

## Senate Resolution 106

By: Senators Meyer von Bremen of the 12th, Hooks of the 14th and Johnson of the 1st

## A RESOLUTION

1 Recognizing March 2-8, 2003, as "Women in Construction Week" in Georgia; and for other  
2 purposes.

3 WHEREAS, the Albany chapter of the National Association of Women in Construction has  
4 for 41 years distinguished itself as the voice of women in the construction industry in  
5 Albany, Georgia; and

6 WHEREAS, the work done by the Albany chapter has benefitted the city of Albany through  
7 community development and educational programs; and

8 WHEREAS, the Albany chapter has unceasingly promoted the employment and  
9 advancement of women in the construction industry; and

10 WHEREAS, the construction community, represented by the Albany chapter, has been a  
11 driving force in fostering community development through renovation and beautification  
12 projects, promotion of skilled trades careers, and a positive vision of the future; and

13 WHEREAS, the Albany chapter has sought to achieve successful results for the city of  
14 Albany and surrounding areas in a cooperative spirit with other organizations; and

15 WHEREAS, the State of Georgia recognizes the importance of a support network for women  
16 in the construction industry; and

17 WHEREAS, it is only fitting to encourage our citizens to congratulate the Albany chapter  
18 of the National Association of Women in Construction on its many accomplishments.

19 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE that the members of this body  
20 recognize the Albany chapter of the National Association of Women in Construction and its  
21 many dedicated volunteers for their steadfast work on behalf of and in support of women in

1 the construction industry and recognize March 2-8, 2003, as "Women in Construction Week"  
2 in Georgia.

3 BE IT FURTHER RESOLVED that the Secretary of the Senate is authorized and directed  
4 to transmit a copy of this resolution to the Albany chapter of the National Association of  
5 Women in Construction.
