14 to my said office, I will be governed by the public good and the interests of said school
15 system. I will observe the provisions of the city charter, the Act reorganizing the Atlanta

18 access to the minutes and records thereof at reasonable times. Said minutes shall include a
19 synopsis of the discussion on every question coming before the Board and any of its
20 committees, and the names of those Board members voting for and against each question,
21 those abstaining, and those absent.

22 (g) Public comment. The meetings of the Board and its committees shall provide a

 12 Commission shall hold office from the date of appointment until the end of the term for
 13 which he or she was appointed or until his or her successor qualifies for office. Members of
 14 the Commission shall not be eligible for reappointment. If a vacancy occurs on the
 15 Commission, the Board shall within 90 days appoint a person to fill the unexpired term.

 31 established by this Act or applicable state or federal law;

32 (2) Upon receipt of a complaint, to conduct investigations as it deems necessary to

1 members shall constitute a quorum and five affirmative votes are required to issue any
2 finding;

3 (3) To take appropriate action as a result of a violation of the standards established by
4 this Act and applicable state or federal law;

17 chairperson is vacated in any manner before the expiration of the term, the Commission
18 shall elect a member to fill the unexpired term.

19 (3) The Board may remove a Commission member for neglect of duty, misconduct in
20 office, a disability rendering the member unable to discharge the powers and duties of the
21 office as specified in this Act, for no longer qualifying for the position as specified in this
22 Act, or for any reason that would justify the removal of a member of a board of
23 education.

24 (4) There shall be no scheduled regular monthly or bimonthly meetings of the
25 Commission. The chairperson shall call meetings as the chairperson deems necessary.
26 A meeting can also be called by written notice signed by at least four members of the
27 Commission. All meetings of the Commission shall be open to the public. The purpose
28 of the public meetings shall be to hear and dispose of complaints or to render advisory
29 opinions as set forth in this section.

30 (5) The Board office will provide staff support to the Ethics Commission.

31 (6) The Ethics Commission shall be governed by and subject to the provisions of this
32 section. No official action, except as outlined in this section, shall be taken by the
33 Commission. If a Commission member has a conflict of interest involving any matter
34 before the Commission or must otherwise disqualify himself or herself under the
35 conditions of this Act or by law, the remaining Commission members shall choose by
36 majority vote an alternative person who meets all qualifications set out above to hear the
37 complaint.

1 (e) Complaint and investigation procedures.

2 (1) Any citizen eligible to vote in the City of Atlanta or any employee of the Atlanta

6 oath.

7 (2) The executive assistant to the Board shall immediately deliver the complaint to the
8 chairperson of the Ethics Commission or a designee and shall also immediately forward
9 a copy of the complaint by certified and regular mail to the Board member against whom
10 the complaint was filed, along with a copy to the superintendent and general counsel. A
11 complaint must be filed within six months of the date of the alleged violation or, in the
12 case of concealment or nondisclosure, within six months of the date the alleged violation
13 should have been discovered after due diligence.

14 (3) Within 60 days of receipt of a complaint, the Ethics Commission shall conduct and
15 conclude an investigation to determine whether good and sufficient cause exists
16 concerning the complaint. During the investigation, the commission has the power to
17 secure necessary documents. The superintendent shall ensure that school system
18 employees cooperate with any Commission investigation. The investigation shall not be
19 open to the public. The Commission shall not receive live testimony as part of the
20 investigation. If, after conducting an investigation, the Commission by majority vote
21 determines that no good and sufficient cause exists for a determination that a violation
22 exists, the Commission may dismiss the complaint and shall report said dismissal to the
23 Board.

24 (f) Ethics Commission hearings. If the Commission determines that good and sufficient
25 cause exists for a determination that a violation has occurred, or if the Board refers a case
26 against a Board member as provided in Section 2-107 of this Act, a formal public hearing
27 shall be conducted. The Commission shall notify the Board member charged with a violation
28 of the date, time, and place for the hearing by certified and regular mail. At the hearing, the
29 Commission shall hear sworn testimony from all witnesses it deems relevant. The hearing
30 shall be recorded by a certified court reporter. The Commission is authorized to issue
31 subpoenas on behalf of any party and for the appearance of any party or documents as
32 provided by law. Upon conclusion of the hearing, the Commission shall issue written
33 findings of fact and conclusions of law and take, but shall not be limited to taking, one or
34 more of the following actions:

35 (1) Find that the Board member did not violate any of the standards established by this
36 Act or other applicable state or federal law; upon a finding that an initial complaint was
37 filed without justification or was supported by erroneous information or evidence, the

1 Commission may recommend that the Board reimburse the accused Board member up
2 to \$2,500.00 in actual attorneys' fees and costs;

3 (2) Censure or reprimand of the member of the Board;

4 (3) To the extent applicable, file criminal charges against the Board member;

5 (4) Suspend the Board member; or

6 (5) Suspend the Board member and recommend removal of the Board member.

7 Formal hearings shall be open to the public and shall comply with all state and federal open
8 meetings and open records laws.

9 (g) Actions of the Commission. If the Ethics Commission finds the Board member has:

10 (1) Violated local, state, and federal laws, policies, rules, and regulations regarding fraud
11 and fraudulent activities;

12 (2) Breached the confidentiality of privileged information, including statements made

19 (6) Discussed or otherwise communicated with vendors, individuals, or groups who are
20 soliciting business from the school system regarding the subject of the solicitation or any
21 matter related to the solicitation once the solicitation is issued by the school system and
22 until such time as the Board has rendered a decision on the solicitation; or

23 (7) Consistently, intentionally, and willfully violated the procedures, norms, rules, or
24 regulations regarding the prohibition against involvement in the day-to-day operation of
25 the school system,

26 then the Ethics Commission must find that the Board member should be removed from
27 office.

28 (h) Notice; rejection or modification of the Commission's action. The Ethics Commission
29 will notify the Board and Board member of its action by sending a certified letter to the
30 chairperson of the Board and the Board member who is the subject of the investigation.
31 Within 30 days of receipt of the notice from the Commission, the Board may reject or modify
32 the action of the Commission, but only by a three-fourths' vote of the Board.

33 (i) Suspension and removal of member. If the Ethics Commission finds that the Board
34 member should be removed from office, then the Board member is automatically and
35 immediately suspended from the Board. If the Board accepts, by majority vote, the findings
36 of the Ethics Commission or if, after the 30 day period specified in subsection (h) of this
37 section, the Board has not rejected the findings of the Ethics Commission that the Board

1 member should be removed from office, the Board member is automatically and immediately
2 removed from the Board.

3 (j) Civil recovery. The Board of Education shall take appropriate legal action to recover the
4 value of anything received by any person or persons in violation of the standards established
5 by this Act or applicable state or federal law, as determined by the Ethics Commission. A
6 taxpayer, pursuant to applicable law, may take such legal action after a written demand to
7 the Board to bring such action and failure of the Board to initiate the action within 60 days
8 after receipt of the demand.

9 (k) Official's liability. No member of the Ethics Commission or any person acting on behalf
10 of the Ethics Commission, operating within the course and scope of this section, shall be
11 liable to any person for any damages arising out of such action.

12 (l) Safe harbor. Notwithstanding anything in this Act to the contrary, a Board member may
13 not be found in violation of the provisions of this Act if:

14 (1) The Board member, prior to engaging in the conduct, completely disclosed the
15 existence of the issue or matter to the Board at a public meeting;

16 (2) The Board member sought and received a public legal opinion from the legal
17 department; and

18 (3) The Board member acted in reliance on that legal opinion.

19 However, a Board member shall nonetheless be subject to an adverse finding upon a
20 determination that the disclosure to the Board was not sufficiently complete or was
21 materially false or misleading. Additionally, citizens who report alleged violations in good
22 faith will not be subject to any reprisal by the individual Board member or the Board as a
23 whole.

24 **SECTION 3-107.**

25 Whistleblower protection.

26 (a) The Board or school system shall not discharge, threaten, or otherwise discriminate
27 against a complainant or an employee or official acting on behalf of a complainant regarding
28 compensation, terms, conditions, location, or privileges of employment because:

30 or is about to report, verbally or in writing, a violation or a suspected violation of this
31 Act, the city charter, or other applicable state or federal law; or

32 (2) A complainant or employee or official acting on behalf of the complainant is
33 requested by the Ethics Commission to participate in an investigation, hearing, or inquiry
34 held by the Ethics Commission or any related court action;

1 provided, however, that this section shall not apply to a complainant or an employee or
2 official acting on behalf of a complainant who knowingly makes a false report.

3 (b) Nothing in this section shall limit or prohibit the school system from taking disciplinary
4 action against a whistleblower as a result of the whistleblower's misconduct that may be
5 revealed, discovered, or uncovered as a result of a report or an attempted report of an ethics
6 violation.

7 **SECTION 3-108.**

8 Code of ethics oath.

General Provisions

SECTION 4-101.

Chief financial officer.

(a) A chief financial officer for the system shall be appointed and, if necessary, removed by the superintendent with the advice and consent of the Board. Such appointment of the chief financial officer may be by a contract authorized by the Board.

(b) The chief financial officer shall immediately report to the superintendent and to the Board any financial irregularities or other financial matters that may violate Board policy or state or federal laws, or that may subject the school system to a loss of state or federal funds or a loss of its eligibility to receive such funds. The chief financial officer shall cooperate with the internal auditor, providing requested information in a timely manner.

(c) Any person appointed chief financial officer shall give bond in an amount fixed and paid by the Board. The bond shall be made payable to the school system and shall be conditioned upon faithful and true accounting for all public and other funds and all property coming into such chief financial officer's custody, control, care, or possession.

(d) The chief financial officer shall have at least ten years' progressive experience in the management of fiscal operations or public finances, with demonstrated administrative or managerial experience in a public agency or the private sector. The number of years' experience required in this subsection may be waived by the Board upon a three-fourths' vote of its membership.

(e) Within six months of the commencement of the term and during the remainder of his or her term of employment, the chief financial officer shall be a resident of the City of Atlanta.

(f) The chief financial officer shall audit and approve all demands or claims presented to him or her for payment. Prior to the approval of any demand or claim, the chief financial officer shall be entitled to require evidence that the amount of the demand or claim is justly due. For such purposes, the chief financial officer may summon before him or her any officer or employee of the school system or other person or make an inspection of any service, labor, material, supplies, or equipment related to a demand or claim. If, in his or her opinion, any demand or claim is not a legal demand or claim, he or she shall withhold approval of the same and file such demand, together with his or her action thereon and the reasons therefor, with the Board for instructions thereon.

- 1 (E) Financial and other reports are being provided that disclose fairly, accurately, and
2 fully all information that is required by law, that is necessary to ascertain the nature and
3 scope of programs and activities, and that is necessary to establish a proper basis for
4 evaluating the results of programs and activities including the collection of, accounting
5 for, and depositing of revenues and other resources;
- 6 (F) Management has established adequate operating and administrative procedures and
7 practices, systems, or accounting internal control systems and internal management
8 controls; and
- 9 (G) Indications of fraud or abuse or illegal acts are present. If fraud or abuse by a
10 Board member is present, the matter shall be put before the Ethics Commission;
- 11 (2) To submit an annual report to the Board indicating audits completed, major findings,
12 corrective actions taken by administrative managers, and significant findings which have
13 not been fully addressed by management; and
- 14 (3) To perform such other duties and responsibilities as provided for by this Act or
15 directed by the Board.
- 16 (g) All officers and employees shall allow the internal auditor immediate access to any and
17 all books, records, documents, and other requested information, including automated data,
18 pertaining to the business of the school system and within their custody regarding powers,
19 duties, activities, organization, property, financial transactions, contracts, and methods of
20 business required to conduct an audit or other official duties. In addition, such officers and
21 employees shall provide access for the auditor to inspect all property, equipment, and
22 facilities within their custody. Further, all contracts with outside contractors and
23 subcontractors shall provide for the auditor's access to all financial and performance related
24 records, property, and equipment purchased in whole or in part with system funds and
25 facilities.
- 26 (h) The internal auditor shall present any confidential information to the Board during
27 regularly scheduled closed executive sessions.
- 28 (i) The internal auditor shall not publicly disclose any information received during an audit
29 that is confidential in accordance with any local, state, or federal law or regulation.
- 30 (j) Any reports issued by the internal auditor shall be made available for public inspection
31 or copying at a reasonable cost.

SECTION 4-103.

Taxation for educational purposes.

(a) Each year the Board shall certify in writing to the Atlanta City Council a school tax, in the amount of a millage rate as determined by the Board, for the support and maintenance of the school system. In addition, the Board shall provide the council with a certified copy of its approved budget related to the requested school tax and minutes of any Board meeting approving or establishing the millage rate signed by the chairperson and executive assistant. Upon the filing of the request and budget, the council shall assess, levy, and cause to be collected a school tax at the millage rate as determined by the Board upon the assessed value of all taxable property with the city.

(b) A summary of the millage rate determined by the Board in the current and each of the four preceding years, including any clarifications that may be needed for full disclosure, shall be published in one or more newspapers of general circulation within the city and sent to the grand juries of Fulton County and DeKalb County then in session, the Atlanta-Fulton Public Library, and the state auditor.

SECTION 4-104.

Transmittal of taxes and other funds to the Board.

(a) Tax commissioner. In accordance with state law, the applicable tax commissioner shall transmit to the Board any and all ad valorem taxes assessed and collected on behalf of the city for the support and maintenance of public education, less any costs related to the tax assessment and collection and the amount of any interest and sinking fund charges on outstanding general obligation bonds.

(b) City of Atlanta. The City of Atlanta shall remit to the Board any funds received for the school system; such funds shall be used to maintain and expand the public school system.

SECTION 4-105.

Loans for operating expenses.

(a) The Board may obtain loans for operating expenses in accordance with the laws of the state.

(b) The Board may request the Atlanta City Council to negotiate loans to supply deficiencies in yearly operating expenses of the school system, during any year, in such amounts as may be determined by the Board. However, any such loan requested by the Board and negotiated by the city shall not exceed 75 percent of the anticipated tax revenue for the year levied for

1 educational purposes. In lieu of borrowing money on behalf of the Board, the city may
2 advance to the Board such amounts as may be required for such purposes.

3 (c) The Board shall provide for a sum sufficient to repay the loans or advances of moneys
4 made by the city, together with the interest thereon, to be deducted from ad valorem taxes
5 levied and collected for educational purposes during the year in which the loan was
6 negotiated or an advance of moneys was made by the city.

7 (d) In order for the Board to obtain a loan or an advance as provided in this section, the
8 Board shall pass a resolution authorizing the money to be borrowed or advanced by the city,
9 in which resolution shall be stated the amount of money to be borrowed or advanced, the
10 length of time it is to be used, for what purpose borrowed, and from whom it is to be
11 borrowed, which resolution shall be recorded on the minutes of the meetings of the Board.

12 **SECTION 4-106.**

13 Independent audit.

14 (a) The Board shall cause an annual independent audit to be conducted of the books,
15 accounts, records, fiscal procedures, and other evidences of financial transactions of the City
16 of Atlanta school system, including its offices, departments, and other agencies. The audit
17 shall be made by a certified public accountant or certified public accounting firm whose
18 members have no pecuniary, financial, or personal interest, directly or indirectly, in the fiscal
19 affairs of the school system or any other governmental agency of the city.

20 (b) The audit may be conducted on a quarterly or continuing basis and shall be completed
21 no later than six months after the close of the fiscal year.

22 (c) The audit, and the opinions and recommendations of those conducting such audit, shall
23 be available to the public at actual printing cost, provided a copy shall be kept available in
24 the offices of the Board and the superintendent for inspection by any citizen upon request.

25 (d) A special audit or examination of any office, department, or other agency of the school
26 system may be ordered by the Board at any time.

27 (e) A summary of the financial statement from the audit or audits shall be published in one
28 or more newspapers of general circulation within the city and sent to the grand juries of
29 Fulton County and DeKalb County then in session, the Atlanta-Fulton Public Library, and
30 the state auditor.

1 (3) Immediately adjust the anticipated revenues to account for decreased revenues in the
2 event the income of the school system should be decreased by law, either by an Act of
3 the General Assembly or action of the Board. In the event of a change in the millage rate
4 or other changes in state or local law, the budget commission may revise the budgeted
5 anticipated revenues accordingly; and

6 (4) Before appropriating any other sum for any purpose other than the interest and
7 sinking fund on bonded indebtedness, to lower its estimate of anticipated revenues to
8 immediately discharge any deficit which has accrued during the preceding year if, at any
9 time during any year, the expenditures exceed the revenues collected and a deficit results.

10 (c) Powers of budget commission. In the event the Board receives more money, income, or
11 revenue from any extraordinary source, either by the sale of real property, gift, grant, or
12 otherwise, which has not been considered in the preparation of the anticipated revenues or
13 other normal revenue in excess of appropriations, the Board may immediately allocate such
14 increased revenue for lawful purposes. However, during the preparation of the budget for
15 the next year, no such extraordinary revenue shall be considered as part of the normal
16 revenue of the Board.

17 (d) Fiscal year. The fiscal year shall begin and end as provided by law.

18 (e) Preparation of budget. The superintendent shall prepare a proposed budget for review
19 by the Board and the public. In doing so, the superintendent shall obtain or cause to be
20 obtained from the chief financial officer and the various subordinate officers of the school
21 system estimates of expenditures for matters within their jurisdiction in sufficient detail to
22 prepare a program budget based on performance standards and other supporting data as may
23 be necessary and proper. The proposed budget shall provide a complete financial plan for
24 all operations of the school system and shall be based on performance standards.

25 **SECTION 4-202.**

26 **Distribution, filing, and publication of budget.**

27 The proposed budget and all supporting data shall be filed in the offices of the superintendent
28 and the chief financial officer, and shall be open to inspection by the public. Copies of the
29 proposed budget and supporting data shall be made available to the public at the actual cost
30 of duplication.

SECTION 4-203.

Budget hearings; adoption; publication; certification.

The Board shall hold at least one public hearing to receive public input on the proposed budget. Following such hearing, the Board may review and revise the proposed budget and shall tentatively adopt a budget for the fiscal year. After its tentative adoption, a budget summary shall be advertised for two consecutive weeks prior to its final adoption in a newspaper of general circulation in the city, and a copy of the tentatively adopted budget as certified by the budget commission shall be filed in the offices of the superintendent and chief financial officer. At its next regular meeting or special meeting, the Board shall review the tentatively adopted budget, make any necessary changes, and adopt a final budget. A copy of the budget as finally adopted shall be submitted to the grand juries of Fulton County and DeKalb County then in session, the council of the City of Atlanta, the Atlanta-Fulton Public Library, and the state auditor.

SECTION 4-204.

Budgetary changes.

After the final adoption of a budget for a fiscal year by the Board, the budget shall not be changed except in the manner provided in this Act. Any action to revise the budget shall be taken at a regular meeting. The Board shall not transfer or reallocate outstanding obligations for any other purpose or purposes until such obligations are paid, but it may transfer and reallocate all other funds lawfully anticipated. Should anticipated revenue be changed by law or by a change in the millage rate or in the assessed value of property subject to taxation or by increased or decreased receipts from the state or other revenue sources, the budget commission shall, within a period of 15 days after receipt of such information, certify to the Board the revised amount of the anticipated revenues for the balance of the fiscal year. At its next regular meeting after receiving the revised amount, the Board shall adjust the anticipated revenues accordingly and revise the budget in accordance with the recommended changes.

SECTION 4-205.

Unlawful obligations void.

The Board shall incur no obligation in excess of the annual budget and such other special appropriations as may be lawfully made and shall incur no liability except as authorized by

1 such budget or appropriation. Any such liabilities attempted to be incurred shall be void in
2 law and equity.
