Chapter 8 of Title 34 of the Official Code of Georgia Annotated, relating to employment security, is amended by striking Code Section 34-8-24, relating to the definition of bona fide in the labor market, and inserting in lieu thereof the following:

"34-8-24.

As used in this chapter, the term 'bona fide in the labor market' means that any person claiming benefits under this chapter must be available for full-time or part-time employment, as that term is generally understood in the trade or work classification involved, without regard to prior work restrictions; provided in the case of availability for part-time employment that there is a labor market in which a reasonable demand exists for the part-time services which the claimant offers."
