34 \$100,000.00. When it appears that the use of competitive sealed bidding is either not

1 ~~practicable~~ justified or not advantageous to the state, a contract may be entered into by
2 competitive sealed proposals, subject to the following conditions:

3 (1) This method of solicitation shall only be used after a written determination by the
4 Department of Administrative Services that the use of competitive sealed bidding is not
5 ~~practicable~~ justified or is not advantageous to the state;

6 (2) Proposals shall be solicited through a request for proposals;

7 (3) Adequate public notice of the request for proposals shall be given in the same manner
8 as provided for competitive sealed bidding;

9 (4) A register of proposals shall be prepared and made available for public inspection;

10 (5) The request for proposals shall state the relative importance of price and other

18 ~~such~~ clarification of proposals. After such clarifications, revisions may be permitted ~~after~~

19 ~~submissions and~~ to technical proposals and price proposals prior to award for the purpose

20 of obtaining best and final offers. The Department of Administrative Services is

21 authorized to solicit multiple revisions to price proposals for the purpose of obtaining the

23 revisions, there shall be no disclosure of any information contained in ~~derived from~~

24 proposals submitted by competing offerors. However, this prohibition on disclosure of

25 information shall not prohibit the Department of Administrative Services from disclosing

26 to competing offerors any preliminary rankings and scores of competing offerors'

27 proposals during the course of any negotiations or revisions of proposals; and

28 (7) The award shall be made to the responsible offeror whose proposal is determined in

29 writing to be the most advantageous to the state, taking into consideration price and the

30 evaluation factors set forth in the request for proposals. No other factors or criteria shall

31 be used in the evaluation. The contract file shall contain the basis on which the award is

32 made.

33 (b) Except as otherwise provided for in this part, all contracts for the purchases of supplies,

34 materials, ~~or equipment,~~ or services other than professional and personal employment

35 services made under this part shall, wherever possible, be based upon competitive bids and

36 shall be awarded to the lowest responsible bidder, taking into consideration the quality of

37 the articles to be supplied and conformity with the standard specifications which have been

1 established and prescribed, the purposes for which the articles are required, the discount
 2 allowed for prompt payment, the transportation charges, and the date or dates of delivery
 3 specified in the bid and any other cost affecting the total cost of ownership during the life
 4 cycle of the supplies, materials, or equipment as specified in the solicitation document.

5 Competitive bids on such contracts shall be received in accordance with rules and
 6 regulations to be adopted by the commissioner of administrative services, which rules and

 9 the article for which the bid shall be submitted and the standard specification prescribed
 10 for the article; the amount or number of the articles desired and for which the bids are to
 11 be made; and the amount, if any, of bonds or certified checks to accompany the bids. Any
 12 and all bids so received may be rejected.

13 (c)(1) When bids received pursuant to this part are unreasonable or unacceptable as to
 14 terms and conditions, are noncompetitive, or the ~~low~~ lowest responsible bid exceeds
 15 available funds and it is determined in writing by the Department of Administrative
 16 Services that time or other circumstances will not permit or justify the delay required to
 17 resolicit competitive bids, a contract may be negotiated pursuant to this Code section,
 18 provided that each responsible bidder who submitted such a bid under the original
 19 solicitation is notified of the determination and is given a reasonable opportunity to
 20 negotiate. In cases where the bids received are noncompetitive or the ~~low~~ lowest
 21 responsible bid exceeds available funds, the negotiated price shall be lower than the
 22 lowest rejected bid of any responsible bidder under the original solicitation.

23 (2) When proposals received pursuant to this part are unreasonable or unacceptable as
 24 to terms and conditions, are noncompetitive, or the lowest responsible proposal exceeds
 25 available funds and it is determined in writing by the Department of Administrative
 26 Services that time or other circumstances will not permit or justify the delay required to
 27 resolicit competitive proposals, a contract may be negotiated pursuant to this Code
 28 section, provided that each responsible offeror who submitted such a proposal under the
 29 original solicitation is notified of the determination and is given a reasonable opportunity
 30 to negotiate. In cases where the proposals received are noncompetitive or the lowest
 31 responsible proposal exceeds available funds, any contract award made pursuant to this
 32 paragraph shall be made to the offeror whose negotiated proposal is most advantageous
 33 to the state according to the evaluation criteria in the request for proposals rather than to
 34 the offeror whose negotiated proposal offers the lowest price, provided that the negotiated
 35 price of the most advantageous proposal is lower than the price of the rejected responsible
 36 proposal with the lowest price under the original solicitation.

1 (d) Every bid or proposal conforming to the terms of the advertisement provided for in this
 2 Code section, together with the name of the bidder, shall be recorded, and all such records
 3 with the name of the successful bidder or offeror indicated thereon shall, after award or
 4 letting of the contract, be subject to public inspection upon request. The Department of

 10 contract. The Department of Administrative Services shall also, within ~~five days~~ one day
 11 after the award or letting of the contract, publish on public display the names of all persons
 12 whose bids, offers, or proposals were rejected by it, together with a statement giving the
 13 reasons for such rejection. Bids, offers, or proposals shall be opened in public by the
 14 Department of Administrative Services, which shall canvass the bids, offers, or proposals
 15 and award the contract according to the terms of this part. A proper bond for the faithful
 16 performance of any contract shall be required of the successful bidder or offeror in the
 17 discretion of the Department of Administrative Services. After the contracts have been
 18 awarded, the Department of Administrative Services shall certify to the ~~various~~
 19 ~~departments, institutions, and agencies of the state government~~ offices, agencies,
 20 departments, boards, bureaus, commissions, institutions, or other entities of the state the
 21 sources of the supplies and the contract price of the various supplies, materials, services,
 22 and equipment so contracted for.
