29 24 hours per day.

30 49-6-83.

31 (a) All adult day centers shall be licensed annually by the department in accordance with  
32 procedures, standards, rules, and regulations to be established by the department and  
33 approved by the board. The department shall develop and publish standards for licensing  
34 adult day centers. The department shall seek the opinions of consumers and providers in

1 the promulgation of these standards, as well as for any future amendments to these  
2 standards.

3 (b) Application for a license shall be made to the department upon forms furnished by the  
4 department. Upon receipt of an application for a license and upon presentation by the

6 department, the department shall issue such adult day center a license for a one-year period.

7 (c) The department shall assist applicants or licensees in meeting standards of the  
8 department and, if a licensee is for any reason denied renewal of a license, a license is  
9 revoked, or any applicant for a license cannot meet department standards, the department  
10 shall assist in planning the placement of adults, if any, in alternative arrangements.

11 (d) If the department finds that any adult day center applicant does not meet the standards  
12 prescribed by the department but is attempting to meet such standards, the department may,  
13 in its discretion, issue a temporary license to such adult day center, but such temporary  
14 license shall not be issued for more than a one-year period. Upon presentation of  
15 satisfactory evidence that such center is making progress toward meeting prescribed  
16 standards of the department, the department may, in its discretion, reissue such temporary  
17 license for one additional period not to exceed one year. As an alternative to a temporary  
18 license, the department, in its discretion, may issue a restricted license which states the  
19 restrictions on its face.

20 (e) The department shall refuse a license upon a showing of:

21 (1) Noncompliance with the rules and regulations for adult day centers as adopted by the  
22 department which are designated in writing to the facilities as being related to adults'  
23 health and safety;

24 (2) Flagrant and continued operation of an unlicensed center in contravention of the law;

27 (f) All licensed adult day centers shall prominently display the license issued to such  
28 center by the department at some point near the entrance of the premises of such center that  
29 is open to view by the public.

30 (g) The department's action revoking or refusing to renew or issue a license required by  
31 this Code section shall be preceded by notice and opportunity for a hearing and shall  
32 constitute a contested case within the meaning of Chapter 13 of Title 50, the 'Georgia  
33 Administrative Procedure Act,' except that 30 days' notice in writing from the department's  
34 designee shall be required prior to license revocation and except that hearings held relating  
35 to such action by the department may be closed to the public if the hearing officer  
36 determines that an open hearing would be detrimental to the physical or mental health of  
37 any person who will testify at that hearing.

1 (h) It shall be the duty of the department to inspect at regular intervals all licensed adult  
 2 day centers within the state. The department shall have the right of entrance, privilege of  
 3 inspection, and right of access to all adults under the care and control of the licensee.

4 (i) If any flagrant abuses, dereliction, or deficiencies are made known to the department  
 5 or its duly authorized agents during their inspection of any adult day center or if, at any  
 6 time, such are reported to the department, the department shall immediately investigate  
 7 such matters and take such action as conditions may require.

8 (j) If abuses, dereliction, or deficiencies are found in the operation and management of any  
 9 adult day center, they shall be brought immediately to the attention of the management of  
 10 such center; and if correctable, but not corrected within a reasonable time, the department  
 11 shall revoke the license or commission of such agency in the manner prescribed in this  
 12 Code section.

13 (k) The department may require periodic reports from adult day centers in such forms and  
 14 at such times as the department may prescribe.

15 (l) Any adult day center that shall operate without a license issued by the department shall  
 16 be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not  
 17 less than \$50.00 nor more than \$200.00 for each such offense. Each day of operation  
 18 without a license shall constitute a separate offense.

19 (m) The department may, without regard to the availability of other remedies, including  
 20 administrative remedies, seek an injunction against the continued operation of an adult day  
 21 center in willful violation of this article or of any regulation or order of the department.

22 49-6-84.

23 (a) Unless otherwise provided, any person who violates the provisions of Code Section  
 24 49-6-83 or who hinders, obstructs, or otherwise interferes with any representative of the  
 25 department in the discharge of that person's official duties in making inspections as  
 26 provided in Code Section 49-6-83 or in investigating complaints as provided in Code  
 27 Section 49-6-83 shall be guilty of a misdemeanor.

28 (b)(1) Any person who:

29 (A) Violates any licensing provision of this chapter; any rule, regulation, or order  
 30 issued under this chapter; or any term, condition, or limitation of any license certificate  
 31 under this chapter and is thereby subjecting an adult in care to injury or a  
 32 life-threatening situation; or

33 (B) Commits any violation for which a license certificate may be revoked under rules  
 34 or regulations issued pursuant to this chapter

1 may be subject to civil penalty, to be imposed by the department, not to exceed \$500.00.  
 2 If any violation is a continuing one, each day of such violation shall constitute a separate  
 3 violation for the purpose of computing the applicable civil penalty.

4 (2) Whenever the department proposes to subject a person to the imposition of a civil  
 5 penalty under this subsection, it shall notify such person in writing of:

6 (A) The date, facts, and nature of each act or omission with which the person is  
 7 charged;

8 (B) The specific Code section, rule, regulation, order, or license certificate limitation  
 9 involved in the violation; and

10 (C) Each penalty and the amount which the department proposes to impose for each  
 11 penalty.

12 Such written notice shall be sent by registered or certified mail or statutory overnight  
 13 delivery by the department to the last known address of such person. The person so  
 14 notified shall be granted an opportunity to show in writing, within such reasonable period  
 15 as the department shall by rule or regulation prescribe, why such penalty should not be  
 16 imposed. The notice shall also advise such person that, upon failure to pay the civil  
 17 penalty subsequently determined by the department, if any, the penalty may be collected  
 18 by civil action. Any person upon whom a civil penalty is imposed may appeal such  
 19 action pursuant to Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act.'

20 (3) A civil penalty finally determined under this Code section may be collected by civil  
 21 action in the event that such penalty is not paid as required. On the request of the  
 22 department, the Attorney General is authorized to institute a civil action to collect a  
 23 penalty imposed pursuant to this subsection. The Attorney General shall have the  
 24 exclusive power to compromise, mitigate, or remit such civil penalties as are referred to  
 25 the Attorney General for collection.

26 (4) All moneys collected from civil penalties shall be paid to the state for deposit in the  
 27 general fund."
