1 Senators Tate of the 38th and Fort of the 39th offered the following amendment:

2 Amend the Senate State and Local Governmental Operations Committee substitute to HB 36
3 by inserting after the semicolon on line 7 of page 1 the following:

4 "to provide for referendum approval of new incorporations;"

5 By inserting between lines 18 and 19 of page 3 the following:

6 "36-31-6.1.

7 (a) Any local Act chartering a new municipal corporation must include a provision that it
8 will become effective only if it is approved by the voters of the county in which the new
9 municipal corporation will be located at a special election to be held for that purpose. In
10 the case of a new municipal corporation to be located in more than one county, the
11 concurrent approval of the voters of each affected county shall be required.

12 (b) In addition to the voter approval required under subsection (a) of this Code section,
13 such a local Act may, but shall not be required to, provide that it must receive concurrent
14 approval by the voters of the territory which will be incorporated as the new municipal
15 corporation."
