11 **BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:**

12 **SECTION 1.**

13 Article 3 of Chapter 2 of Title 40 of the Official Code of Georgia Annotated, relating to  
14 prestige license plates and special plates for certain persons and vehicles, is amended by  
15 adding a new Code Section 40-2-86.10, to read as follows:

16 "40-2-86.10.

17 (a) In order to promote the Governor's Highway Safety Program, there shall be issued  
18 beginning January 1, 2006, special license plates bearing the NASCAR logo with a specific  
19 driver or general motorsports theme, subject to the conditions set forth in this Code section.  
20 Also, in order to promote and provide for motorist and bicyclist safety and interaction  
21 education and awareness programs and media campaigns; adult and child bicycling safety  
22 training, workshops, and educational materials; assistance in forming local bicycle advisory  
23 committees; law enforcement education and implementation programs for policing by  
24 bicycle and policing to improve bicycling conditions; and 'share the road/yield to  
25 bicycles/bicyclists may use full lane' sign installations through the Governor's Highway  
26 Safety Program, there shall be issued beginning January 1, 2006, special license plates

1 promoting and benefitting such efforts, which shall be known as the 'Share the Road'  
2 Motorists and Bicyclists special license plate.

3 (b) For the NASCAR plates, the supplier of the plates, as designated by NASCAR, in  
4 consultation with the commissioner shall design special distinctive license plates bearing  
5 the NASCAR logo with a specific driver or general motorsports theme. For the 'Share the  
6 Road' plates, the commissioner shall design a special distinctive license plate in  
7 conjunction with the Southern Bicycle League and Bicycle Ride Across Georgia  
8 appropriate to promote the message of motorists and bicyclists safely and courteously  
9 sharing the roadway. The license plates shall be of the same size as general issue motor  
10 vehicle license plates and shall include a unique design and identifying number, whereby  
11 the total number of characters does not exceed six. No two recipients shall receive  
12 identically numbered plates. The graphic on the special license plate shall be placed to the  
13 left of the alphanumeric characters and shall be no larger than three inches by three inches.  
14 Such design shall not provide space in which to indicate the name of the county of  
15 issuance.

16 (c) Notwithstanding the provisions of subsection (b) of this Code section, this Code section  
17 shall not be implemented until such time as the State of Georgia has, through a licensing  
18 agreement or otherwise, received any licenses or other permissions that may be required  
19 to implement this Code section. The design of the initial edition of the license plates, as  
20 well as the design of subsequent editions and excepting only any part or parts of the  
21 designs owned by others and licensed to the state, shall be owned solely by the State of  
22 Georgia for its exclusive use and control, except as authorized by the commissioner. The  
23 commissioner may take such steps as may be necessary to give notice of and protect such  
24 right, including the copyright or copyrights. However, such steps shall be cumulative of  
25 the ownership and exclusive use and control established by this subsection as a matter of  
26 law, and no person shall reproduce or otherwise use such design or designs, except as  
27 authorized by the commissioner.

28 (d) Beginning in calendar year 2006, any Georgia resident who is the owner of a motor  
29 vehicle, except a vehicle registered under the International Registration Plan, upon  
30 complying with the motor vehicle laws relating to registration and licensing of motor  
31 vehicles and upon the payment of a manufacturing fee of \$25.00 in addition to the regular  
32 motor vehicle registration fee shall be issued a license plate promoting NASCAR.  
33 Revalidation decals shall be issued for such license plates in the same manner as provided  
34 for general issue license plates.

35 (e)(1) From the additional \$25.00 fee charged for the issuance and renewal of the license  
36 plates authorized under this Code section, \$10.25 shall be used by the department for  
37 purchasing plates from the supplier of the plates, as designated by NASCAR, and royalty

1 costs, and \$14.75 shall be paid to the general fund of the state treasury with the intent of  
2 supporting the Governor's Highway Safety Program. Subject to the general  
3 appropriations process, it is the intent of the General Assembly that funds derived from  
4 the sale of 'Share the Road' license plates shall be utilized by the Governor's Highway  
5 Safety Program to provide for motorist and bicyclist safety and interaction education and  
6 awareness programs and media campaigns; adult and child bicycling safety training,  
7 workshops, and educational materials; assistance in forming local bicycle advisory  
8 committees; law enforcement education and implementation programs for policing by  
9 bicycle and policing to improve bicycling conditions; and 'share the road/yield to  
10 bicycles/bicyclists may use full lane' sign installations. The Office of Highway Safety  
11 may enter into contractual agreements, as may be appropriate, to further such objectives.  
12 The Office of Highway Safety may provide said funds for use as local or minimum  
13 matching funds. The agency or organization ultimately making use of such funds shall  
14 periodically provide to the commissioner an audit of the use of the funds or other  
15 evidence of use of the funds satisfactory to the commissioner. Any audit performed  
16 under Chapter 6 of Title 50 shall meet this auditing requirement. If an audit demonstrates  
17 that the funds are not being used for the purposes set forth in this Code section or if the  
18 required audit or evidence is not provided to the commissioner, then the commissioner  
19 shall so notify the appropriations committees of the Senate and the House of  
20 Representatives. Any funds appropriated pursuant to this Code section shall not lapse.

21 (2) Subject to the general appropriations process, it is the intent of the General Assembly  
22 in the enactment of this Code section that the funds dedicated by this subsection be made  
23 available for the ultimate use of the Governor's Highway Safety Program administered  
24 by the Office of Highway Safety in the Department of Public Safety.

25 (f) An applicant may request a NASCAR license plate any time during the applicant's  
26 registration period. If such a license plate is to replace a current valid license plate, the  
27 NASCAR license plate shall be issued with appropriate decals attached.

28 (g) No special license plate authorized pursuant to this Code section shall be issued except  
29 upon the receipt of at least 1,000 applications. The special license plate shall have an  
30 application period of two years after July 1, 2005, for payment of the manufacturing fee.  
31 After such time if the minimum number of applications is not met, the department shall not  
32 continue to accept the manufacturing fee, and all fees shall be refunded to applicants.

33 (h) The department shall not be required to continue to provide the special license plate  
34 if the number of active registrations falls below 500 registrations at any time during the  
35 five-year period as provided in subsection (b) of Code Section 40-2-31. A current  
36 registrant may continue to renew such special license plate during his or her annual  
37 registration period upon payment of an additional \$25.00 annual special tag fee, which fee

1 shall be collected by the county tag agent at the time of collection of other registration fees  
2 and shall be remitted to the state as provided in Code Section 40-2-34. The department  
3 may continue to issue such special license plates that it has in its inventory to assist in  
4 achieving the minimum number of registrations. If the special license plate falls below 500  
5 active registrations at any time during the five-year period as provided in subsection (b) of  
6 Code Section 40-2-31, production of the license plates shall not be continued until the  
7 commissioner receives 1,000 applications.

8 (i) NASCAR license plates shall be transferred from one vehicle to another vehicle in  
9 accordance with the provisions of Code Section 40-2-80.

10 (j) NASCAR license plates shall be issued within 30 days of application once the  
11 requirements of this Code section have been met."

12 **SECTION 2.**

13 This Act shall become effective on July 1, 2005.

14 **SECTION 3.**

15 All laws and parts of laws in conflict with this Act are repealed.
