1 To amend Chapter 1 of Title 10 of the Official Code of Georgia Annotated, relating to selling
2 and other trade practices, so as to provide legislative findings; to provide definitions; to

4 provide for related matters; to provide an effective date; to repeal conflicting laws; and for
5 other purposes.

6 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

7 style="text-align:center">**SECTION 1.**

8 Chapter 1 of Title 10 of the Official Code of Georgia Annotated, relating to selling and other
9 trade practices, is amended by adding a new Article 34 to read as follows:

10 style="text-align:center">"ARTICLE 34

11 10-1-910.

12 The General Assembly finds and declares as follows:

13 (1) The privacy and financial security of individuals is increasingly at risk due to the ever
14 more widespread collection of personal information by both the private and public
15 sectors;

16 (2) Credit card transactions, magazine subscriptions, real estate records, automobile
17 registrations, consumer surveys, warranty registrations, credit reports, and Internet
18 websites are all sources of personal information and form the source material for identity
19 thieves;

20 (3) Identity theft is one of the fastest growing crimes committed in this state. Criminals
21 who steal personal information such as social security numbers use the information to
22 open credit card accounts, write bad checks, buy cars, purchase property, and commit
23 other financial crimes with other people's identities;

1 (4) Implementation of technology security plans and security software as part of an
2 information security policy may provide protection to consumers and the general public
3 from identity thieves;

4 (5) Information brokers should clearly define the standards for authorized users of its
5 data so that a breach by an unauthorized user is easily identifiable;

6 (6) Identity theft is costly to the marketplace and to consumers; and

7 (7) Victims of identity theft must act quickly to minimize the damage; therefore,
8 expeditious notification of unauthorized acquisition and possible misuse of a person's
9 personal information is imperative.

10 10-1-911.

11 As used in this article, the term:

12 (1) 'Breach of the security of the system' means unauthorized acquisition of an
13 individual's computerized data that compromises the security, confidentiality, or integrity
14 of personal information of such individual maintained by an information broker. Good
15 faith acquisition of personal information by an employee or agent of an information
16 broker for the purposes of such information broker is not a breach of the security of the
17 system, provided that the personal information is not used or subject to further
18 unauthorized disclosure.

19 (2) 'Information broker' means any person or entity who, for monetary fees or dues,
20 engages in whole or in part in the business of collecting, assembling, evaluating,
21 compiling, reporting, transmitting, transferring, or communicating information
22 concerning individuals for the primary purpose of furnishing personal information to
23 nonaffiliated third parties, but does not include any governmental agency whose records
24 are maintained primarily for traffic safety, law enforcement, or licensing purposes.

25 (3) 'Notice' means:

26 (A) Written notice;

27 (B) Electronic notice, if the notice provided is consistent with the provisions regarding
28 electronic records and signatures set forth in Section 7001 of Title 15 of the United
29 States Code; or

30 (C) Substitute notice, if the information broker demonstrates that the cost of providing
31 notice would exceed \$250,000.00, that the affected class of individuals to be notified
32 exceeds 500,000, or that the information broker does not have sufficient contact
33 information to provide written or electronic notice to such individuals. Substitute
34 notice shall consist of all of the following:

35 (i) E-mail notice, if the information broker has an e-mail address for the individuals
36 to be notified;

1 (ii) Conspicuous posting of the notice on the information broker's website page, if
2 the information broker maintains one; and

3 (iii) Notification to major state-wide media.

4 Notwithstanding any provision of this paragraph to the contrary, an information broker
5 that maintains its own notification procedures as part of an information security policy
6 for the treatment of personal information and is otherwise consistent with the timing
7 requirements of this article shall be deemed to be in compliance with the notification
8 requirements of this article if it notifies the individuals who are the subjects of the notice
9 in accordance with its policies in the event of a breach of the security of the system.

10 (4) 'Person' means any individual, partnership, corporation, limited liability company,
11 trust, estate, cooperative, association, or other entity. The term 'person' as used in this
12 article shall not be construed to require duplicative reporting by any individual,
13 corporation, trust, estate, cooperative, association, or other entity involved in the same
14 transaction.

15 (5) 'Personal information' means an individual's first name or first initial and last name
16 in combination with any one or more of the following data elements, when either the
17 name or the data elements are not encrypted or redacted:

18 (A) Social security number;

19 (B) Driver's license number or state identification card number;

20 (C) Account number, credit card number, or debit card number, if circumstances exist
21 wherein such a number could be used without additional identifying information, access
22 codes, or passwords;

23 (D) Account passwords or personal identification numbers or other access codes; or

24 (E) Any of the items contained in subparagraphs (A) through (D) of this paragraph
25 when not in connection with the individual's first name or first initial and last name, if
26 the information compromised would be sufficient to perform or attempt to perform
27 identity theft against the person whose information was compromised.

28 The term 'personal information' does not include publicly available information that is
29 lawfully made available to the general public from federal, state, or local government
30 records.

31 10-1-912.

32 (a) Any information broker that maintains computerized data that includes personal
33 information of individuals shall give notice of any breach of the security of the system
34 following discovery or notification of the breach in the security of the data to any resident
35 of this state whose unencrypted personal information was, or is reasonably believed to have
36 been, acquired by an unauthorized person. The notice shall be made in the most expedient

1 time possible and without unreasonable delay, consistent with the legitimate needs of law
2 enforcement, as provided in subsection (c) of this Code section, or with any measures
3 necessary to determine the scope of the breach and restore the reasonable integrity,
4 security, and confidentiality of the data system.

5 (b) Any person or business that maintains computerized data on behalf of an information
6 broker that includes personal information of individuals that the person or business does
7 not own shall notify the information broker of any breach of the security of the data
8 immediately following discovery, if the personal information was, or is reasonably believed
9 to have been, acquired by an unauthorized person.

10 (c) The notification required by this Code section may be delayed if a law enforcement
11 agency determines that the notification will compromise a criminal investigation. The
12 notification required by this Code section shall be made after the law enforcement agency
13 determines that it will not compromise the investigation.

14 (d) In the event that an information broker discovers circumstances requiring notification
15 pursuant to this Code section of more than 10,000 residents of this state at one time, the
16 information broker shall also notify, without unreasonable delay, all consumer reporting
17 agencies that compile and maintain files on consumers on a nation-wide basis, as defined
18 by 15 U.S.C. Section 1681a, of the timing, distribution, and content of the notices."

19 **SECTION 2.**

20 This Act shall become effective upon its approval by the Governor or upon its becoming law
21 without such approval.

22 **SECTION 3.**

23 All laws and parts of laws in conflict with this Act are repealed.
