

ADOPTED

1 Senator Harp of the 16th offered the following amendment:

2 Amend the Senate Health and Human Services Committee substitute to HB 1028 by inserting
3 after line 6 on page 16 the following:

4 "(f) Any expert in a medical malpractice action who testifies concerning whether a
5 defendant complied with or deviated from the standard of care shall be subject to direct
6 examination or cross-examination on the expert's personal practices in the area of conduct
7 at issue."
