12 is amended by striking subsections (e) and (f) of Code Section 31-10-9, relating to  
13 registration of births, and inserting in their respective places the following:

14 "(e) The name of the natural father or putative father shall be entered on the certificate of  
15 live birth as follows:

16 (1) If the mother was married either at the time of conception or at the time of birth, the  
17 name of the husband shall be entered on the certificate as the father of the child unless  
18 paternity has been determined otherwise by a court having jurisdiction, in which case the  
19 name of the father as determined by the court shall be entered;

20 (2)(A) If the mother is not married at either the time of conception or at the time of  
21 birth, ~~the name of the putative father shall not be entered on the certificate of birth~~  
22 ~~without the written consent of the mother and the person to be named as father~~ the  
23 institution or other party, as applicable, shall request that the mother identify the name  
24 of the child's father, which name shall be entered on the certificate of birth, if given,  
25 and identified as unconfirmed. If the mother indicates that the father's name is

1 unknown the birth certificate shall so indicate. The name of the putative father and his  
2 address, if available, shall be recorded on a notification form which together with the  
3 birth certificate shall be filed in accordance with subsection (a) of this Code section.

12 test shall be borne by the putative father if the test establishes paternity or, if the test  
13 fails to establish paternity, by the mother or the state, if the mother is indigent.

14 (D) The county health department shall notify the local registrar of the results of the  
15 paternity test. Upon receipt of a positive paternity test result the registrar shall remove  
16 the unconfirmed notation on the birth certificate. Upon receipt of a negative paternity  
17 test result the registrar shall remove the name of the putative father and replace it with  
18 the word 'unknown.'

19 (E) The county health department shall inform the mother of the result of each  
20 paternity test. Upon positive identification of the father an amended birth certificate  
21 shall be provided to the mother by the registrar;

23 jurisdiction, the name of the father and the surname of the child shall be entered on the  
24 certificate of birth in accordance with the finding and order of the court;

25 (4) If the father is not named on the certificate of birth, no other information about the  
26 father shall be entered on the certificate; or

27 (5) Except as provided in paragraph (3) of this subsection, in all other cases, the surname  
28 of the child shall be the legal surname of the mother at the time of the birth entered on the  
29 certificate as designated by the mother. When a paternity acknowledgment is completed,  
30 the surname of the child shall be entered as designated by both parents.

33 provisions of subsection (e) of this Code section. The birth certificate of a child born to an
