The intent of the General Assembly is to promote, safeguard, and protect the well-being of adults participating in adult day care or adult day health services by authorizing, promoting, and supporting licensure regulations for adult day care and adult day health services providers. It is further the intent of the General Assembly that the Department of Human Resources shall serve as the agency responsible for promulgating, implementing, and enforcing the licensure regulations.

As used in this article, the term:

6. 'Medical model' means a comprehensive program that provides aging adults with the basic social, rehabilitative, health, and personal care services needed to sustain essential activities of daily living and to restore or maintain optimal capacity for self-care. Such program of care shall be based on individual plans of care and shall be provided for less than 24 hours per day.
7. 'Social model' means a program that addresses primarily the basic social and recreational activities needed to be provided to aging adults, but also provides, as required, limited personal care assistance, supervision, or assistance essential for sustaining the activities of daily living. Such programs of care shall be based on individual plans of care and shall be provided for less than 24 hours per day.

No person, business entity, corporation, or association, whether operated for profit or not for profit, shall operate an adult day center without first obtaining a license or a provisional
license from the department. A license issued under this article shall not be assignable or transferable.

49-6-84.
The department is authorized to promulgate rules and regulations to implement this article utilizing the public rule-making process to elicit input from consumers, providers, and advocates. The department is further authorized to issue, deny, suspend, or revoke licenses or take other enforcement actions against licensees or applicants as provided in Code Section 31-2-6. All rules and regulations and any enforcement actions initiated by the department shall comply with the requirements of Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act.'

49-6-85.
An adult day center for which an application for a license has been submitted or to which a license has been issued shall be inspected by the department periodically and as determined necessary to monitor such center’s compliance with applicable laws and regulations; provided, however, the department may exempt a center from inspection if such center has been certified or accredited by a certification or accreditation entity recognized and approved by the department if such entity uses standards that are substantially similar to those established by the department. A center seeking exemption from inspection shall be required to submit to the department documentation of certification or accreditation, including a copy of its most recent certification or accreditation inspection report, which shall be maintained by the department as a public record."
