6 (a) In the event that any person required to deposit security fails to deposit such security  
 7 within 30 days from the date of mailing of notice as provided in Code Section 40-9-32 and  
 8 such person does not make a timely request for a hearing, or in the event any person fails  
 9 to deposit security after the department has determined that there exists a reasonable  
 10 possibility of a judgment being rendered against such person, the department shall  
 11 thereupon suspend:

12 (1) The driver's license of such person; and

13 ~~(2) The registration of all vehicles owned by such person which are subject to~~  
 14 ~~registration under the laws of this state; and~~

15 ~~(3)~~(2) If such person is a nonresident, the privilege of operating or permitting the  
 16 operation of a vehicle within this state.

17 (b) The license ~~and registration~~ or nonresident's operating privilege shall remain so  
 18 suspended and shall not be restored, nor shall any such license ~~and registration~~ be issued  
 19 to such person, nor shall such nonresident's operating privilege be restored, until:

20 (1) Such person shall deposit or there shall be deposited on his or her behalf the security  
 21 and proof of financial responsibility for the future as required by this chapter;

22 (2) One year shall have elapsed following the date of such suspension and evidence  
 23 satisfactory to the department has been filed with it that during the period of suspension  
 24 no action for damages arising out of the accident has been instituted; or

25 (3) Evidence satisfactory to the commissioner has been filed with him or her of a release  
 26 from liability or a final adjudication of nonliability."

### 27 SECTION 20-3.

28 Said Chapter 9 of Title 40 is further amended by striking Code Section 40-9-41, relating to  
 29 inadmissibility of proceedings as evidence, and inserting in its place a new Code section to  
 30 read as follows:

31 "40-9-41.

16 date of such consent and thereafter until such consent is revoked in writing,  
17 notwithstanding default in the payment of such judgment or of any installments as provided  
18 in Code Section 40-9-63.

19 (c) The department shall take no action pursuant to subsection (a) of this Code section if  
20 it shall find that an insurer was obligated to pay the judgment upon which suspension is  
21 based, at least to the extent and for the amounts required in this article, but has not paid  
22 such judgment for any reason. Such finding shall not be binding upon such insurer and  
23 shall have no legal effect whatever except for the purposes of administering this Code

16 application is complete and the applicant demonstrates compliance with the laws of this  
17 state and the rules and regulations ~~of the commissioner~~ regarding insurance and safety,  
18 including the handling of hazardous materials. The state revenue commissioner may refuse

8 be amended to reflect such changes by application to the state revenue commissioner on  
9 forms supplied by the state revenue commissioner and payment of a \$5.00 filing fee;

10 (2) Annually on or before the thirty-first day of December of each calendar year, but not  
11 earlier than the preceding first day of October or, as to a vehicle put into use during the

20 day of January of the next succeeding year. Notwithstanding any other provision of this  
21 Code section, the state revenue commissioner is authorized to impose a vehicle  
22 identification and registration fee equal to the identification and registration fee charged  
23 by any other state, up to a maximum of \$25.00, upon vehicles licensed in that state if such  
24 state charges equipment licensed in Georgia a vehicle identification and registration fee  
25 in excess of \$5.00; and

5 revenue commissioner as provided for in this Code section; provided, however, that  
6 whenever any motor vehicle is operated on or over any public highway of this state without  
7 the motor carrier operating such vehicle first having obtained the annual registration and  
8 identification stamp or license or the emergency, temporary, or trip-lease vehicle  
9 registration permit provided for in this Code section, the motor carrier operating such  
10 vehicle shall be required to pay a fee of \$25.00 for the late registration and identification  
11 of such vehicle.

34 nonresident carrier, if its address be known. Service of such process upon the Secretary of  
35 State shall be made by delivering to his or her office two copies of such process with a fee  
36 of \$10.00.
