8 **BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:**

9 **SECTION 1.**

10 Chapter 24 of Title 33 of the Official Code of Georgia Annotated, relating to insurance  
11 generally, is amended by adding a new Article 4 to read as follows:

12 **"ARTICLE 4**

13 33-24-90.

14 As used in this article, the term:

15 (1) 'Adverse action' shall mean a denial or cancellation of, an increase in any charge for,  
16 or a reduction or other adverse or unfavorable change in the terms of coverage or amount  
17 of any insurance, existing or applied for, in connection with the underwriting of personal  
18 insurance.

19 (2) 'Affiliate' shall mean any company that controls, is controlled by, or is under common  
20 control with another company.

21 (3) 'Applicant' shall mean an individual who has applied to be covered by a personal  
22 insurance policy with an insurer.

23 (4) 'Consumer' shall mean an insured whose credit information is used or whose  
24 insurance score is calculated in the underwriting or rating of a personal insurance policy  
25 or an applicant for such a policy.

1 (5) 'Consumer reporting agency' shall mean any person that, for monetary fees, dues, or  
2 on a cooperative nonprofit basis, regularly engages in whole or in part in the practice of  
3 assembling or evaluating consumer credit information or other information on consumers  
4 for the purpose of furnishing consumer reports to third parties.

5 (6) 'Credit information' shall mean any credit related information derived from a credit  
6 report, found on a credit report itself, or provided on an application for personal  
7 insurance. Information that is not credit related shall not be considered credit  
8 information, regardless of whether it is contained in a credit report or in an application,  
9 or is used to calculate an insurance score.

10 (7) 'Credit report' shall mean any written, oral, or other communication of information  
11 by a consumer reporting agency bearing on a consumer's credit worthiness, credit  
12 standing, or credit capacity which is used or expected to be used or collected in whole or  
13 in part for the purpose of serving as a factor to determine personal insurance premiums,  
14 eligibility for coverage, or tier placement.

15 (8) 'Insurance score' shall mean a number or rating that is derived from an algorithm,  
16 computer application, model, or other process that is based in whole or in part on credit  
17 information for the purposes of predicting the future insurance loss exposure of an  
18 individual applicant or insured.

19 (9) 'Personal insurance' shall mean private passenger automobile, homeowners,  
20 motorcycle, mobile homeowners, and noncommercial dwelling fire insurance policies  
21 and boat, personal watercraft, snowmobile, and recreational vehicle policies. Such  
22 policies must be individually underwritten for personal, family, or household use. No  
23 other type of insurance shall be included as personal insurance for the purpose of this  
24 article.

25 33-24-91.

26 An insurer authorized to do business in this state that uses credit information to underwrite  
27 or rate risks, shall not:

28 (1) Use an insurance score that is calculated using income, gender, race, address, zip  
29 code, ethnic group, religion, marital status, or nationality of the consumer as a factor;

30 (2) Deny, cancel, or nonrenew a policy of personal insurance solely on the basis of credit  
31 information, without consideration of any other applicable underwriting factor  
32 independent of credit information and not expressly prohibited by paragraph (1) of this  
33 Code section;

34 (3) Base an insured's renewal rates for personal insurance solely upon credit information,  
35 without consideration of any other applicable factor independent of credit information;

1 (4) Take an adverse action against a consumer solely because he or she does not have a  
2 credit card account, without consideration of any other applicable factor independent of  
3 credit information;

4 (5) Consider an absence of credit information or an inability to calculate an insurance  
5 score in underwriting or rating personal insurance, unless the insurer does one of the  
6 following:

7 (A) Treat the consumer as otherwise approved by the Commissioner of Insurance, if  
8 the insurer presents information that such an absence or inability relates to the risk for  
9 the insurer;

10 (B) Treat the consumer as if the applicant or insured had neutral credit information, as  
11 defined by the insurer; or

12 (C) Exclude the use of credit information as a factor and use only other underwriting  
13 criteria;

14 (6) Take an adverse action against a consumer based on credit information unless an  
15 insurer obtains and uses a credit report issued or an insurance score calculated within 90  
16 days from the date the policy is first written or renewal is issued;

17 (7) Use credit information unless not later than every 36 months following the last time  
18 that the insurer obtained current credit information for the insured, the insurer  
19 recalculates the insurance score or obtains an updated credit report. Regardless of the  
20 requirements of this paragraph:

21 (A) At annual renewal, upon the request of a consumer, the insurer shall reunderwrite  
22 and rerate the policy based upon a current credit report or insurance score. An insurer  
23 need not recalculate the insurance score or obtain the updated credit report of a  
24 consumer more frequently than once in a twelve-month period. Prior to a consumer  
25 exercising his or her option for the insurer to reunderwrite or rerate the policy, the  
26 insurer shall notify the consumer orally or in writing of the possible consequences of  
27 such reunderwriting or rerating, including that the reunderwriting or rerating of the  
28 policy may result in a higher rate, a lower rate, or could produce no change for the  
29 consumer;

30 (B) The insurer shall have the discretion to obtain current credit information upon any  
31 renewal before the 36 months, if consistent with its underwriting guidelines; and

32 (C) No insurer need obtain current credit information for an insured, despite the  
33 requirements of subparagraph (A) of paragraph (7) of this Code section, if one of the  
34 following applies:

35 (i) The insurer is treating the consumer as otherwise approved by the Commissioner;

1 (ii) The insured is in the most favorably priced tier of the insurer, within a group of  
2 affiliated insurers; however, the insurer shall have the discretion to order such report,  
3 if consistent with its underwriting guidelines;

4 (iii) Credit was not used for underwriting or rating such insured when the policy was  
5 initially written; however, the insurer shall have the discretion to use credit for  
6 underwriting or rating such insured upon renewal, if consistent with its underwriting  
7 guidelines; or

8 (iv) The insurer reevaluates the insured beginning no later than 36 months after  
9 inception and thereafter based upon other underwriting or rating factors, excluding  
10 credit information; or

11 (8) Use the following as a negative factor in any insurance scoring methodology or in  
12 reviewing credit information for the purpose of underwriting or rating a policy of  
13 personal insurance:

14 (A) Credit inquiries not initiated by the consumer or inquiries requested by the  
15 consumer for his or her own credit information;

16 (B) Inquiries relating to insurance coverage, if so identified on a consumer's credit  
17 report;

18 (C) Collection accounts with a medical industry code, if so identified on the  
19 consumer's credit report;

20 (D) Multiple lender inquiries, if coded by the consumer reporting agency on the  
21 consumer's credit report as being from the home mortgage industry and made within  
22 30 days of one another, unless only one inquiry is considered;

23 (E) Multiple lender inquiries, if coded by the consumer reporting agency on the  
24 consumer's credit report as being from the automobile lending industry and made  
25 within 30 days of one another, unless only one inquiry is considered; or

26 (F) Adverse information for which the consumer can document to the insurer that the  
27 consumer is not legally responsible or liable.

28 33-24-92.

29 If an item or items contained in the credit information for an applicant or insured are in  
30 dispute pursuant to the dispute resolution process set forth in the federal Fair Credit  
31 Reporting Act, 15 USC 1681i, the insurer, during the 45 day period following the date on  
32 which the item was placed in dispute pursuant to such dispute resolution process, shall  
33 either not use such disputed item or items in making its underwriting or rating  
34 determination for such applicant or insured or shall treat the credit information as neutral  
35 with respect to the item or items in dispute.

1 33-24-93.

2 (a) If an insurer writing personal insurance uses credit information in underwriting or  
3 rating a consumer, the insurer or its agent shall disclose, either on the insurance application  
4 or at the time the insurance application is taken, that it may obtain credit information in  
5 connection with such application. Such disclosure shall be either written or provided to an  
6 applicant in the same medium as the application for insurance. The insurer need not  
7 provide the disclosure statement required under this Code section to any insured on a  
8 renewal policy, if such consumer has previously been provided a disclosure statement.

9 (b) The disclosure required by this Code section shall be in substantially the following  
10 form: 'In connection with this application for insurance, we may review your credit report  
11 or obtain or use a credit based insurance score based on the information contained in that  
12 credit report. We may use a third party in connection with the development of your  
13 insurance score.'

14 33-24-94.

15 If an insurer takes an adverse action based upon credit information, the insurer must meet  
16 the notice requirements of this Code section. Such insurer shall provide notification to the  
17 consumer that an adverse action has been taken, in accordance with the requirements of the  
18 federal Fair Credit Reporting Act, 15 USC 1681m(a), and shall provide notification to the  
19 consumer explaining the reason or reasons for the adverse action. The reasons must be  
20 provided in sufficiently clear and specific language so that a person can identify the basis  
21 for the insurer's decision to take an adverse action. Such notification shall include a  
22 description of up to four factors that were the primary influences of the adverse action. The  
23 use of generalized terms such as 'poor credit history,' 'poor credit rating,' or 'poor insurance  
24 score' does not meet the explanation requirements of this Code section. Standardized credit  
25 explanations provided by consumer reporting agencies or other third party vendors are  
26 deemed to comply with this Code section.

27 33-24-95.

28 (a) Insurers that use insurance scores to underwrite and rate risks must file their scoring  
29 models or other scoring processes with the Commissioner of Insurance. A third party may  
30 file scoring models on behalf of insurers licensed to do business in this state, provided that  
31 such third parties are on an approved list maintained by the Commissioner. A filing that  
32 includes insurance scoring may include loss experience justifying the use of credit  
33 information.

34 (b) Any filing relating to credit information is considered to be a trade secret and  
35 proprietary information of the entity filing the information. Such information shall not be

1 subject to public disclosure and shall be exempt from disclosure under the provisions of  
2 Article 4 of Chapter 18 of Title 50 of the Official Code of Georgia Annotated.

3 33-24-96.

4 An insurer shall indemnify, defend, and hold agents harmless from and against all liability,  
5 fees, and costs arising out of or relating to the actions, errors, or omissions of an agent or  
6 a producer who obtains or uses credit information or insurance scores for an insurer,  
7 provided the agent or producer follows the instructions of or procedures established by the  
8 insurer and complies with any applicable law or regulation. Nothing in this section shall  
9 be construed to provide a consumer or other insured with a cause of action that does not  
10 exist in the absence of this section.

11 33-24-97.

12 (a) No consumer reporting agency shall provide or sell data or lists that include any  
13 information that in whole or in part was submitted in conjunction with an insurance inquiry  
14 about a consumer's credit information or a request for a credit report or insurance score.  
15 Such information includes, but is not limited to, the expiration dates of an insurance policy  
16 or any other information that may identify time periods during which a consumer's  
17 insurance may expire and the terms and conditions of the consumer's insurance coverage.

18 (b) The restrictions provided in subsection (a) of this Code section do not apply to data or  
19 lists the consumer reporting agency supplies to the insurance agent or producer from whom  
20 information was received, the insurer on whose behalf such agent or producer acted, or  
21 such insurer's affiliates or holding companies.

22 (c) Nothing in this Code section shall be construed to restrict any insurer from being able  
23 to obtain a claims history report or a motor vehicle report.

24 33-24-98.

25 Notwithstanding any provision of law to the contrary, subject to the limitations of this  
26 article, nothing in this article shall be construed so as to prohibit the use of insurance scores  
27 in the areas of rating and underwriting consistent with law."

28 **SECTION 2.**

29 This Act shall become effective on July 1, 2003, and shall apply to all personal insurance  
30 policies issued or renewed on or after that date.

31 **SECTION 3.**

32 All laws and parts of laws in conflict with this Act are repealed.
