

ADOPTED

1 The Health and Human Services Committee offered the following amendment:

2 Amend SB 56 (LC 33 0594) by striking on line 16 of page 1 the text "based on:" and
3 inserting in its place:

4 "demonstrated by clinical, bacteriologic, or diagnostic imaging evidence, or a combination
5 thereof. Persons who have been diagnosed as having active tuberculosis and have not
6 completed a course of antituberculosis treatment are still considered to have active
7 tuberculosis and may be infectious."

8 By striking lines 17 through 23 of page 1.
