 **11-9-106. Control of investment property.**

21 (a) *Control under Code Section 11-8-106.* A person has control of a certificated security,
 22 uncertificated security, or security entitlement as provided in Code Section 11-8-106.

23 (b) *Control of commodity contract.* A secured party has control of a commodity contract
 24 if:

25 (1) The secured party is the commodity intermediary with which the commodity contract
 26 is carried; or

27 (2) The commodity customer, secured party, and commodity intermediary have agreed
 28 that the commodity intermediary will apply any value distributed on account of the
 29 commodity contract as directed by the secured party without further consent by the
 30 commodity customer.

31 (c) *Effect of control of securities account or commodity account.* A secured party having
 32 control of all security entitlements or commodity contracts carried in a securities account
 33 or commodity account has control over the securities account or commodity account.

1 11-9-107. **Control of letter of credit right.**

2 A secured party has control of a letter of credit right to the extent of any right to payment
3 or performance by the issuer or any nominated person if the issuer or nominated person has
4 consented to an assignment of proceeds of the letter of credit under subsection (c) of Code
5 Section 11-5-114 or otherwise applicable law or practice.

6 11-9-108. **Sufficiency of description.**

7 (a) *Sufficiency of description.* Except as otherwise provided in subsections (c), (d), and
8 (e) of this Code section, a description of personal or real property is sufficient, whether or
9 not it is specific, if it reasonably identifies what is described.

10 (b) *Examples of reasonable identification.* Except as otherwise provided in subsection (d)
11 of this Code section, a description of collateral reasonably identifies the collateral if it
12 identifies the collateral by:

13 (1) Specific listing;

14 (2) Category;

15 (3) Except as otherwise provided in subsection (e) of this Code section, a type of
16 collateral defined in this title;

17 (4) Quantity;

18 (5) Computational or allocational formula or procedure; or

19 (6) Except as otherwise provided in subsection (c) of this Code section, any other
20 method, if the identity of the collateral is objectively determinable.

21 (c) *Supergeneric description not sufficient.* A description of collateral as 'all the debtor's
22 assets' or 'all the debtor's personal property' or using words of similar import does not
23 reasonably identify the collateral.

24 (d) *Investment property.* Except as otherwise provided in subsection (e) of this Code
25 section, a description of a security entitlement, securities account, or commodity account
26 is sufficient if it describes:

27 (1) The collateral by those terms or as investment property; or

28 (2) The underlying financial asset or commodity contract.

29 (e) *When description by type insufficient.* A description only by type of collateral defined
30 in this title is an insufficient description of:

31 (1) A commercial tort claim; or

32 (2) In a consumer transaction, consumer goods, a security entitlement, a securities
33 account, or a commodity account.

Subpart 2

 17 debtor;
- 18 (11) The creation or transfer of an interest in or lien on real property, including a lease

32 **11-9-110. Security interests arising under Article 2 or 2A of this title.**

33 A security interest arising under Code Section 11-2-401 or 11-2-505, subsection (3) of
 34 Code Section 11-2-711, or subsection (5) of Code Section 11-2A-508 is subject to this
 35 article. However, until the debtor obtains possession of the goods:

- 1 (1) The security interest is enforceable, even if paragraph (3) of subsection (b) of Code
 2 Section 11-9-203 has not been satisfied;
- 3 (2) Filing is not required to perfect the security interest;
- 4 (3) The rights of the secured party after default by the debtor are governed by Article 2
 5 or 2A of this title; and
- 6 (4) The security interest has priority over a conflicting security interest created by the
 7 debtor.

8 **11-9-111. Applicability of bulk transfer laws.**

9 The creation of a security interest is not a bulk transfer under Article 6 of this title (see
 10 Code Section 11-6-103).

11 Part 2

12 Effectiveness of Security Agreement;

13 Attachment of Security Interest;

14 Rights of Parties to Security Agreement

15 Subpart 1

16 Effectiveness and Attachment

17 **11-9-201. General effectiveness of security agreement.**

18 (a) *General effectiveness.* Except as otherwise provided in this title, a security agreement
 19 is effective according to its terms between the parties, against purchasers of the collateral,
 20 and against creditors.

21 (b) *Applicable consumer laws and other law.* A transaction subject to this article is subject
 22 to any applicable rule of law which establishes a different rule for consumers and is subject
 23 to Chapter 3 of Title 7; Chapter 4 of Title 7; and Article 1 of Chapter 1 of Title 10.

24 (c) *Other applicable law controls.* In case of conflict between this article and a rule of
 25 law, statute, or regulation described in subsection (b) of this Code section, the rule of law,
 26 statute, or regulation controls. Failure to comply with a statute or regulation described in
 27 subsection (b) of this Code section has only the effect the statute or regulation specifies.

28 (d) *Further deference to other applicable law.* This article does not:

- 29 (1) Validate any rate, charge, agreement, or practice that violates a rule of law, statute,
 30 or regulation described in subsection (b) of this Code section; or
- 31 (2) Extend the application of the rule of law, statute, or regulation to a transaction not
 32 otherwise subject to it.

1 11-9-202. **Title to collateral immaterial.**

2 Except as otherwise provided with respect to consignments or sales of accounts, chattel
3 paper, payment intangibles, or promissory notes, the provisions of this article with regard
4 to rights and obligations apply whether title to collateral is in the secured party or the
5 debtor.

6 11-9-203. **Attachment and enforceability of security interest; proceeds; supporting
7 obligations; formal requisites.**

8 (a) *Attachment.* A security interest attaches to collateral when it becomes enforceable
9 against the debtor with respect to the collateral, unless an agreement expressly postpones
10 the time of attachment.

11 (b) *Enforceability.* Except as otherwise provided in subsections (c) through (i) of this
12 Code section, a security interest is enforceable against the debtor and third parties with
13 respect to the collateral only if:

14 (1) Value has been given;

15 (2) The debtor has rights in the collateral or the power to transfer rights in the collateral
16 to a secured party; and

17 (3) One of the following conditions is met:

18 (A) The debtor has authenticated a security agreement that provides a description of
19 the collateral and, if the security interest covers timber to be cut, a description of the
20 land concerned;

21 (B) The collateral is not a certificated security and is in the possession of the secured
22 party under Code Section 11-9-313 pursuant to the debtor's security agreement;

23 (C) The collateral is a certificated security in registered form and the security
24 certificate has been delivered to the secured party under Code Section 11-8-301
25 pursuant to the debtor's security agreement; or

26 (D) The collateral is deposit accounts, electronic chattel paper, investment property,
27 or letter of credit rights, and the secured party has control under Code Section 11-9-104,
28 11-9-105, 11-9-106, or 11-9-107 pursuant to the debtor's security agreement.

29 (c) *Other provisions of this title.* Subsection (b) of this Code section is subject to Code
30 Section 11-4-210 on the security interest of a collecting bank, Code Section 11-5-118 on
31 the security interest of a letter of credit issuer or nominated person, Code Section 11-9-110
32 on a security interest arising under Article 2 or 2A of this title, and Code Section 11-9-206
33 on security interests in investment property.

34 (d) *When person becomes bound by another person's security agreement.* A person
35 becomes bound as debtor by a security agreement entered into by another person if, by
36 operation of law other than this article or by contract:

1 (1) The security agreement becomes effective to create a security interest in the person's
2 property; or

3 (2) The person becomes generally obligated for the obligations of the other person,
4 including the obligation secured under the security agreement, and acquires or succeeds
5 to all or substantially all of the assets of the other person.

6 (e) *Effect of new debtor becoming bound.* If a new debtor becomes bound as debtor by a
7 security agreement entered into by another person:

8 (1) The agreement satisfies paragraph (3) of subsection (b) of this Code section with
9 respect to existing or after acquired property of the new debtor to the extent the property
10 is described in the agreement; and

11 (2) Another agreement is not necessary to make a security interest in the property
12 enforceable.

13 (f) *Proceeds and supporting obligations.* The attachment of a security interest in collateral
14 gives the secured party the rights to proceeds provided by Code Section 11-9-315 and is
15 also attachment of a security interest in a supporting obligation for the collateral.

16 (g) *Lien securing right to payment.* The attachment of a security interest in a right to
17 payment or performance secured by a security interest or other lien on personal or real
18 property is also attachment of a security interest in the security interest, mortgage, or other
19 lien.

20 (h) *Security entitlement carried in securities account.* The attachment of a security interest
21 in a securities account is also attachment of a security interest in the security entitlements
22 carried in the securities account.

23 (i) *Commodity contracts carried in commodity account.* The attachment of a security
24 interest in a commodity account is also attachment of a security interest in the commodity
25 contract carried in the commodity account.

26 **11-9-204. After acquired property; future advances.**

27 (a) *After acquired collateral.* Except as otherwise provided in subsection (b) of this Code
28 section, a security agreement may create or provide for a security interest in after acquired
29 collateral.

30 (b) *When after acquired property clause not effective.* A security interest does not attach
31 under a term constituting an after acquired property clause to:

32 (1) Consumer goods, other than an accession when given as additional security, unless
33 the debtor acquires rights in them within ten days after the secured party gives value; or

34 (2) A commercial tort claim.

35 (c) *Future advances and other value.* A security agreement may provide that collateral
36 secures, or that accounts, chattel paper, payment intangibles, or promissory notes are sold

1 in connection with, future advances or other value, whether or not the advances or value
2 are given pursuant to commitment.

3 **11-9-205. Use or disposition of collateral permissible.**

4 (a) *When security interest not invalid or fraudulent.* A security interest is not invalid or
5 fraudulent against creditors solely because:

6 (1) The debtor has the right or ability to:

7 (A) Use, commingle, or dispose of all or part of the collateral, including returned or
8 repossessed goods;

9 (B) Collect, compromise, enforce, or otherwise deal with collateral;

10 (C) Accept the return of collateral or make repossessions; or

11 (D) Use, commingle, or dispose of proceeds; or

12 (2) The secured party fails to require the debtor to account for proceeds or replace
13 collateral.

14 (b) *Requirements of possession not relaxed.* This Code section does not relax the
15 requirements of possession if attachment, perfection, or enforcement of a security interest
16 depends upon possession of the collateral by the secured party.

17 **11-9-206. Security interest arising in purchase or delivery of financial asset.**

18 (a) *Security interest when person buys through securities intermediary.* A security interest
19 in favor of a securities intermediary attaches to a person's security entitlement if:

20 (1) The person buys a financial asset through the securities intermediary in a transaction
21 in which the person is obligated to pay the purchase price to the securities intermediary
22 at the time of the purchase; and

23 (2) The securities intermediary credits the financial asset to the buyer's securities
24 account before the buyer pays the securities intermediary.

25 (b) *Security interest secures obligation to pay for financial asset.* The security interest
26 described in subsection (a) of this Code section secures the person's obligation to pay for
27 the financial asset.

28 (c) *Security interest in payment against delivery transaction.* A security interest in favor
29 of a person that delivers a certificated security or other financial asset represented by a
30 writing attaches to the security or other financial asset if:

31 (1) The security or other financial asset:

32 (A) In the ordinary course of business is transferred by delivery with any necessary
33 indorsement or assignment; and

34 (B) Is delivered under an agreement between persons in the business of dealing with
35 such securities or financial assets; and

1 (2) The agreement calls for delivery against payment.

2 (d) *Security interest secures obligation to pay for delivery.* The security interest described
3 in subsection (c) of this Code section secures the obligation to make payment for the
4 delivery.

5 Subpart 2

6 Rights and Duties

7 11-9-207. **Rights and duties of secured party having possession or control of**
8 **collateral.**

9 (a) *Duty of care when secured party in possession.* Except as otherwise provided in
10 subsection (d) of this Code section, a secured party shall use reasonable care in the custody
11 and preservation of collateral in the secured party's possession. In the case of chattel paper
12 or an instrument, reasonable care includes taking necessary steps to preserve rights against
13 prior parties unless otherwise agreed.

14 (b) *Expenses, risks, duties, and rights when secured party in possession.* Except as
15 otherwise provided in subsection (d) of this Code section, if a secured party has possession
16 of collateral:

17 (1) Reasonable expenses, including the cost of insurance and payment of taxes or other
18 charges, incurred in the custody, preservation, use, or operation of the collateral are
19 chargeable to the debtor and are secured by the collateral;

20 (2) The risk of accidental loss or damage is on the debtor to the extent of a deficiency in
21 any effective insurance coverage;

22 (3) The secured party shall keep the collateral identifiable, but fungible collateral may
23 be commingled; and

24 (4) The secured party may use or operate the collateral:

25 (A) For the purpose of preserving the collateral or its value;

26 (B) As permitted by an order of a court having competent jurisdiction; or

27 (C) Except in the case of consumer goods, in the manner and to the extent agreed by
28 the debtor.

29 (c) *Duties and rights when secured party in possession or control.* Except as otherwise
30 provided in subsection (d) of this Code section, a secured party having possession of
31 collateral or control of collateral under Code Section 11-9-104, 11-9-105, 11-9-106, or
32 11-9-107:

33 (1) May hold as additional security any proceeds, except money or funds, received from
34 the collateral;

1 (2) Shall apply money or funds received from the collateral to reduce the secured
2 obligation, unless remitted to the debtor; and

3 (3) May create a security interest in the collateral.

4 (d) *Buyer of certain rights to payment.* If the secured party is a buyer of accounts, chattel
5 paper, payment intangibles, or promissory notes or a consignor:

6 (1) Subsection (a) of this Code section does not apply unless the secured party is entitled
7 under an agreement:

8 (A) To charge back uncollected collateral; or

9 (B) Otherwise to full or limited recourse against the debtor or a secondary obligor
10 based on the nonpayment or other default of an account debtor or other obligor on the
11 collateral; and

12 (2) Subsections (b) and (c) of this Code section do not apply.

13 **11-9-208. Additional duties of secured party having control of collateral.**

14 (a) *Applicability of Code section.* This Code section applies to cases in which there is no
15 outstanding secured obligation and the secured party is not committed to make advances,
16 incur obligations, or otherwise give value.

17 (b) *Duties of secured party after receiving demand from debtor.* Within ten days after
18 receiving an authenticated demand by the debtor:

19 (1) A secured party having control of a deposit account under paragraph (2) of

 3 the goods may be perfected by:

- 4 (1) Issuance of a document in the name of the secured party;
- 5 (2) The bailee's receipt of notification of the secured party's interest; or
- 6 (3) Filing as to the goods.

7 (e) *Temporary perfection; new value.* A security interest in certificated securities,
 8 negotiable documents, or instruments is perfected without filing or the taking of possession
 9 for a period of 20 days from the time it attaches to the extent that it arises for new value
 10 given under an authenticated security agreement.

11 (f) *Temporary perfection; goods or documents made available to debtor.* A perfected
 12 security interest in a negotiable document or goods in possession of a bailee, other than one
 13 that has issued a negotiable document for the goods, remains perfected for 20 days without
 14 filing if the secured party makes available to the debtor the goods or documents
 15 representing the goods for the purpose of:

- 16 (1) Ultimate sale or exchange; or
- 17 (2) Loading, unloading, storing, shipping, transshipping, manufacturing, processing, or
 18 otherwise dealing with them in a manner preliminary to their sale or exchange.

19 (g) *Temporary perfection; delivery of security certificate or instrument to debtor.* A
 20 perfected security interest in a certificated security or instrument remains perfected for 20
 21 days without filing if the secured party delivers the security certificate or instrument to the
 22 debtor for the purpose of:

- 23 (1) Ultimate sale or exchange; or
- 24 (2) Presentation, collection, enforcement, renewal, or registration of transfer.

25 (h) *Expiration of temporary perfection.* After the 20 day period specified in subsection (e),
 26 (f), or (g) of this Code section expires, perfection depends upon compliance with this
 27 article.

28 **11-9-313. When possession by or delivery to secured party perfects security interest**
 29 **without filing.**

30 (a) *Perfection by possession or delivery.* Except as otherwise provided in subsection (b)
 31 of this Code section, a secured party may perfect a security interest in negotiable
 32 documents, goods, instruments, money, or tangible chattel paper by taking possession of
 33 the collateral. A secured party may perfect a security interest in certificated securities by
 34 taking delivery of the certificated securities under Code Section 11-8-301.

35 (b) *Goods covered by certificate of title.* With respect to goods covered by a certificate of
 36 title issued by this state, a secured party may perfect a security interest in the goods by

1 taking possession of the goods only in the circumstances described in subsection (d) of
2 Code Section 11-9-316.

3 (c) *Collateral in possession of person other than debtor.* With respect to collateral other
4 than certificated securities and goods covered by a document, a secured party takes
5 possession of collateral in the possession of a person other than the debtor, the secured
6 party, or a lessee of the collateral from the debtor in the ordinary course of the debtor's
7 business, when:

8 (1) The person in possession authenticates a record acknowledging that it holds
9 possession of the collateral for the secured party's benefit; or

10 (2) The person takes possession of the collateral after having authenticated a record
11 acknowledging that it will hold possession of collateral for the secured party's benefit.

12 (d) *Time of perfection by possession; continuation of perfection.* If perfection of a security
13 interest depends upon possession of the collateral by a secured party, perfection occurs no
14 earlier than the time the secured party takes possession and continues only while the
15 secured party retains possession.

16 (e) *Time of perfection by delivery; continuation of perfection.* A security interest in a
17 certificated security in registered form is perfected by delivery when delivery of the
18 certificated security occurs under Code Section 11-8-301 and remains perfected by delivery
19 until the debtor obtains possession of the security certificate.

20 (f) *Acknowledgment not required.* A person in possession of collateral is not required to
21 acknowledge that it holds possession for a secured party's benefit.

22 (g) *Effectiveness of acknowledgment; no duties or confirmation.* If a person acknowledges
23 that it holds possession for the secured party's benefit:

24 (1) The acknowledgment is effective under subsection (c) of this Code section or
25 subsection (a) of Code Section 11-8-301, even if the acknowledgment violates the rights
26 of a debtor; and

27 (2) Unless the person otherwise agrees or law other than this article otherwise provides,
28 the person does not owe any duty to the secured party and is not required to confirm the
29 acknowledgment to another person.

30 (h) *Secured party's delivery to person other than debtor.* A secured party having
31 possession of collateral does not relinquish possession by delivering the collateral to a
32 person other than the debtor or a lessee of the collateral from the debtor in the ordinary
33 course of the debtor's business if the person was instructed before the delivery or is
34 instructed contemporaneously with the delivery:

35 (1) To hold possession of the collateral for the secured party's benefit; or

36 (2) To redeliver the collateral to the secured party.

1 (i) *Effect of delivery under subsection (h) of this Code section; no duties or confirmation.*

2 A secured party does not relinquish possession, even if a delivery under subsection (h) of
 3 this Code section violates the rights of a debtor. A person to which collateral is delivered
 4 under subsection (h) of this Code section does not owe any duty to the secured party and
 5 is not required to confirm the delivery to another person unless the person otherwise agrees
 6 or law other than this article otherwise provides.

7 **11-9-314. Perfection by control.**

8 (a) *Perfection by control.* A security interest in investment property, deposit accounts,
 9 letter of credit rights, or electronic chattel paper may be perfected by control of the
 10 collateral under Code Section 11-9-104, 11-9-105, 11-9-106, or 11-9-107.

11 (b) *Specified collateral; time of perfection by control; continuation of perfection.* A
 12 security interest in deposit accounts, electronic chattel paper, or letter of credit rights is
 13 perfected by control under Code Section 11-9-104, 11-9-105, or 11-9-107 when the secured
 14 party obtains control and remains perfected by control only while the secured party retains
 15 control.

16 (c) *Investment property; time of perfection by control; continuation of perfection.* A
 17 security interest in investment property is perfected by control under Code Section
 18 11-9-106 from the time the secured party obtains control and remains perfected by control
 19 until:

20 (1) The secured party does not have control; and

21 (2) One of the following occurs:

22 (A) If the collateral is a certificated security, the debtor has or acquires possession of
 23 the security certificate;

24 (B) If the collateral is an uncertificated security, the issuer has registered or registers
 25 the debtor as the registered owner; or

26 (C) If the collateral is a security entitlement, the debtor is or becomes the entitlement
 27 holder.

28 **11-9-315. Secured party's rights on disposition of collateral and in proceeds.**

29 (a) *Disposition of collateral; continuation of security interest or agricultural lien;*
 30 *proceeds.* Except as otherwise provided in this article and in subsection (2) of Code
 31 Section 11-2-403:

32 (1) A security interest or agricultural lien continues in collateral notwithstanding sale,
 33 lease, license, exchange, or other disposition thereof unless the secured party authorized
 34 the disposition free of the security interest or agricultural lien; and

35 (2) A security interest attaches to any identifiable proceeds of collateral.

1 (b) *When commingled proceeds identifiable.* Proceeds that are commingled with other
2 property are identifiable proceeds:

3 (1) If the proceeds are goods, to the extent provided by Code Section 11-9-336; and

4 (2) If the proceeds are not goods, to the extent that the secured party identifies the
5 proceeds by a method of tracing, including application of equitable principles, that is
6 permitted under law other than this article with respect to commingled property of the
7 type involved.

8 (c) *Perfection of security interest in proceeds.* A security interest in proceeds is a
9 perfected security interest if the security interest in the original collateral was perfected.

10 (d) *Continuation of perfection.* A perfected security interest in proceeds becomes
11 unperfected on the twenty-first day after the security interest attaches to the proceeds
12 unless:

13 (1) The following conditions are satisfied:

14 (A) A filed financing statement covers the original collateral;

15 (B) The proceeds are collateral in which a security interest may be perfected by filing
16 in the office in which the financing statement has been filed; and

17 (C) The proceeds are not acquired with cash proceeds;

18 (2) The proceeds are identifiable cash proceeds; or

19 (3) The security interest in the proceeds is perfected other than under subsection (c) of
20 this Code section when the security interest attaches to the proceeds or within 20 days
21 thereafter.

22 (e) *When perfected security interest in proceeds becomes unperfected.* If a filed financing
23 statement covers the original collateral, a security interest in proceeds which remains
24 perfected under paragraph (1) of subsection (d) of this Code section becomes unperfected
25 at the later of:

26 (1) When the effectiveness of the filed financing statement lapses under Code Section
27 11-9-515 or is terminated under Code Section 11-9-513; or

28 (2) The twenty-first day after the security interest attaches to the proceeds.

29 **11-9-316. Continued perfection of security interest following change in governing law.**

30 (a) *General rule; effect on perfection of change in governing law.* A security interest
31 perfected pursuant to the law of the jurisdiction designated in paragraph (1) of Code
32 Section 11-9-301 or subsection (c) of Code Section 11-9-305 remains perfected until the
33 earliest of:

34 (1) The time perfection would have ceased under the law of that jurisdiction;

35 (2) The expiration of four months after a change of the debtor's location to another
36 jurisdiction; or

1 (3) The expiration of one year after a transfer of collateral to a person that thereby
2 becomes a debtor and is located in another jurisdiction.

3 (b) *Security interest perfected or unperfected under law of new jurisdiction.* If a security
4 interest described in subsection (a) of this Code section becomes perfected under the law
5 of the other jurisdiction before the earliest time or event described in that subsection, it
6 remains perfected thereafter. If the security interest does not become perfected under the
7 law of the other jurisdiction before the earliest time or event, it becomes unperfected and
8 is deemed never to have been perfected as against a purchaser of the collateral for value.

9 (c) *Possessory security interest in collateral moved to new jurisdiction.* A possessory
10 security interest in collateral, other than goods covered by a certificate of title and
11 as-extracted collateral consisting of goods, remains continuously perfected if:

12 (1) The collateral is located in one jurisdiction and subject to a security interest perfected
13 under the law of that jurisdiction;

14 (2) Thereafter the collateral is brought into another jurisdiction; and

15 (3) Upon entry into the other jurisdiction, the security interest is perfected under the law
16 of the other jurisdiction.

17 (d) *Goods covered by certificate of title from this state.* Except as otherwise provided in
18 subsection (e) of this Code section, a security interest in goods covered by a certificate of
19 title which is perfected by any method under the law of another jurisdiction when the goods
20 become covered by a certificate of title from this state remains perfected until the security
21 interest would have become unperfected under the law of the other jurisdiction had the
22 goods not become so covered.

23 (e) *When subsection (d) of this Code section security interest becomes unperfected against*
24 *purchasers.* A security interest described in subsection (d) of this Code section becomes
25 unperfected as against a purchaser of the goods for value and is deemed never to have been
26 perfected as against a purchaser of the goods for value if the applicable requirements for
27 perfection under subsection (b) of Code Section 11-9-311 or Code Section 11-9-313 are
28 not satisfied before the earlier of:

29 (1) The time the security interest would have become unperfected under the law of the
30 other jurisdiction had the goods not become covered by a certificate of title from this
31 state; or

32 (2) The expiration of four months after the goods had become so covered.

33 (f) *Change in jurisdiction of bank, issuer, nominated person, securities intermediary, or*
34 *commodity intermediary.* A security interest in deposit accounts, letter of credit rights, or
35 investment property which is perfected under the law of the bank's jurisdiction, the issuer's
36 jurisdiction, a nominated person's jurisdiction, the securities intermediary's jurisdiction,

1 or the commodity intermediary's jurisdiction, as applicable, remains perfected until the
2 earlier of:

3 (1) The time the security interest would have become unperfected under the law of that
4 jurisdiction; or

5 (2) The expiration of four months after a change of the applicable jurisdiction to another
6 jurisdiction.

7 (g) *Subsection (f) of this Code section security interest perfected or unperfected under law*
8 *of new jurisdiction.* If a security interest described in subsection (f) of this Code section
9 becomes perfected under the law of the other jurisdiction before the earlier of the time or
10 the end of the period described in that subsection, it remains perfected thereafter. If the
11 security interest does not become perfected under the law of the other jurisdiction before
12 the earlier of that time or the end of that period, it becomes unperfected and is deemed
13 never to have been perfected as against a purchaser of the collateral for value.

14 Subpart 3

15 Priority

16 11-9-317. **Interests that take priority over or take free of security interest or**
17 **agricultural lien.**

18 (a) *Conflicting security interests and rights of lien creditors.* A security interest or
19 agricultural lien is subordinate to the rights of:

20 (1) A person entitled to priority under Code Section 11-9-322; and

21 (2) Except as otherwise provided in subsection (e) of this Code section, a person that
22 becomes a lien creditor before the earlier of the time:

23 (A) The security interest or agricultural lien is perfected; or

24 (B) One of the conditions specified in paragraph (3) of subsection (b) of Code Section
25 11-9-203 is met and a financing statement covering the collateral is filed.

26 (b) *Buyers that receive delivery.* Except as otherwise provided in subsection (e) of this
27 Code section, a buyer, other than a secured party, of tangible chattel paper, documents,
28 goods, instruments, or a security certificate takes free of a security interest or agricultural
29 lien if the buyer gives value and receives delivery of the collateral without knowledge of
30 the security interest or agricultural lien and before it is perfected.

31 (c) *Lessees that receive delivery.* Except as otherwise provided in subsection (e) of this
32 Code section, a lessee of goods takes free of a security interest or agricultural lien if the
33 lessee gives value and receives delivery of the collateral without knowledge of the security
34 interest or agricultural lien and before it is perfected.

1 (d) *Licensees and buyers of certain collateral.* A licensee of a general intangible or a
 2 buyer, other than a secured party, of accounts, electronic chattel paper, general intangibles,
 3 or investment property other than a certificated security takes free of a security interest if
 4 the licensee or buyer gives value without knowledge of the security interest and before it
 5 is perfected.

6 (e) *Purchase money security interest.* Except as otherwise provided in Code Sections
 7 11-9-320 and 11-9-321, if a person files a financing statement with respect to a purchase
 8 money security interest before or within 20 days after the debtor receives delivery of the
 9 collateral, the security interest takes priority over the rights of a buyer, lessee, or lien
 10 creditor which arise between the time the security interest attaches and the time of filing.

11 11-9-318. **No interest retained in right to payment that is sold; rights and title of**
 12 **seller of account or chattel paper with respect to creditors and purchasers.**

13 (a) *Seller retains no interest.* A debtor that has sold an account, chattel paper, payment
 14 intangible, or promissory note does not retain a legal or equitable interest in the collateral
 15 sold.

16 (b) *Deemed rights of debtor if buyer's security interest unperfected.* For purposes of
 17 determining the rights of creditors of, and purchasers for value of an account or chattel
 18 paper from, a debtor that has sold an account or chattel paper, while the buyer's security
 19 interest is unperfected, the debtor is deemed to have rights and title to the account or chattel
 20 paper identical to those the debtor sold.

21 11-9-319. **Rights and title of consignee with respect to creditors and purchasers.**

22 (a) *Consignee has consignor's rights.* Except as otherwise provided in subsection (b) of
 23 this Code section, for purposes of determining the rights of creditors of, and purchasers for
 24 value of goods from, a consignee, while the goods are in the possession of the consignee,
 25 the consignee is deemed to have rights and title to the goods identical to those the
 26 consignor had or had power to transfer.

27 (b) *Applicability of other law.* For purposes of determining the rights of a creditor of a
 28 consignee, law other than this article determines the rights and title of a consignee while
 29 goods are in the consignee's possession if, under this part, a perfected security interest held
 30 by the consignor would have priority over the rights of the creditor.

31 11-9-320. **Buyer of goods.**

32 (a) *Buyer in ordinary course of business.* Except as otherwise provided in subsection (e)
 33 of this Code section, a buyer in ordinary course of business, other than a person buying
 34 farm products from a person engaged in farming operations, takes free of a security interest

1 created by the buyer's seller, even if the security interest is perfected and the buyer knows
2 of its existence.

3 (b) *Buyer of consumer goods.* Except as otherwise provided in subsection (e) of this Code
4 section, a buyer of goods from a person who used or bought the goods for use primarily for
5 personal, family, or household purposes takes free of a security interest, even if perfected,
6 if the buyer buys:

7 (1) Without knowledge of the security interest;

8 (2) For value;

9 (3) Primarily for the buyer's personal, family, or household purposes; and

10 (4) Before the filing of a financing statement covering the goods.

11 (c) *Effectiveness of filing for subsection (b) of this Code section.* To the extent that it
12 affects the priority of a security interest over a buyer of goods under subsection (b) of this
13 Code section, the period of effectiveness of a filing made in the jurisdiction in which the
14 seller is located is governed by subsections (a) and (b) of Code Section 11-9-316.

15 (d) *Buyer in ordinary course of business at wellhead or minehead.* A buyer in ordinary
16 course of business buying oil, gas, or other minerals at the wellhead or minehead or after
17 extraction takes free of an interest arising out of an encumbrance.

18 (e) *Possessory security interest not affected.* Subsections (a) and (b) of this Code section
19 do not affect a security interest in goods in the possession of the secured party under Code
20 Section 11-9-313.

21 11-9-321. **Licensee of general intangible and lessee of goods in ordinary course of**
22 **business.**

23 (a) *'Licensee in ordinary course of business.'* As used in this Code section, the term
24 'licensee in ordinary course of business' means a person that becomes a licensee of a
25 general intangible in good faith, without knowledge that the license violates the rights of
26 another person in the general intangible, and in the ordinary course from a person in the
27 business of licensing general intangibles of that kind. A person becomes a licensee in the
28 ordinary course if the license to the person comports with the usual or customary practices
29 in the kind of business in which the licensor is engaged or with the licensor's own usual
30 or customary practices.

31 (b) *Rights of licensee in ordinary course of business.* A licensee in ordinary course of
32 business takes its rights under a nonexclusive license free of a security interest in the
33 general intangible created by the licensor, even if the security interest is perfected and the
34 licensee knows of its existence.

1 (c) *Rights of lessee in ordinary course of business.* A lessee in ordinary course of business
 2 takes its leasehold interest free of a security interest in the goods created by the lessor, even
 3 if the security interest is perfected and the lessee knows of its existence.

4 11-9-322. **Priorities among conflicting security interests in and agricultural liens on**
 5 **same collateral.**

6 (a) *General priority rules.* Except as otherwise provided in this Code section, priority
 7 among conflicting security interests and agricultural liens in the same collateral is
 8 determined according to the following rules:

9 (1) Conflicting perfected security interests and agricultural liens rank according to
 10 priority in time of filing or perfection. Priority dates from the earlier of the time a filing
 11 covering the collateral is first made or the security interest or agricultural lien is first
 12 perfected, if there is no period thereafter when there is neither filing nor perfection;

13 (2) A perfected security interest or agricultural lien has priority over a conflicting
 14 unperfected security interest or agricultural lien; and

15 (3) The first security interest or agricultural lien to attach or become effective has
 16 priority if conflicting security interests and agricultural liens are unperfected.

17 (b) *Time of perfection: proceeds and supporting obligations.* For the purposes paragraph
 18 (1) of subsection (a) of this Code section:

19 (1) The time of filing or perfection as to a security interest in collateral is also the time
 20 of filing or perfection as to a security interest in proceeds; and

21 (2) The time of filing or perfection as to a security interest in collateral supported by a
 22 supporting obligation is also the time of filing or perfection as to a security interest in the
 23 supporting obligation.

24 (c) *Special priority rules: proceeds and supporting obligations.* Except as otherwise
 25 provided in subsection (f) of this Code section, a security interest in collateral which
 26 qualifies for priority over a conflicting security interest under Code Section 11-9-327,
 27 11-9-328, 11-9-329, 11-9-330, or 11-9-331 also has priority over a conflicting security
 28 interest in:

29 (1) Any supporting obligation for the collateral; and

30 (2) Proceeds of the collateral if:

31 (A) The security interest in proceeds is perfected;

32 (B) The proceeds are cash proceeds or of the same type as the collateral; and

33 (C) In the case of proceeds that are proceeds of proceeds, all intervening proceeds are
 34 cash proceeds, proceeds of the same type as the collateral, or an account relating to the
 35 collateral.

1 (d) *First to file priority rule for certain collateral.* Subject to subsection (e) of this Code
 2 section and except as otherwise provided in subsection (f) of this Code section, if a security
 3 interest in chattel paper, deposit accounts, negotiable documents, instruments, investment
 4 property, or letter of credit rights is perfected by a method other than filing, conflicting
 5 perfected security interests in proceeds of the collateral rank according to priority in time
 6 of filing.

7 (e) *Applicability of subsection (d) of this Code section.* Subsection (d) of this Code section
 8 applies only if the proceeds of the collateral are not cash proceeds, chattel paper, negotiable
 9 documents, instruments, investment property, or letter of credit rights.

10 (f) *Limitations on subsections (a) through (e) of this Code section.* Subsections (a)
 11 through (e) of this Code section are subject to:

12 (1) Subsection (g) of this Code section and the other provisions of this part;

13 (2) Code Section 11-4-210 with respect to a security interest of a collecting bank;

14 (3) Code Section 11-5-118 with respect to a security interest of an issuer or nominated
 15 person; and

16 (4) Code Section 11-9-110 with respect to a security interest arising under Article 2 or
 17 2A of this title.

18 (g) *Priority under agricultural lien statute.* A perfected agricultural lien on collateral has
 19 priority over a conflicting security interest in or agricultural lien on the same collateral if
 20 the statute creating the agricultural lien so provides.

21 **11-9-322.1. Crops produced with new value.**

22 A perfected security interest in crops for new value given to enable the debtor to produce
 23 the crops during the production season and given not more than three months before the
 24 crops become growing crops by planting or otherwise takes priority over an earlier
 25 perfected security interest to the extent that such earlier interest secures obligations due or
 26 existing more than six months before the crops become growing crops by planting or
 27 otherwise, even though the person giving new value had knowledge of the earlier security
 28 interest.

29 **11-9-323. Future advances.**

30 (a) *When priority based on time of advance.* Except as otherwise provided in subsection
 31 (b) of this Code section, for purposes of determining the priority of a perfected security
 32 interest under paragraph (1) of subsection (a) of Code Section 11-9-322, perfection of the
 33 security interest dates from the time an advance is made to the extent that the security
 34 interest secures an advance that:

35 (1) Is made while the security interest is perfected only:

1 (A) Under Code Section 11-9-309 when it attaches; or

2 (B) Temporarily under subsection (e), (f), or (g) of Code Section 11-9-312; and

3 (2) Is not made pursuant to a commitment entered into before or while the security
4 interest is perfected by a method other than under Code Section 11-9-309 or subsection
5 (e), (f), or (g) of Code Section 11-9-312.

6 (b) *Buyer of receivables.* Subsection (a) of this Code section does not apply to a security
7 interest held by a secured party that is a buyer of accounts, chattel paper, payment
8 intangibles, or promissory notes or a consignor.

9 (c) *Buyer of goods.* Except as otherwise provided in subsection (d) of this Code section,
10 a buyer of goods other than a buyer in ordinary course of business takes free of a security
11 interest to the extent that it secures advances made after the earlier of:

12 (1) The time the secured party acquires knowledge of the buyer's purchase; or

13 (2) Forty-five days after the purchase.

14 (d) *Advances made pursuant to commitment; priority of buyer of goods.* Subsection (c)
15 of this Code section does not apply if the advance is made pursuant to a commitment
16 entered into without knowledge of the buyer's purchase and before the expiration of the 45
17 day period.

18 (e) *Lessee of goods.* Except as otherwise provided in subsection (f) of this Code section,
19 a lessee of goods, other than a lessee in ordinary course of business, takes the leasehold
20 interest free of a security interest to the extent that it secures advances made after the
21 earlier of:

22 (1) The time the secured party acquires knowledge of the lease; or

23 (2) Forty-five days after the lease contract becomes enforceable.

24 (f) *Advances made pursuant to commitment; priority of lessee of goods.* Subsection (e)
25 of this Code section does not apply if the advance is made pursuant to a commitment
26 entered into without knowledge of the lease and before the expiration of the 45 day period.

27 **11-9-324. Priority of purchase money security interests.**

28 (a) *General rule; purchase money priority.* Except as otherwise provided in subsection
29 (g) of this Code section, a perfected purchase money security interest in goods other than
30 inventory or livestock has priority over a conflicting security interest in the same goods,
31 and, except as otherwise provided in Code Section 11-9-327, a perfected security interest
32 in its identifiable proceeds also has priority if the purchase money security interest is
33 perfected when the debtor receives possession of the collateral or within 20 days thereafter.

34 (b) *Inventory purchase money priority.* Subject to subsection (c) of this Code section and
35 except as otherwise provided in subsection (g) of this Code section, a perfected purchase
36 money security interest in inventory has priority over a conflicting security interest in the

1 same inventory, has priority over a conflicting security interest in chattel paper or an
2 instrument constituting proceeds of the inventory and in proceeds of the chattel paper, if
3 so provided in Code Section 11-9-330, and, except as otherwise provided in Code Section
4 11-9-327, also has priority in identifiable cash proceeds of the inventory to the extent the
5 identifiable cash proceeds are received on or before the delivery of the inventory to a
6 buyer, if:

7 (1) The purchase money security interest is perfected when the debtor receives
8 possession of the inventory;

9 (2) The purchase money secured party sends an authenticated notification to the holder
10 of the conflicting security interest;

11 (3) The holder of the conflicting security interest receives the notification within five
12 years before the debtor receives possession of the inventory; and

13 (4) The notification states that the person sending the notification has or expects to
14 acquire a purchase money security interest in inventory of the debtor and describes the
15 inventory.

16 (c) *Holders of conflicting inventory security interests to be notified.* Paragraphs (2)
17 through (4) of subsection (b) of this Code section apply only if the holder of the conflicting
18 security interest had filed a financing statement covering the same types of inventory:

19 (1) If the purchase money security interest is perfected by filing, before the date of the
20 filing; or

21 (2) If the purchase money security interest is temporarily perfected without filing or
22 possession under subsection (f) of Code Section 11-9-312, before the beginning of the 20
23 day period thereunder.

24 (d) *Livestock purchase money priority.* Subject to subsection (e) of this Code section and
25 except as otherwise provided in subsection (g) of this Code section, a perfected purchase
26 money security interest in livestock that are farm products has priority over a conflicting
27 security interest in the same livestock, and, except as otherwise provided in Code Section
28 11-9-327, a perfected security interest in their identifiable proceeds and identifiable
29 products in their unmanufactured states also has priority, if:

30 (1) The purchase money security interest is perfected when the debtor receives
31 possession of the livestock;

32 (2) The purchase money secured party sends an authenticated notification to the holder
33 of the conflicting security interest;

34 (3) The holder of the conflicting security interest receives the notification within six
35 months before the debtor receives possession of the livestock; and

1 (4) The notification states that the person sending the notification has or expects to
 2 acquire a purchase money security interest in livestock of the debtor and describes the
 3 livestock.

4 (e) *Holders of conflicting livestock security interests to be notified.* Paragraphs (2) through
 5 (4) of subsection (d) of this Code section apply only if the holder of the conflicting security
 6 interest had filed a financing statement covering the same types of livestock:

7 (1) If the purchase money security interest is perfected by filing, before the date of the
 8 filing; or

9 (2) If the purchase money security interest is temporarily perfected without filing or
 10 possession under subsection (f) of Code Section 11-9-312, before the beginning of the 20
 11 day period thereunder.

12 (f) *Software purchase money priority.* Except as otherwise provided in subsection (g) of
 13 this Code section, a perfected purchase money security interest in software has priority
 14 over a conflicting security interest in the same collateral, and, except as otherwise provided
 15 in Code Section 11-9-327, a perfected security interest in its identifiable proceeds also has
 16 priority, to the extent that the purchase money security interest in the goods in which the
 17 software was acquired for use has priority in the goods and proceeds of the goods under
 18 this Code section.

19 (g) *Conflicting purchase money security interests.* If more than one security interest
 20 qualifies for priority in the same collateral under subsection (a), (b), (d), or (f) of this Code
 21 section:

22 (1) A security interest securing an obligation incurred as all or part of the price of the
 23 collateral has priority over a security interest securing an obligation incurred for value
 24 given to enable the debtor to acquire rights in or the use of collateral; and

25 (2) In all other cases, subsection (a) of Code Section 11-9-322 applies to the qualifying
 26 security interests.

27 **11-9-325. Priority of security interests in transferred collateral.**

28 (a) *Subordination of security interest in transferred collateral.* Except as otherwise
 29 provided in subsection (b) of this Code section, a security interest created by a debtor is
 30 subordinate to a security interest in the same collateral created by another person if:

31 (1) The debtor acquired the collateral subject to the security interest created by the other
 32 person;

33 (2) The security interest created by the other person was perfected when the debtor
 34 acquired the collateral; and

35 (3) There is no period thereafter when the security interest is unperfected.

1 (b) *Limitation of subsection (a) of this Code section subordination.* Subsection (a) of this
2 Code section subordinates a security interest only if the security interest:

3 (1) Otherwise would have priority solely under subsection (a) of Code Section 11-9-322
4 or Code Section 11-9-324; or

5 (2) Arose solely under subsection (3) of Code Section 11-2-711 or subsection (5) of
6 Code Section 11-2A-508.

7 **11-9-326. Priority of security interests created by new debtor.**

8 (a) *Subordination of security interest created by new debtor.* Subject to subsection (b) of
9 this Code section, a security interest created by a new debtor which is perfected by a filed
10 financing statement that is effective solely under Code Section 11-9-508 in collateral in
11 which a new debtor has or acquires rights is subordinate to a security interest in the same
12 collateral which is perfected other than by a filed financing statement that is effective
13 solely under Code Section 11-9-508.

14 (b) *Priority under other provisions; multiple original debtors.* The other provisions of this
15 part determine the priority among conflicting security interests in the same collateral
16 perfected by filed financing statements that are effective solely under Code Section
17 11-9-508. However, if the security agreements to which a new debtor became bound as
18 debtor were not entered into by the same original debtor, the conflicting security interests
19 rank according to priority in time of the new debtor's having become bound.

20 **11-9-327. Priority of security interests in deposit account.**

21 The following rules govern priority among conflicting security interests in the same deposit
22 account:

23 (1) A security interest held by a secured party having control of the deposit account
24 under Code Section 11-9-104 has priority over a conflicting security interest held by a
25 secured party that does not have control;

26 (2) Except as otherwise provided in paragraphs (3) and (4) of this Code section, security
27 interests perfected by control under Code Section 11-9-314 rank according to priority in
28 time of obtaining control;

29 (3) Except as otherwise provided in paragraph (4) of this Code section, a security interest
30 held by the bank with which the deposit account is maintained has priority over a
31 conflicting security interest held by another secured party; and

32 (4) A security interest perfected by control under paragraph (3) of subsection (a) of Code
33 Section 11-9-104 has priority over a security interest held by the bank with which the
34 deposit account is maintained.

1 11-9-328. **Priority of security interests in investment property.**

2 The following rules govern priority among conflicting security interests in the same
3 investment property:

4 (1) A security interest held by a secured party having control of investment property
5 under Code Section 11-9-106 has priority over a security interest held by a secured party
6 that does not have control of the investment property;

7 (2) Except as otherwise provided in paragraphs (3) and (4) of this Code section,
8 conflicting security interests held by secured parties each of which has control under
9 Code Section 11-9-106 rank according to priority in time of:

10 (A) If the collateral is a security, obtaining control;

11 (B) If the collateral is a security entitlement carried in a securities account and:

12 (i) If the secured party obtained control under paragraph (1) of subsection (d) of Code
13 Section 11-8-106, the secured party's becoming the person for which the securities
14 account is maintained;

15 (ii) If the secured party obtained control under paragraph (2) of subsection (d) of
16 Code Section 11-8-106, the securities intermediary's agreement to comply with the
17 secured party's entitlement orders with respect to security entitlements carried or to
18 be carried in the securities account; or

19 (iii) If the secured party obtained control through another person under paragraph (3)
20 of subsection (d) of Code Section 11-8-106, the time on which priority would be
21 based under this paragraph if the other person were the secured party; or

22 (C) If the collateral is a commodity contract carried with a commodity intermediary,
23 the satisfaction of the requirement for control specified in paragraph (2) of subsection
24 (b) of Code Section 11-9-106 with respect to commodity contracts carried or to be
25 carried with the commodity intermediary;

26 (3) A security interest held by a securities intermediary in a security entitlement or a
27 securities account maintained with the securities intermediary has priority over a
28 conflicting security interest held by another secured party;

29 (4) A security interest held by a commodity intermediary in a commodity contract or a
30 commodity account maintained with the commodity intermediary has priority over a
31 conflicting security interest held by another secured party;

32 (5) A security interest in a certificated security in registered form which is perfected by
33 taking delivery under subsection (a) of Code Section 11-9-313 and not by control under
34 Code Section 11-9-314 has priority over a conflicting security interest perfected by a
35 method other than control;

1 (6) Conflicting security interests created by a broker, securities intermediary, or
2 commodity intermediary which are perfected without control under Code Section
3 11-9-106 rank equally; and

4 (7) In all other cases, priority among conflicting security interests in investment property
5 is governed by Code Sections 11-9-322 and 11-9-323.

6 **11-9-329. Priority of security interests in letter of credit right.**

7 The following rules govern priority among conflicting security interests in the same letter
8 of credit right:

9 (1) A security interest held by a secured party having control of the letter of credit right
10 under Code Section 11-9-107 has priority to the extent of its control over a conflicting
11 security interest held by a secured party that does not have control; and

12 (2) Security interests perfected by control under Code Section 11-9-314 rank according
13 to priority in time of obtaining control.

14 **11-9-330. Priority of purchaser of chattel paper or instrument.**

15 (a) *Purchaser's priority; security interest claimed merely as proceeds.* A purchaser of
16 chattel paper has priority over a security interest in the chattel paper which is claimed
17 merely as proceeds of inventory subject to a security interest if:

18 (1) In good faith and in the ordinary course of the purchaser's business, the purchaser
19 gives new value and takes possession of the chattel paper or obtains control of the chattel
20 paper under Code Section 11-9-105; and

21 (2) The chattel paper does not indicate that it has been assigned to an identified assignee
22 other than the purchaser.

23 (b) *Purchaser's priority; other security interests.* A purchaser of chattel paper has priority
24 over a security interest in the chattel paper which is claimed other than merely as proceeds
25 of inventory subject to a security interest if the purchaser gives new value and takes
26 possession of the chattel paper or obtains control of the chattel paper under Code Section
27 11-9-105 in good faith, in the ordinary course of the purchaser's business, and without
28 knowledge that the purchase violates the rights of the secured party.

29 (c) *Chattel paper purchaser's priority in proceeds.* Except as otherwise provided in Code
30 Section 11-9-327, a purchaser having priority in chattel paper under subsection (a) or (b)
31 of this Code section also has priority in proceeds of the chattel paper to the extent that:

32 (1) Code Section 11-9-322 provides for priority in the proceeds; or

33 (2) The proceeds consist of the specific goods covered by the chattel paper or cash
34 proceeds of the specific goods, even if the purchaser's security interest in the proceeds
35 is unperfected.

1 (d) *Instrument purchaser's priority.* Except as otherwise provided in subsection (a) of
 2 Code Section 11-9-331, a purchaser of an instrument has priority over a security interest
 3 in the instrument perfected by a method other than possession if the purchaser gives value
 4 and takes possession of the instrument in good faith and without knowledge that the
 5 purchase violates the rights of the secured party.

6 (e) *Holder of purchase money security interest gives new value.* For purposes of
 7 subsections (a) and (b) of this Code section, the holder of a purchase money security
 8 interest in inventory gives new value for chattel paper constituting proceeds of the
 9 inventory.

10 (f) *Indication of assignment gives knowledge.* For purposes of subsections (b) and (d) of
 11 this Code section, if chattel paper or an instrument indicates that it has been assigned to an
 12 identified secured party other than the purchaser, a purchaser of the chattel paper or
 13 instrument has knowledge that the purchase violates the rights of the secured party.

14 11-9-331. **Priority of rights of purchasers of instruments, documents, and securities**
 15 **under other articles; priority of interests in financial assets and security**
 16 **entitlements under Article 8 of this title.**

17 (a) *Rights under Articles 3, 7, and 8 of this title not limited.* This article does not limit the
 18 rights of a holder in due course of a negotiable instrument, a holder to which a negotiable
 19 document of title has been duly negotiated, or a protected purchaser of a security. These
 20 holders or purchasers take priority over an earlier security interest, even if perfected, to the
 21 extent provided in Articles 3, 7, and 8 of this title.

22 (b) *Protection under Article 8 of this title.* This article does not limit the rights of or
 23 impose liability on a person to the extent that the person is protected against the assertion
 24 of an adverse claim under Article 8 of this title.

25 (c) *Filing not notice.* Filing under this article does not constitute notice of a claim or
 26 defense to the holders or purchasers or persons described in subsections (a) and (b) of this
 27 Code section.

28 11-9-332. **Transfer of money; transfer of funds from deposit account.**

29 (a) *Transferee of money.* A transferee of money takes the money free of a security interest
 30 unless the transferee acts in collusion with the debtor in violating the rights of the secured
 31 party.

32 (b) *Transferee of funds from deposit account.* A transferee of funds from a deposit account
 33 takes the funds free of a security interest in the deposit account unless the transferee acts
 34 in collusion with the debtor in violating the rights of the secured party.

1 11-9-333. **Priority of certain liens.**

2 (a) *Year's support; property taxes; other state taxes; other taxes or judgments.* Except as
 3 is expressly provided to the contrary elsewhere in this article and in subsection (b) of this
 4 Code section, a perfected security interest in collateral takes priority over each and all of
 5 the liens, claims, and rights described in Code Section 44-14-320, relating to the
 6 establishment of certain liens, as now or hereafter amended, and Code Section 53-7-91 of
 7 the 'Pre-1998 Probate Code,' if applicable, or Code Section 53-7-40 of the 'Revised Probate
 8 Code of 1998,' relating to the priority of debts against the estate of a decedent, as now or
 9 hereafter amended, provided, nevertheless, that:

10 (1) Year's support to the family, duly set apart in the collateral prior to the perfection of
 11 the subject security interest, takes priority over such security interest;

12 (2) A lien for property taxes duly assessed upon the subject collateral, either prior or
 13 subsequent to the perfection of the subject security interest, takes priority over security
 14 interest;

15 (3) A lien for all other state taxes takes priority over such security interest, except where
 16 such security interest is perfected by filing a financing statement relative thereto prior to
 17 such time as the execution for such state taxes shall be entered on the execution docket
 18 in the place and in the manner provided by law; provided, nevertheless, that, with respect
 19 to priority rights between such tax liens and security interests where under this article the
 20 same are perfected other than by filing a financing statement, the same shall be
 21 determined as provided by law prior to January 1, 1964; and

22 (4) A lien for other unpaid taxes or a duly rendered judgment of a court having
 23 jurisdiction shall have the same priority with regard to a security interest as it would have
 24 if the tax lien or judgment were a conflicting security interest within the meaning of Code
 25 Section 11-9-322 or an encumbrance within the meaning of Code Section 11-9-334,
 26 which conflicting security interest was perfected by filing or which encumbrance arose
 27 at the time the tax lien or judgment was duly recorded in the place designated by statute
 28 applicable thereto.

29 (b) *Mechanics' liens on farm machinery.* A mechanics' lien on farm machinery or
 30 equipment arising on or after July 1, 1985, shall have priority over any perfected security
 31 interest in such farm machinery or equipment unless a financing statement has been filed
 32 as provided in Code Section 11-9-501 and unless the financing statement describes the
 33 particular piece of farm machinery or equipment to which the perfected security interest
 34 applies. Such description may include the make, model, and serial number of the piece of
 35 farm machinery or equipment. However, such description shall be sufficient whether or
 36 not it is specific if it reasonably identifies what is described and a mistake in such

1 description shall not invalidate the description if it provides a key to identifying the farm
2 machinery or equipment.

3 **11-9-334. Priority of security interests in fixtures and crops.**

4 (a) *Security interest in fixtures under this article.* A security interest under this article may
5 be created in goods that are fixtures or may continue in goods that become fixtures. A
6 security interest does not exist under this article in ordinary building materials incorporated
7 into an improvement on land.

8 (b) *Security interest in fixtures under real property law.* This article does not prevent
9 creation of an encumbrance upon fixtures under real property law.

10 (c) *General rule; subordination of security interest in fixtures.* In cases not governed by
11 subsections (d) through (h) of this Code section, a security interest in fixtures is subordinate
12 to a conflicting interest of an encumbrancer or owner of the related real property other than
13 the debtor.

14 (d) *Fixtures purchase money priority.* Except as otherwise provided in subsection (h) of
15 this Code section, a perfected security interest in fixtures has priority over a conflicting
16 interest of an encumbrancer or owner of the real property if the debtor has an interest of
17 record in or is in possession of the real property and:

- 18 (1) The security interest is a purchase money security interest;
19 (2) The interest of the encumbrancer or owner arises before the goods become fixtures;
20 and
21 (3) The security interest is perfected by a fixture filing before the goods become fixtures
22 or within 20 days thereafter.

23 (e) *Priority of security interest in fixtures over interests in real property.* A perfected
24 security interest in fixtures has priority over a conflicting interest of an encumbrancer or
25 owner of the real property if:

- 26 (1) The debtor has an interest of record in the real property or is in possession of the real
27 property and the security interest:
28 (A) Is perfected by a fixture filing before the interest of the encumbrancer or owner is
29 of record; and
30 (B) Has priority over any conflicting interest of a predecessor in title of the
31 encumbrancer or owner;
32 (2) Before the goods become fixtures, the security interest is perfected by any method
33 permitted by this article and the fixtures are readily removable:
34 (A) Factory or office machines;
35 (B) Equipment that is not primarily used or leased for use in the operation of the real
36 property; or

1 (C) Replacements of domestic appliances that are consumer goods; or

2 (3) The conflicting interest is a lien on the real property obtained by legal or equitable
3 proceedings after the security interest was perfected by any method permitted by this
4 article.

5 (f) *Priority based on consent, disclaimer, or right to remove.* A security interest in
6 fixtures, whether or not perfected, has priority over a conflicting interest of an
7 encumbrancer or owner of the real property if:

8 (1) The encumbrancer or owner has, in an authenticated record, consented to the security
9 interest or disclaimed an interest in the goods as fixtures; or

10 (2) The debtor has a right to remove the goods as against the encumbrancer or owner.

11 (g) *Continuation of subsection (f) of this Code section priority.* The priority of the security
12 interest under paragraph (2) of subsection (f) of this Code section continues for a
13 reasonable time if the debtor's right to remove the goods as against the encumbrancer or
14 owner terminates.

15 (h) *Priority of construction mortgage.* A mortgage is a construction mortgage to the extent
16 that it secures an obligation incurred for the construction of an improvement on land,
17 including the acquisition cost of the land, if a recorded record of the mortgage so indicates.
18 Except as otherwise provided in subsections (e) and (f) of this Code section, a security
19 interest in fixtures is subordinate to a construction mortgage if a record of the mortgage is
20 recorded before the goods become fixtures and the goods become fixtures before the
21 completion of the construction. A mortgage has this priority to the same extent as a
22 construction mortgage to the extent that it is given to refinance a construction mortgage.

23 (i) *Priority of security interest in crops.* A perfected security interest in crops growing on
24 real property has priority over a conflicting interest of an encumbrancer or owner of the
25 real property if the debtor has an interest of record in or is in possession of the real
26 property.

27 11-9-335. **Accessions.**

28 (a) *Creation of security interest in accession.* A security interest may be created in an
29 accession and continues in collateral that becomes an accession.

30 (b) *Perfection of security interest.* If a security interest is perfected when the collateral
31 becomes an accession, the security interest remains perfected in the collateral.

32 (c) *Priority of security interest.* Except as otherwise provided in subsection (d) of this
33 Code section, the other provisions of this part determine the priority of a security interest
34 in an accession.

1 (d) *Compliance with certificate of title statute.* A security interest in an accession is
2 subordinate to a security interest in the whole which is perfected by compliance with the
3 requirements of a certificate of title statute under subsection (b) of Code Section 11-9-311.

4 (e) *Removal of accession after default.* After default, subject to Part 6 of this article, a
5 secured party may remove an accession from other goods if the security interest in the
6 accession has priority over the claims of every person having an interest in the whole.

7 (f) *Reimbursement following removal.* A secured party that removes an accession from
8 other goods under subsection (e) of this Code section shall promptly reimburse any holder
9 of a security interest or other lien on, or owner of, the whole or of the other goods, other
10 than the debtor, for the cost of repair of any physical injury to the whole or the other goods.
11 The secured party need not reimburse the holder or owner for any diminution in value of
12 the whole or the other goods caused by the absence of the accession removed or by any
13 necessity for replacing it. A person entitled to reimbursement may refuse permission to
14 remove until the secured party gives adequate assurance for the performance of the
15 obligation to reimburse.

16 11-9-336. **Commingled goods.**

17 (a) *'Commingled goods.'* As used in this Code section, the term 'commingled goods' means
18 goods that are physically united with other goods in such a manner that their identity is lost
19 in a product or mass.

20 (b) *No security interest in commingled goods as such.* A security interest does not exist
21 in commingled goods as such. However, a security interest may attach to a product or
22 mass that results when goods become commingled goods.

23 (c) *Attachment of security interest to product or mass.* If collateral becomes commingled
24 goods, a security interest attaches to the product or mass.

25 (d) *Perfection of security interest.* If a security interest in collateral is perfected before the
26 collateral becomes commingled goods, the security interest that attaches to the product or
27 mass under subsection (c) of this Code section is perfected.

28 (e) *Priority of security interest.* Except as otherwise provided in subsection (f) of this
29 Code section, the other provisions of this part determine the priority of a security interest
30 that attaches to the product or mass under subsection (c) of this Code section.

31 (f) *Conflicting security interests in product or mass.* If more than one security interest
32 attaches to the product or mass under subsection (c) of this Code section, the following
33 rules determine priority:

- 34 (1) A security interest that is perfected under subsection (d) of this Code section has
35 priority over a security interest that is unperfected at the time the collateral becomes
36 commingled goods; and

1 (2) If more than one security interest is perfected under subsection (d) of this Code
2 section, the security interests rank equally in proportion to the value of the collateral at
3 the time it became commingled goods.

4 **11-9-337. Priority of security interests in goods covered by certificate of title.**

5 If, while a security interest in goods is perfected by any method under the law of another
6 jurisdiction, this state issues a certificate of title that does not show that the goods are
7 subject to the security interest or contain a statement that they may be subject to security
8 interests not shown on the certificate:

9 (1) A buyer of the goods, other than a person in the business of selling goods of that
10 kind, takes free of the security interest if the buyer gives value and receives delivery of
11 the goods after issuance of the certificate and without knowledge of the security interest;
12 and

13 (2) The security interest is subordinate to a conflicting security interest in the goods that
14 attaches and is perfected under subsection (b) of Code Section 11-9-311, after issuance
15 of the certificate and without the conflicting secured party's knowledge of the security
16 interest.

17 **11-9-338. Priority of security interest or agricultural lien perfected by filed financing**
18 **statement providing certain incorrect information.**

19 If a security interest or agricultural lien is perfected by a filed financing statement
20 providing information described in paragraph (5) of subsection (b) of Code Section
21 11-9-516 which is incorrect at the time the financing statement is filed:

22 (1) The security interest or agricultural lien is subordinate to a conflicting perfected
23 security interest in the collateral to the extent that the holder of the conflicting security
24 interest gives value in reasonable reliance upon the incorrect information; and

25 (2) A purchaser, other than a secured party, of the collateral takes free of the security
26 interest or agricultural lien to the extent that, in reasonable reliance upon the incorrect
27 information, the purchaser gives value and, in the case of chattel paper, documents,
28 goods, instruments, or a security certificate, receives delivery of the collateral.

29 **11-9-339. Priority subject to subordination.**

30 This article does not preclude subordination by agreement by a person entitled to priority.

Subpart 4

Rights of Bank

11-9-340. **Effectiveness of right of recoupment or set-off against deposit account.**

(a) *Exercise of recoupment or set-off.* Except as otherwise provided in subsection (c) of this Code section, a bank with which a deposit account is maintained may exercise any right of recoupment or set-off against a secured party that holds a security interest in the deposit account.

(b) *Recoupment or set-off not affected by security interest.* Except as otherwise provided in subsection (c) of this Code section, the application of this article to a security interest in a deposit account does not affect a right of recoupment or set-off of the secured party as to a deposit account maintained with the secured party.

(c) *When set-off ineffective.* The exercise by a bank of a set-off against a deposit account is ineffective against a secured party that holds a security interest in the deposit account which is perfected by control under paragraph (3) of subsection (a) of Code Section 11-9-104, if the set-off is based on a claim against the debtor.

11-9-341. **Bank's rights and duties with respect to deposit account.**

Except as otherwise provided in subsection (c) of Code Section 11-9-340, and unless the bank otherwise agrees in an authenticated record, a bank's rights and duties with respect to a deposit account maintained with the bank are not terminated, suspended, or modified by:

- (1) The creation, attachment, or perfection of a security interest in the deposit account;
- (2) The bank's knowledge of the security interest; or
- (3) The bank's receipt of instructions from the secured party.

11-9-342. **Bank's right to refuse to enter into or disclose existence of control agreement.**

This article does not require a bank to enter into an agreement of the kind described in paragraph (2) of subsection (a) of Code Section 11-9-104, even if its customer so requests or directs. A bank that has entered into such an agreement is not required to confirm the existence of the agreement to another person unless requested to do so by its customer.

Part 4

Rights of Third Parties

11-9-401. **Alienability of debtor's rights.**

(a) *Other law governs alienability; exceptions.* Except as otherwise provided in subsection (b) of this Code section and Code Sections 11-9-406, 11-9-407, 11-9-408, and 11-9-409, whether a debtor's rights in collateral may be voluntarily or involuntarily transferred is governed by law other than this article.

(b) *Agreement does not prevent transfer.* An agreement between the debtor and secured party which prohibits a transfer of the debtor's rights in collateral or makes the transfer a default does not prevent the transfer from taking effect.

11-9-402. **Secured party not obligated on contract of debtor or in tort.**

The existence of a security interest, agricultural lien, or authority given to a debtor to dispose of or use collateral, without more, does not subject a secured party to liability in contract or tort for the debtor's acts or omissions.

11-9-403. **Agreement not to assert defenses against assignee.**

(a) *'Value.'* As used in this Code section, the term 'value' has the meaning provided in subsection (a) of Code Section 11-3-303.

(b) *Agreement not to assert claim or defense.* Except as otherwise provided in this Code section, an agreement between an account debtor and an assignor not to assert against an assignee any claim or defense that the account debtor may have against the assignor is enforceable by an assignee that takes an assignment:

(1) For value;

(2) In good faith;

(3) Without notice of a claim of a property or possessory right to the property assigned;
and

(4) Without notice of a defense or claim in recoupment of the type that may be asserted against a person entitled to enforce a negotiable instrument under subsection (a) of Code Section 11-3-305.

(c) *When subsection (b) of this Code section not applicable.* Subsection (b) of this Code section does not apply to defenses of a type that may be asserted against a holder in due course of a negotiable instrument under subsection (b) of Code Section 11-3-305.

(d) *Omission of required statement in consumer transaction.* In a consumer transaction, if a record evidences the account debtor's obligation, law other than this article requires that the record include a statement to the effect that the rights of an assignee are subject to

1 claims or defenses that the account debtor could assert against the original obligee, and the
2 record does not include such a statement:

3 (1) The record has the same effect as if the record included such a statement; and

4 (2) The account debtor may assert against an assignee those claims and defenses that
5 would have been available if the record included such a statement.

6 (e) *Rule for individual under other law.* This Code section is subject to law other than this
7 article which establishes a different rule for an account debtor who is an individual and
8 who incurred the obligation primarily for personal, family, or household purposes.

9 (f) *Other law not displaced.* Except as otherwise provided in subsection (d) of this Code
10 section, this Code section does not displace law other than this article which gives effect
11 to an agreement by an account debtor not to assert a claim or defense against an assignee.

12 **11-9-404. Rights acquired by assignee; claims and defenses against assignee.**

13 (a) *Assignee's rights subject to terms, claims, and defenses; exceptions.* Unless an account
14 debtor has made an enforceable agreement not to assert defenses or claims and subject to
15 subsections (b) through (e) of this Code section, the rights of an assignee are subject to:

16 (1) All terms of the agreement between the account debtor and assignor and any defense
17 or claim in recoupment arising from the transaction that gave rise to the contract; and

18 (2) Any other defense or claim of the account debtor against the assignor which accrues
19 before the account debtor receives a notification of the assignment authenticated by the
20 assignor or the assignee.

21 (b) *Account debtor's claim reduces amount owed to assignee.* Subject to subsection (c)
22 of this Code section and except as otherwise provided in subsection (d) of this Code
23 section, the claim of an account debtor against an assignor may be asserted against an
24 assignee under subsection (a) of this Code section only to reduce the amount the account
25 debtor owes.

26 (c) *Rule for individual under other law.* This Code section is subject to law other than this
27 article which establishes a different rule for an account debtor who is an individual and
28 who incurred the obligation primarily for personal, family, or household purposes.

29 (d) *Omission of required statement in consumer transaction.* In a consumer transaction,
30 if a record evidences the account debtor's obligation, law other than this article requires
31 that the record include a statement to the effect that the account debtor's recovery against
32 an assignee with respect to claims and defenses against the assignor may not exceed
33 amounts paid by the account debtor under the record, and the record does not include such
34 a statement, the extent to which a claim of an account debtor against the assignor may be
35 asserted against an assignee is determined as if the record included such a statement.

1 (e) *Inapplicability to health care insurance receivable.* This Code section does not apply
2 to an assignment of a health care insurance receivable.

3 11-9-405. **Modification of assigned contract.**

4 (a) *Effect of modification on assignee.* A modification of or substitution for an assigned
5 contract is effective against an assignee if made in good faith. The assignee acquires
6 corresponding rights under the modified or substituted contract. The assignment may
7 provide that the modification or substitution is a breach of contract by the assignor. This
8 subsection is subject to subsections (b) through (d) of this Code section.

9 (b) *Applicability of subsection (a) of this Code section.* Subsection (a) of this Code section
10 applies to the extent that:

11 (1) The right to payment or a part thereof under an assigned contract has not been fully
12 earned by performance; or

13 (2) The right to payment or a part thereof has been fully earned by performance and the
14 account debtor has not received notification of the assignment under subsection (a) of
15 Code Section 11-9-406.

16 (c) *Rule for individual under other law.* This Code section is subject to law other than this
17 article which establishes a different rule for an account debtor who is an individual and
18 who incurred the obligation primarily for personal, family, or household purposes.

19 (d) *Inapplicability to health care insurance receivable.* This Code section does not apply
20 to an assignment of a health care insurance receivable.

21 11-9-406. **Discharge of account debtor; notification of assignment; identification and
22 proof of assignment; restrictions on assignment of accounts, chattel paper,
23 payment intangibles, and promissory notes ineffective.**

24 (a) *Discharge of account debtor; effect of notification.* Subject to subsections (b) through
25 (i) of this Code section, an account debtor on an account, chattel paper, or a payment
26 intangible may discharge its obligation by paying the assignor until, but not after, the
27 account debtor receives a notification, authenticated by the assignor or the assignee, that
28 the amount due or to become due has been assigned and that payment is to be made to the
29 assignee. After receipt of the notification, the account debtor may discharge its obligation
30 by paying the assignee and may not discharge the obligation by paying the assignor.

31 (b) *When notification ineffective.* Subject to subsection (h) of this Code section,
32 notification is ineffective under subsection (a) of this Code section:

33 (1) If it does not reasonably identify the rights assigned;

1 (2) To the extent that an agreement between an account debtor and a seller of a payment
2 intangible limits the account debtor's duty to pay a person other than the seller and the
3 limitation is effective under law other than this article; or

4 (3) At the option of an account debtor, if the notification notifies the account debtor to
5 make less than the full amount of any installment or other periodic payment to the
6 assignee, even if:

7 (A) Only a portion of the account, chattel paper, or payment intangible has been
8 assigned to that assignee;

9 (B) A portion has been assigned to another assignee; or

10 (C) The account debtor knows that the assignment to that assignee is limited.

11 (c) *Proof of assignment.* Subject to subsection (h) of this Code section, if requested by the
12 account debtor, an assignee shall seasonably furnish reasonable proof that the assignment
13 has been made. Unless the assignee complies, the account debtor may discharge its
14 obligation by paying the assignor, even if the account debtor has received a notification
15 under subsection (a) of this Code section.

16 (d) *Term restricting assignment generally ineffective.* Except as otherwise provided in
17 subsection (e) of this Code section and Code Sections 11-2A-303 and 11-9-407 and subject
18 to subsection (h) of this Code section, a term in an agreement between an account debtor
19 and an assignor or in a promissory note is ineffective to the extent that it:

20 (1) Prohibits, restricts, or requires the consent of the account debtor or person obligated
21 on the promissory note to the assignment or transfer of, or the creation, attachment,
22 perfection, or enforcement of a security interest in, the account, chattel paper, payment
23 intangible, or promissory note; or

24 (2) Provides that the creation, attachment, perfection, or enforcement of the security
25 interest may give rise to a default, breach, right of recoupment, claim, defense,
26 termination, right of termination, or remedy under the account, chattel paper, payment
27 intangible, or promissory note.

28 (e) *Inapplicability of subsection (d) of this Code section to certain sales.* Subsection (d)
29 of this Code section does not apply to the sale of a payment intangible or promissory note.

30 (f) *Legal restrictions on assignment generally ineffective.* Except as otherwise provided
31 in Code Sections 11-2A-303, 11-9-407, and 50-27-24 and subject to subsections (h) and
32 (i) of this Code section, a rule of law, statute, or regulation that prohibits, restricts, or
33 requires the consent of a government, governmental body or official, or account debtor to
34 the assignment or transfer of, or creation of a security interest in, an account or chattel
35 paper is ineffective to the extent that the rule of law, statute, or regulation:

1 (1) Prohibits, restricts, or requires the consent of the government, governmental body or
 2 official, or account debtor to the assignment or transfer of, or the creation, attachment,
 3 perfection, or enforcement of a security interest, in the account or chattel paper; or

4 (2) Provides that the creation, attachment, perfection, or enforcement of the security
 5 interest may give rise to a default, breach, right of recoupment, claim, defense,
 6 termination, right of termination, or remedy under the account or chattel paper.

7 (g) *Paragraph (3) of subsection (b) not waivable.* Subject to subsection (h) of this Code
 8 section, an account debtor may not waive or vary its option under paragraph (3) of
 9 subsection (b) of this Code section.

10 (h) *Rule for individual under other law.* This Code section is subject to law other than this
 11 article which establishes a different rule for an account debtor who is an individual and
 12 who incurred the obligation primarily for personal, family, or household purposes.

13 (i) *Inapplicability to health care insurance receivable.* This Code section does not apply
 14 to an assignment of a health care insurance receivable.

15
 16 **11-9-407. Restrictions on creation or enforcement of security interest in leasehold
 17 interest or in lessor's residual interest.**

18 (a) *Term restricting assignment generally ineffective.* Except as otherwise provided in
 19 subsection (b) of this Code section, a term in a lease agreement is ineffective to the extent
 20 that it:

21 (1) Prohibits, restricts, or requires the consent of a party to the lease to the creation,
 22 attachment, perfection, or enforcement of a security interest in an interest of a party under
 23 the lease contract or in the lessor's residual interest in the goods; or

24 (2) Provides that the creation, attachment, perfection, or enforcement of the security
 25 interest may give rise to a default, breach, right of recoupment, claim, defense,
 26 termination, right of termination, or remedy under the lease.

27 (b) *Effectiveness of certain terms.* Except as otherwise provided in subsection (7) of Code
 28 Section 11-2A-303, a term described in paragraph (2) of subsection (a) of this Code section
 29 is effective to the extent that there is:

30 (1) A transfer by the lessee of the lessee's right of possession or use of the goods in
 31 violation of the term; or

32 (2) A delegation of a material performance of either party to the lease contract in
 33 violation of the term.

34 (c) *Security interest not material impairment.* The creation, attachment, perfection, or
 35 enforcement of a security interest in the lessor's interest under the lease contract or the
 36 lessor's residual interest in the goods is not a transfer that materially impairs the lessee's
 37 prospect of obtaining return performance or materially changes the duty of or materially

1 increases the burden or risk imposed on the lessee within the purview of subsection (4) of
 2 Code Section 11-2A-303 unless, and then only to the extent that, enforcement actually
 3 results in a delegation of material performance of the lessor.

4 11-9-408. **Restrictions on assignment of promissory notes, health care insurance**
 5 **receivables, and certain general intangibles ineffective.**

6 (a) *Term restricting assignment generally ineffective.* Except as otherwise provided in
 7 subsection (b) of this Code section, a term in a promissory note or in an agreement between
 8 an account debtor and a debtor which relates to a health care insurance receivable or a
 9 general intangible, including a contract, permit, license, or franchise, and which term
 10 prohibits, restricts, or requires the consent of the person obligated on the promissory note
 11 or the account debtor to the assignment or transfer of, or creation, attachment, or perfection
 12 of a security interest in, the promissory note, health care insurance receivable, or general
 13 intangible, is ineffective to the extent that the term:

14 (1) Would impair the creation, attachment, or perfection of a security interest; or

15 (2) Provides that the creation, attachment, or perfection of the security interest may give
 16 rise to a default, breach, right of recoupment, claim, defense, termination, right of
 17 termination, or remedy under the promissory note, health care insurance receivable, or
 18 general intangible.

19 (b) *Applicability of subsection (a) of this Code section to sales of certain rights to*
 20 *payment.* Subsection (a) of this Code section applies to a security interest in a payment
 21 intangible or promissory note only if the security interest arises out of a sale of the payment
 22 intangible or promissory note.

23 (c) *Legal restrictions on assignment generally ineffective.* A rule of law, statute, or
 24 regulation that prohibits, restricts, or requires the consent of a government, governmental
 25 body or official, person obligated on a promissory note, or account debtor to the
 26 assignment or transfer of, or creation of a security interest in, a promissory note, health care
 27 insurance receivable, or general intangible, including a contract, permit, license, or
 28 franchise between an account debtor and a debtor, is ineffective to the extent that the rule
 29 of law, statute, or regulation:

30 (1) Would impair the creation, attachment, or perfection of a security interest; or

31 (2) Provides that the creation, attachment, or perfection of the security interest may give
 32 rise to a default, breach, right of recoupment, claim, defense, termination, right of
 33 termination, or remedy under the promissory note, health care insurance receivable, or
 34 general intangible.

35 (d) *Limitation on ineffectiveness under subsections (a) and (c) of this Code section.* To
 36 the extent that a term in a promissory note or in an agreement between an account debtor

1 and a debtor which relates to a health care insurance receivable or general intangible or a
 2 rule of law, statute, or regulation described in subsection (c) of this Code section would be
 3 effective under law other than this article but is ineffective under subsection (a) or (c) of
 4 this Code section, the creation, attachment, or perfection of a security interest in the
 5 promissory note, health care insurance receivable, or general intangible:

6 (1) Is not enforceable against the person obligated on the promissory note or the account
 7 debtor;

8 (2) Does not impose a duty or obligation on the person obligated on the promissory note
 9 or the account debtor;

10 (3) Does not require the person obligated on the promissory note or the account debtor
 11 to recognize the security interest, pay or render performance to the secured party, or
 12 accept payment or performance from the secured party;

13 (4) Does not entitle the secured party to use or assign the debtor's rights under the
 14 promissory note, health care insurance receivable, or general intangible, including any
 15 related information or materials furnished to the debtor in the transaction giving rise to
 16 the promissory note, health care insurance receivable, or general intangible;

17 (5) Does not entitle the secured party to use, assign, possess, or have access to any trade
 18 secrets or confidential information of the person obligated on the promissory note or the
 19 account debtor; and

20 (6) Does not entitle the secured party to enforce the security interest in the promissory
 21 note, health care insurance receivable, or general intangible.

22 11-9-409. **Restrictions on assignment of letter of credit rights ineffective.**

23 (a) *Term or law restricting assignment generally ineffective.* A term in a letter of credit
 24 or a rule of law, statute, regulation, custom, or practice applicable to the letter of credit
 25 which prohibits, restricts, or requires the consent of an applicant, issuer, or nominated
 26 person to a beneficiary's assignment of or creation of a security interest in a letter of credit
 27 right is ineffective to the extent that the term or rule of law, statute, regulation, custom, or
 28 practice:

29 (1) Would impair the creation, attachment, or perfection of a security interest in the letter
 30 of credit right; or

31 (2) Provides that the creation, attachment, or perfection of the security interest may give
 32 rise to a default, breach, right of recoupment, claim, defense, termination, right of
 33 termination, or remedy under the letter of credit right.

34 (b) *Limitation on ineffectiveness under subsection (a) of this Code section.* To the extent
 35 that a term in a letter of credit is ineffective under subsection (a) of this Code section but
 36 would be effective under law other than this article or a custom or practice applicable to

1 the letter of credit, to the transfer of a right to draw or otherwise demand performance
 2 under the letter of credit, or to the assignment of a right to proceeds of the letter of credit,
 3 the creation, attachment, or perfection of a security interest in the letter of credit right:

4 (1) Is not enforceable against the applicant, issuer, nominated person, or transferee
 5 beneficiary;

6 (2) Imposes no duties or obligations on the applicant, issuer, nominated person, or
 7 transferee beneficiary; and

8 (3) Does not require the applicant, issuer, nominated person, or transferee beneficiary to
 9 recognize the security interest, pay or render performance to the secured party, or accept
 10 payment or other performance from the secured party.

11 Part 5

12 Filing

13 Subpart 1

14 Filing Office; Contents and

15 Effectiveness of Financing Statement

16 11-9-501. **Filing office.**

17 (a) *Filing offices.* Except as otherwise provided in subsection (b) of this Code section, if
 18 the law of this state governs perfection of a security interest or agricultural lien, the office
 19 in which to file a financing statement to perfect the security interest or agricultural lien is:

20 (1) The office designated for the filing or recording of a record of a mortgage on the
 21 related real property, if:

22 (A) The collateral is as-extracted collateral or timber to be cut; or

23 (B) The financing statement is filed as a fixture filing and the collateral is goods that
 24 are or are to become fixtures; or

25 (2) The office of the clerk of the superior court of any county of this state, in all other
 26 cases, including a case in which the collateral is goods that are or are to become fixtures
 27 and the financing statement is not filed as a fixture filing.

28 (b) *Filing office for transmitting utilities.* The office in which to file a financing statement
 29 to perfect a security interest in collateral, including fixtures, of a transmitting utility is the
 30 office of the clerk of the superior court of any county of this state. The financing statement
 31 also constitutes a fixture filing as to the collateral indicated in the financing statement
 32 which is or is to become fixtures.

1 11-9-502. **Contents of financing statement; real estate mortgages as fixture filings;**
 2 **time of filing financing statement.**

3 (a) *Sufficiency of financing statement.* Subject to subsection (b) of this Code section, a
 4 financing statement is sufficient only if it:

- 5 (1) Provides the name of the debtor;
- 6 (2) Provides the name of the secured party or a representative of the secured party; and
- 7 (3) Indicates the collateral covered by the financing statement.

8 (b) *Real property related financing statements.* Except as otherwise provided in
 9 subsection (b) of Code Section 11-9-501, to be sufficient, a financing statement that covers
 10 as-extracted collateral or timber to be cut, or which is filed as a fixture filing and covers
 11 goods that are or are to become fixtures, must satisfy subsection (a) of this Code section
 12 and also:

- 13 (1) Indicate that it covers this type of collateral;
- 14 (2) Indicate that it is to be filed for record in the real property records;
- 15 (3) Provide a description of the real property to which the collateral is related sufficient
 16 to give constructive notice of a mortgage under the law of this state if the description
 17 were contained in a record of the mortgage of the real property; and
- 18 (4) If the debtor does not have an interest of record in the real property, provide the name
 19 of a record owner.

20 (c) *Real estate mortgages as fixture filings.* A real estate mortgage filed prior to January
 21 1, 1995, which was effective as a fixture filing when filed, remains effective as a fixture
 22 filing until the mortgage is released or satisfied of record or its effectiveness otherwise
 23 terminates as to the real estate. On and after January 1, 1995, a real estate mortgage may
 24 not be filed as a fixture filing.

25 (d) *Filing before security agreement or attachment.* A financing statement may be filed
 26 before a security agreement is made or a security interest otherwise attaches.

27 11-9-503. **Name of debtor and secured party.**

28 (a) *Sufficiency of debtor's name.* A financing statement sufficiently provides the name of
 29 the debtor:

- 30 (1) If the debtor is a registered organization, only if the financing statement provides the
 31 name of the debtor indicated on the public record of the debtor's jurisdiction of
 32 organization which shows the debtor to have been organized;
- 33 (2) If the debtor is a decedent's estate, only if the financing statement provides the name
 34 of the decedent and indicates that the debtor is an estate;
- 35 (3) If the debtor is a trust or a trustee acting with respect to property held in trust, only
 36 if the financing statement:

1 (A) Provides the name specified for the trust in its organic documents or, if no name
2 is specified, provides the name of the settlor and additional information sufficient to
3 distinguish the debtor from other trusts having one or more of the same settlors; and

4 (B) Indicates, in the debtor's name or otherwise, that the debtor is a trust or is a trustee
5 acting with respect to property held in trust; and

6 (4) In other cases:

7 (A) If the debtor has a name, only if it provides the individual or organizational name
8 of the debtor; and

9 (B) If the debtor does not have a name, only if it provides the names of the partners,
10 members, associates, or other persons comprising the debtor.

11 (b) *Additional debtor related information.* A financing statement that provides the name
12 of the debtor in accordance with subsection (a) of this Code section is not rendered
13 ineffective by the absence of:

14 (1) A trade name or other name of the debtor; or

15 (2) Unless required under subparagraph (a)(4)(B) of this Code section, names of
16 partners, members, associates, or other persons comprising the debtor.

17 (c) *Debtor's trade name insufficient.* A financing statement that provides only the debtor's
18 trade name does not sufficiently provide the name of the debtor.

19 (d) *Representative capacity.* Failure to indicate the representative capacity of a secured
20 party or representative of a secured party does not affect the sufficiency of a financing
21 statement.

22 (e) *Multiple debtors and secured parties.* A financing statement may provide the name of
23 more than one debtor and the name of more than one secured party.

24 **11-9-504. Indication of collateral.**

25 A financing statement sufficiently indicates the collateral that it covers only if the financing
26 statement provides:

27 (1) A description of the collateral pursuant to Code Section 11-9-108; or

28 (2) An indication that the financing statement covers all assets or all personal property.

29 **11-9-505. Filing and compliance with other statutes and treaties for consignments,
30 leases, other bailments, and other transactions.**

31 (a) *Use of terms other than 'debtor' and 'secured party.'* A consignor, lessor, or other
32 bailor of goods, a licensor, or a buyer of a payment intangible or promissory note may file
33 a financing statement, or may comply with a statute or treaty described in subsection (a)
34 of Code Section 11-9-311, using the terms 'consignor,' 'consignee,' 'lessor,' 'lessee,' 'bailor,'

1 'bailee,' 'licensor,' 'licensee,' 'owner,' 'registered owner,' 'buyer,' 'seller,' or words of similar
2 import, instead of the terms 'secured party' and 'debtor'.

3 (b) *Effect of financing statement under subsection (a) of this Code section.* This part
4 applies to the filing of a financing statement under subsection (a) of this Code section and,
5 as appropriate, to compliance that is equivalent to filing a financing statement under
6 subsection (b) of Code Section 11-9-311, but the filing or compliance is not of itself a
7 factor in determining whether the collateral secures an obligation. If it is determined for
8 another reason that the collateral secures an obligation, a security interest held by the
9 consignor, lessor, bailor, licensor, owner, or buyer which attaches to the collateral is
10 perfected by the filing or compliance.

11 **11-9-506. Effect of errors or omissions.**

12 (a) *Minor errors and omissions.* A financing statement substantially satisfying the
13 requirements of this part is effective, even if it has minor errors or omissions, unless the
14 errors or omissions make the financing statement seriously misleading.

15 (b) *Financing statement seriously misleading.* Except as otherwise provided in subsection
16 (c) of this Code section, a financing statement that fails sufficiently to provide the name of
17 the debtor in accordance with subsection (a) of Code Section 11-9-503 is seriously
18 misleading.

19 (c) *Financing statement not seriously misleading.* If a search of the records of the filing
20 office under the debtor's correct name, using the filing office's standard search logic, if
21 any, would disclose a financing statement that fails sufficiently to provide the name of the
22 debtor in accordance with subsection (a) of Code Section 11-9-503, the name provided
23 does not make the financing statement seriously misleading.

24 (d) *'Debtor's correct name.'* For purposes of subsection (b) of Code Section 11-9-508, the
25 'debtor's correct name' as used in subsection (c) of this Code section means the correct
26 name of the new debtor.

27 **11-9-507. Effect of certain events on effectiveness of financing statement.**

28 (a) *Disposition.* A filed financing statement remains effective with respect to collateral
29 that is sold, exchanged, leased, licensed, or otherwise disposed of and in which a security
30 interest or agricultural lien continues, even if the secured party knows of or consents to the
31 disposition.

32 (b) *Information becoming seriously misleading.* Except as otherwise provided in
33 subsection (c) of this Code section and Code Section 11-9-508, a financing statement is not
34 rendered ineffective if, after the financing statement is filed, the information provided in
35 the financing statement becomes seriously misleading under Code Section 11-9-506.

1 (c) *Change in debtor's name.* If a debtor so changes its name that a filed financing
2 statement becomes seriously misleading under Code Section 11-9-506:

3 (1) The financing statement is effective to perfect a security interest in collateral acquired
4 by the debtor before, or within four months after, the change; and

5 (2) The financing statement is not effective to perfect a security interest in collateral
6 acquired by the debtor more than four months after the change, unless an amendment to
7 the financing statement which renders the financing statement not seriously misleading
8 is filed within four months after the change.

9 **11-9-508. Effectiveness of financing statement if new debtor becomes bound by**
10 **security agreement.**

11 (a) *Financing statement naming original debtor.* Except as otherwise provided in this
12 Code section, a filed financing statement naming an original debtor is effective to perfect
13 a security interest in collateral in which a new debtor has or acquires rights to the extent
14 that the financing statement would have been effective had the original debtor acquired
15 rights in the collateral.

16 (b) *Financing statement becoming seriously misleading.* If the difference between the
17 name of the original debtor and that of the new debtor causes a filed financing statement
18 that is effective under subsection (a) of this Code section to be seriously misleading under
19 Code Section 11-9-506:

20 (1) The financing statement is effective to perfect a security interest in collateral acquired
21 by the new debtor before, and within four months after, the new debtor becomes bound
22 under subsection (d) of Code Section 11-9-203; and

23 (2) The financing statement is not effective to perfect a security interest in collateral
24 acquired by the new debtor more than four months after the new debtor becomes bound
25 under subsection (d) of Code Section 11-9-203 unless an initial financing statement
26 providing the name of the new debtor is filed before the expiration of that time.

27 (c) *When Code section not applicable.* This Code section does not apply to collateral as
28 to which a filed financing statement remains effective against the new debtor under
29 subsection (a) of Code Section 11-9-507.

30 **11-9-509. Persons entitled to file a record.**

31 (a) *Person entitled to file record.* A person may file an initial financing statement,
32 amendment that adds collateral covered by a financing statement, or amendment that adds
33 a debtor to a financing statement only if:

34 (1) The debtor authorizes the filing in an authenticated record or pursuant to subsection
35 (b) or (c) of this Code section; or

1 (2) The person holds an agricultural lien that has become effective at the time of filing
2 and the financing statement covers only collateral in which the person holds an
3 agricultural lien.

4 (b) *Security agreement as authorization.* By authenticating or becoming bound as debtor
5 by a security agreement, a debtor or new debtor authorizes the filing of an initial financing
6 statement, and an amendment, covering:

7 (1) The collateral described in the security agreement; and

8 (2) Property that becomes collateral under paragraph (2) of subsection (a) of Code
9 Section 11-9-315, whether or not the security agreement expressly covers proceeds.

10 (c) *Acquisition of collateral as authorization.* By acquiring collateral in which a security
11 interest or agricultural lien continues under paragraph (1) of subsection (a) of Code Section
12 11-9-315, a debtor authorizes the filing of an initial financing statement, and an
13 amendment, covering the collateral and property that becomes collateral under paragraph
14 (2) of subsection (a) of Code Section 11-9-315.

15 (d) *Person entitled to file certain amendments.* A person may file an amendment other
16 than an amendment that adds collateral covered by a financing statement or an amendment
17 that adds a debtor to a financing statement only if:

18 (1) The secured party of record authorizes the filing; or

19 (2) The amendment is a termination statement for a financing statement as to which the
20 secured party of record has failed to file or send a termination statement as required by
21 subsection (a) or (c) of Code Section 11-9-513, the debtor authorizes the filing, and the
22 termination statement indicates that the debtor authorized it to be filed.

23 (e) *Multiple secured parties of record.* If there is more than one secured party of record
24 for a financing statement, each secured party of record may authorize the filing of an
25 amendment under subsection (d) of this Code section.

26 **11-9-510. Effectiveness of filed record.**

27 (a) *Filed record effective if authorized.* A filed record is effective only to the extent that
28 it was filed by a person that may file it under Code Section 11-9-509.

29 (b) *Authorization by one secured party of record.* A record authorized by one secured
30 party of record does not affect the financing statement with respect to another secured party
31 of record.

32 (c) *Continuation statement not timely filed.* A continuation statement that is not filed
33 within the six-month period prescribed by subsection (c) of Code Section 11-9-515 is
34 ineffective.

1 11-9-511. **Secured party of record.**

2 (a) *Secured party of record.* A secured party of record with respect to a financing
3 statement is a person whose name is provided as the name of the secured party or a
4 representative of the secured party in an initial financing statement that has been filed. If
5 an initial financing statement is filed under subsection (a) of Code Section 11-9-514, the
6 assignee named in the initial financing statement is the secured party of record with respect
7 to the financing statement.

8 (b) *Amendment naming secured party of record.* If an amendment of a financing statement
9 which provides the name of a person as a secured party or a representative of a secured
10 party is filed, the person named in the amendment is a secured party of record. If an
11 amendment is filed under subsection (b) of Code Section 11-9-514, the assignee named in
12 the amendment is a secured party of record.

13 (c) *Amendment deleting secured party of record.* A person remains a secured party of
14 record until the filing of an amendment of the financing statement which deletes the person.

15 11-9-512. **Amendment of financing statement.**

16 (a) *Amendment of information in financing statement.* Subject to Code Section 11-9-509,
17 a person may add or delete collateral covered by, continue or terminate the effectiveness
18 of, or, subject to subsection (e) of this Code section, otherwise amend the information
19 provided in a financing statement by filing an amendment that:

20 (1) Identifies, by its file number, the initial financing statement to which the amendment
21 relates; and

22 (2) If the amendment relates to an initial financing statement filed or recorded in a filing
23 office described in paragraph (1) of subsection (a) of Code Section 11-9-501, provides
24 the information specified in subsection (b) of Code Section 11-9-502.

25 (b) *Period of effectiveness not affected.* Except as otherwise provided in Code Section
26 11-9-515, the filing of an amendment does not extend the period of effectiveness of the
27 financing statement.

28 (c) *Effectiveness of amendment adding collateral.* A financing statement that is amended
29 by an amendment that adds collateral is effective as to the added collateral only from the
30 date of the filing of the amendment.

31 (d) *Effectiveness of amendment adding debtor.* A financing statement that is amended by
32 an amendment that adds a debtor is effective as to the added debtor only from the date of
33 the filing of the amendment.

34 (e) *Certain amendments ineffective.* An amendment is ineffective to the extent it:

35 (1) Purports to delete all debtors and fails to provide the name of a debtor to be covered
36 by the financing statement; or

1 (2) Purports to delete all secured parties of record and fails to provide the name of a new
2 secured party of record.

3 11-9-513. **Termination statement.**

4 (a) *Consumer goods.* A secured party shall cause the secured party of record for a
5 financing statement to file a termination statement for the financing statement if the
6 financing statement covers consumer goods and:

7 (1) There is no obligation secured by the collateral covered by the financing statement
8 and no commitment to make an advance, incur an obligation, or otherwise give value; or

9 (2) The debtor did not authorize the filing of the initial financing statement.

10 (b) *Time for compliance with subsection (a) of this Code section.* To comply with
11 subsection (a) of this Code section, a secured party shall cause the secured party of record
12 to file the termination statement:

13 (1) Within one month after there is no obligation secured by the collateral covered by the
14 financing statement and no commitment to make an advance, incur an obligation, or
15 otherwise give value; or

16 (2) If earlier, within 20 days after the secured party receives an authenticated demand
17 from a debtor.

18 (c) *Other collateral.* In cases not governed by subsection (a) of this Code section, within
19 20 days after a secured party receives an authenticated demand from a debtor, the secured
20 party shall cause the secured party of record for a financing statement to send to the debtor
21 a termination statement for the financing statement or file the termination statement in the
22 filing office if:

23 (1) Except in the case of a financing statement covering accounts or chattel paper that
24 has been sold or goods that are the subject of a consignment, there is no obligation
25 secured by the collateral covered by the financing statement and no commitment to make
26 an advance, incur an obligation, or otherwise give value;

27 (2) The financing statement covers accounts or chattel paper that has been sold but as to
28 which the account debtor or other person obligated has discharged its obligation;

29 (3) The financing statement covers goods that were the subject of a consignment to the
30 debtor but are not in the debtor's possession; or

31 (4) The debtor did not authorize the filing of the initial financing statement.

32 (d) *Effect of filing termination statement.* Except as otherwise provided in Code Section
33 11-9-510, upon the filing of a termination statement with the filing office, the financing
34 statement to which the termination statement relates ceases to be effective.

1 11-9-514. **Assignment of powers of secured party of record.**

2 (a) *Assignment reflected on initial financing statement.* Except as otherwise provided in
3 subsection (c) of this Code section, an initial financing statement may reflect an assignment
4 of all of the secured party's power to authorize an amendment to the financing statement
5 by providing the name and mailing address of the assignee as the name and address of the
6 secured party.

7 (b) *Assignment of filed financing statement.* Except as otherwise provided in subsection
8 (c) of this Code section, a secured party of record may assign of record all or part of its
9 power to authorize an amendment to a financing statement by filing in the filing office an
10 amendment of the financing statement which:

- 11 (1) Identifies, by its file number, the initial financing statement to which it relates;
12 (2) Provides the name of the assignor; and
13 (3) Provides the name and mailing address of the assignee.

14 11-9-515. **Duration and effectiveness of financing statement; effect of lapsed financing**
15 **statement.**

16 (a) *Five-year effectiveness.* Except as otherwise provided in subsection (d) of this Code
17 section, a filed financing statement is effective for a period of five years after the date of
18 filing.

19 (b) *Lapse and continuation of financing statement.* The effectiveness of a filed financing
20 statement lapses on the expiration of the period of its effectiveness unless before the lapse
21 a continuation statement is filed pursuant to subsection (c) of this Code section. Upon
22 lapse, a financing statement ceases to be effective and any security interest or agricultural
23 lien that was perfected by the financing statement becomes unperfected, unless the security
24 interest is perfected otherwise. If the security interest or agricultural lien becomes
25 unperfected upon lapse, it is deemed never to have been perfected as against a purchaser
26 of the collateral for value.

27 (c) *When continuation statement may be filed.* A continuation statement may be filed only
28 within six months before the expiration of the five-year period specified in subsection (a)
29 of this Code section.

30 (d) *Effect of filing continuation statement.* Except as otherwise provided in Code Section
31 11-9-510, upon timely filing of a continuation statement, the effectiveness of the initial
32 financing statement continues for a period of five years commencing on the day on which
33 the financing statement would have become ineffective in the absence of the filing. Upon
34 the expiration of the five-year period, the financing statement lapses in the same manner
35 as provided in subsection (b) of this Code section, unless, before the lapse, another
36 continuation statement is filed pursuant to subsection (c) of this Code section. Succeeding

1 continuation statements may be filed in the same manner to continue the effectiveness of
2 the initial financing statement.

3 11-9-516. **What constitutes filing; effectiveness of filing.**

4 (a) *What constitutes filing.* Except as otherwise provided in subsection (b) of this Code
5 section, communication of a record to a filing office and tender of the filing fee or
6 acceptance of the record by the filing office constitutes filing.

7 (b) *Refusal to accept record; filing does not occur.* Filing does not occur with respect to
8 a record that a filing office refuses to accept because:

9 (1) The record is not communicated by a method or medium of communication
10 authorized by the filing office;

11 (2) An amount equal to or greater than the applicable filing fee is not tendered;

12 (3) The authority is unable to index the record because:

13 (A) In the case of an initial financing statement, the record does not provide a name for
14 the debtor;

15 (B) In the case of an amendment or correction statement, the record:

16 (i) Does not identify the initial financing statement as required by Code Section
17 11-9-512 or 11-9-518, as applicable;

18 (ii) Identifies an initial financing statement whose effectiveness has lapsed under
19 Code Section 11-9-515;

20 (iii) Identifies more than one initial financing statement; or

21 (iv) Indicates that it is presented to accomplish more than one action, such as
22 amendment and continuation;

23 (C) In the case of an initial financing statement that provides the name of a debtor
24 identified as an individual or an amendment that provides a name of a debtor identified
25 as an individual which was not previously provided in the financing statement to which
26 the record relates, the record does not identify the debtor's last name; or

27 (D) In the case of a record filed or recorded in the filing office described in paragraph
28 (1) of subsection (a) of Code Section 11-9-501, the record does not provide a sufficient
29 description of the real property to which it relates;

30 (4) In the case of an initial financing statement or an amendment that adds a secured
31 party of record, the record does not provide a name and mailing address for the secured
32 party of record;

33 (5) In the case of an initial financing statement or an amendment that provides a name
34 of a debtor which was not previously provided in the financing statement to which the
35 amendment relates, the record does not:

36 (A) Provide a mailing address for the debtor;

1 (B) Indicate whether the debtor is an individual or an organization; or

2 (C) If the financing statement indicates that the debtor is an organization, provide:

3 (i) A type of organization for the debtor; or

4 (ii) A jurisdiction of organization for the debtor; or

5 (6) In the case of an assignment reflected in an initial financing statement under
6 subsection (a) of Code Section 11-9-514 or an amendment filed under subsection (b) of
7 Code Section 11-9-514, the record does not provide a name and mailing address for the
8 assignee.

9 (c) *Rules applicable to subsection (b) of this Code section.* For purposes of subsection (b)
10 of this Code section:

11 (1) A record does not provide information if the filing office is unable to read or decipher
12 the information; and

13 (2) A record that does not indicate that it is an amendment or accurately identify an
14 initial financing statement to which it relates, as required by Code Section 11-9-512,
15 11-9-514, or 11-9-518, is an initial financing statement.

16 (d) *Refusal to accept record; record effective as filed record.* A record that is
17 communicated to the filing office with tender of the filing fee, but which the filing office
18 refuses to accept for a reason other than one set forth in subsection (b) of this Code section,
19 is effective as a filed record except as against a purchaser of the collateral which gives
20 value in reasonable reliance upon the absence of the record from the files.

21 11-9-517. **Effect of indexing errors.**

22 The failure of the filing office or authority to index a record correctly does not affect the
23 effectiveness of the filed record.

24 11-9-518. **Inaccurate or wrongfully filed record.**

25 (a) *Correction statement.* A person may file a correction statement with respect to a record
26 indexed under the person's name if the person believes that the record is inaccurate or was
27 wrongfully filed. The correction statement shall be filed in the filing office of the county
28 where the record was filed.

29 (b) *Sufficiency of correction statement.* A correction statement must:

30 (1) Identify the record to which it relates by the file number assigned to the initial
31 financing statement to which the record relates;

32 (2) Indicate that it is a correction statement; and

33 (3) Provide the basis for the person's belief that the record is inaccurate and indicate the
34 manner in which the person believes the record should be amended to cure any

- 1 inaccuracy or provide the basis for the person's belief that the record was wrongfully
 2 filed.
- 3 (c) *Record not affected by correction statement.* The filing of a correction statement does
 4 not affect the effectiveness of an initial financing statement or other filed record.

5 Subpart 2

6 Duties and Operation of Filing Office
 7 and Central Indexing System

8 11-9-519. **Numbering, maintaining, and indexing records; communicating**
 9 **information provided in records.**

10 (a) *Filing office duties.* For each record filed in a filing office, the filing office shall:

- 11 (1) Assign a unique number to the filed record;
- 12 (2) Create a record that bears the number assigned to the filed record and the date and
 13 time of filing;
- 14 (3) Maintain the filed record or a microfilm or other photostatic, microphotographic,
 15 photographic copy, or optical image of the filed record for public inspection;
- 16 (4) Transmit each record to the authority in such form and manner as may be required
 17 by the authority within 24 hours of filing. Weekends and holidays shall not be included
 18 in the calculation of the 24 hour period; and
- 19 (5) Promptly upon discovering any discrepancy between a filed record and the
 20 information as it appears in the central indexing system, retransmit such record to the
 21 authority with a notation as to the discrepancy and a request for correction of the central
 22 indexing system information.

23 (b) *Central indexing system.*

- 24 (1) The authority shall administer, maintain, and modify a central indexing system which
 25 shall contain the records transmitted to it by filing offices pursuant to paragraph (4) of
 26 subsection (a) of this Code section. The authority shall, within 24 hours after receipt of
 27 each record, include the record in the central filing system and make such information
 28 available to the public through the central index. Weekends and holidays shall not be
 29 included in the calculation of the 24 hour period.
- 30 (2) The authority may designate one or more agents who will be responsible for any or
 31 all of the duties and functions of the authority set out in this Code section.

32 (c) *Indexing; general.* The authority shall:

- 33 (1) Index an initial financing statement according to the name of the debtor and index all
 34 filed records relating to the initial financing statement in a manner that associates with

1 one another an initial financing statement and all filed records relating to the initial
2 financing statement; and

3 (2) Index a record that provides a name of a debtor which was not previously provided
4 in the financing statement to which the record relates also according to the name that was
5 not previously provided.

6 (d) *Indexing; real property related financing statement.* If a financing statement is filed
7 as a fixture filing or covers as-extracted collateral or timber to be cut, it must be filed for
8 record and the filing office shall index it:

9 (1) Under the names of the debtor and of each owner of record shown on the financing
10 statement as if they were the mortgagors under a mortgage of the real property described;
11 and

12 (2) To the extent that the law of this state provides for indexing of records of mortgages
13 under the name of the mortgagee, under the name of the secured party as if the secured
14 party were the mortgagee thereunder, or, if indexing is by description, as if the financing
15 statement were a record of a mortgage of the real property described.

16 (e) *Indexing; real property related assignment.* If a financing statement is filed as a fixture
17 filing or covers as-extracted collateral or timber to be cut, the filing office shall index an
18 assignment filed under subsection (a) of Code Section 11-9-514 or an amendment filed
19 under subsection (b) of Code Section 11-9-514:

20 (1) Under the name of the assignor as grantor; and

21 (2) To the extent that the law of this state provides for indexing a record of the
22 assignment of a mortgage under the name of the assignee, under the name of the assignee.

23 (f) *Retrieval and association capability.* The authority and each filing office shall
24 maintain a capability with respect to the records they are required to index:

25 (1) To retrieve a record by the name of the debtor and by the file number assigned to the
26 initial financing statement to which the record relates; and

27 (2) To associate and retrieve with one another an initial financing statement and each
28 filed record relating to the initial financing statement.

29 (g) *Removal of debtor's name.* The authority may not remove a debtor's name from the
30 central index until one year after the effectiveness of a financing statement naming the
31 debtor lapses under Code Section 11-9-515 with respect to all secured parties of record.

32 **11-9-520. Acceptance and refusal to accept record.**

33 (a) *Refusal to accept record.* A filing office may refuse to accept a record for filing only
34 for a reason set forth in subsection (b) of Code Section 11-9-516.

35 (b) *Communication concerning refusal.* If a filing office refuses to accept a record for
36 filing, it shall communicate to the person that presented the record the fact of and reason

1 for the refusal and the date and time the record would have been filed had the filing office
2 accepted it. The communication must be made at the time and in the manner prescribed
3 by filing office rule but in no event more than two business days after the filing office
4 receives the record.

5 (c) *When filed financing statement effective.* A filed financing statement satisfying
6 subsections (a) and (b) of Code Section 11-9-502 is effective, even if the filing office
7 refuses to accept it for filing under subsection (a) of this Code section. However, Code
8 Section 11-9-338 applies to a filed financing statement providing information described in
9 paragraph (5) of subsection (b) of Code Section 11-9-516 which is incorrect at the time the
10 financing statement is filed.

11 (d) *Separate application to multiple debtors.* If a record communicated to a filing office
12 provides information that relates to more than one debtor, this part applies as to each debtor
13 separately.

14 11-9-521. **Uniform form of written financing statement and amendment; authority**
15 **may prescribe forms.**

16 (a) *Initial financing statement form.* Except for a reason set forth in subsection (b) of Code
17 Section 11-9-516, a filing office that accepts written records may not refuse to accept a
18 written initial financing statement in the form and format set out in Section 9-521(a) of the
19 Official Text of Revised Article 9, 2000 Revision, of the Uniform Commercial Code
20 promulgated by the American Law Institute and the National Conference of
21 Commissioners on Uniform State Laws, and such form and format are incorporated into
22 this subsection by reference.

23 (b) *Amendment form.* Except for a reason set forth in subsection (b) of Code Section
24 11-9-516, a filing office that accepts written records may not refuse to accept a written
25 record amending an initial financing statement if such record is in the form and format set
26 out in Section 9-521(b) of the Official Text of Revised Article 9, 2000 Revision, of the
27 Uniform Commercial Code promulgated by the American Law Institute and the National
28 Conference of Commissioners on Uniform State Laws, and such form and format are
29 incorporated into this subsection by reference.

30 (c) The authority may prescribe forms for initial financing statements and amendments.
31 Subject to the provisions of subsections (a) and (b) of this Code section, all written
32 financing statements and amendments must be presented for filing on forms prescribed by
33 the authority.

1 11-9-522. **Maintenance and destruction of records.**

2 (a) *Postlapse maintenance and retrieval of information.* The authority shall maintain a
3 record of the information provided in a filed record for at least one year after the
4 effectiveness of such record or the initial financing statement to which such record relates
5 has lapsed under Code Section 11-9-515 with respect to all secured parties of record. The
6 record must be retrievable by using the name of the debtor and by using the file number
7 assigned to the initial financing statement to which the record relates.

8 (b) *Destruction of written records.* Except to the extent that an applicable statute
9 governing disposition of public records provides otherwise, the filing office or the authority
10 immediately may destroy any written record evidencing a financing statement. However,
11 if the filing office or the authority destroys a written record, it shall maintain another record
12 of the financing statement which complies with subsection (a) of this Code section.

13 11-9-523. **Information from filing office and central indexing system; sale or license**
14 **of records.**

15 (a) *Acknowledgment of filing written record.* If a person that files a written record requests
16 an acknowledgment of the filing, the filing office shall send to the person an image of the
17 record showing the number assigned to the record pursuant to paragraph (1) of subsection
18 (a) of Code Section 11-9-519 and the date and time of the filing of the record. However,
19 if the person furnishes a copy of the record to the filing office, the filing office may instead:

20 (1) Note upon the copy the number assigned to the record pursuant to paragraph (1) of
21 subsection (a) of Code Section 11-9-519 and the date and time of the filing of the record;

22 and

23 (2) Send the copy to the person.

24 (b) *Acknowledgment of filing other record.* If a person files a record other than a written
25 record, the filing office shall communicate to the person an acknowledgment that provides:

26 (1) The information in the record;

27 (2) The number assigned to the record pursuant to paragraph (1) of subsection (a) of
28 Code Section 11-9-519; and

29 (3) The date and time of the filing of the record.

30 (c) *Communication of requested information.* Upon payment of a fee therefor established
31 from time to time by the authority, the authority shall communicate or otherwise make
32 available in a record the following information to any person that requests it:

33 (1) Whether there is on file on a date and time specified by the authority, but not a date
34 earlier than three business days before the authority receives the request, any financing
35 statement that:

1 (A) Designates a particular debtor (or, if the request so states, designates a particular
2 debtor at the address specified in the request);

3 (B) Has not lapsed under Code Section 11-9-515 with respect to all secured parties of
4 record; and

5 (C) If the request so states, has lapsed under Code Section 11-9-515 and a record of
6 which is maintained by the authority under subsection (a) of Code Section 11-9-522;

7 (2) The date and time of filing of each financing statement; and

8 (3) The information provided in each financing statement.

9 (d) *Medium for communicating information.* In complying with its duty under subsection
10 (c) of this Code section, the authority may communicate information in any medium.
11 However, if requested, the authority shall communicate information by issuing a record
12 that can be admitted into evidence in the courts of this state without extrinsic evidence of
13 its authenticity.

14 (e) *Timeliness of performance.* The filing office shall perform the acts required by
15 subsections (a) and (b) of this Code section and the authority shall perform the acts
16 required by subsections (c) and (d) of this Code section at the time and in the manner
17 prescribed by filing office rule but not later than two business days after the filing office
18 receives the request.

19 (f) *Public availability of records.* At least weekly, the authority shall offer to sell or
20 license to the public on a nonexclusive basis, upon payment of the fee therefor established
21 from time to time by the authority, in bulk, copies of all records transmitted to it under this
22 part, in every medium from time to time available to the authority.

23 **11-9-524. Delay by filing office or authority.**

24 Delay by the filing office or authority beyond a time limit prescribed by this part is excused
25 if:

26 (1) The delay is caused by interruption of communication or computer facilities, war,
27 emergency conditions, failure of equipment, or other circumstances beyond control of the
28 filing office or authority; and

29 (2) The filing office or authority exercises reasonable diligence under the circumstances.

30 **11-9-525. Fees.**

31 (a) *Initial financing statement; general.* Except as otherwise provided in subsection (b)
32 of this Code section, the fees for filing a record under this part are the amounts specified
33 in Article 2 of Chapter 6 of Title 15.

34 (b) *Fees of the Georgia Superior Court Clerks' Cooperative Authority.* The Georgia
35 Superior Court Clerks' Cooperative Authority is authorized to set and collect fees for

1 incidental services and information provided by the authority or its designated agent with
2 respect to the central indexing system if such fees are not otherwise prescribed by law.

3 11-9-526. **Rules.**

4 (a) *Adoption of filing office rules.* The authority shall adopt and publish rules to
5 implement this article, including rules to administer, maintain, and modify the central
6 indexing system. The filing office rules must be consistent with this article.

7 (b) *Harmonization of rules.* To keep the filing office rules, practices of the filing offices,
8 and practices of the authority in harmony with the rules and practices in other jurisdictions
9 that enact substantially this part, and to keep the technology used by the filing offices and
10 the authority compatible with the technology used in other jurisdictions that enact
11 substantially this part, the authority, so far as is consistent with the purposes, policies, and
12 provisions of this article, in adopting, amending, and repealing filing office rules, shall:

- 13 (1) Consult with filing offices in other jurisdictions that enact substantially this part; and
14 (2) Consult the most recent version of the Model Rules promulgated by the International
15 Association of Corporate Administrators or any successor organization; and
16 (3) Take into consideration the rules and practices of, and the technology used by, filing

15 (2) The date of filing a financing statement covering the collateral; or

16 (3) Any date specified in a statute under which the agricultural lien was created.

17 (f) *Execution sale.* A sale pursuant to an execution is a foreclosure of the security interest

19 secured party may purchase at the sale and thereafter hold the collateral free of any other
20 requirements of this article.

21 (g) *Consignor or buyer of certain rights to payment.* Except as otherwise provided in

 3 collection, enforcement, or disposition;
- 4 (5) Subsection (a) of Code Section 11-9-608 and subsection (d) of Code Section
 5 11-9-615 to the extent that they require accounting for or payment of surplus proceeds
 6 of collateral;
- 7 (6) Code Section 11-9-609 to the extent that it imposes upon a secured party that takes
 8 possession of collateral without judicial process the duty to do so without breach of the
 9 peace;
- 10 (7) Subsection (b) of Code Section 11-9-610 and Code Sections 11-9-611, 11-9-613, and

 22 for failure to comply with this article.

23 **11-9-603. Agreement on standards concerning rights and duties.**

- 24 (a) *Agreed standards.* The parties may determine by agreement the standards measuring
 25 the fulfillment of the rights of a debtor or obligor and the duties of a secured party under
 26 a rule stated in Code Section 11-9-602 if the standards are not manifestly unreasonable.
- 27 (b) *Agreed standards inapplicable to breach of peace.* Subsection (a) of this Code section
 28 does not apply to the duty under Code Section 11-9-609 to refrain from breaching the
 29 peace.

30 **11-9-604. Procedure if security agreement covers real property or fixtures.**

- 31 (a) *Enforcement; personal and real property.* If a security agreement covers both personal
 32 and real property, a secured party may proceed:
- 33 (1) Under this part as to the personal property without prejudicing any rights with respect
 34 to the real property; or

1 (2) As to both the personal property and the real property in accordance with the rights
 2 with respect to the real property, in which case the other provisions of this part do not
 3 apply.

 5 agreement covers goods that are or become fixtures, a secured party may proceed:

6 (1) Under this part; or

7 (2) In accordance with the rights with respect to real property, in which case the other
 8 provisions of this part do not apply.

9 (c) *Removal of fixtures.* Subject to the other provisions of this part, if a secured party
 10 holding a security interest in fixtures has priority over all owners and encumbrancers of the
 11 real property, the secured party, after default, may remove the collateral from the real
 12 property.

13 (d) *Injury caused by removal.* A secured party that removes collateral shall promptly
 14 reimburse any encumbrancer or owner of the real property, other than the debtor, for the
 15 cost of repair of any physical injury caused by the removal. The secured party need not
 16 reimburse the encumbrancer or owner for any diminution in value of the real property
 17 caused by the absence of the goods removed or by any necessity of replacing them. A
 18 person entitled to reimbursement may refuse permission to remove until the secured party
 19 gives adequate assurance for the performance of the obligation to reimburse.

20 **11-9-605. Unknown debtor or secondary obligor.**

21 A secured party does not owe a duty based on its status as secured party:

22 (1) To a person that is a debtor or obligor, unless the secured party knows:

23 (A) That the person is a debtor or obligor;

24 (B) The identity of the person; and

25 (C) How to communicate with the person; or

26 (2) To a secured party or lienholder that has filed a financing statement against a person,

29 (B) The identity of the person.

30 **11-9-606. Time of default for agricultural lien.**

31 For purposes of this part, a default occurs in connection with an agricultural lien at the time
 32 the secured party becomes entitled to enforce the lien in accordance with the statute under
 33 which it was created.

1 11-9-607. **Collection and enforcement by secured party.**

2 (a) *Collection and enforcement generally.* If so agreed, and in any event after default, a
3 secured party:

4 (1) May notify an account debtor or other person obligated on collateral to make
5 payment or otherwise render performance to or for the benefit of the secured party;

6 (2) May take any proceeds to which the secured party is entitled under Code Section
7 11-9-315;

8 (3) May enforce the obligations of an account debtor or other person obligated on
9 collateral and exercise the rights of the debtor with respect to the obligation of the
10 account debtor or other person obligated on collateral to make payment or otherwise
11 render performance to the debtor and with respect to any property that secures the
12 obligations of the account debtor or other person obligated on the collateral;

13 (4) If it holds a security interest in a deposit account perfected by control under
14 paragraph (1) of subsection (a) of Code Section 11-9-104, may apply the balance of the
15 deposit account to the obligation secured by the deposit account; and

16 (5) If it holds a security interest in a deposit account perfected by control under
17 paragraph (2) or (3) of subsection (a) of Code Section 11-9-104, may instruct the bank
18 to pay the balance of the deposit account to or for the benefit of the secured party.

19 (b) *Nonjudicial enforcement of mortgage.* If necessary to enable a secured party to
20 exercise under paragraph (3) of subsection (a) of this Code section the right of a debtor to
21 enforce a mortgage nonjudicially, the secured party may record in the office in which a
22 record of the mortgage is recorded:

23 (1) A copy of the security agreement that creates or provides for a security interest in the
24 obligation secured by the mortgage; and

25 (2) The secured party's sworn affidavit in recordable form stating that:

26 (A) A default has occurred; and

27 (B) The secured party is entitled to enforce the mortgage nonjudicially.

28 (c) *Commercially reasonable collection and enforcement.* A secured party shall proceed
29 in a commercially reasonable manner if the secured party:

30 (1) Undertakes to collect from or enforce an obligation of an account debtor or other
31 person obligated on collateral; and

32 (2) Is entitled to charge back uncollected collateral or otherwise to full or limited
33 recourse against the debtor or a secondary obligor.

34 (d) *Expenses of collection and enforcement.* A secured party may deduct from the
35 collections made pursuant to subsection (c) of this Code section reasonable expenses of
36 collection and enforcement, including reasonable attorney's fees and legal expenses
37 incurred by the secured party.

1 (e) *Duties to secured party not affected.* This Code section does not determine whether
 2 an account debtor, bank, or other person obligated on collateral owes a duty to a secured
 3 party.

4 **11-9-608. Application of proceeds of collection or enforcement; liability for deficiency**
 5 **and right to surplus.**

6 (a) *Application of proceeds, surplus, and deficiency if obligation secured.* If a security
 7 interest or agricultural lien secures payment or performance of an obligation, the following
 8 rules apply:

9 (1) A secured party shall apply or pay over for application the cash proceeds of
 10 collection or enforcement under Code Section 11-9-607 in the following order to:

11 (A) The reasonable expenses of collection and enforcement and, to the extent provided
 12 for by agreement and not prohibited by law, reasonable attorney's fees and legal
 13 expenses incurred by the secured party;

14 (B) The satisfaction of obligations secured by the security interest or agricultural lien
 15 under which the collection or enforcement is made; and

16 (C) The satisfaction of obligations secured by any subordinate security interest in or
 17 other lien on the collateral subject to the security interest or agricultural lien under
 18 which the collection or enforcement is made if the secured party receives an
 19 authenticated demand for proceeds before distribution of the proceeds is completed;

20 (2) If requested by a secured party, a holder of a subordinate security interest or other
 21 lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless
 22 the holder complies, the secured party need not comply with the holder's demand under
 23 subparagraph (C) of paragraph (1) of this subsection.

24 (3) A secured party need not apply or pay over for application noncash proceeds of
 25 collection and enforcement under Code Section 11-9-607 unless the failure to do so
 26 would be commercially unreasonable. A secured party that applies or pays over for
 27 application noncash proceeds shall do so in a commercially reasonable manner; and

28 (4) A secured party shall account to and pay a debtor for any surplus, and the obligor is
 29 liable for any deficiency.

30 (b) *No surplus or deficiency in sales of certain rights to payment.* If the underlying
 31 transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes,
 32 the debtor is not entitled to any surplus, and the obligor is not liable for any deficiency.

33 **11-9-609. Secured party's right to take possession after default.**

34 (a) *Possession; rendering equipment unusable; disposition on debtor's premises.* After

4 (b) *Judicial and nonjudicial process.* A secured party may proceed under subsection (a)
5 of this Code section:

6 (1) Pursuant to judicial process; or

7 (2) Without judicial process, if it proceeds without breach of the peace.

8 (c) *Assembly of collateral.* If so agreed, and in any event after default, a secured party may
9 require the debtor to assemble the collateral and make it available to the secured party at
10 a place to be designated by the secured party which is reasonably convenient to both
11 parties.

12 11-9-610. **Disposition of collateral after default.**

13 (a) *Disposition after default.* After default, a secured party may sell, lease, license, or
14 otherwise dispose of any or all of the collateral in its present condition or following any
15 commercially reasonable preparation or processing.

16 (b) *Commercially reasonable disposition.* Every aspect of a disposition of collateral,
17 including the method, manner, time, place, and other terms, must be commercially
18 reasonable. If commercially reasonable, a secured party may dispose of collateral by
19 public or private proceedings, by one or more contracts, as a unit or in parcels, and at any
20 time and place and on any terms.

21 (c) *Purchase by secured party.* A secured party may purchase collateral:

22 (1) At a public disposition; or

27 operation of law accompany a voluntary disposition of property of the kind subject to the
28 contract.

29 (e) *Disclaimer of warranties.* A secured party may disclaim or modify warranties under
30 subsection (d) of this Code section:

31 (1) In a manner that would be effective to disclaim or modify the warranties in a
32 voluntary disposition of property of the kind subject to the contract of disposition; or

33 (2) By communicating to the purchaser a record evidencing the contract for disposition
34 and including an express disclaimer or modification of the warranties.

35 (f) *Record sufficient to disclaim warranties.* A record is sufficient to disclaim warranties
36 under subsection (e) of this Code section if it indicates "There is no warranty relating to

1 title, possession, quiet enjoyment, or the like in this disposition' or uses words of similar
2 import.

3 11-9-611. **Notification before disposition of collateral.**

4 (a) *'Notification date.'* As used in this Code section, the term 'notification date' means the
5 earlier of the date on which:

6 (1) A secured party sends to the debtor and any secondary obligor an authenticated
7 notification of disposition; or

8 (2) The debtor and any secondary obligor waive the right to notification.

9 (b) *Notification of disposition required.* Except as otherwise provided in subsection (d)
10 of this Code section, a secured party that disposes of collateral under Code Section

14 party shall send an authenticated notification of disposition to:

15 (1) The debtor;

16 (2) Any secondary obligor; and

17 (3) If the collateral is other than consumer goods:

18 (A) Any other person from which the secured party has received, before the
19 notification date, an authenticated notification of a claim of an interest in the collateral;

20 (B) Any other secured party or lienholder that, ten days before the notification date,
21 held a security interest in or other lien on the collateral perfected by the filing of a
22 financing statement that:

23 (i) Identified the collateral;

24 (ii) Was indexed under the debtor's name as of that date; and

25 (iii) Was filed in the office in which to file a financing statement against the debtor
26 covering the collateral as of that date; and

27 (C) Any other secured party that, ten days before the notification date, held a security
28 interest in the collateral perfected by compliance with a statute, regulation, or treaty
29 described in subsection (a) of Code Section 11-9-311.

30 (d) *Subsection (b) of this Code section inapplicable; perishable collateral; recognized*
31 *market.* Subsection (b) of this Code section does not apply if the collateral is perishable
32 or threatens to decline speedily in value or is of a type customarily sold on a recognized
33 market.

34 (e) *Compliance with subparagraph (c)(3)(B) of this Code section.* A secured party
35 complies with the requirement for notification prescribed by subparagraph (c)(3)(B) of this
36 Code section if:

 9 response whose financing statement covered the collateral.

10 **11-9-612. Timeliness of notification before disposition of collateral.**

11 (a) *Reasonable time is question of fact.* Except as otherwise provided in subsection (b) of
 12 this Code section, whether a notification is sent within a reasonable time is a question of
 13 fact.

14 (b) *Ten-day period sufficient in nonconsumer transaction.* In a transaction other than a
 15 consumer transaction, a notification of disposition sent after default and ten days or more
 16 before the earliest time of disposition set forth in the notification is sent within a reasonable
 17 time before the disposition.

18 **11-9-613. Contents and form of notification before disposition of collateral; general.**

17 (2) The satisfaction of obligations secured by the security interest or agricultural lien
18 under which the disposition is made;

19 (3) The satisfaction of obligations secured by any subordinate security interest in or other
20 subordinate lien on the collateral if:

21 (A) The secured party receives from the holder of the subordinate security interest or

29 (b) *Proof of subordinate interest.* If requested by a secured party, a holder of a subordinate
30 security interest or other lien shall furnish reasonable proof of the interest or lien within a

16 transferee other than the secured party, a person related to the secured party, or a secondary
17 obligor if:

18 (1) The transferee in the disposition is the secured party, a person related to the secured
19 party, or a secondary obligor; and

20 (2) The amount of proceeds of the disposition is significantly below the range of
21 proceeds that a complying disposition to a person other than the secured party, a person
22 related to the secured party, or a secondary obligor would have brought.

23 (g) *Cash proceeds received by junior secured party.* A secured party that receives cash
24 proceeds of a disposition in good faith and without knowledge that the receipt violates the
25 rights of the holder of a security interest or other lien that is not subordinate to the security
26 interest or agricultural lien under which the disposition is made:

27 (1) Takes the cash proceeds free of the security interest or other lien;

28 (2) Is not obligated to apply the proceeds of the disposition to the satisfaction of
29 obligations secured by the security interest or other lien; and

30 (3) Is not obligated to account to or pay the holder of the security interest or other lien
31 for any surplus.

32 **11-9-616. Explanation of calculation of surplus or deficiency.**

33 (a) *Definitions.* As used in this Code section, the term:

34 (1) 'Explanation' means a writing that:

35 (A) States the amount of the surplus or deficiency;

1 (B) Provides an explanation in accordance with subsection (c) of this Code section of
2 how the secured party calculated the surplus or deficiency;

3 (C) States, if applicable, that future debits, credits, charges, including additional credit
4 service charges or interest, rebates, and expenses may affect the amount of the surplus
5 or deficiency; and

6 (D) Provides a telephone number or mailing address from which additional information
7 concerning the transaction is available.

8 (2) 'Request' means a record:

9 (A) Authenticated by a debtor or consumer obligor;

10 (B) Requesting that the recipient provide an explanation; and

11 (C) Sent after disposition of the collateral under Code Section 11-9-610.

12 (b) *Explanation of calculation.* In a consumer goods transaction in which the debtor is
13 entitled to a surplus or a consumer obligor is liable for a deficiency under Code Section
14 11-9-615, the secured party shall:

15 (1) Send an explanation to the debtor or consumer obligor, as applicable, after the
16 disposition and:

17 (A) Before or when the secured party accounts to the debtor and pays any surplus or
18 first makes written demand on the consumer obligor after the disposition for payment
19 of the deficiency; and

20 (B) Within 14 days after receipt of a request; or

21 (2) In the case of a consumer obligor who is liable for a deficiency, within 14 days after
22 receipt of a request, send to the consumer obligor a record waiving the secured party's
23 right to a deficiency.

24 (c) *Required information.* To comply with subparagraph (a)(1)(B) of this Code section,
25 a writing must provide the following information in the following order:

26 (1) The aggregate amount of obligations secured by the security interest under which the
27 disposition was made, and, if the amount reflects a rebate of unearned interest or credit
28 service charge, an indication of that fact, calculated as of a specified date:

29 (A) If the secured party takes or receives possession of the collateral after default, not
30 more than 35 days before the secured party takes or receives possession; or

31 (B) If the secured party takes or receives possession of the collateral before default or
32 does not take possession of the collateral, not more than 35 days before the disposition;

33 (2) The amount of proceeds of the disposition;

34 (3) The aggregate amount of the obligations after deducting the amount of proceeds;

35 (4) The amount, in the aggregate or by type, and types of expenses, including expenses
36 of retaking, holding, preparing for disposition, processing, and disposing of the collateral,

1 and attorney's fees secured by the collateral which are known to the secured party and
2 relate to the current disposition;

3 (5) The amount, in the aggregate or by type, and types of credits, including rebates of
4 interest or credit service charges, to which the obligor is known to be entitled and which
5 are not reflected in the amount in paragraph (1) of this subsection; and

6 (6) The amount of the surplus or deficiency.

7 (d) *Substantial compliance.* A particular phrasing of the explanation is not required. An
8 explanation complying substantially with the requirements of subsection (a) of this Code
9 section is sufficient, even if it includes minor errors that are not seriously misleading.

10 (e) *Charges for responses.* A debtor or consumer obligor is entitled without charge to one
11 response to a request under this Code section during any six-month period in which the
12 secured party did not send to the debtor or consumer obligor an explanation pursuant to
13 paragraph (1) of subsection (b) of this Code section. The secured party may require
14 payment of a charge not exceeding \$25.00 for each additional response.

15 **11-9-617. Rights of transferee of collateral.**

16 (a) *Effects of disposition.* A secured party's disposition of collateral after default:

17 (1) Transfers to a transferee for value all of the debtor's rights in the collateral;

18 (2) Discharges the security interest under which the disposition is made; and

19 (3) Discharges any subordinate security interest or other subordinate lien.

20 (b) *Rights of good faith transferee.* A transferee that acts in good faith takes free of the
21 rights and interests described in subsection (a) of this Code section, even if the secured
22 party fails to comply with this article or the requirements of any judicial proceeding.

23 (c) *Rights of other transferee.* If a transferee does not take free of the rights and interests
24 described in subsection (a) of this Code section, the transferee takes the collateral subject
25 to:

26 (1) The debtor's rights in the collateral;

27 (2) The security interest or agricultural lien under which the disposition is made; and

28 (3) Any other security interest or other lien.

29 **11-9-618. Rights and duties of certain secondary obligors.**

30 (a) *Rights and duties of secondary obligor.* A secondary obligor acquires the rights and
31 becomes obligated to perform the duties of the secured party after the secondary obligor:

32 (1) Receives an assignment of a secured obligation from the secured party;

33 (2) Receives a transfer of collateral from the secured party and agrees to accept the rights
34 and assume the duties of the secured party; or

35 (3) Is subrogated to the rights of a secured party with respect to collateral.

1 (b) *Effect of assignment, transfer, or subrogation.* An assignment, transfer, or subrogation
2 described in subsection (a) of this Code section:

- 3 (1) Is not a disposition of collateral under Code Section 11-9-610; and
4 (2) Relieves the secured party of further duties under this article.

5 11-9-619. **Transfer of record or legal title.**

6 (a) *'Transfer statement.'* As used in this Code section, the term 'transfer statement' means
7 a record authenticated by a secured party stating:

- 8 (1) That the debtor has defaulted in connection with an obligation secured by specified
9 collateral;
10 (2) That the secured party has exercised its postdefault remedies with respect to the
11 collateral;
12 (3) That, by reason of the exercise, a transferee has acquired the rights of the debtor in
13 the collateral; and
14 (4) The name and mailing address of the secured party, debtor, and transferee.

15 (b) *Effect of transfer statement.* A transfer statement entitles the transferee to the transfer
16 of record of all rights of the debtor in the collateral specified in the statement in any official
17 filing, recording, registration, or certificate of title system covering the collateral. If a
18 transfer statement is presented with the applicable fee and request form to the official or
19 office responsible for maintaining the system, the official or office shall:

- 20 (1) Accept the transfer statement;
21 (2) Promptly amend its records to reflect the transfer; and
22 (3) If applicable, issue a new appropriate certificate of title in the name of the transferee.

23 (c) *Transfer not a disposition; no relief of secured party's duties.* A transfer of the record
24 or legal title to collateral to a secured party under subsection (b) of this Code section or
25 otherwise is not of itself a disposition of collateral under this article and does not of itself
26 relieve the secured party of its duties under this article.

27 11-9-620. **Acceptance of collateral in full or partial satisfaction of obligation;
28 compulsory disposition of collateral.**

29 (a) *Conditions to acceptance in satisfaction.* Except as otherwise provided in subsection
30 (g) of this Code section, a secured party may accept collateral in full or partial satisfaction
31 of the obligation it secures only if:

- 32 (1) The debtor consents to the acceptance under subsection (c) of this Code section;
33 (2) The secured party does not receive, within the time set forth in subsection (d) of this
34 Code section, a notification of objection to the proposal authenticated by:

- 1 (A) A person to which the secured party was required to send a proposal under Code
2 Section 11-9-621; or
- 3 (B) Any other person, other than the debtor, holding an interest in the collateral
4 subordinate to the security interest that is the subject of the proposal;
- 5 (3) If the collateral is consumer goods, the collateral is not in the possession of the debtor
6 when the debtor consents to the acceptance; and
- 7 (4) Subsection (e) of this Code section does not require the secured party to dispose of
8 the collateral or the debtor waives the requirement pursuant to Code Section 11-9-624.
- 9 (b) *Purported acceptance ineffective.* A purported or apparent acceptance of collateral
10 under this Code section is ineffective unless:
- 11 (1) The secured party consents to the acceptance in an authenticated record or sends a
12 proposal to the debtor; and
- 13 (2) The conditions of subsection (a) of this Code section are met.
- 14 (c) *Debtor's consent.* For purposes of this Code section:
- 15 (1) A debtor consents to an acceptance of collateral in partial satisfaction of the
16 obligation it secures only if the debtor agrees to the terms of the acceptance in a record
17 authenticated after default; and
- 18 (2) A debtor consents to an acceptance of collateral in full satisfaction of the obligation
19 it secures only if the debtor agrees to the terms of the acceptance in a record authenticated
20 after default or the secured party:
- 21 (A) Sends to the debtor after default a proposal that is unconditional or subject only to
22 a condition that collateral not in the possession of the secured party be preserved or
23 maintained;
- 24 (B) In the proposal, proposes to accept collateral in full satisfaction of the obligation
25 it secures; and
- 26 (C) Does not receive a notification of objection authenticated by the debtor within 20
27 days after the proposal is sent.
- 28 (d) *Effectiveness of notification.* To be effective under paragraph (2) of subsection (a) of
29 this Code section, a notification of objection must be received by the secured party:
- 30 (1) In the case of a person to which the proposal was sent pursuant to Code Section
31 11-9-621, within 20 days after notification was sent to that person; and
- 32 (2) In other cases:
- 33 (A) Within 20 days after the last notification was sent pursuant to Code Section
34 11-9-621; or
- 35 (B) If a notification was not sent, before the debtor consents to the acceptance under
36 subsection (c) of this Code section.

1 (e) *Mandatory disposition of consumer goods.* A secured party that has taken possession
 2 of collateral shall dispose of the collateral pursuant to Code Section 11-9-610 within the
 3 time specified in subsection (f) of this Code section if:

4 (1) Sixty percent of the cash price has been paid in the case of a purchase money security
 5 interest in consumer goods; or

6 (2) Sixty percent of the principal amount of the obligation secured has been paid in the
 7 case of a nonpurchase money security interest in consumer goods.

8 (f) *Compliance with mandatory disposition requirement.* To comply with subsection (e)
 9 of this Code section, the secured party shall dispose of the collateral:

10 (1) Within 90 days after taking possession; or

11 (2) Within any longer period to which the debtor and all secondary obligors have agreed
 12 in an agreement to that effect entered into and authenticated after default.

13 (g) *No partial satisfaction in consumer transaction.* In a consumer transaction, a secured
 14 party may not accept collateral in partial satisfaction of the obligation it secures.

15 **11-9-621. Notification of proposal to accept collateral.**

16 (a) *Persons to which proposal to be sent.* A secured party that desires to accept collateral
 17 in full or partial satisfaction of the obligation it secures shall send its proposal to:

18 (1) Any person from which the secured party has received, before the debtor consented
 19 to the acceptance, an authenticated notification of a claim of an interest in the collateral;

20 (2) Any other secured party or lienholder that, ten days before the debtor consented to
 21 the acceptance, held a security interest in or other lien on the collateral perfected by the
 22 filing of a financing statement that:

23 (A) Identified the collateral;

24 (B) Was indexed under the debtor's name as of that date; and

25 (C) Was filed in the office or offices in which to file a financing statement against the
 26 debtor covering the collateral as of that date; and

27 (3) Any other secured party that, ten days before the debtor consented to the acceptance,
 28 held a security interest in the collateral perfected by compliance with a statute, regulation,
 29 or treaty described in subsection (a) of Code Section 11-9-311.

30 (b) *Proposal to be sent to secondary obligor in partial satisfaction.* A secured party that
 31 desires to accept collateral in partial satisfaction of the obligation it secures shall send its
 32 proposal to any secondary obligor in addition to the persons described in subsection (a) of
 33 this Code section.

1 11-9-622. **Effect of acceptance of collateral.**

2 (a) *Effect of acceptance.* A secured party's acceptance of collateral in full or partial
3 satisfaction of the obligation it secures:

4 (1) Discharges the obligation to the extent consented to by the debtor;

5 (2) Transfers to the secured party all of a debtor's rights in the collateral;

6 (3) Discharges the security interest or agricultural lien that is the subject of the debtor's
7 consent and any subordinate security interest or other subordinate lien; and

8 (4) Terminates any other subordinate interest.

9 (b) *Discharge of subordinate interest notwithstanding noncompliance.* A subordinate
10 interest is discharged or terminated under subsection (a) of this Code section, even if the
11 secured party fails to comply with this article.

12 11-9-623. **Right to redeem collateral.**

13 (a) *Persons that may redeem.* A debtor, any secondary obligor, or any other secured party
14 or lienholder may redeem collateral.

15 (b) *Requirements for redemption.* To redeem collateral, a person shall tender:

16 (1) Fulfillment of all obligations secured by the collateral; and

17 (2) The reasonable expenses and attorney's fees described in paragraph (1) of subsection
18 (a) of Code Section 11-9-615.

19 (c) *When redemption may occur.* A redemption may occur at any time before a secured
20 party:

21 (1) Has collected collateral under Code Section 11-9-607;

22 (2) Has disposed of collateral or entered into a contract for its disposition under Code
23 Section 11-9-610; or

24 (3) Has accepted collateral in full or partial satisfaction of the obligation it secures under
25 Code Section 11-9-622.

26 11-9-624. **Waiver.**

27 (a) *Waiver of disposition notification.* A debtor or secondary obligor may waive the right
28 to notification of disposition of collateral under Code Section 11-9-611 only by an
29 agreement to that effect entered into and authenticated after default.

30 (b) *Waiver of mandatory disposition.* A debtor may waive the right to require disposition
31 of collateral under subsection (e) of Code Section 11-9-620 only by an agreement to that
32 effect entered into and authenticated after default.

33 (c) *Waiver of redemption right.* Except in a consumer goods transaction, a debtor or
34 secondary obligor may waive the right to redeem collateral under Code Section 11-9-623
35 only by an agreement to that effect entered into and authenticated after default.

Subpart 2

Noncompliance with Article

11-9-625. **Remedies for secured party's failure to comply with article.**

(a) *Judicial orders concerning noncompliance.* If it is established that a secured party is not proceeding in accordance with this article, a court may order or restrain collection, enforcement, or disposition of collateral on appropriate terms and conditions.

(b) *Damages for noncompliance.* Subject to subsections (c), (d), and (f) of this Code section, a person is liable for damages in the amount of any loss caused by a failure to comply with this article. Loss caused by a failure to comply may include loss resulting from the debtor's inability to obtain, or increased costs of, alternative financing.

(c) *Persons entitled to recover damages; statutory damages in consumer goods transaction.* Except as otherwise provided in Code Section 11-9-628:

(1) A person that, at the time of the failure, was a debtor, was an obligor, or held a security interest in or other lien on the collateral may recover damages under subsection (b) of this Code section for its loss; and

(2) If the collateral is consumer goods, a person that was a debtor or a secondary obligor at the time a secured party failed to comply with this part may recover for that failure in any event an amount not less than the credit service charge plus 10 percent of the principal amount of the obligation or the time price differential plus 10 percent of the cash price.

(d) *Recovery when deficiency eliminated or reduced.* A debtor whose deficiency is eliminated under Code Section 11-9-626 may recover damages for the loss of any surplus. However, a debtor or secondary obligor whose deficiency is eliminated or reduced under Code Section 11-9-626 may not otherwise recover under subsection (b) of this Code section for noncompliance with the provisions of this part relating to collection, enforcement, disposition, or acceptance.

(e) *Statutory damages; noncompliance with specified provisions.* In addition to any damages recoverable under subsection (b) of this Code section, the debtor, consumer obligor, or person named as a debtor in a filed record, as applicable, may recover \$250.00 in each case from a person that:

(1) Fails to comply with Code Section 11-9-208;

(2) Fails to comply with Code Section 11-9-209;

(3) Files a record that the person is not entitled to file under subsection (a) of Code Section 11-9-509;

(4) Fails to cause the secured party of record to file or send a termination statement as required by subsection (a) or (c) of Code Section 11-9-513;

1 (5) Fails to comply with paragraph (1) of subsection (b) of Code Section 11-9-616 and
2 whose failure is part of a pattern, or consistent with a practice, of noncompliance; or

3 (6) Fails to comply with paragraph (2) of subsection (b) of Code Section 11-9-616.

4 (f) *Statutory damages; noncompliance with Code Section 11-9-210.* A debtor or consumer
5 obligor may recover damages under subsection (b) of this Code section and, in addition,
6 \$250.00 in each case from a person that, without reasonable cause, fails to comply with a
7 request under Code Section 11-9-210. A recipient of a request under Code Section
8 11-9-210 which never claimed an interest in the collateral or obligations that are the subject
9 of a request under that Code section has a reasonable excuse for failure to comply with the
10 request within the meaning of this subsection.

11 (g) *Limitation of security interest; noncompliance with Code Section 11-9-210.* If a
12 secured party fails to comply with a request regarding a list of collateral or a statement of
13 account under Code Section 11-9-210, the secured party may claim a security interest only
14 as shown in the list or statement included in the request as against a person that is
15 reasonably misled by the failure.

16 **11-9-626. Action in which deficiency or surplus is in issue.**

17 (a) *Applicable rules if amount of deficiency or surplus in issue.* In an action arising from
18 a transaction, other than a consumer transaction, in which the amount of a deficiency or
19 surplus is in issue, the following rules apply:

20 (1) A secured party need not prove compliance with the provisions of this part relating
21 to collection, enforcement, disposition, or acceptance unless the debtor or a secondary
22 obligor places the secured party's compliance in issue;

23 (2) If the secured party's compliance is placed in issue, the secured party has the burden
24 of establishing that the collection, enforcement, disposition, or acceptance was conducted
25 in accordance with this part;

26 (3) Except as otherwise provided in Code Section 11-9-628, if a secured party fails to
27 prove that the collection, enforcement, disposition, or acceptance was conducted in
28 accordance with the provisions of this part relating to collection, enforcement,
29 disposition, or acceptance, the liability of a debtor or a secondary obligor for a deficiency
30 is limited to an amount by which the sum of the secured obligation, expenses, and
31 attorney's fees exceeds the greater of:

32 (A) The proceeds of the collection, enforcement, disposition, or acceptance; or

33 (B) The amount of proceeds that would have been realized had the noncomplying
34 secured party proceeded in accordance with the provisions of this part relating to
35 collection, enforcement, disposition, or acceptance;

1 (4) For purposes of subparagraph (B) of paragraph (3) of this subsection, the amount of
 2 proceeds that would have been realized is equal to the sum of the secured obligation,
 3 expenses, and attorney's fees unless the secured party proves that the amount is less than
 4 that sum;

5 (5) If a deficiency or surplus is calculated under subsection (f) of Code Section 11-9-615,
 6 the debtor or obligor has the burden of establishing that the amount of proceeds of the
 7 disposition is significantly below the range of prices that a complying disposition to a
 8 person other than the secured party, a person related to the secured party, or a secondary
 9 obligor would have brought.

10 (b) *Nonconsumer transactions; no inference.* The limitation of the rules in subsection (a)
 11 of this Code section to transactions other than consumer transactions is intended to leave
 12 to the court the determination of the proper rules in consumer transactions. The court may
 13 not infer from that limitation the nature of the proper rule in consumer transactions and
 14 may continue to apply established approaches.

15 11-9-627. **Determination of whether conduct was commercially reasonable.**

16 (a) *Greater amount obtainable under other circumstances; no preclusion of commercial*
 17 *reasonableness.* The fact that a greater amount could have been obtained by a collection,
 18 enforcement, disposition, or acceptance at a different time or in a different method from
 19 that selected by the secured party is not of itself sufficient to preclude the secured party
 20 from establishing that the collection, enforcement, disposition, or acceptance was made in
 21 a commercially reasonable manner.

22 (b) *Dispositions that are commercially reasonable.* A disposition of collateral is made in
 23 a commercially reasonable manner if the disposition is made:

- 24 (1) In the usual manner on any recognized market;
- 25 (2) At the price current in any recognized market at the time of the disposition; or
- 26 (3) Otherwise in conformity with reasonable commercial practices among dealers in the
 27 type of property that was the subject of the disposition.

28 (c) *Approval by court or on behalf of creditors.* A collection, enforcement, disposition,
 29 or acceptance is commercially reasonable if it has been approved:

- 30 (1) In a judicial proceeding;
- 31 (2) By a bona fide creditors' committee;
- 32 (3) By a representative of creditors; or
- 33 (4) By an assignee for the benefit of creditors.

34 (d) *Approval under subsection (c) of this Code section not necessary; absence of approval*
 35 *has no effect.* Approval under subsection (c) of this Code section need not be obtained, and

1 lack of approval does not mean that the collection, enforcement, disposition, or acceptance
2 is not commercially reasonable.

3 **11-9-628. Nonliability and limitation on liability of secured party; liability of**
4 **secondary obligor.**

5 (a) *Limitation of liability of secured party for noncompliance with article.* Unless a
6 secured party knows that a person is a debtor or obligor, knows the identity of the person,
7 and knows how to communicate with the person:

8 (1) The secured party is not liable to the person, or to a secured party or lienholder that
9 has filed a financing statement against the person, for failure to comply with this article;
10 and

11 (2) The secured party's failure to comply with this article does not affect the liability of
12 the person for a deficiency.

13 (b) *Limitation of liability based on status as secured party.* A secured party is not liable
14 because of its status as secured party:

15 (1) To a person that is a debtor or obligor, unless the secured party knows:

16 (A) That the person is a debtor or obligor;

17 (B) The identity of the person; and

18 (C) How to communicate with the person; or

19 (2) To a secured party or lienholder that has filed a financing statement against a person,
20 unless the secured party knows:

21 (A) That the person is a debtor; and

22 (B) The identity of the person.

23 (c) *Limitation of liability if reasonable belief that transaction not a consumer goods*
24 *transaction or consumer transaction.* A secured party is not liable to any person, and a
25 person's liability for a deficiency is not affected, because of any act or omission arising out
26 of the secured party's reasonable belief that a transaction is not a consumer goods
27 transaction or a consumer transaction or that goods are not consumer goods, if the secured
28 party's belief is based on its reasonable reliance on:

29 (1) A debtor's representation concerning the purpose for which collateral was to be used,
30 acquired, or held; or

31 (2) An obligor's representation concerning the purpose for which a secured obligation
32 was incurred.

33 (d) *Limitation of liability for statutory damages.* A secured party is not liable to any
34 person under paragraph (2) of subsection (c) of Code Section 11-9-625 for its failure to
35 comply with Code Section 11-9-616.

1 (e) *Limitation of multiple liability for statutory damages.* A secured party is not liable
 2 under paragraph (2) of subsection (c) of Code Section 11-9-625 more than once with
 3 respect to any one secured obligation.

4 Part 7

5 Transition

6 11-9-701. **Effective date.**

7 This article takes effect on July 1, 2001.

8 11-9-702. **Savings clause.**

9 (a) *Pre-effective date transactions or liens.* Except as otherwise provided in this part, this
 10 article applies to a transaction or lien within its scope, even if the transaction or lien was
 11 entered into or created before July 1, 2001.

12 (b) *Continuing validity.* Except as otherwise provided in subsection (c) of this Code
 13 section and Code Sections 11-9-703 through 11-9-709:

14 (1) Transactions and liens that were not governed by former Article 9 of this title, were
 15 validly entered into or created before July 1, 2001, and would be subject to this article if
 16 they had been entered into or created on or after July 1, 2001, and the rights, duties, and
 17 interests flowing from those transactions and liens remain valid on or after July 1, 2001;
 18 and

19 (2) The transactions and liens may be terminated, completed, consummated, and
 20 enforced as required or permitted by this article or by the law that otherwise would apply
 21 before July 1, 2001.

22 (c) *Pre-effective date proceedings.* This article and amendments to other Code sections
 23 which amendments were enacted in conjunction with this article do not affect an action,
 24 case, or proceeding commenced before July 1, 2001.

25 11-9-703. **Security interest perfected before effective date.**

26 (a) *Continuing priority over lien creditor; perfection requirements satisfied.* A security
 27 interest that is enforceable immediately before July 1, 2001, and would have priority over
 28 the rights of a person that becomes a lien creditor at that time is a perfected security interest
 29 under this article if, on July 1, 2001, the applicable requirements for enforceability and
 30 perfection under this article are satisfied without further action.

31 (b) *Continuing priority over lien creditor; perfection requirements not satisfied.* Except
 32 as otherwise provided in Code Section 11-9-705, if, immediately before July 1, 2001, a
 33 security interest is enforceable and would have priority over the rights of a person that

1 becomes a lien creditor at that time, but the applicable requirements for enforceability or
2 perfection under this article are not satisfied on July 1, 2001, the security interest:

- 3 (1) Is a perfected security interest on and for one year after July 1, 2001;
- 4 (2) Remains enforceable thereafter only if the security interest becomes enforceable
5 under Code Section 11-9-203 before the year expires; and
- 6 (3) Remains perfected thereafter only if the applicable requirements for perfection under
7 this article are satisfied before the year expires.

8 **11-9-704. Security interest unperfected before effective date.**

9 A security interest that is enforceable immediately before July 1, 2001, but which would
10 be subordinate to the rights of a person that becomes a lien creditor at that time:

- 11 (1) Remains an enforceable security interest on and for one year after July 1, 2001;
- 12 (2) Remains enforceable thereafter if the security interest becomes enforceable under
13 Code Section 11-9-203 on July 1, 2001, or within one year thereafter; and
- 14 (3) Becomes perfected:
 - 15 (A) Without further action, on July 1, 2001, if the applicable requirements for
16 perfection under this article are satisfied before or at that time; or
 - 17 (B) When the applicable requirements for perfection are satisfied if the requirements
18 are satisfied after that time.

19 **11-9-705. Effectiveness of action taken before effective date.**

20 (a) *Pre-effective date action; one-year perfection period unless reperfected.* If action,
21 other than the filing of a financing statement, is taken before July 1, 2001, and the action
22 would have resulted in priority of a security interest over the rights of a person that
23 becomes a lien creditor had the security interest become enforceable before July 1, 2001,
24 the action is effective to perfect a security interest that attaches under this article within one
25 year after July 1, 2001. An attached security interest becomes unperfected one year after
26 July 1, 2001, unless the security interest becomes a perfected security interest under this
27 article before the expiration of that period.

28 (b) *Pre-effective date filing.* The filing of a financing statement before July 1, 2001, is
29 effective to perfect a security interest to the extent the filing would satisfy the applicable
30 requirements for perfection under this article.

31 (c) *Pre-effective date filing in jurisdiction formerly governing perfection.* This article and
32 amendments to other Code sections which amendments were enacted in conjunction with
33 this article do not render ineffective an effective financing statement that, before July 1,
34 2001, is filed and satisfies the applicable requirements for perfection under the law of the
35 jurisdiction governing perfection as provided in former Code Section 11-9-103. However,

1 except as otherwise provided in subsections (d) and (e) of this Code section and Code
2 Section 11-9-706, the financing statement ceases to be effective at the earlier of:

3 (1) The time the financing statement would have ceased to be effective under the law of
4 the jurisdiction in which it is filed; or

5 (2) June 30, 2006.

6 (d) *Continuation statement.* The filing of a continuation statement on or after July 1, 2001,
7 does not continue the effectiveness of the financing statement filed before July 1, 2001.
8 However, upon the timely filing of a continuation statement on or after July 1, 2001, and
9 in accordance with the law of the jurisdiction governing perfection as provided in Part 3
10 of this article, the effectiveness of a financing statement filed in the same office in that
11 jurisdiction before July 1, 2001, continues for the period provided by the law of that
12 jurisdiction.

13 (e) *Application of paragraph (2) of subsection (c) of this Code section to transmitting*
14 *utility financing statement.* Paragraph (2) of subsection (c) of this Code section applies to
15 a financing statement that, before July 1, 2001, is filed against a transmitting utility and
16 satisfies the applicable requirements for perfection under the law of the jurisdiction
17 governing perfection as provided in former Code Section 11-9-103 only to the extent that
18 Part 3 of this article provides that the law of a jurisdiction other than jurisdiction in which
19 the financing statement is filed governs perfection of a security interest in collateral
20 covered by the financing statement.

21 (f) *Application of Part 5 of this article.* A financing statement that includes a financing
22 statement filed before July 1, 2001, and a continuation statement filed on or after July 1,
23 2001, is effective only to the extent that it satisfies the requirements of Part 5 of this article
24 for an initial financing statement.

25 **11-9-706. When initial financing statement suffices to continue effectiveness of**
26 **financing statement.**

27 (a) *Initial financing statement in lieu of continuation statement.* The filing of an initial
28 financing statement in the office specified in Code Section 11-9-501 continues the
29 effectiveness of a financing statement filed before July 1, 2001, if:

30 (1) The filing of an initial financing statement in that office would be effective to perfect
31 a security interest under this article;

32 (2) The pre-effective date financing statement was filed in an office in another state or
33 another office in this state; and

34 (3) The initial financing statement satisfies subsection (c) of this Code section.

1 (b) *Period of continued effectiveness.* The filing of an initial financing statement under
 2 subsection (a) of this Code section continues the effectiveness of the pre-effective date
 3 financing statement:

4 (1) If the initial financing statement is filed before July 1, 2001, for the period provided
 5 in former Code Section 11-9-403 with respect to a financing statement; and

6 (2) If the initial financing statement is filed on or after July 1, 2001, for the period
 7 provided in Code Section 11-9-515 with respect to an initial financing statement.

8 (c) *Requirements for initial financing statement under subsection (a) of this Code section.*

9 To be effective for purposes of subsection (a), an initial financing statement must:

10 (1) Satisfy the requirements of Part 5 of this article for an initial financing statement;

11 (2) Identify the pre-effective date financing statement by indicating the office in which
 12 the financing statement was filed and providing the dates of filing and file numbers, if
 13 any, of the financing statement and of the most recent continuation statement filed with
 14 respect to the financing statement; and

15 (3) Indicate that the pre-effective date financing statement remains effective.

16 **11-9-707. Amendment of pre-effective date financing statement.**

17 (a) *'Pre-effective date financing statement.'* In this Code section, 'pre-effective date
 18 financing statement' means a financing statement filed before July 1, 2001.

19 (b) *Applicable law.* On or after July 1, 2001, a person may add or delete collateral covered
 20 by, continue or terminate the effectiveness of, or otherwise amend the information provided
 21 in a pre-effective date financing statement only in accordance with the law of the
 22 jurisdiction governing perfection as provided in Part 3 of this article. However, the
 23 effectiveness of a pre-effective date financing statement also may be terminated in
 24 accordance with the law of the jurisdiction in which the financing statement is filed.

25 (c) *Method of amending: general rule.* Except as otherwise provided in subsection (d) of
 26 this Code section, if the law of this state governs perfection of a security interest, the
 27 information in a pre-effective date financing statement may be amended on or after July
 28 1, 2001, only if:

29 (1) The pre-effective date financing statement and an amendment are filed in the office
 30 specified in Code Section 11-9-501;

31 (2) An amendment is filed in the office specified in Code Section 11-9-501 concurrently
 32 with, or after the filing in that office of, an initial financing statement that satisfies
 33 subsection (c) of Code Section 11-9-706; or

34 (3) An initial financing statement that provides the information as amended and satisfies
 35 subsection (c) of Code Section 11-9-706 is filed in the office specified in Code Section
 36 11-9-501.

1 (d) *Method of amending: continuation.* If the law of this state governs perfection of a
2 security interest, the effectiveness of a pre-effective date financing statement may be
3 continued only under subsections (d) and (f) of Code Section 11-9-705 or Code Section
4 11-9-706.

5 (e) *Method of amending: additional termination rule.* Whether or not the law of this state
6 governs perfection of a security interest, the effectiveness of a pre-effective date financing
7 statement filed in this state may be terminated on and after July 1, 2001, by filing a
8 termination statement in the office in which the pre-effective date financing statement is
9 filed, unless an initial financing statement that satisfies subsection (c) of Code Section
10 11-9-706 has been filed in the office specified by the law of the jurisdiction governing
11 perfection as provided in Part 3 of this article as the office in which to file a financing
12 statement.

13 **11-9-708. Persons entitled to file initial financing statement or continuation statement.**

14 A person may file an initial financing statement or a continuation statement under this part
15 if:

16 (1) The secured party of record authorizes the filing; and

17 (2) The filing is necessary under this part:

18 (A) To continue the effectiveness of a financing statement filed before July 1, 2001;

19 or

20 (B) To perfect or continue the perfection of a security interest.

21 **11-9-709. Priority.**

22 (a) *Law governing priority.* This article determines the priority of conflicting claims to
23 collateral. However, if the relative priorities of the claims were established before July 1,
24 2001, former Article 9 of this title determines priority.

25 (b) *Priority if security interest becomes enforceable under Code Section 11-9-203.* For
26 purposes of subsection (a) of Code Section 11-9-322, the priority of a security interest that
27 becomes enforceable under Code Section 11-9-203 dates from July 1, 2001, if the security
28 interest is perfected under this article by the filing of a financing statement before July 1,
29 2001, which would not have been effective to perfect the security interest under former
30 Article 9 of this title. This subsection does not apply to conflicting security interests each
31 of which is perfected by the filing of such a financing statement."

1 of that kind ~~but does not include a pawnbroker. All persons who sell minerals or the like~~
 2 ~~(including oil and gas) at wellhead or minehead shall be deemed to be persons~~ A person
 3 buys goods in the ordinary course if the sale to the person comports with the usual or
 4 customary practices in the kind of business in which the seller is engaged or with the
 5 seller's own usual or customary practices. A person that sells oil, gas, or other minerals
 6 at the wellhead or minehead is a person in the business of selling goods of that kind.
 7 ~~'Buying'~~ A buyer in the ordinary course of business may ~~be~~ buy for cash, ~~or~~ by exchange

 11 a buyer that takes possession of the goods or has a right to recover the goods from the seller
 12 under Article 2 of this title may be a buyer in ordinary course of business. A person that
 13 acquires goods in a transfer in bulk or as security for or in total or partial satisfaction of a
 14 money debt is not a buyer in ordinary course of business."

15 "(32) 'Purchase' includes taking by sale, discount, negotiation, mortgage, pledge, lien,
 16 security interest, issue or reissue, gift, or any other voluntary transaction creating an
 17 interest in property."

18 "(37) 'Security interest' means an interest in personal property or fixtures which secures
 19 payment or performance of an obligation. ~~The retention or reservation of title by a seller~~
 20 ~~of goods notwithstanding shipment or delivery to the buyer (Code Section 11-2-401) is~~
 21 ~~limited in effect to a reservation of a 'security interest.'~~ The term also includes any interest
 22 of a consignor and a buyer of accounts, or chattel paper which, a payment intangible, or a
 23 promissory note in a transaction that is subject to Article 9 of this title. The special
 24 property interest of a buyer of goods on identification of those goods to a contract for sale
 25 under Code Section 11-2-401 is not a 'security interest,' but a buyer may also acquire a
 26 'security interest' by complying with Article 9 of this title. ~~Unless a consignment is~~
 27 ~~intended as security, reservation of title thereunder is not a 'security interest,' but a~~
 28 ~~consignment in any event is subject to the provisions on consignment sales (Code Section~~
 29 ~~11-2-326). Except as otherwise provided in Code Section 11-2-505, the right of a seller~~
 30 or lessor of goods under Article 2 or 2A of this title to retain or acquire possession of the
 31 goods is not a 'security interest,' but a seller or lessor may also acquire a 'security interest'
 32 by complying with Article 9 of this title. The retention or reservation of title by a seller of
 33 goods notwithstanding shipment or delivery to the buyer (Code Section 11-2-401) is
 34 limited in effect to a reservation of a 'security interest.'

35 Whether a transaction creates a lease or security interest is determined by the facts of each
 36 case; however, a transaction creates a security interest if the consideration the lessee is to

1 pay the lessor for the right to possession and use of the goods is an obligation for the term
2 of the lease not subject to termination by the lessee, and

3 (a) The original term of the lease is equal to or greater than the remaining economic life
4 of the goods,

5 (b) The lessee is bound to renew the lease for the remaining economic life of the goods
6 or is bound to become the owner of the goods,

7 (c) The lessee has an option to renew the lease for the remaining economic life of the
8 goods for no additional consideration or nominal additional consideration upon
9 compliance with the lease agreement, or

10 (d) The lessee has an option to become the owner of the goods for no additional
11 consideration or nominal additional consideration upon compliance with the lease
12 agreement.

13 A transaction does not create a security interest merely because it provides that

14 (a) The present value of the consideration the lessee is obligated to pay the lessor for the
15 right to possession and use of the goods is substantially equal to or is greater than the fair
16 market value of the goods at the time the lease is entered into,

17 (b) The lessee assumes risk of loss of the goods, or agrees to pay taxes, insurance, filing,
18 recording, or registration fees, or service or maintenance costs with respect to the goods,

19 (c) The lessee has an option to renew the lease or to become the owner of the goods,

20 (d) The lessee has an option to renew the lease for a fixed rent that is equal to or greater
21 than the reasonably predictable fair market rent for the use of the goods for the term of
22 the renewal at the time the option is to be performed, or

23 (e) The lessee has an option to become the owner of the goods for a fixed price that is
24 equal to or greater than the reasonably predictable fair market value of the goods at the
25 time the option is to be performed.

26 For purposes of this subsection (37):

27 (x) Additional consideration is not nominal if (i) when the option to renew the lease is
28 granted to the lessee the rent is stated to be the fair market rent for the use of the goods
29 for the term of the renewal determined at the time the option is to be performed, or (ii)
30 when the option to become the owner of the goods is granted to the lessee the price is
31 stated to be the fair market value of the goods determined at the time the option is to be
32 performed. Additional consideration is nominal if it is less than the lessee's reasonably
33 predictable cost of performing under the lease agreement if the option is not exercised;

34 (y) 'Reasonably predictable' and 'remaining economic life of the goods' are to be
35 determined with reference to the facts and circumstances at the time the transaction is
36 entered into; and

1 (z) 'Present value' means the amount as of a date certain of one or more sums payable in
 2 the future, discounted to the date certain. The discount is determined by the interest rate
 3 specified by the parties if the rate is not manifestly unreasonable at the time the
 4 transaction is entered into; otherwise, the discount is determined by a commercially
 5 reasonable rate that takes into account the facts and circumstances of each case at the
 6 time the transaction was entered into."

7 **SECTION 4.**

8 Said title is further amended in Code Section 11-2-103, relating to definitions and an index
 9 of definitions, by striking in its entirety subsection (3) and inserting in lieu thereof the
 10 following:

11 "(3) The following definitions in other articles of this title apply to this article:

12 'Check.' Code Section 11-3-104.

13 'Consignee.' Code Section 11-7-102.

14 'Consignor.' Code Section 11-7-102.

15 'Consumer goods.' Code Section ~~11-9-109~~ 11-9-102.

16 'Dishonor.' Code Section ~~11-3-507~~ 11-3-502.

17 'Draft.' Code Section 11-3-104."

18 **SECTION 5.**

19 Said title is further amended in Code Section 11-2-210, relating to delegation of performance
 20 and assignment of rights, by striking in its entirety subsection (2), inserting a new subsection
 21 (2) and a new subsection (3), and by renumbering subsections (3), (4), and (5) as subsections
 22 (4), (5), and (6), respectively, so that subsections (2) through (6) read as follows:

23 "(2) Except as otherwise provided in Code Section 11-9-406, unless ~~Unless~~ otherwise
 24 agreed all rights of either seller or buyer can be assigned except where the assignment
 25 would materially change the duty of the other party, or increase materially the burden or
 26 risk imposed on ~~him~~ the other party by ~~his~~ the contract, or impair materially ~~his~~ the other
 27 party's chance of obtaining return performance. A right to damages for breach of the whole
 28 contract or a right arising out of the assignor's due performance of ~~his~~ the assignor's entire
 29 obligation can be assigned despite agreement otherwise.

30 (3) The creation, attachment, perfection, or enforcement of a security interest in the seller's
 31 interest under a contract is not a transfer that materially changes the duty of or increases
 32 materially the burden or risk imposed on the buyer or impairs materially the buyer's chance
 33 of obtaining return performance within the purview of subsection (2) of this Code section
 34 unless, and then only to the extent that, enforcement actually results in a delegation of
 35 material performance of the seller. Even in that event, the creation, attachment, perfection,

1 and enforcement of the security interest remain effective, but (i) the seller is liable to the
 2 buyer for damages caused by the delegation to the extent that the damages could not
 3 reasonably be prevented by the buyer, and (ii) a court having jurisdiction may grant other
 4 appropriate relief, including cancellation of the contract for sale or an injunction against
 5 enforcement of the security interest or consummation of the enforcement.

6 ~~(3)~~(4) Unless the circumstances indicate the contrary a prohibition of assignment of 'the
 7 contract' is to be construed as barring only the delegation to the assignee of the assignor's
 8 performance.

9 ~~(4)~~(5) An assignment of 'the contract' or of 'all my rights under the contract' or an
 10 assignment in similar general terms is an assignment of rights and unless the language or
 11 the circumstances (as in an assignment for security) indicate the contrary, it is a delegation
 12 of performance of the duties of the assignor and its acceptance by the assignee constitutes
 13 a promise by ~~him~~ the assignee to perform those duties. This promise is enforceable by
 14 either the assignor or the other party to the original contract.

15 ~~(5)~~(6) The other party may treat any assignment which delegates performance as creating
 16 reasonable grounds for insecurity and may without prejudice to his or her rights against the
 17 assignor demand assurances from the assignee (Code Section 11-2-609)."

18 SECTION 6.

19 Said title is further amended by striking in its entirety Code Section 11-2-326, relating to sale
 20 on approval and sale or return, consignment sales, and rights of creditors, and inserting in
 21 lieu thereof the following:

22 "**11-2-326. Sale on approval and sale or return; ~~consignment sales and rights of~~**
 23 **creditors.**

24 (1) Unless otherwise agreed, if delivered goods may be returned by the buyer even though
 25 they conform to the contract, the transaction is:

26 (a) A 'sale on approval' if the goods are delivered primarily for use; and

27 (b) A 'sale or return' if the goods are delivered primarily for resale.

28 (2) Goods ~~Except as provided in subsection (3) of this Code section,~~ goods held on
 29 approval are not subject to the claims of the buyer's creditors until acceptance; goods held
 30 on sale or return are subject to such claims while in the buyer's possession.

31 ~~(3) Where goods are delivered to a person for sale and such person maintains a place of~~
 32 ~~business at which he deals in goods of the kind involved, under a name other than the name~~
 33 ~~of the person making delivery, then with respect to claims of creditors of the person~~
 34 ~~conducting the business the goods are deemed to be on sale or return. The provisions of this~~
 35 ~~subsection are applicable even though an agreement purports to reserve title to the person~~

1 ~~making delivery until payment or resale or uses such words as 'on consignment' or 'on~~
 2 ~~memorandum.' However, this subsection is not applicable if the person making delivery:~~

3 ~~(a) Complies with an applicable law providing for a consignor's interest or the like to be~~
 4 ~~evidenced by a sign; or~~

5 ~~(b) Establishes that the person conducting the business is generally known by his~~
 6 ~~creditors to be substantially engaged in selling the goods of others; or~~

7 ~~(c) Complies with the filing provisions of the article on secured transactions (Article 9~~
 8 ~~of this title).~~

9 ~~(4)(3)~~ Any 'or return' term of a contract for sale is to be treated as a separate contract for
 10 sale within the statute of frauds section of this article (Code Section 11-2-201) and as
 11 contradicting the sale aspect of the contract within the provisions of this article on parol
 12 or extrinsic evidence (Code Section 11-2-202)."

13 SECTION 7.

14 Said title is further amended by striking in its entirety Code Section 11-2-502, relating to the
 15 buyer's right to goods on the seller's insolvency, and inserting in lieu thereof the following:

16 "11-2-502. **Buyer's right to goods on seller's insolvency.**

17 (1) Subject to ~~subsection~~ subsections (2) and (3) of this Code section and even though the
 18 goods have not been shipped a buyer who has paid a part or all of the price of goods in
 19 which ~~he~~ the buyer has a special property under the provisions of Code Section 11-2-501
 20 may on making and keeping good a tender of any unpaid portion of their price recover
 21 them from the seller if: ~~the seller becomes insolvent within ten days after receipt of the first~~
 22 ~~installment on their price.~~

23 (a) In the case of goods bought for personal, family, or household purposes, the seller
 24 repudiates or fails to deliver as required by the contract; or

25 (b) In all cases, the seller becomes insolvent within ten days after receipt of the first
 26 installment on their price.

27 (2) The buyer's right to recover the goods under paragraph (a) of subsection (1) of this
 28 Code section vests upon acquisition of a special property, even if the seller had not then
 29 repudiated or failed to deliver.

30 ~~(2)(3)~~ If the identification creating his the buyer's special property has been made by the
 31 buyer ~~he~~ or she acquires the right to recover the goods only if they conform to the contract
 32 for sale."

1 transfer an event of default, is not enforceable, and such a transfer is not a transfer that
 2 materially impairs the prospect of obtaining return performance by, materially changes the
 3 duty of, or materially increases the burden or risk imposed on, the other party to the lease
 4 contract within the purview of subsection ~~(5)~~ (4) of this Code section.

5 ~~(5)~~(4) Subject to ~~subsections~~ subsection (3) of this Code section and ~~(4)~~ to Code Section
 6 11-9-407:

7 (a) If ~~if~~ a transfer is made which is made an event of default under a lease agreement, the
 8 party to the lease contract not making the transfer, unless that party waives the default or
 9 otherwise agrees, has the rights and remedies described in subsection (2) of Code Section
 10 11-2A-501(2) ~~11-2A-501~~;

11 (b) If ~~if~~ paragraph (a) of this subsection is not applicable and if a transfer is made that
 12 (i) is prohibited under a lease agreement or (ii) materially impairs the prospect of
 13 obtaining return performance by, materially changes the duty of, or materially increases
 14 the burden or risk imposed on, the other party to the lease contract, unless the party not
 15 making the transfer agrees at any time to the transfer in the lease contract or otherwise,
 16 then, except as limited by contract, (x) the transferor is liable to the party not making the
 17 transfer for damages caused by the transfer to the extent that the damages could not
 18 reasonably be prevented by the party not making the transfer and (y) a court having
 19 jurisdiction may grant other appropriate relief, including cancellation of the lease contract
 20 or an injunction against the transfer. For purposes of ~~clause (b)(2)~~ determining the extent
 21 of liability for damages under this paragraph, the transferor has the burden of proving that
 22 any of the damages caused by the transfer could reasonably be or have been prevented
 23 by the party not making the transfer, and of proving the extent that they could reasonably
 24 be or have been so prevented.

25 ~~(6)~~(5) A transfer of 'the lease' or of 'all my rights under the lease', or a transfer in similar
 26 general terms, is a transfer of rights, and, unless the language or the circumstances, as in
 27 a transfer for security, indicate the contrary, the transfer is a delegation of duties by the
 28 transferor to the transferee. Acceptance by the transferee constitutes a promise by the
 29 transferee to perform those duties. The promise is enforceable by either the transferor or
 30 the other party to the lease contract.

31 ~~(7)~~(6) Unless otherwise agreed by the lessor and the lessee, a delegation of performance
 32 does not relieve the transferor as against the other party of any duty to perform or of any
 33 liability for default.

34 ~~(8)~~(7) In a consumer lease, to prohibit the transfer of an interest of a party under the lease
 35 contract or to make a transfer an event of default, the language must be specific, by a
 36 writing, and conspicuous."

1 to become fixtures and conforming to the requirements of ~~Code Section 11-9-402(5)~~
 2 subsections (a) and (b) of Code Section 11-9-502;”.

3 **SECTION 13.**

4 Said title is further amended in Code Section 11-4-210, relating to the security interest of the
 5 collecting bank in items, accompanying documents, and proceeds, by striking in its entirety
 6 paragraph (1) of subsection (c) and inserting in lieu thereof the following:

7 “(1) No security agreement is necessary to make the security interest enforceable
 8 ~~(paragraph (a) of subsection (1) of Code Section 11-9-203)~~ (subparagraph (b)(3)(A) of
 9 Code Section 11-9-203);”.

10 **SECTION 14.**

11 Said title is further amended in Article 5, relating to letters of credit, by inserting a new Code
 12 section to be designated Code Section 11-5-118 to read as follows:

13 “11-5-118. **Security interest of issuer or nominated person.**

14 (a) An issuer or nominated person has a security interest in a document presented under
 15 a letter of credit to the extent that the issuer or nominated person honors or gives value for
 16 the presentation.

17 (b) So long as and to the extent that an issuer or nominated person has not been reimbursed
 18 or has not otherwise recovered the value given with respect to a security interest in a
 19 document under subsection (a) of this Code section, the security interest continues and is
 20 subject to Article 9 of this title, but:

21 (1) A security agreement is not necessary to make the security interest enforceable under
 22 paragraph (3) of subsection (b) of Code Section 11-9-203;

23 (2) If the document is presented in a medium other than a written or other tangible
 24 medium, the security interest is perfected; and

25 (3) If the document is presented in a written or other tangible medium and is not a
 26 certificated security, chattel paper, a document of title, an instrument, or a letter of credit,
 27 the security interest is perfected and has priority over a conflicting security interest in the
 28 document so long as the debtor does not have possession of the document.”

29 **SECTION 15.**

30 Said title is further amended in Article 6, relating to bulk transfers, by amending Code
