9 **SECTION 1.**

10 Code Section 47-2-121 of the Official Code of Georgia Annotated, relating to optional
11 retirement allowances under the Employees' Retirement System of Georgia, is amended by
12 inserting immediately following subsection (e.3) a new subsection to read as follows:

13 "(e.4) Option five shall consist of a reduced retirement allowance together with a partial
14 lump sum distribution. This option may be elected by any retiring member including
15 members electing another optional allowance under this Code section except that this
16 option shall not be available to members retiring pursuant to Code Section 47-2-123 or

20 he or she not elected the partial lump sum option. The partial lump sum distribution will
21 be made as a single payment payable at the time the first monthly retirement allowance is
22 paid to the retired member."

23 **SECTION 2.**

24 Said Code section is further amended by inserting at the end thereof the following:

H. B. 914 (SUB)

1 "(i)(1) Upon the death of the retired member and then the death of the person designated

5 the retired member's accumulated contributions at the time of his or her retirement, the
6 difference shall be refunded to the person designated in writing by the retired member to
7 receive such a refund of this difference. If no such person is designated to receive a
8 refund of this difference, or if such designated person has predeceased the person
9 designated to receive continuing monthly retirement benefits, or if such designees are the
10 same person, this difference shall be paid to the estate of the person designated to receive
11 continuing monthly retirement benefits.

12 (2) Upon the death of the person designated by the retired member to receive continuing
13 monthly retirement benefits under option two, three, four, or five and then the death of
14 the retired member, if the total monthly benefits paid to the retired member prior to his
