17 **"CHAPTER 24A**

18 **43-24A-1.**

19 This chapter shall be known and may be cited as the 'Georgia Massage Therapy Practice
 20 Act.'

1 43-24A-2.

2 The General Assembly acknowledges that the practice of massage therapy affects the
3 public health, safety, and welfare. Massage therapists must have a knowledge of anatomy
4 and physiology and an understanding of the relationship between the structure and function
5 of the tissue being treated and the total function of the body. Massage is therapeutic and
6 regulations are necessary to protect the public from unqualified practitioners. It is in the
7 interest of the public to set standards of qualifications, education, training, and experience
8 for those who seek to practice massage therapy; to promote high standards of professional
9 performance for those licensed to practice massage therapy; and to protect the public from
10 unprofessional conduct by persons licensed to practice massage therapy.

11 43-24A-3.

12 As used in this chapter, the term:

13 (1) 'Advertise' means, but is not limited to, the issuing of or causing to be distributed any
14 card, sign, or other device or causing or permitting any sign or marking on or in any
15 building or structure, or in any newspaper, magazine, or directory, or announcement on
16 radio, or announcement or display on television, computer network, or electronic or
17 telephonic medium.

29 movement, and holding to the soft tissue of the body in which the primary intent is to
30 enhance or restore health and well-being. The term includes complementary methods,
31 including without limitation the external application of water, superficial heat, superficial
32 cold, lubricants, salt scrubs, or other topical preparations and the use of commercially
33 available electromechanical devices which do not require the use of transcutaneous
34 electrodes and which mimic or enhance the actions possible by the hands; the term also
35 includes determining whether massage therapy is appropriate or contraindicated, or
36 whether referral to another health care provider is appropriate. Massage therapy shall not

1 include the use of ultrasound, fluidotherapy, laser, and other methods of deep thermal
2 modalities.

4 (10) 'Provisionally permitted massage therapist' means a person issued a provisional
5 permit under this chapter.

13 initial members of the board to serve for terms of two years and three initial members of
14 the board, including the public member, to serve for terms of four years. After the initial
15 terms specified in this subsection, members of the board shall take office on the first day
16 of July immediately following the expired term of that office and shall serve for a term of
17 four years and until their successors are appointed and qualified. Any person appointed to
18 the board when the Senate is not in session may serve on the board without Senate
19 confirmation until the Senate acts on that appointment. No member shall serve on the board
20 for more than two full consecutive terms. Any vacancy due to death, resignation, removal,
21 or otherwise shall be filled for the remainder of the unexpired term in the same manner as

9 practice of massage therapy nor be an owner of or affiliated with any massage school.

10 (c) The Governor, after notice and opportunity for hearing, may remove any member of
11 the board for incompetence, neglect of duty, unprofessional conduct, conviction of a
12 felony, failure to meet the qualifications of this chapter, or committing any act prohibited

24 and that relates to the practice of massage therapy or requires licensure of a massage
25 therapist may be enforced against a person who is issued a license by the board under this
26 chapter.

27 43-24A-23.

28 Notwithstanding any provision of law to the contrary, the act of a duly licensed massage
