19 on the revenue bonds which may be issued to finance, in whole or in part, the cost of such
20 project or projects.

21 **SECTION 6.**

22 Revenue bonds.

23 The authority shall have power and is hereby authorized from time to time to provide by
24 resolution for the issuance of negotiable revenue bonds in the manner provided by Article
25 3 of Chapter 82 of Title 36 of the O.C.G.A., known as the "Revenue Bond Law," for the
26 purpose of paying all or any part of the cost of any one or more projects, including the cost
27 of constructing, reconstructing, equipping, extending, adding to, or improving any such
28 project, or for the purpose of refunding, as herein provided, any such bonds of the authority
29 previously issued. The principal of and interest on such revenue bonds shall be payable

31 designated in the resolution of the authority authorizing the issuance of such revenue bonds.
32 The revenue bonds of each issue shall be issued and validated under and in accordance with
33 the provisions of Article 3 of Chapter 82 of Title 36 of the O.C.G.A., known as the "Revenue
34 Bond Law."

SECTION 7.

Revenue bonds; negotiability and exemption from taxation.

All revenue bonds issued under the provisions of this Act shall have and are hereby declared to have all the qualities and incidents of negotiable instruments under the negotiable instruments law of this state. Such bonds are declared to be issued for an essential public and governmental purpose and such bonds and the income thereof shall be exempt from all taxation within this state.

SECTION 8.

The issuance of such revenue bonds shall not directly, indirectly, or contingently obligate the State of Georgia or the City of Cartersville, Georgia, to levy or to pledge any form of taxation whatever for the payment thereof. No holder of any bond or receiver or trustee in connection therewith shall have the right to enforce the payment thereof against any property of the State of Georgia or the City of Cartersville, Georgia, nor shall any such bond constitute a charge, lien, or encumbrance, legal or equitable, upon any such property. All such bonds shall contain on their face a recital setting forth substantially the foregoing provisions of this section. The City of Cartersville, Georgia, however, may obligate itself to pay the amounts required under any contract entered into with the authority from funds received from taxes to be levied and collected for that purpose to the extent necessary to pay the obligations contractually incurred with the authority, and from any other source; and the obligation to make such payments shall constitute a general obligation and a pledge of the full faith and credit of the City of Cartersville, Georgia, but shall not constitute a debt of the City of Cartersville, Georgia, within the meaning of the Constitution of the State of Georgia, Article IX, Section V, Paragraph I; and, when the City of Cartersville, Georgia, contracts with the authority to make such payments from taxes to be levied for that purpose, then the obligation shall be mandatory to levy and collect such taxes from year to year in an amount sufficient to fulfill and fully comply with the terms of such contract.

SECTION 9.

Revenue bonds; trust indenture as security.

In the discretion of the authority, any issue of such revenue bonds may be secured by a trust indenture by and between the authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or outside of the State of Georgia. Such trust indenture may pledge or assign fees, tolls, rents, revenues, and earnings to be received by the authority, including the proceeds derived from the sale or lease, from time to time, of any project. Either the resolution providing for the issuance of revenue bonds or such trust indenture may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority in relation to the acquisition and construction of any project, the maintenance, operation, repair, and insurance of any project, and the custody, safeguarding and application of all monies, including the proceeds derived from the sale or lease of any project, and may also provide that any project shall be acquired and constructed under the supervision and approval of consulting engineers or architects employed or designated by the authority and satisfactory to the original purchasers of the bonds issued therefor, and may also require that the security given by contractors and by any depository of the proceeds of the bonds or revenues or other monies be satisfactory to such purchasers, and may also contain provisions concerning the conditions, if any, upon which additional revenue bonds pledging all or any part of the revenues and earnings of such project or projects may be issued. Such indenture may set forth the rights and remedies of the bondholders and of the trustee. In addition to the foregoing, such trust indenture may contain such other provisions as the authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out such trust indenture may be treated as a part of the cost of maintenance, operation, and repair of the project affected by such indenture.

SECTION 10.

Revenue bonds; sinking fund.

The revenues, fees, tolls, and earnings derived from any particular project or projects, regardless of whether or not such revenues, fees, tolls, and earnings were produced by a particular project for which bonds have been issued, and any monies derived from the sale of any properties, both real and personal, of the authority, unless otherwise pledged and allocated, may be pledged and allocated by the authority to the payment of the principal and interest on revenue bonds of the authority as the resolution authorizing the issuance of the

bonds or the trust indenture may provide, and such funds so pledged, from whatever source received, which such pledge may include funds received from one or more or all sources not previously pledged and allocated, shall be set aside at regular intervals, as may be provided in the resolution or trust indenture, into a sinking fund, which such sinking fund shall be pledged to and charged with the payments of:

(1) The interest upon such revenue bonds as such interest shall fall due;

(2) The principal of the bonds as the same shall fall due;

(3) The necessary charges of any paying agent or agents for paying principal and interest; and

(4) Any premium upon bonds retired by call or purchase.

The use and disposition of such sinking fund shall be subject to such regulations as may be provided in the resolution authorizing the issuance of the revenue bonds or in the trust indenture, but, except as may otherwise be provided in such resolution or trust indenture, such sinking fund shall be a fund for the benefit of all revenue bonds issued pursuant to such resolution or trust indenture without distinction or priority of one over another.

The petition for validation shall also make a party defendant to such action the City of Cartersville, Georgia, if such city has or will contract with the authority with respect to the project for which bonds are to be issued and are sought to be validated, and the City of Cartersville, Georgia, shall be required to show cause, if any exists, why such contract and the terms and conditions thereof should not be inquired into by the court and the validity of the terms thereof be determined and the contract adjudicated as security for the payment of any such bonds of the authority. The bonds, when validated, and the judgment of validation shall be final and conclusive with respect to the validity of such bonds against the authority, and the validity of the contract and of the terms and conditions thereof, when validated, and the judgment of validation shall be final and conclusive against the City of Cartersville, Georgia, if it be a party to the validation proceeding as herein provided for.
