 30 levied and collected for educational purposes during the year in which the loan was  
 31 negotiated or an advance of moneys was made by the city.

32 (d) In order for the board to obtain a loan or an advance as provided in this section, the board  
 33 shall pass a resolution authorizing the money to be borrowed or advanced by the city, in

1 which resolution shall be stated the amount of money to be borrowed or advanced, the length  
 2 of time it is to be used, for what purpose borrowed, and from whom it is to be borrowed,  
 3 which resolution shall be recorded on the minutes of the meetings of the board.

5 Additional sources of revenue.

6 In the event any additional sources of revenue shall be authorized by law for educational

 8 the lawful collection and appropriation of such revenues for use by the school system.
