Senator Thomas of the 10th offered the following amendment to amendment #3 to the substitute to HB 1028:

By striking the section designated as 31-37-2(b) on the 24th written line of page 1 of amendment 3 through the 35th line and inserting in lieu thereof the following:

"(b) 'Job description' means a written document, signed by the primary physician and the physician's assistant whom the primary physician is supervising, which document describes the professional background, scope of practice, and specialty of the primary supervising physician; the qualifications, including related experience of the physician's assistant; and general description of how the physician's assistant will be utilized in the practice. A job description shall not be required to contain every activity the primary physician deems the physician's assistant qualified to perform but shall confine the activities of the physician's assistant to those in the scope of practice of the primary supervising physician;"
