SECTION 4.

Article 10 of Chapter 12 of Title 53 of the Official Code of Georgia Annotated, relating to allocation of principal and income, is amended by striking in its entirety Code Section

1 53-12-211, relating to the duty of a trustee as to receipts and expenditures, and inserting in
2 lieu thereof the following:

3 "53-12-211.

4 ~~(a) A trust shall be administered with due regard to the respective interests of income~~
5 ~~beneficiaries and remainder beneficiaries. A trust is so administered with respect to the~~
6 ~~allocation of receipts and expenditures if a receipt is credited or an expenditure is charged~~
7 ~~to income or principal or partly to each:~~

8 ~~(1) In accordance with the terms of the trust notwithstanding contrary provisions of this~~
9 ~~chapter;~~

10 ~~(2) In the absence of any contrary terms of the trust in accordance with the provisions~~
11 ~~of this chapter; or~~

12 ~~(3) If neither of the preceding rules of administration is applicable, in accordance with~~
13 ~~what is reasonable and equitable in view of:~~

14 ~~(A) The interests of income beneficiaries as well as of remainder beneficiaries; and~~

15 ~~(B) The manner in which a prudent person acting in a like capacity would act in the~~
16 ~~management of the property of another.~~

17 ~~(b) If the trust gives the trustee discretion in crediting a receipt or charging an expenditure~~
18 ~~to income or principal or partly to each, no inference that the trustee has improperly~~
19 ~~exercised such discretion shall arise from the fact that the trustee has made an allocation~~
20 ~~contrary to a subsequent provision of this chapter.~~

21 (a) In allocating receipts and disbursements to or between principal and income and with
22 respect to any matter within the scope of this chapter, the following shall apply:

23 (1) A trustee shall administer a trust in accordance with the governing instrument, even
24 if there is a different provision in this chapter;

25 (2) A trustee may administer a trust by the exercise of a discretionary power of
26 administration regarding a matter within the scope of this chapter given to the trustee by
27 the governing instrument, even if the exercise of the power produces a result different
28 from a result required or permitted by this chapter. No inference that the trustee has
29 improperly exercised the discretionary power shall arise from the fact that the trustee has
30 made an allocation contrary to a provision of this chapter;

31 (3) A trustee shall administer a trust in accordance with this chapter if the governing
32 instrument does not contain a different provision or does not give the trustee a
33 discretionary power of administration regarding a matter within the scope of this chapter;
34 and

1 (4) A trustee shall add a receipt or charge a disbursement to principal to the extent that
 2 the governing instrument and this chapter do not provide a rule for allocating the receipt
 3 or disbursement to or between principal and income.

4 (b) In exercising a discretionary power of administration regarding a matter within the
 5 scope of this chapter, whether granted by the governing instrument or this chapter,
 6 including Code Section 53-12-220, relating to a trustee's power to adjust, and Code Section
 7 53-12-221, relating to the power to convert to unitrust, a trustee shall administer a trust
 8 impartially based on what is fair and reasonable to all of the beneficiaries, except to the
 9 extent that the governing instrument clearly manifests an intention that the trustee shall or
 10 may favor one or more of the beneficiaries. A determination in accordance with this
 11 chapter is presumed to be fair and reasonable to all of the beneficiaries."

12 SECTION 5.

13 Said article is further amended by striking Code Section 53-12-218, relating to timber, and
 14 inserting in lieu thereof the following:

15 "53-12-218.

16 If any part of the principal consists of land from which merchantable timber may be
 17 removed, the receipts from taking the timber from the land shall be allocated in accordance
 18 with ~~paragraph (3)~~ of subsection (a) of Code Section 53-12-211."

19 SECTION 6.

20 Said article is further amended by adding at the end thereof three new Code Sections
 21 53-12-220, 53-12-221, and 53-12-222 to read as follows:

22 "53-12-220.

23 (a) Subject to subsections (c) and (f) of this Code section, a trustee may adjust between
 24 principal and income by allocating an amount of income to principal or an amount of
 25 principal to income to the extent the trustee considers appropriate if:

26 (1) The governing instrument describes what may or must be distributed to a beneficiary
 27 by referring to the trust's income; and

28 (2) The trustee determines, after applying the rules in subsection (a) of Code Section
 29 53-12-211, that the trustee is unable to comply with subsection (b) of Code Section
 30 53-12-211.

31 (b) In deciding whether and to what extent to exercise the power conferred by
 32 subsection (a) of this Code section, a trustee may consider, among other things, all of the
 33 following:

34 (1) The size of the trust;

35 (2) The nature and estimated duration of the trust;

- 1 (3) The liquidity and distribution requirements of the trust;
 - 2 (4) The needs for regular distributions and preservation and appreciation of capital;
 - 3 (5) The expected tax consequences of an adjustment;
 - 4 (6) The net amount allocated to income under this chapter and the increase or decrease
 - 5 in the value of the principal assets, which the trustee may estimate as to assets for which
 - 6 market values are not readily available;
 - 7 (7) The assets held in the trust; the extent to which they consist of financial assets,
 - 8 interests in closely held enterprises, and tangible and intangible personal property or real
 - 9 property; the extent to which an asset is used by a beneficiary; and whether an asset was
 - 10 purchased by the trustee or received from the settlor or testator;
 - 11 (8) To the extent reasonably known to the trustee, the needs of the beneficiaries for
 - 12 present and future distributions authorized or required by the governing instrument;
 - 13 (9) Whether and to what extent the governing instrument gives the trustee the power to
 - 14 invade principal or accumulate income or prohibits the trustee from invading principal
 - 15 or accumulating income, and the extent to which the trustee has exercised a power from
 - 16 time to time to invade principal or accumulate income;
 - 17 (10) The intent of the settlor or testator; and
 - 18 (11) The actual and anticipated effect of economic conditions on principal and income
 - 19 and effects of inflation and deflation on the trust.
- 20 (c) A trustee may not make an adjustment under this Code section if any of the following
- 21 apply:
- 22 (1) The adjustment would diminish the income interest in a trust which requires all of the
 - 23 income to be paid at least annually to a spouse and for which a federal estate tax or gift
 - 24 tax marital deduction would be allowed, in whole or in part, if the trustee did not have the
 - 25 power to make the adjustment;
 - 26 (2) The adjustment would reduce the actuarial value of the income interest in a trust to
 - 27 which a person transfers property with the intent to qualify for a federal gift tax
 - 28 exclusion;
 - 29 (3) The adjustment would change the amount payable to a beneficiary as a fixed annuity
 - 30 or a fixed fraction of the value of the trust assets;
 - 31 (4) The adjustment is from any amount which is permanently set aside for charitable
 - 32 purposes under the governing instrument and for which a federal estate or gift tax
 - 33 deduction has been taken, unless both income and principal are so set aside;
 - 34 (5) If:
 - 35 (A) Possessing or exercising the power to make an adjustment would cause an
 - 36 individual to be treated as the owner of all or part of the trust for federal income tax
 - 37 purposes; and

- 1 (B) The individual would not be treated as the owner if the trustee did not possess the
2 power to make an adjustment;
- 3 (6) If:
- 4 (A) Possessing or exercising the power to make an adjustment would cause all or part
5 of the trust assets to be subject to federal estate, gift, or generation-skipping transfer tax
6 with respect to an individual; and
- 7 (B) The assets would not be subject to federal estate, gift, or generation-skipping tax
8 with respect to the individual if the trustee did not possess the power to make an
9 adjustment;
- 10 (7) If the trustee is a beneficiary of the trust; or
- 11 (8) If the trust has been converted under Code Section 53-12-221.
- 12 (d) If paragraph (5), (6), or (7) of subsection (c) of this Code section applies to a trustee
13 and there is more than one trustee, a cotrustee to whom the provision does not apply may
14 make the adjustment unless the exercise of the power by the remaining trustee or trustees
15 is prohibited by the governing instrument.
- 16 (e)(1) If paragraph (2) of this subsection applies, a trustee may release any of the
17 following:
- 18 (A) The entire power conferred by subsection (a) of this Code section;
- 19 (B) The power to adjust from income to principal; or
- 20 (C) The power to adjust from principal to income.
- 21 (2) A release under paragraph (1) of this subsection is permissible if either of the
22 following apply:
- 23 (A) The trustee is uncertain about whether possessing or exercising the power will
24 cause a result described in paragraphs (1) through (6) of subsection (c) of this Code
25 section; or
- 26 (B) The trustee determines that possessing or exercising the power will or may deprive
27 the trust of a tax benefit or impose a tax burden not described in subsection (c) of this
28 Code section.
- 29 (3) The release may be permanent or for a specified period, including a period measured
30 by the life of an individual.
- 31 (f) A governing instrument which limits the power of a trustee to make an adjustment
32 between principal and income does not affect the application of this Code section unless
33 it is clear from the governing instrument that it is intended to deny the trustee the power
34 of adjustment conferred by subsection (a) of this Code section.

1 53-12-221.

2 (a) Unless expressly prohibited by the governing instrument, a trustee may release the
3 power to adjust under Code Section 53-12-220 and convert a trust into a unitrust as
4 described in this Code section if all of the following apply:

5 (1) The trustee determines that the conversion will enable the trustee to better carry out
6 the intent of the settlor or testator and the purposes of the trust;

7 (2) The trustee gives written notice of the trustee's intention to release the power to
8 adjust and to convert the trust into a unitrust and of how the unitrust will operate,
9 including what initial decisions the trustee will make under this Code section, to all the
10 sui juris beneficiaries who:

11 (A) Are currently eligible to receive income from the trust; and

12 (B) Would receive, if no powers of appointment were exercised, a distribution of
13 principal if the trust were to terminate immediately prior to the giving of notice;

14 (3) There is at least one sui juris beneficiary under subparagraph (A) of paragraph (2) of
15 this subsection and at least one sui juris beneficiary under subparagraph (B) of paragraph
16 (2) of this subsection; and

17 (4) No sui juris beneficiary objects to the conversion to a unitrust in a writing delivered
18 to the trustee within 60 days of the mailing of the notice under paragraph (2) of this
19 subsection.

20 (b)(1) The trustee may petition the superior court to approve the conversion to a unitrust.

21 (2) A beneficiary may request a trustee to convert to a unitrust. If the trustee does not
22 convert, the beneficiary may petition the superior court to order the conversion.

23 (3) The court shall approve the conversion or direct the requested conversion if the court
24 concludes that the conversion will enable the trustee to better carry out the intent of the
25 settlor or testator and the purposes of the trust.

26 (c) In deciding whether to exercise the power to convert to a unitrust as provided by
27 subsection (a) of this Code section, a trustee may consider, among other things, all of the
28 following:

29 (1) The size of the trust;

30 (2) The nature and estimated duration of the trust;

31 (3) The liquidity and distribution requirements of the trust;

32 (4) The needs for regular distributions and preservation and appreciation of capital;

33 (5) The expected tax consequences of the conversion;

34 (6) The assets held in the trust; the extent to which they consist of financial assets,
35 interests in closely held enterprises, and tangible and intangible personal property or real
36 property; and the extent to which an asset is used by a beneficiary;

1 (7) To the extent reasonably known to the trustee, the needs of the beneficiaries for
2 present and future distributions authorized or required by the governing instrument;

3 (8) Whether and to what extent the governing instrument gives the trustee the power to
4 invade principal or accumulate income or prohibits the trustee from invading principal
5 or accumulating income and the extent to which the trustee has exercised a power from
6 time to time to invade principal or accumulate income; and

7 (9) The actual and anticipated effect of economic conditions on principal and income
8 and effects of inflation and deflation on the trust.

9 (d) After a trust is converted to a unitrust, all of the following apply:

10 (1) The trustee shall follow an investment policy seeking a total return for the
11 investments held by the trust, whether the return is to be derived from:

12 (A) Appreciation of capital;

13 (B) Earnings and distributions from capital; or

14 (C) Both appreciation of capital and earnings and distributions from capital;

15 (2) The trustee shall make regular distributions in accordance with the governing
16 instrument construed in accordance with the provisions of this Code section;

17 (3) The term 'income' in the governing instrument shall mean an annual unitrust
18 distribution equal to 4 percent of the net fair market value of the trust's assets, whether
19 such assets would be considered income or principal under other provisions of this
20 chapter, averaged over the lesser of:

21 (A) The three preceding years; or

22 (B) The period during which the trust has been in existence;

23 (4) The trustee can determine the fair market value of the property in the trust by
24 appraisal or other reasonable method or estimate; and

25 (5) The fair market value of the trust property shall not include the value of any
26 residential property or any tangible personal property that, as of the first business day of
27 the current valuation year, one or more of the current beneficiaries of the trust have or
28 had the right to occupy or have had the right to possess or control, other than in his or her
29 capacity as trustee of the trust, and instead the right of occupancy or the right to
30 possession or control shall be deemed to be the unitrust amount with respect to such
31 residential property.

32 (e) The trustee may in the trustee's discretion from time to time determine all of the
33 following:

34 (1) The effective date of a conversion to a unitrust;

35 (2) The provisions for prorating a unitrust distribution for a short year in which a
36 beneficiary's right to payments commences or ceases;

37 (3) The frequency of unitrust distributions during the year;

- 1 (4) The effect of other payments from or contributions to the trust on the trust's
2 valuation;
- 3 (5) Whether to value the trust's assets annually or more frequently;
- 4 (6) What valuation dates to use;
- 5 (7) How frequently to value nonliquid assets and whether to estimate their value; and
- 6 (8) Any other matters necessary for the proper functioning of the unitrust.
- 7 (f)(1) Expenses which would be deducted from income if the trust were not a unitrust
8 may not be deducted from the unitrust distribution.
- 9 (2) Unless otherwise provided by the governing instrument, the unitrust distribution
10 shall be paid from net income, as such term would be determined if the trust were not
11 a unitrust. To the extent net income is insufficient, the unitrust distribution shall be paid
12 from net realized short-term capital gains. To the extent income and net realized
13 short-term capital gains are insufficient, the unitrust distribution shall be paid from net
14 realized long-term capital gains. To the extent income and net realized short-term and
15 long-term capital gains are insufficient, the unitrust distribution shall be paid from the
16 principal of the trust.
- 17 (g) The trustee or, if the trustee declines to do so, a beneficiary may petition the superior
18 court to:
- 19 (1) Select a payout percentage different than 4 percent;
- 20 (2) Provide for a distribution of net income, as would be determined if the trust were not
21 a unitrust, in excess of the unitrust distribution if such distribution is necessary to
22 preserve a tax benefit;
- 23 (3) Average the valuation of the trust's net assets over a period other than three years;
- 24 or
- 25 (4) Reconvert from a unitrust. Upon a reconversion, the power to adjust under Code
26 Section 53-12-220 shall be revived.
- 27 (h) A conversion to a unitrust does not affect a provision in the governing instrument
28 directing or authorizing the trustee to distribute principal or authorizing a beneficiary to
29 withdraw a portion or all of the principal.
- 30 (i) A trustee may not convert a trust into a unitrust in any of the following circumstances:
- 31 (1) If the conversion would result in the disallowance of a federal estate tax or gift tax
32 marital deduction which would be allowed if the trustee did not have the power to
33 convert;
- 34 (2) If payment of the unitrust distribution would change the amount payable to a
35 beneficiary as a fixed annuity or a fixed fraction of the value of the trust assets;
- 36 (3) If the unitrust distribution would be made from any amount which is permanently set
37 aside for charitable purposes under the governing instrument and for which a federal

1 estate or gift tax deduction has been taken, unless both income and principal are so set
2 aside;

3 (4) If:

4 (A) Possessing or exercising the power to convert would cause an individual to be
5 treated as the owner of all or part of the trust for federal income tax purposes; and

6 (B) The individual would not be treated as the owner if the trustee did not possess the
7 power to convert; or

8 (5) If:

9 (A) Possessing or exercising the power to convert would cause all or part of the trust
10 assets to be subject to federal estate, gift, or generation-skipping transfer tax with
11 respect to an individual; and

12 (B) The assets would not be subject to federal estate, gift, or generation-skipping
13 transfer tax with respect to the individual if the trustee did not possess the power to
14 convert.

15 (j)(1) If paragraph (4) or (5) of subsection (i) of this Code section applies to a trustee and
16 there is more than one trustee, a cotrustee to whom the provision does not apply may
17 convert the trust unless the exercise of the power by the remaining trustee or trustees is
18 prohibited by the governing instrument; and

19 (2) If paragraph (4) or (5) of subsection (i) of this Code section applies to all the trustees,
20 the trustees may petition the superior court to direct a conversion.

21 (k)(1) A trustee may release the power conferred by subsection (a) of this Code section
22 to convert to a unitrust if either of the following apply:

23 (A) The trustee is uncertain about whether possessing or exercising the power to
24 convert will cause a result described in paragraph (4) or (5) of subsection (i) of this
25 Code section; or

26 (B) The trustee determines that possessing or exercising the power to convert will or
27 may deprive the trust of a tax benefit or impose a tax burden not described in subsection
28 (i) of this Code section.

29 (2) The release of the power to convert may be permanent or for a specified period,
30 including a period measured by the life of an individual.

31 53-12-222.

32 (a) A court shall not change a trustee's decision to exercise or not to exercise a
33 discretionary power conferred by this chapter unless it determines that the decision was an
34 abuse of the trustee's discretion.

35 (b) The decisions to which subsection (a) of this Code section apply include:

1 (1) A determination of whether and to what extent an amount should be transferred from
2 principal to income or from income to principal; and

3 (2) A determination of the factors that are relevant to the trust and its beneficiaries, the
4 extent to which they are relevant, and the weight, if any, to be given to the relevant
5 factors in deciding whether and to what extent to exercise the power conferred by this
6 chapter.

7 (c) Notwithstanding the actions and remedies and measure of liability for breach of trust
8 as set forth in Code Sections 53-12-192 and 53-12-193, if a court determines that a trustee
9 has abused its discretion regarding a discretionary power conferred by this chapter, the
10 remedy is to restore the income and remainder beneficiaries to the positions they would
11 have occupied if the trustee had not abused its discretion, according to the following rules:

12 (1) To the extent that the abuse of discretion has resulted in no distribution to a
13 beneficiary or a distribution which is too small, the court shall require the trustee to
14 distribute from the trust to the beneficiary an amount that the court determines will
15 restore the beneficiary, in whole or in part, to the beneficiary's appropriate position;

16 (2) To the extent that the abuse of discretion has resulted in a distribution to a beneficiary
17 which is too large, the court shall restore the beneficiaries, the trust, or both, in whole or
18 in part, to their appropriate positions by requiring the trustee to withhold an amount from
19 one or more future distributions to the beneficiary who received the distribution that was
20 too large or requiring that beneficiary or that beneficiary's estate to return some or all of
21 the distribution to the trust, notwithstanding a spendthrift or similar provision;

22 (3) If the abuse of discretion concerns the power to convert a trust into a unitrust, the
23 court shall require the trustee either to convert into a unitrust or to reconvert from a
24 unitrust; and

25 (4) To the extent that the court is unable, after applying paragraphs (1), (2), and (3) of
26 this subsection, to restore the beneficiaries, the trust, or both to the positions they would
27 have occupied if the trustee had not abused its discretion, the court may require the
28 trustee to pay an appropriate amount from its own funds to one or more of the
29 beneficiaries, the trust, or both.

30 (d) No provision of this Code section or this chapter is intended to create or imply a duty
31 to make an adjustment under Code Section 53-12-220 or a conversion under Code Section
32 53-12-221, and a trustee is not liable for not considering whether to make an adjustment
33 or a conversion for choosing not to make an adjustment or a conversion."

34 SECTION 7.

35 All laws and parts of laws in conflict with this Act are repealed.
