14 response.

15 (c) Except as otherwise provided in this subsection, electors who register to vote for the
16 first time in this state by mail must present current and valid identification either when
17 registering to vote by mail or when voting for the first time after registering to vote by

 7 has been approved and the applicant's name added to the list of electors, the giving of such
 8 false information shall be cause to challenge the applicant's right to remain on the list of
 9 electors, which, if sustained, shall result in such applicant's name being removed from the

 30 electors prepared and distributed to the poll officers of each precinct may also include
 31 codes designating that an elector has voted by absentee ballot, has been challenged, or has
 32 been sent mail by the registrars which has been returned marked undeliverable. No person
 33 whose name does not appear on the official list of electors shall vote or be allowed to vote
 34 at any election, except as otherwise provided in this article."

"(a) In addition to the official list of electors, the Secretary of State shall also maintain an inactive list of electors. Notwithstanding any other provision of law to the contrary, the names of electors on the inactive list of electors shall not be counted in computing the number of ballots required for an election, the number of voting ~~machines or vote recorders~~ devices needed for a precinct, the number of electors required to divide or constitute a precinct, or the number of signatures needed on any petition. However, any elector whose name appears on the inactive list shall be eligible to sign a petition and such petition signature, if valid, shall be sufficient to return the elector to the official list of electors if the elector still resides at the address listed on the elector's registration records and shall be grounds to proceed under Code Section 21-2-234 to confirm the change of address of the elector if the elector provides a different address from the address which appears on the elector's registration records."

SECTION 10.

Said chapter is further amended by striking subsection (a) of Code Section 21-2-267, relating to equipment at polling places, and inserting in lieu thereof a new subsection (a) to read as follows:

 4 supplies in which the electors may conveniently mark their ballots, with a curtain, screen,
 5 or door in the upper part of the front of each compartment or booth so that in the marking
 6 thereof they may be screened from the observation of others. A curtain, screen, or door
 7 shall not be required, however, for the self-contained units used as voting booths in which
 8 ~~vote recorders~~ direct recording electronic (DRE) voting units are located if such booths
 9 have been designed so as to ensure the privacy of the elector. When practicable, every
 10 polling place shall consist of a single room, every part of which is within the unobstructed
 11 view of those present therein and shall be furnished with a guardrail or barrier closing the
 12 inner portion of such room, which guardrail or barrier shall be so constructed and placed
 13 that only such persons as are inside such rail or barrier can approach within six feet of the
 14 ballot box and voting compartments, or booths, or voting machines, as the case may be.
 15 The ballot box and voting compartments or booths shall be so arranged in the voting room
 16 within the enclosed space as to be in full view of those persons in the room outside the
 17 guardrail or barrier. The voting machine or machines shall be placed in the voting rooms
 18 within the enclosed space so that, unless its construction shall otherwise require, the ballot
 19 labels on the face of the machine can be plainly seen by the poll officers when the machine
 20 is not occupied by an elector. In the case of direct recording electronic voting units, the
 21 units shall be arranged in such a manner as to ensure the privacy of the elector while voting
 22 on such units, to allow monitoring of the units by the poll officers while the polls are open,
 23 and to permit the public to observe the voting without affecting the privacy of the electors
 24 as they vote."

25 **SECTION 11.**

26 Said chapter is further amended by striking subsection (d) of Code Section 21-2-379.7,
 27 relating to preparation of polling places, and inserting in lieu thereof a new subsection (d) to

 2 during the primary or election; ~~and~~
 3 (4) Provide at least one DRE unit accessible to disabled electors at each precinct; and
 4 (5) Provide such other materials and supplies as may be necessary or required by law."

5 SECTION 12.

6 Said chapter is further amended by striking paragraph (1) of subsection (a) of Code Section
 7 21-2-381, relating to making of application for absentee ballot, and inserting in lieu thereof
 8 a new paragraph (1) to read as follows:

9 "(1) ~~Not~~ Except as otherwise provided in Code Section 21-2-219, not more than 180 days

 12 person in the registrar's or absentee ballot clerk's office, an application for an official
 13 ballot of the elector's precinct to be voted at such primary, election, or runoff. In the case
 14 of an elector residing temporarily out of the county or municipality or a physically
 15 disabled elector residing within the county or municipality, the application for the
 16 elector's absentee ballot may, upon satisfactory proof of relationship, be made by such
 17 elector's mother, father, grandparent, aunt, uncle, sister, brother, spouse, son, daughter,
 18 niece, nephew, grandchild, son-in-law, daughter-in-law, mother-in-law, father-in-law,

 26 address other than the permanent mailing address of the elector as recorded on the
 27 elector's voter registration record or a temporary out-of-county or out-of-municipality
 28 address. Relatives applying for absentee ballots for electors must also sign an oath stating
 29 that facts in the application are true. If the elector is unable to fill out or sign such
 30 elector's own application because of illiteracy or physical disability, the elector shall
 31 make such elector's mark, and the person filling in the rest of the application shall sign
 32 such person's name below it as a witness. One timely and proper application for an
 33 absentee ballot for use in a primary or election shall be sufficient to require the mailing

 35 therefrom and for ~~the election for which such primary shall nominate candidates and any~~
 36 ~~runoffs resulting therefrom~~ all primaries and elections for federal offices and any runoffs

 9 age or disability specified by rule or regulation of the Secretary of State may request in
 10 writing on one application a ballot for a primary as well as for any runoffs resulting
 11 therefrom and for the election for which such primary shall nominate candidates as well
 12 as any runoffs resulting therefrom. If not so requested by such person a separate and
 13 distinct application shall be required for each primary, run-off primary, election, and
 14 run-off election. ~~Notwithstanding the foregoing~~ Except as otherwise provided in this
 15 paragraph, a separate and distinct application for an absentee ballot shall always be
 16 required for the presidential preference primary held pursuant to Article 5 of this chapter
