2 Article 3 of Chapter 2 of Title 40 of the Official Code of Georgia Annotated, relating to
3 prestige license plates and special plates for certain persons and vehicles, is amended by
4 adding a new Code Section 40-2-86.9 to read as follows:

5 "40-2-86.9.

6 (a) In order to enhance the provision of care of the residents of the state's veterans nursing
7 homes and activities directly in support thereof, there shall be issued beginning January 1,
8 2005, special license plates promoting Georgia veterans.

9 (b) The Department of Veterans Service, in cooperation with the commissioner, shall
10 design special distinctive license plates appropriate to promote Georgia veterans to support
11 the nursing home care support program established pursuant to Code Section 38-4-13. The
12 Georgia Veterans license plates must be of the same size as general issue motor vehicle
13 license plates and shall include a unique design and identifying number, whereby the total
14 number of characters does not exceed six. No two recipients shall receive identically
15 numbered plates. Such design shall provide space in which to indicate the name of the
16 county of issuance.

17 (c) Notwithstanding the provisions of subsection (b) of this Code section, this Code section
18 shall not be implemented until such time as the State of Georgia has, through a licensing
19 agreement or otherwise, received such licenses or other permissions as may be required to
20 implement this Code section. The design of the initial edition of the Georgia Veterans
21 license plates, as well as the design of subsequent editions and excepting only any part or
22 parts of the designs owned by others and licensed to the state, shall be owned solely by the
23 State of Georgia for its exclusive use and control, except as authorized by the
24 commissioner of veterans service. The commissioner of veterans service may take such
25 steps as may be necessary to give notice of and protect such right, including the copyright
26 or copyrights. However, such steps shall be cumulative of the ownership and exclusive use
27 and control established by this subsection as a matter of law, and no person shall reproduce
28 or otherwise use such design or designs, except as authorized by the commissioner of
29 veterans service.

30 (d) Beginning in calendar year 2005, any Georgia resident who is a veteran of the armed
31 forces, national guard, or any reserve component of the United States or the spouse or
32 surviving spouse of such veteran and who is the owner of a motor vehicle, except a vehicle
33 registered under the International Registration Plan, upon complying with the motor
34 vehicle laws relating to registration and licensing of motor vehicles and upon the payment
35 of a fee of \$25.00 in addition to the regular motor vehicle registration fee shall be issued
36 a Georgia Veterans license plate. Revalidation decals shall be issued for Georgia Veterans
37 plates in the same manner as provided for general issue license plates.

1 (e) The funds derived from the sale of Georgia Veterans license plates, less a \$1.00
2 processing fee which shall be granted to county tag offices per plate sold and less the actual
3 manufacturing cost of the plates, shall be deposited in the Georgia Veterans Nursing Home
4 Trust Fund created by Article III, Section IX, Paragraph VI(n) of the Constitution of the

8 (f) An applicant may request a Georgia Veterans license plate any time during the
9 applicant's registration period. If such a license plate is to replace a current valid license
10 plate, the Georgia Veterans license plate shall be issued with appropriate decals attached.

11 (g) Georgia Veterans license plates shall be transferred from one vehicle to another vehicle
12 in accordance with the provisions of Code Section 40-2-42.

17 November, 2004, state-wide general election, which resolution amends the Constitution of
18 the State of Georgia so as to authorize the creation of the Georgia War Veterans Nursing
19 Home Trust Fund. If such resolution is not ratified, this Act shall not become effective and
20 shall stand repealed in its entirety on January 1, 2005, and no such motor vehicle license
21 plates shall be issued pursuant to this Act.
