10 adopt from time to time a method or methods of providing for increases in the maximum

12 or thereafter retiring under this chapter. Such method shall be based upon:

13 (A) The recommendation of the actuary of the board of trustees;

14 (B) The maintenance of the actuarial soundness of the fund in accordance with the
15 standards provided in Code Section 47-20-10 or such higher standards as may be

29 percent in any six-month period.

30 47-25-23.

31 (a) The board shall have control of all funds provided for in this chapter and all funds shall

33 of administering this fund and the benefits provided for in this chapter shall be paid from
34 such funds. The board shall have authority to expend the funds in accordance with this
35 chapter.

1 (b) The board shall have full power to invest and reinvest such funds, subject to all the
2 terms, conditions, limitations, and restrictions imposed by Article 7 of Chapter 20 of this
3 title, the 'Public Retirement Systems Investment Authority Law.' Subject to such terms,
4 conditions, limitations, and restrictions, the board shall have full power to hold, purchase,
5 sell, assign, transfer, and dispose of any of the securities and investments in which any of
6 the funds are invested, including the proceeds of any investments and any money belonging
7 to the fund.

8 (c) The board is authorized to employ agents, including, but not limited to, banks or trust
9 departments thereof, and to contract with such agents for their services as investment
10 advisers and counselors, making recommendations for investments and making
11 investments if the board so authorizes.

12 47-25-24.

13 The board may take, by gift, grant, or bequest, any money, real or personal property, or any
14 other thing of value and may hold or invest it for the use and purposes of the fund in
15 accordance with this chapter.

16 47-25-25.

17 The board shall keep permanent records of all persons who qualify to participate in the
18 benefits of this chapter, an accurate record of all payments and disbursements, and a
19 detailed record of all the acts and doings of the board.

20 47-25-26.

21 The state auditor is authorized and directed to make an annual audit of the acts and doings
22 of the board and to make a complete report of the same to the General Assembly in such
23 detail as he or she may see fit. The state auditor shall also have the right to audit the affairs
24 of the board and any of its employees at any time that he or she may see fit or at any time
25 that he or she may be requested to do so by the board or by the Governor.

26 ARTICLE 3

27 47-25-40.

28 Before any person shall be eligible to participate in the fund, he or she must be serving as
29 a duly qualified and commissioned full-time chief magistrate of a county of the State of
30 Georgia or as the secretary-treasurer. Any qualified person who desires to participate in
31 the fund shall make application to the board for membership in the fund on a form to be
32 furnished by the board for that purpose, giving such information, together with verification

1 and proof thereof, as may be required by the board. Such application shall be made not
2 later than July 1, 2007, or within six months after becoming eligible for membership,
3 whichever is later.

4 47-25-41.

5 Each member shall pay into the fund as dues the sum of \$105.00 per month. Each month's
6 dues shall be paid not later than the tenth day of that month.

7 ARTICLE 4

8 47-25-60.

9 (a) In addition to all other legal costs, the sum of \$3.00 shall be charged and collected in
10 each civil matter or proceeding filed in the magistrate courts.

11 (b) The clerks of the magistrate courts shall collect the fees provided for in subsection (a)
12 of this Code section and the fees so collected shall be remitted to the board on a quarterly
13 basis or at such time as the board may provide. It shall be the duty of the clerks to keep
14 accurate records of the amounts due the board under this Code section and such records
15 may be audited by the board at any time. The sums remitted to the board under this Code
16 section shall be used for the purposes provided in this chapter.

17 ARTICLE 5

18 47-25-80.

19 In order for a member to be eligible to receive retirement benefits under this chapter, he or
20 she must have:

21 (1) Served as a regularly qualified and commissioned full-time chief magistrate or as the
22 secretary-treasurer for at least eight years;

23 (2) Fully complied with this chapter;

24 (3) Terminated his or her official capacity as a full-time chief magistrate or as the
25 secretary-treasurer;

26 (4) Attained the age of 60 years;

27 (5) Filed with the board his or her application for such retirement, on a form to be
28 furnished by the board, within a period of 90 days, or as soon thereafter as possible, after
29 reaching the age of 60 years or after termination of his or her official capacity as a
30 full-time chief magistrate or as the secretary-treasurer, whichever may occur last in point
31 of time; and

32 (6) Had his or her application for retirement approved by the board.

1 47-25-81.

2 Any member who is approved for retirement benefits as provided in subsection (a) of Code
3 Section 47-25-80 shall be paid a monthly sum equal to 4 percent of his or her average final
4 monthly compensation for each year served by the member up to, but not exceeding, a total
5 of 20 years; provided, however, that the final monthly compensation used for calculating
6 a benefit under this Code section shall not exceed \$33,772.20; provided, further, that the
7 board of trustees is authorized to adopt from time to time a method or methods of providing
8 for increases in the maximum final monthly compensation used for calculating a benefit
9 as provided in this Code section. Such method or methods shall be based upon:

- 10 (1) The recommendation of the actuary of the board of trustees;
- 11 (2) The maintenance of the actuarial soundness of the fund in accordance with the
12 standards provided in Code Section 47-20-10 or such higher standards as may be adopted
13 by the board; and
- 14 (3) Such other factors as the board deems relevant; provided, however, that any such
15 increase shall be uniform and shall apply equally to all members of this retirement
16 system.

17 No time for which dues have not been paid in accordance with Code Section 47-25-41 shall
18 be considered in determining the number of years of service.

19 47-25-82.

20 (a) As used in this Code section, the term 'surviving spouse' means the person who was
21 married to a member on the date of the member's death.

22 (b) Upon the death of any member who is then receiving retirement benefits and upon the
23 surviving spouse of such member attaining 60 years of age, said spouse shall be paid
24 spouse's benefits which shall be equal to 50 percent of the retirement benefits then being
25 paid to such member. Such benefits shall be paid for the remainder of the life of such
26 surviving spouse.

27 (c) Upon the death of any member prior to retirement, the surviving spouse of such
28 member may elect:

29 (1) To withdraw the dues paid into the retirement fund by the deceased member plus
30 interest at the rate specified by law, in which case the spouse shall be deemed to have
31 waived any right to any benefits; or

32 (2) To leave such dues in the retirement fund and to receive spouse's benefits which shall
33 be payable beginning:

34 (A) On the date of the member's death, if such member is 60 years of age or older; or

35 (B) On the date on which the surviving spouse of the deceased member reaches 60
36 years of age,

1 whichever event occurs last, and which shall be equal to 50 percent of the retirement
2 benefits which the deceased member was drawing at the time of death or, in the case of
3 a member who dies prior to his or her sixtieth birthday, which such deceased member
4 would have been entitled to receive upon reaching 60 years of age had he or she lived and
5 ceased service as a full-time chief magistrate or the secretary-treasurer on the date of his
6 or her death.

7 47-25-83.

8 (a) Any member, after ceasing to serve as a full-time chief magistrate or as the
9 secretary-treasurer and after waiving any right to retirement benefits in writing on a form
10 to be provided by the board, may apply for and be refunded all dues paid, together with 5
11 percent simple interest per annum from the end of the calendar year in which paid to the
12 end of the calendar year next preceding the application for the refund.

13 (b) Although retirement pay shall be based on Code Section 47-25-81 and nothing in this
14 Code section shall be construed to alter same, at the effective date of retirement, simple
15 interest at a rate of 5 percent per annum shall be computed on all dues paid from the end
16 of the calendar year in which paid to the end of the calendar year immediately preceding
17 the date of retirement and shall be added to the total dues paid. After all retirement benefits
18 coming due under Code Section 47-25-81 have been paid and if the total thereof shall not
19 be equal to or exceed the above total of dues and interest, then the balance of such principal
20 and interest shall be paid to the estate of the deceased member.

21 (c) Upon application by the estate of any member who dies prior to retirement and who
22 does not have a surviving spouse who is eligible for benefits under Code Section 47-25-82,
23 all dues paid by such deceased member, together with 5 percent simple interest per annum
24 from the end of the calendar year in which paid to the end of the calendar year next
25 preceding the application for the refund, shall be paid to the estate of the deceased member.

26 (d) No dues may be refunded except in strict compliance with this Code section.

27 47-25-84.

28 Notwithstanding any other provisions of this chapter to the contrary, a member may retire
29 after completing four years of creditable service if he or she becomes totally and
30 permanently disabled after commencing service as a full-time chief magistrate or as the
31 secretary-treasurer. Any such member shall be entitled to receive retirement benefits in the
32 amount that he or she would receive if his or her retirement were effective at the time he
33 or she became disabled. All questions relating to the degree and nature of the total and
34 permanent disability suffered by the member shall be determined by the board.

1 47-25-85.

2 Nothing contained in this chapter shall be construed so as to prevent any person who is a
3 member of the fund from belonging to any other retirement, annuity, or benefit system.

4 47-25-86.

5 (a) If a retired member becomes employed as a full-time or part-time magistrate or chief
6 magistrate, his or her retirement benefits shall be suspended during the period of time he
7 or she holds such position, and upon cessation of such service, his or her prior retirement
8 allowance shall be resumed.

9 (b) If a retired member becomes employed as a full-time chief magistrate, he or she may
10 elect again to become a contributing member of the retirement system and be governed by
11 the retirement provisions of this chapter.

12 **ARTICLE 6**

13 47-25-100.

14 If the board determines that the funds derived from the sources provided for in this chapter
15 are not actuarially sufficient at any time to enable the board to pay in full each person
16 determined to be entitled to the benefits provided for, plus all contingent and other
17 liabilities, then a prorated percentage of such payments shall be made to each person
18 entitled thereto until the funds shall be replenished actuarially sufficient to enable the board
19 to resume such payments in accordance with the terms of this chapter. In no event shall
20 the board or any member thereof be liable to any person for any deficiency in payments
21 made under this Code section.

22 47-25-101.

23 None of the funds provided for in this chapter shall be subject to attachment, garnishment,
24 or judgment rendered against the person entitled to receive the same. Such funds shall not
25 be assignable."

26 **SECTION 2.**

27 This Act shall become effective on July 1, 2006, only if it is determined to have been
28 concurrently funded as provided in Chapter 20 of Title 47 of the Official Code of Georgia
29 Annotated, the "Public Retirement Systems Standards Law"; otherwise, this Act shall not
30 become effective and shall be automatically repealed in its entirety on July 1, 2006, as
31 required by subsection (a) of Code Section 47-20-50.

1

SECTION 3.

2 All laws and parts of laws in conflict with this Act are repealed.
