11 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

12 style="text-align:center">**SECTION 1.**

13 Title 51 of the Official Code of Georgia Annotated, relating to torts, is amended by inserting  
14 at the end thereof a new Chapter 14 to read as follows:

15 style="text-align:center">"CHAPTER 14

16 51-14-1.

17 The General Assembly finds that the number of asbestos related claims has increased  
18 significantly in recent years and threatens the continued viability of a number of uniquely  
19 situated companies that have not ever manufactured, sold, or distributed asbestos or  
20 asbestos products and are liable only as successor corporations. This liability has created  
21 an overpowering public necessity to provide an immediate, remedial, legislative solution.  
22 The General Assembly intends that the cumulative recovery by all asbestos claimants from  
23 innocent successors be limited, and intends to simply change the form of asbestos  
24 claimants' remedies without impairing their substantive rights, and finds that there are no

1 alternative means to meet this public necessity. The General Assembly further finds the  
2 public interest as a whole is best served by providing relief to these innocent successors so  
3 that they may remain viable and continue to contribute to this state.

4 51-14-2.

5 As used in this chapter, the term:

6 (1) 'Asbestos claim' means any claim, wherever or whenever made, for damages, losses,  
7 indemnification, contribution, or other relief arising out of, based on, or in any way  
8 related to the health effects of exposure to asbestos, including, but not limited to:

9 (A) Any claim for:

10 (i) Personal injury or death;

11 (ii) Mental or emotional injury;

12 (iii) Risk of disease or other injury; or

13 (iv) The costs of medical monitoring or surveillance, to the extent such claims are  
14 recognized under state law;

15 (B) Any claim made by or on behalf of an exposed person or based on that exposed  
16 person's exposure to asbestos, including a representative, spouse, parent, child, or other  
17 relative of the exposed person; and

18 (C) Any claim for damage or loss caused by the installation, presence, or removal of  
19 asbestos.

20 (2) 'Corporation' means a corporation for profit, including a domestic corporation  
21 organized under the laws of this state, or a foreign corporation organized under laws other  
22 than the laws of this state.

23 (3) 'Successor' means a corporation that assumes or incurs, or has assumed or incurred,  
24 successor asbestos related liabilities.

25 (4) 'Successor asbestos related liabilities' means any liabilities, whether known or  
26 unknown, asserted or unasserted, absolute or contingent, accrued or unaccrued, liquidated  
27 or unliquidated, or due or to become due, which are related in any way to asbestos claims  
28 and were assumed or incurred by a corporation as a result of or in connection with a  
29 merger or consolidation, or the plan of merger or consolidation related to the merger or  
30 consolidation, with or into another corporation, or which are related in any way to  
31 asbestos claims based on the exercise of control or the ownership of stock of the  
32 corporation before the merger or consolidation. The term includes liabilities that, after the  
33 time of the merger or consolidation for which the fair market value of total gross assets  
34 is determined under Code Section 51-14-4, were or are paid or otherwise discharged, or  
35 committed to be paid or otherwise discharged, by or on behalf of the corporation, or by

1 a successor of the corporation, or by or on behalf of a transferor, in connection with  
2 settlements, judgments, or other discharges in this state or another jurisdiction.

3 (5) 'Transferor' means a corporation from which successor asbestos related liabilities are  
4 or were assumed or incurred.

5 51-14-3.

6 (a) The limitations contained in Code Section 51-14-4 apply to a corporation that is a  
7 successor and became a successor before January 1, 1972, or is any of that successor  
8 corporation's successors.

9 (b) The limitations contained in Code Section 51-14-4 do not apply to:

10 (1) Workers' compensation laws administered by this state to provide benefits, funded  
11 by a responsible employer or its insurance carrier, for occupational diseases or injuries  
12 or for disability or death caused by occupational diseases or injuries or a comparable  
13 workers' compensation law of another jurisdiction;

14 (2) Any claim against a corporation that does not constitute a successor asbestos related  
15 liability;

16 (3) An insurance corporation; or

17 (4) Any obligations under the federal National Labor Relations Act or under any  
18 collective bargaining agreement.

19 51-14-4.

20 (a) Except as further limited in subsection (b) of this Code section, the cumulative  
21 successor asbestos related liabilities of a corporation are limited to the fair market value of  
22 the total gross assets of the transferor determined as of the time of the merger or  
23 consolidation. The corporation does not have any responsibility for successor asbestos  
24 related liabilities in excess of this limitation.

25 (b) If the transferor had assumed or incurred successor asbestos related liabilities in  
26 connection with a prior merger or consolidation with a prior transferor, the fair market  
27 value of the total assets of the prior transferor, determined as of the time of the earlier  
28 merger or consolidation, shall be substituted for the limitation set forth in subsection (a)  
29 of this Code section for the purpose of determining the limitation of liability of a  
30 corporation.

31 51-14-5.

32 (a) A corporation may establish the fair market value of total gross assets for the purpose  
33 of the limitations under Code Section 51-14-4 through any method reasonable under the  
34 circumstances, including:

1 (1) By reference to the going concern value of the assets or to the purchase price  
2 attributable to or paid for the assets in an arm's length transaction; or

3 (2) In the absence of other readily available information from which fair market value  
4 can be determined, by reference to the value of the assets recorded on a balance sheet.

5 (b) Total gross assets include intangible assets.

6 (c) Total gross assets include the aggregate coverage under any applicable liability  
7 insurance that was issued to the transferor whose assets are being valued for purposes of  
8 this Code section, which insurance has been collected or is collectible to cover successor  
9 asbestos related liabilities except compensation for liabilities arising from workers'  
10 exposure to asbestos solely during the course of their employment by the transferor. A  
11 settlement of a dispute concerning the insurance coverage entered into by a transferor or  
12 successor with the insurers of the transferor before July 1, 2005, shall be determinative of  
13 the aggregate coverage of the liability insurance to be included in the calculation of the  
14 transferor's total gross assets.

15 51-14-6.

16 (a) Except as provided in subsections (b), (c), and (d) of this Code section, the fair market  
17 value of total gross assets at the time of a merger or consolidation shall increase annually  
18 at a rate equal to the sum of:

19 (1) The prime rate as published by the Board of Governors of the Federal Reserve  
20 System, as published in statistical release H. 15 or any publication that may supersede it,  
21 for each calendar year since the merger or consolidation; and

22 (2) One percent.

23 (b) The rate provide in subsection (a) of this Code section shall not be compounded.

24 (c) The adjustment of fair market value of total gross assets shall continue as provided  
25 under subsection (a) of this Code section until the date the adjusted value is first exceeded  
26 by the cumulative amounts of successor asbestos related liabilities paid or committed to be  
27 paid by or on behalf of the corporation or a predecessor, or by or on behalf of a transferor,  
28 after the time of the merger or consolidation for which the fair market value of total gross  
29 assets is determined.

30 (d) No adjustment of the fair market value of total gross assets shall be applied to any  
31 liability insurance otherwise included in the definition of total gross assets by subsection  
32 (c) of Code Section 51-14-5.

33 51-14-7.

34 The courts in this state shall apply, to the fullest extent permissible under the United States  
35 Constitution, this state's substantive law, including the limitation under this chapter, to the

1 issue of successor asbestos related liabilities. This chapter shall be construed liberally to  
2 accomplish its remedial purposes."

3 **SECTION 2.**

4 This Act shall become effective upon its approval by the Governor or upon its becoming law  
5 without such approval and shall apply to any civil action asserting an asbestos claim in which  
6 trial has not commenced as of the effective date.

7 **SECTION 3.**

8 All laws and parts of laws in conflict with this Act are repealed.
