4 authorized by the board of directors, funds ~~not used in loans to members~~, in the following  
5 manner:

6 (A) In obligations of the United States, including bonds and securities upon which  
7 payment of principal and interest is fully guaranteed by the United States; obligations  
8 issued by banks for cooperatives, federal land banks, federal intermediate credit banks,  
9 federal home loan banks, the Federal Home Loan Bank Board, or any corporation  
10 designated in Section 846 of Title 31 of the United States Code as a wholly owned  
11 government corporation; or in obligations, participations, or other instruments of or  
12 issued by or fully guaranteed as to principal and interest by the Federal National  
13 Mortgage Association or the Government National Mortgage Association;

14 (B) In general and direct obligations of the State of Georgia, its counties, districts, and  
15 municipalities which have been validated as provided by law, if no more than 25  
16 percent of the shares and deposits of a credit union shall be invested in the obligations  
17 of any one such obligor;

18 (C) In loans to other credit unions, provided the loans do not exceed 10 percent of the  
19 shares, deposits, and surplus of the investing credit union;

20 (D) By depositing its funds in banks, building and loan associations, savings and loan  
21 associations, and other credit unions; by purchasing certificates of deposit and savings  
22 certificates which such financial institutions are authorized to issue; and by selling or  
23 purchasing federal or correspondent (daily) funds or loan participations through such  
24 financial institutions; subject to limitations prescribed in regulations issued by the  
25 department; and

26 (E) In any other types of investments authorized by the department, including  
27 commercial paper, provided such investments shall not, in the aggregate, exceed 10  
28 percent of the shares, deposits, and surplus of the investing credit union. In lieu of the  
29 foregoing limitation, any credit union may invest up to 15 percent of its equity capital  
30 as defined by the department in authorized investments issued by any single obligor;

31 (5) It may borrow from any source, but the total of such borrowings shall at no time  
32 exceed 50 percent of paid-in shares, deposits, and surplus. The department may,  
33 notwithstanding the other provisions of this Code section, temporarily waive the  
34 requirements of this paragraph to permit an individual credit union to borrow for  
35 emergency purposes;

36 (6) It may undertake with the approval of the department other activities which are not  
37 inconsistent with this chapter or regulations adopted pursuant thereto, including such

1 powers as are afforded to federally chartered credit unions, either directly, through a  
 2 subsidiary corporation, or in cooperation with other credit unions; provided, however, no  
 3 such approval shall be granted unless the commissioner determines the activities do not  
 4 present undue safety and soundness risks to the credit union involved;

5 (7) It may organize and engage in business without having any stated amount of capital  
 6 subscribed or paid in other than that derived from the subscribers' qualifying shares, may  
 7 commence business with only such capital authorized and paid in as may be provided in  
 8 its bylaws, and may provide for the payment and withdrawal thereof as and in the manner  
 9 provided by its bylaws;

10 (8) It may purchase, hold, and convey real estate for the following purposes only:

11 (A) Such real estate as shall be necessary for the convenient transaction of its business,  
 12 subject to the prior approval of the department;

13 (B) Such real estate as shall be conveyed to it in satisfaction of debt previously  
 14 contracted in the course of its business; and

15 (C) Such real estate as it shall purchase at sales under judgments, decrees, or mortgage  
 16 foreclosures pursuant to mortgages or security deeds held by it;

17 (9) No real estate acquired in the cases provided for by subparagraphs (B) and (C) of  
 18 paragraph (8) of this Code section and no real estate which has ceased to be used as credit  
 19 union premises shall be held for a longer period than five years, unless the time shall be  
 20 extended by the department. Properties, other than real estate, which are acquired in  
 21 satisfaction of debts previously contracted and which a credit union is not otherwise  
 22 authorized to own shall be held for no longer than six months unless such time period is  
 23 extended by the department. Disposition of such property may be financed by the credit  
 24 union without the advance of additional funds irrespective of the purchasers' membership  
 25 in the credit union and of ordinarily applicable collateral margin requirements;

26 (10) It may provide through an amendment to its bylaws which shall be approved by  
 27 two-thirds of its membership present and voting as otherwise provided in this part for the  
 28 elimination or limitation of the personal liability of a director to the members in their  
 29 capacity as shareholders of the credit union to the same extent as a bank or trust company  
 30 operating under the provisions of this chapter."

### 31 **SECTION 18.**

32 Said chapter is further amended by designating the existing text of Code Section 7-1-653,  
 33 relating to expulsion or withdrawal of members of a credit union, as subsection (a) and  
 34 inserting a new subsection (b) to read as follows:

1 "(b) A member may be expelled for reasons defined in the bylaws by a two-thirds' vote  
 2 of the board of directors. An expelled member may obtain reinstatement by an affirmative  
 3 vote of the majority of the members voting at the next annual meeting of the credit union."

#### 4 SECTION 19.

5 Said chapter is further amended by striking paragraphs (1) and (6) of subsection (a) of Code  
 6 Section 7-1-656, relating to the duties of the board of directors of a credit union, and  
 7 inserting in their place the following:

8 "(1) To act upon all applications for membership or approve the actions of an officer  
 9 without loan granting authority, designated by the board of directors to approve  
 10 applications for membership;"

11 "(6) To have charge of the investment of funds of the credit union other than loans to  
 12 members within the restrictions imposed by statute or delegate investment authority to  
 13 a qualified committee or officer as designated by the board of directors; and".

#### 14 SECTION 20.

15 Said chapter is further amended by striking Code Section 7-1-660, relating to dividends and  
 16 interest paid by a credit union, and inserting in its place the following:

17 "7-1-660.

18 At such intervals and for such periods as the board of directors may authorize, dividends  
 19 and interest from retained earnings may be declared at such rates as are determined by the  
 20 board, provided that such dividends and interest shall not be paid until provision for the  
 21 transfer to the ~~required reserves~~ allowance for loan losses has been made. Dividends or  
 22 interest in excess of ~~90~~ 100 percent of a credit union's net earnings before dividends ~~in the~~  
 23 ~~fiscal year preceding the year in which a dividend or interest is proposed~~ shall be approved  
 24 in writing by the department prior to payment, provided that an application from a credit  
 25 union with net worth equal to or in excess of the requirements for a well-capitalized credit  
 26 union, as defined by the National Credit Union Administration rules and regulations shall  
 27 be deemed to be approved five business days after the receipt of the dividend approval  
 28 form by the department unless the department notifies the credit union that the dividend is  
 29 not approved within this period. The proposed dividend or interest may be paid after  
 30 approval by the department upon its determination that such payment would be in the  
 31 continued best interest of the credit union, would promote its stability, and would not  
 32 impair its ability to repay its creditors other than its shareholders and depositors."

**SECTION 21.**

Said chapter is further amended by striking Code Section 7-1-663, relating to departmental regulations governing credit unions, and inserting in its place the following:

"7-1-663.

Without limitation on the authority conferred by Article 1 of this chapter, the department is authorized to make such rules and regulations not inconsistent with this article and other applicable statutes governing the operation of credit unions as it may consider reasonable and proper for the protection of all funds invested. The department shall solicit comments from credit unions at least annually for recommended changes to the department's rules and regulations."

**SECTION 22.**

Said chapter is further amended by striking Code Section 7-1-665, relating to subsidiary offices of a credit union, and inserting in its place the following:

"7-1-665.

A credit union shall not be prohibited from maintaining offices at locations other than its principal offices if the maintenance of such offices shall be reasonably necessary to furnish service to its membership. The establishment of additional offices shall be subject to the prior approval of the department upon application to it in such form as it may prescribe by regulation. Participation in shared branching networks does not constitute the establishment of additional offices under this Code section."

**SECTION 23.**

Said chapter is further amended by striking subsection (a) of Code Section 7-1-667, relating to credit union mergers, and inserting in its place the following:

"(a) A credit union may, with the approval of the department and in accordance with such uniform rules and regulations as it shall make and promulgate, be merged with another credit union under the articles of such credit union, upon any plan agreed upon by the majority of the board of each credit union joining the merger and approved by not less than two-thirds of the members of each credit union present and eligible to vote at meetings called for that purpose. The department may allow waiver of the member vote if in its judgment the merger is necessary to protect the safety and soundness of either or both credit unions. All property, property rights, and interests of the credit union so merging shall, upon merger, be transferred to and vested in the credit union under whose articles the merger is effected without deed, endorsement, or other instrument of transfer; and the debts and obligations of the credit union so merging shall be deemed to have been assumed by

1 the credit union under whose articles the merger is effected; and thereafter the articles of  
2 the credit union so merging shall be void."

3 **SECTION 24.**

4 Said chapter is further amended by striking Code Section 7-1-668, relating to conversions  
5 of state and federal credit unions, and inserting in its place the following:

6 "7-1-668.

7 (a) Any credit union operating in this state may convert into a federal chartered credit  
8 union, and any federal credit union may convert into a credit union organized under this  
9 chapter upon approval of the authority under whose supervision the converted credit union  
10 will operate and upon compliance with applicable federal laws as to a converted federal  
11 credit union and upon compliance with applicable state laws as to a converted credit union.

12 In the case of a federal credit union converting to a state credit union, such converting  
13 credit union may keep its existing members at the time of conversion, but after conversion  
14 eligibility for membership in the converted credit union must comply with state law. If  
15 there are other areas of noncompliance with state law, the credit union must provide the  
16 department with a plan to bring those areas into compliance with Georgia law within a  
17 reasonable period, to be determined by the department.

18 (b) The procedure for obtaining such approval and effecting the conversions in the case  
19 of a credit union shall be as follows:

20 (1) A meeting of the board of directors, either regular or special, shall be called for the  
21 purpose of voting on converting from a federal credit union to a credit union or from a  
22 credit union to a federal credit union. A majority of the board of directors shall adopt a  
23 resolution approving the contemplated conversion;

24 (2) A meeting, either regular or special, of the shareholders shall then be called for  
25 voting on the proposed conversion. Notice of said meeting shall be given in the manner  
26 prescribed in Code Section 7-1-6 and shall include a statement indicating that the  
27 proposed conversion will be considered at the meeting. Proof of giving of the notice shall  
28 be by the affidavit of the president of the credit union. A majority of the members  
29 present at this meeting shall then approve the proposed conversion;

30 (3) Within ten days after such approval of the conversion, the president or vice-president  
31 and treasurer shall file a verified copy of the resolution adopted by the board of directors  
32 with the state or federal authority under whose supervision the converting credit union  
33 is to operate.

34 (c) Upon the written approval of the department for conversions to credit unions and with  
35 the written approval of the ~~administrator of the~~ National Credit Union Administration for  
36 conversions to federal credit unions, the converting credit union shall then become a credit

1 union under the laws of this state or the United States, as the case may be; and thereupon  
 2 all assets shall become the property of the new credit union or federal credit union, as the  
 3 case may be, subject to all existing liabilities, and every person who was a member of the  
 4 converting credit union shall be a member in the new credit union or federal credit union.

5 (d) Conversions by state chartered credit unions to financial institutions other than credit  
 6 unions shall be effected by approval of the department and compliance with any other  
 7 applicable law. Procedures provided in subsection (b) of this Code section shall be  
 8 followed for obtaining approval and effecting such conversions, provided that two-thirds  
 9 of the members voting shall be required to approve a proposed conversion. The department  
 10 may prescribe other requirements in order to protect the rights of members or the funds  
 11 invested."

 16 membership which consists primarily of other credit unions operating pursuant to this  
 17 chapter, any other state credit union law, or the Federal Credit Union Act. A central credit  
 18 union may be organized and operated under this chapter and subject to all provisions of this  
 19 chapter which are not inconsistent with this Code section. Such credit union shall use the  
 20 word 'central' in its name."

21 "(e) A central credit union may:

22 (1) Make loans to other credit unions, but loans to any one credit union shall not exceed;  
 23 ~~10 percent of the shares, deposits, and surplus of the credit union borrower, without prior~~

 29 marketable securities and member reverse repurchase transactions, no more than 100  
 30 percent of capital.

31 For the purposes of this paragraph, the definition of capital shall be consistent with  
 32 federal law and regulations. The department may utilize other definitions found in the  
 33 National Credit Union Administration rules and regulations in interpreting this  
 34 subsection;

9 and inserting a new subsection (d) to read as follows:

10 "(d) A credit union that is approved to offer third-party payment services may apply to the  
11 department to offer other services, such as check-cashing services, sale of money orders,  
12 or international remittances, which services are determined by the department to be safe,  
13 sound, convenient, and necessary and responsive to those consumers eligible for  
14 membership. The department may impose restrictions on these services if approved."

32 guaranteed by the state to an aggregate amount, based upon principal amount or market  
33 value, whichever is lower, of not less than the amount of the required corporate surety bond  
34 or portion thereof. These assets shall be held to secure the same obligations as would the

1 surety bond; but the licensee shall be entitled to receive all interest thereon and shall have  
 2 the right, with the approval of the department, to substitute other assets approved by this  
 3 Code section for those deposited and shall be required to do so on written order of the  
 4 department made for good cause shown; provided, however, if the licensee substitutes  
 5 assets more than once during the license period the department may charge a fee for the  
 6 processing of such substitution to be prescribed by regulations of the department. In the  
 7 event of the failure or insolvency of such licensee, the assets, any proceeds therefrom, and  
 8 the funds deposited pursuant to this Code section shall be applied to the payment in full of  
 9 claims arising out of transactions in this state for the sale or issuance of checks. This

 26 the following:

27 "(a) Upon receipt of an application for license, the department shall conduct such  
 28 investigation as it deems necessary to determine that the applicant and the individuals who  
 29 direct the affairs or establish policy for the licensee applicant, including the officers,

 31 and such persons meet the requirements of subsection (d) of this Code section; that the  
 32 applicant and such persons demonstrate reasonable financial responsibility; that the

5 a felony involving moral turpitude in any jurisdiction or of a crime which, if committed  
6 within this state, would constitute a felony involving moral turpitude under the laws of this  
7 state. For the purposes of this article, a person shall be deemed to have been convicted of  
8 a crime if such person shall have pleaded guilty to a charge thereof before a court or federal  
9 magistrate or shall have been found guilty thereof by the decision or judgment of a court  
10 or federal magistrate or by the verdict of a jury, irrespective of the pronouncement of  
11 sentence or the suspension thereof, and regardless of whether first offender treatment  
12 without adjudication of guilt pursuant to the charge was entered, unless and until such plea  
13 of guilty, or such decision, judgment, or verdict, shall have been set aside, reversed, or  
14 otherwise abrogated by lawful judicial process or until probation, sentence, or both  
15 probation and sentence of a first offender have been successfully completed and

17 therefor from the President of the United States or the governor or other pardoning  
18 authority in the jurisdiction where the conviction was had or shall have received an official  
19 certification or pardon granted by the State Board of Pardons and Paroles which removes  
20 the legal disabilities resulting from such conviction and restores civil and political rights

23 checks on covered employees. Such background checks shall be handled by the Georgia  
24 Crime Information Center pursuant to Code Section 35-3-34 and the rules and regulations

29 partners, agents, or ultimate equitable owners of 10 percent or more or to persons who  
30 direct the company's affairs or establish policy, whose background must have been  
31 investigated through the department before taking office, beginning employment, or  
32 securing ownership. Upon receipt of information from the Georgia Crime Information  
33 Center that is incomplete or that indicates an employee has a criminal record in any state  
34 other than Georgia, the employer shall submit to the department two complete sets of  
35 fingerprints of such person, together with the applicable fees and any other required  
36 information. The department shall submit such fingerprints as provided in subsection (e)  
37 of this Code section."

**SECTION 33.**

Said chapter is further amended by striking subsection (a) of Code Section 7-1-1005, relating to renewals of licenses and registrations, and inserting in its place the following:

Notice of a change in address ~~or an addition of a new location~~ of the main office or an approved branch location shall be submitted no later than 15 days before the change is made.
