18 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

19 **SECTION 1.**

20 The General Assembly finds and declares that recidivist sexual offenders, sexual offenders
21 who use physical violence, and sexual offenders who prey on children are sexual predators
22 who present an extreme threat to the public safety. Many sexual offenders are extremely
23 likely to use physical violence and to repeat their offenses; and some sexual offenders
24 commit many offenses, have many more victims than are ever reported, and are prosecuted
25 for only a fraction of their crimes. The General Assembly finds that this makes the cost of
26 sexual offender victimization to society at large, while incalculable, clearly exorbitant. The
27 General Assembly further finds that the high level of threat that a sexual predator presents
28 to the public safety, and the long-term effects suffered by victims of sex offenses, provide
29 the state with sufficient justification to implement a strategy that includes:

- 30 (1) Incarcerating sexual offenders and maintaining adequate facilities to ensure that
31 decisions to release sexual predators into the community are not made on the basis of
32 inadequate space;
- 33 (2) Requiring the registration of sexual offenders, with a requirement that complete and
34 accurate information be maintained and accessible for use by law enforcement authorities,
35 communities, and the public;

- 1 (3) Providing for community and public notification concerning the presence of sexual
 2 offenders;
- 3 (4) Requiring sexual predators who are released into the community to wear electronic
 4 monitoring devices for the rest of their natural life and to pay for such device; and
- 5 (5) Prohibiting sexual predators from working with children, either for compensation or
 6 as a volunteer.

7 The General Assembly further finds that the state has a compelling interest in protecting the
 8 public from sexual offenders and in protecting children from predatory sexual activity, and
 9 there is sufficient justification for requiring sexual offenders to register and for requiring
 10 community and public notification of the presence of sexual offenders. The General
 11 Assembly declares that in order to protect the public, it is necessary that the sexual offenders
 12 be registered and that members of the community and the public be notified of a sexual
 13 offender's presence. The designation of a person as a sexual offender is neither a sentence
 14 nor a punishment but simply a regulatory mechanism and status resulting from the conviction
 15 of certain crimes. Likewise, the designation of a person as a sexual predator is neither a
 16 sentence nor a punishment but simply a regulatory mechanism and status resulting from
 17 findings by the Sexual Offender Registration Review Board and a court if requested by a
 18 sexual offender.
