

1 Senators Tate of the 38th and Thomas of the 10th offered the following amendment:

2 Amend the Senate State and Local Governmental Operations Committee substitute to SB 500
3 by striking lines 6 through 14 on page 2 and inserting in lieu thereof the following:

4 "record of the elector's votes cast. The unit shall produce the permanent paper record in
5 a manner that will allow a full and complete review by the elector but shall not permit the
6 elector to touch or tamper with the record or place the record in the actual physical
7 possession of the elector. The elector shall then review such permanent paper record and,
8 if such record is correct, shall cause the unit to deposit such record in a locked secure
9 container. If the elector discovers an error or errors in the votes cast as shown on the
10 permanent paper record, the elector shall advise the poll officers who shall take such steps
11 as necessary to allow the elector to correct such error or errors. The permanent paper
12 records shall be secured in such locked containers at all times and such containers shall not
13 be opened nor shall such ballots be counted unless and until required to be counted
14 pursuant to a recount or an election contest proceeding."
