## SECTION 2.

Title 7 of the Official Code of Georgia Annotated, relating to banking and finance, is amended by striking in its entirety Code Section 7-4-12.1, relating to interest on arrearage of child support, and inserting in lieu thereof the following:

"7-4-12.1.

(a) All awards of child support expressed in monetary amounts shall accrue interest at the rate of 7 percent per annum commencing 30 days from the day such award or payment is due. This Code section shall apply to all awards, court orders, decrees, and judgments rendered pursuant to Title 19. It shall not be necessary for the party to whom the child support is due to reduce any such award to judgment in order to recover such interest. The court shall have discretion in applying or waiving past due interest. In determining whether to apply, waive, or reduce the amount of interest owed, the Court shall consider whether:

1 (1) Good cause existed for the nonpayment of the child support;

2 (2) Payment of the interest would result in substantial and unreasonable hardship for the  
 3 parent owing the interest;

4 (3) Applying, waiving, or reducing the interest would enhance or detract from the  
 5 parent's current ability to pay child support, including the consideration of the regularity  
 6 of payments made for current child support of those dependents for whom support is  
 7 owed; and

8 (4) The waiver of reduction of interest would result in substantial and unreasonable  
 9 hardship to the parent to whom interest is owed.

10 (b) This Code section shall not be construed to abrogate the authority of a IV-D agency  
 11 to waive, reduce, or negotiate a settlement of unreimbursed public assistance in accordance  
 12 with subsection (b) of Code Section 19-11-5."

### 13 **SECTION 3.**

14 Title 19 of the Official Code of Georgia Annotated, relating to domestic relations, is  
 15 amended by striking subsection (c) of Code Section 19-5-12, relating to form of judgment  
 16 and decree in divorce actions, and inserting in lieu thereof a new subsection (c) to read as  
 17 follows:

18 "(c) In any case which involves the determination of child support, the form of the  
 19 judgment shall also include provisions indicating both ~~parties' incomes~~ parents' income,  
 20 the number of children for which support is being provided, the presumptive amount of  
 21 child support award calculation, and, if the presumptive ~~award~~ amount of child support is  
 22 rebutted, the award amount and the basis for the rebuttal award. The final judgment shall  
 23 have attached to it the child support worksheet containing the calculation of the final award  
 24 of child support. The final judgment shall specify a sum certain amount of child support  
 25 to be paid."

### 26 **SECTION 4.**

27 Said title is further amended by striking in its entirety Code Section 19-6-15, relating to  
 28 guidelines for calculating child support, and inserting in lieu thereof a new Code Section  
 29 19-6-15 to read as follows:

30 "19-6-15.

31 (a) *Definitions.* As used in this Code section, the term:

32 (1) 'Adjusted Child Support Obligation' means the Basic Child Support Obligation  
 33 adjusted by the Parenting Time Adjustment, if applicable, Health Insurance, and Work  
 34 Related Child Care Costs.

(2) 'Adjusted Income' means the determination of a Parent's income, calculated by deducting from that Parent's Gross Income one-half of the amount of any applicable self-employment taxes being paid by the Parent, any Preexisting Order for current child support which is being paid by the Parent, and any Theoretical Child Support Order for other Qualified Children, if allowed by the Court. For further reference see paragraph (5) of subsection (f) of this Code section.

(3) 'Basic Child Support Obligation' means the amount of support displayed on the Child Support Obligation Table which corresponds to the Combined Adjusted Income of the Custodial Parent and the Noncustodial Parent and the number of children for whom child support is being determined. This amount is rebuttably presumed to be the appropriate amount of child support to be provided by the Custodial Parent and the Noncustodial Parent prior to consideration of percentage of income, Parenting Time Adjustments, Health Insurance, Work Related Child Care Costs, and Deviations.

(4) 'Child' means child or children.

(5) 'Child Support Enforcement Agency' means the Child Support Enforcement Agency within the Department of Human Resources.

(6) 'Child Support Obligation Table' means the chart which displays the dollar amount of the Basic Child Support Obligation corresponding to various levels of Combined Adjusted Income of the children's Parents and the number of children for whom a child support order is being established or modified. The Child Support Obligation Table shall be used to calculate the Basic Child Support Obligation according to the provisions of this Code section. For further reference see subsections (n) and (o) of this Code section.

(7) 'Combined Adjusted Income' means the amount of Adjusted Income of the Custodial Parent added to the amount of Adjusted Income of the Noncustodial Parent.

(8) 'Court' means a judge of any Court of record or an administrative law judge of the Office of State Administrative Hearings.

(9) 'Custodial Parent' means the Parent with whom the Child resides more than 50 percent of the time. Where a Custodial Parent has not been designated or where a Child resides with both Parents an equal amount of time, the Court shall designate the Custodial Parent as the Parent with the lesser support obligation and the other Parent as the Noncustodial Parent. Where the Child resides equally with both Parents and neither Parent can be determined as owing a greater amount than the other, the Court shall determine which Parent to designate as the Custodial Parent for the purpose of this Code section.

(10) 'Deviation' means an increase or decrease from the Presumptive Amount of Child Support if the presumed order is rebutted by evidence and the required findings of fact are made by the Court pursuant to subsection (i) of this Code section.

1 (11) 'Final Child Support Order' means the Presumptive Amount of Child Support  
2 adjusted by any Deviations.

3 (12) 'Gross Income' means all income to be included in the calculation of child support  
4 as set forth in subsection (f) of this Code section.

5 (13) 'Health Insurance' means any general health or medical policy. For further reference  
6 see paragraph (2) of subsection (h) of this Code section.

7 (14) 'Noncustodial Parent' means the Parent with whom the Child resides less than 50  
8 percent of the time or the Parent who has the greater payment obligation for child  
9 support. Where the Child resides equally with both Parents and neither Parent can be  
10 determined as owing a lesser amount than the other, the Court shall determine which  
11 Parent to designate as the Noncustodial Parent for the purpose of this Code section.

12 (15) 'Nonparent Custodian' means an individual who has been granted legal custody of  
13 a Child, or an individual who has a legal right to seek, modify, or enforce a child support  
14 order.

15 (16) 'Parent' means a person who owes a Child a duty of support pursuant to Code  
16 Section 19-7-2.

17 (17) 'Parenting Time Adjustment' means an adjustment to the Noncustodial Parent's  
18 portion of the Basic Child Support Obligation based upon the Noncustodial Parent's court  
19 ordered visitation with the Child. For further reference see subsection (g) of this Code  
20 section.

21 (18) 'Preexisting Order' means:

22 (A) An order in another case that requires a Parent to make child support payments for  
23 another Child, which child support the Parent is actually paying, as evidenced by  
24 documentation as provided in division (f)(5)(B)(iii) of this Code section; and

25 (B) That the date of filing of the initial order for each such other case is earlier than the  
26 date of filing of the initial order in the case immediately before the Court, regardless of  
27 the age of any Child in any of the cases.

28 (19) 'Presumptive Amount of Child Support' means the Basic Child Support Obligation  
29 and the Parenting Time Adjustment, if applicable, Health Insurance, and Work Related  
30 Child Care Costs.

31 (20) A 'Qualified Child' or 'Qualified Children' means any Child:

32 (A) For whom the Parent is legally responsible and in whose home the Child resides;

33 (B) That the Parent is actually supporting;

34 (C) Who is not subject to a Preexisting Child Support Order; and

35 (D) Who is not before the Court to set, modify, or enforce support in the case  
36 immediately under consideration.

1 Qualified Children shall not include stepchildren or other minors in the home that the  
2 Parent has no legal obligation to support.

3 (21) 'Split Parenting' can occur in a child support case only if there are two or more  
4 children of the same Parents, where one Parent is the Custodial Parent for at least one  
5 Child of the Parents, and the other Parent is the Custodial Parent for at least one other  
6 Child of the Parents. In a Split Parenting case, each Parent is the Custodial Parent of any  
7 Child spending more than 50 percent of the time with that Parent and is the Noncustodial  
8 Parent of any Child spending more than 50 percent of the time with the other Parent. A  
9 Split Parenting situation shall have two Custodial Parents and two Noncustodial Parents,  
10 but no Child shall have more than one Custodial Parent or Noncustodial Parent.

11 (22) 'Theoretical Child Support Order' means a hypothetical child support order for  
12 Qualified Children calculated as set forth in subparagraph (f)(5)(C) of this Code section  
13 which allows the Court to determine the amount of child support as if a child support  
14 order existed.

15 (23) 'Uninsured Health Care Expenses' means a Child's uninsured medical expenses  
16 including, but not limited to, Health Insurance copayments, deductibles, and such other  
17 costs as are reasonably necessary for orthodontia, dental treatment, asthma treatments,  
18 physical therapy, vision care, and any acute or chronic medical or health problem or  
19 mental health illness, including counseling and other medical or mental health expenses,  
20 that are not covered by insurance. For further reference see paragraph (3) of subsection  
21 (h) of this Code section.

22 (24) 'Work Related Child Care Costs' means expenses for the care of the Child for whom  
23 support is being determined which are due to employment of either Parent. In an  
24 appropriate case, the Court may consider the child care costs associated with a Parent's  
25 job search or the training or education of a Parent necessary to obtain a job or enhance  
26 earning potential, not to exceed a reasonable time as determined by the Court, if the  
27 Parent proves by a preponderance of the evidence that the job search, job training, or  
28 education will benefit the Child being supported. The term shall be projected for the next  
29 consecutive 12 months and averaged to obtain a monthly amount. For further reference  
30 see paragraph (1) of subsection (h) of this Code section.

31 (25) 'Worksheet' or 'Child Support Worksheet' means the Worksheet used to record  
32 information necessary to determine and calculate child support. In Child Support  
33 Enforcement Agency cases in which neither Parent prepared a Worksheet, the Court may  
34 rely solely on the Worksheet prepared by the Child Support Enforcement Agency as a  
35 basis for its order. For further reference see subsection (m) of this Code section.

36 (b) *Process of calculating child support.* Pursuant to this Code section, the determination  
37 of child support shall be calculated as follows:

- 1 (1) Determine the Gross Income of both the Custodial Parent and the Noncustodial  
2 Parent. This may include imputed income, if applicable. The determination of Gross  
3 Income shall be entered on the Child Support Schedule A – Gross Income;
- 4 (2) Adjust each Parent's Gross Income by deducting the following from the Parents'  
5 Gross Income, and entering it on the Child Support Schedule B – Adjusted Income if any  
6 of the following apply:
  - 7 (A) One-half of the amount of self-employment taxes;
  - 8 (B) Preexisting Orders; and
  - 9 (C) Theoretical Child Support Order for Qualified Children, if allowed by the Court;
- 10 (3) Add each Parent's Adjusted Income together to compute the Combined Adjusted  
11 Income;
- 12 (4) Locate the Basic Child Support Obligation by referring to the Child Support  
13 Obligation Table. Using the figure closest to the amount of the Combined Adjusted  
14 Income, locate the monthly amount of the Basic Child Support Obligation in the column  
15 underneath the number of children for whom support is being determined. If the monthly  
16 Combined Adjusted Income falls between the amounts shown in the table, then the Basic  
17 Child Support Obligation shall be based on the income bracket most closely matched to  
18 the monthly Combined Adjusted Income;
- 19 (5) Calculate the pro rata share of the Basic Child Support Obligation for the Custodial  
20 Parent and the Noncustodial Parent by dividing the Combined Adjusted Income into each  
21 Parent's Adjusted Income to arrive at each Parent's pro rata percentage of the Basic Child  
22 Support Obligation;
- 23 (6) Make the Parenting Time Adjustment, if applicable, to the Basic Child Support  
24 Obligation based upon the calculation of the Noncustodial Parent's court ordered  
25 visitation with the Child. The Parenting Time Adjustment shall be entered on the Child  
26 Support Schedule C – Parenting Time Adjustment;
- 27 (7) Find the Adjusted Child Support Obligation amount by adding the additional  
28 expenses of the costs of Health Insurance and Work Related Child Care Costs, prorating  
29 such expenses in accordance with each Parent's pro rata share of the obligation and  
30 adding such expenses to the pro rata share of the obligation. The monthly cost of health  
31 insurance premiums and Work Related Child Care Costs shall be entered on the Child  
32 Support Schedule D – Additional Expenses. The pro rata share of the Basic Child  
33 Support Obligation and the pro rata share of the combined additional expenses shall be  
34 added together to create the Adjusted Child Support Obligation;
- 35 (8) Determine the Presumptive Amount of Child Support for the Custodial Parent and  
36 the Noncustodial Parent resulting in a sum certain single payment due to the Custodial

1 Parent by assigning or deducting credit for actual payments for Health Insurance and  
2 Work Related Child Care Costs;

3 (9) In accordance with subsection (i) of this Code section, deviations subtracted from or  
4 increased to the Presumptive Amount of Child Support are applied, if applicable, and if  
5 supported by the required findings of fact and application of the best interest of the child  
6 standard. The proposed Deviations shall be entered on the Child Support Schedule E –  
7 Deviations. In the Court's or the jury's discretion, Deviations may include, but are not  
8 limited to, the following:

9 (A) High income;

10 (B) Low income;

11 (C) Other health related insurance;

12 (D) Child and dependent care tax credit;

13 (E) Travel expenses;

14 (F) Alimony;

15 (G) Mortgage;

16 (H) Permanency plan or foster care plan;

17 (I) Extraordinary expenses; and

18 (J) Nonspecific deviations;

19 (10) The Final Child Support Order shall be the Presumptive Amount of Child Support  
20 as increased or decreased by Deviations. The final child support amount for each Parent  
21 shall be entered on the Child Support Worksheet, together with the information from each  
22 of the utilized schedules;

23 (11) In addition, the Parents shall allocate the Uninsured Health Care Expenses which  
24 shall be based on the pro rata responsibility of the Parents or as otherwise ordered by the  
25 Court. Each Parent's pro rata responsibility for Uninsured Health Care Expenses shall  
26 be entered on the Child Support Worksheet; and

27 (12) In a Split Parenting case, there shall be a separate calculation and Final Child  
28 Support Order for each Parent.

29 (c) *Applicability and required findings.*

30 (1) The child support guidelines contained in this Code section are a minimum basis for  
31 determining the amount of child support and shall apply as a rebuttable presumption in  
32 all legal proceedings involving the child support responsibility of a Parent. This Code  
33 section shall be used when the Court enters a temporary or permanent child support order  
34 in a contested or noncontested hearing. The rebuttable Presumptive Amount of Child  
35 Support provided by this Code section may be increased according to the best interest of  
36 the Child for whom support is being considered, the circumstances of the parties, the  
37 grounds for Deviation set forth in subsection (i) of this Code section, and to achieve the

1 state policy of affording to children of unmarried Parents, to the extent possible, the same  
2 economic standard of living enjoyed by children living in intact families consisting of  
3 Parents with similar financial means.

4 (2) The provisions of this Code section shall not apply with respect to any divorce case  
5 in which there are no minor children, except to the limited extent authorized by  
6 subsection (e) of this Code section. In the final judgment or decree in a divorce case in  
7 which there are minor children, or in other cases which are governed by the provisions  
8 of this Code section, the Court shall:

9 (A) Specify in what sum certain amount and from which Parent the Child is entitled  
10 to permanent support as determined by use of the Worksheet;

11 (B) Specify as required by Code Section 19-5-12 in what manner, how often, to whom,  
12 and until when the support shall be paid;

13 (C) Include a written finding of the Parent's Gross Income as determined by the Court  
14 or the jury;

15 (D) Determine whether Health Insurance for the Child involved is reasonably available  
16 at a reasonable cost to either Parent. If the Health Insurance is reasonably available at  
17 a reasonable cost to the Parent, then the Court may order that the Child be covered  
18 under such Health Insurance;

19 (E) Include written findings of fact as to whether one or more of the Deviations  
20 allowed under this Code section are applicable, and if one or more such Deviations are  
21 applicable as determined by the Court or the jury, the written findings of fact shall  
22 further set forth:

23 (i) The reasons the Court or the jury deviated from the Presumptive Amount of Child  
24 Support;

25 (ii) The amount of child support that would have been required under this Code  
26 section if the Presumptive Amount of Child Support had not been rebutted; and

27 (iii) A finding that states how the Court's or the jury's application of the child  
28 support guidelines would be unjust or inappropriate considering the relative ability  
29 of each Parent to provide support and how the best interest of the Child who is subject  
30 to the child support determination is served by Deviation from the Presumptive  
31 Amount of Child Support;

32 (F) Specify the amount of the Noncustodial Parent's Days as set forth in the order of  
33 visitation; and

34 (G) Specify the percentage of Uninsured Health Care Expenses for which each Parent  
35 shall be responsible.

36 (3) When child support is ordered, the party who is required to pay the child support  
37 shall not be liable to third persons for necessities furnished to the Child embraced in the

1 judgment or decree. In all cases, the parties shall submit to the Court their Worksheets  
2 and schedules and the presence or absence of other factors to be considered by the Court  
3 pursuant to the provisions of this Code section.

4 (4) In any case in which the Gross Income of the Custodial Parent and the Noncustodial  
5 Parent is determined by a jury, the Court shall charge the provisions of this Code section  
6 applicable to the determination of Gross Income. The jury shall be required to return a  
7 special interrogatory determining Gross Income. Based upon the jury's verdict as to  
8 Gross Income, the Court shall determine the Presumptive Amount of Child Support in  
9 accordance with the provisions of this Code section. The Court shall inform the jury of  
10 the Presumptive Amount of Child Support and the identity of the Custodial and  
11 Noncustodial Parents. In the final instructions to the jury, the Court shall charge the  
12 provisions of this Code section applicable to the determination of Deviations and the jury  
13 shall be required to return a special interrogatory as to Deviations and the final award of  
14 child support. The Court shall include its findings and the jury's verdict on the Child  
15 Support Worksheet in accordance with this Code section and Code Section 19-5-12.

16 (5) Nothing contained within this Code section shall prevent the parties from entering  
17 into an enforceable agreement contrary to the Presumptive Amount of Child Support  
18 which may be made the order of the Court pursuant to review by the Court of the  
19 adequacy of the child support amounts negotiated by the parties, including the provision  
20 for medical expenses and Health Insurance; provided, however, that if the agreement  
21 negotiated by the parties does not comply with the provisions contained in this Code  
22 section and does not contain findings of fact as required to support a Deviation, the Court  
23 shall reject such agreement.

24 (6) In any case filed pursuant to Chapter 11 of this title, relating to the 'Child Support  
25 Recovery Act,' the 'Uniform Reciprocal Enforcement of Support Act,' or the 'Uniform  
26 Interstate Family Support Act,' the Court shall make all determinations of fact, including  
27 Gross Income and Deviations, and a jury shall not hear any issue related to such cases.

28 (d) *Nature of guidelines; Court's discretion.* In the event of a hearing or trial on the issue  
29 of child support, the guidelines enumerated in this Code section are intended by the  
30 General Assembly to be guidelines only and any Court so applying these guidelines shall  
31 not abrogate its responsibility in making the final determination of child support based on  
32 the evidence presented to it at the time of the hearing or trial.

33 (e) *Duration of child support responsibility.* The duty to provide support for a minor Child  
34 shall continue until the Child reaches the age of majority, dies, marries, or becomes  
35 emancipated, whichever first occurs; provided, however, that, in any temporary, final, or  
36 modified order for child support with respect to any proceeding for divorce, separate  
37 maintenance, legitimacy, or paternity entered on or after July 1, 1992, the Court, in the

1 exercise of sound discretion, may direct either or both Parents to provide financial  
2 assistance to a Child who has not previously married or become emancipated, who is  
3 enrolled in and attending a secondary school, and who has attained the age of majority  
4 before completing his or her secondary school education, provided that such financial  
5 assistance shall not be required after a Child attains 20 years of age. The provisions for  
6 child support provided in this subsection may be enforced by either Parent, by any  
7 Nonparent Custodian, by a guardian appointed to receive child support for the Child for  
8 whose benefit the child support is ordered, or by the Child for whose benefit the child  
9 support is ordered.

10 (f) *Gross Income*.

11 (1) INCLUSION TO GROSS INCOME.

12 (A) *ATTRIBUTABLE INCOME*. Gross Income of each Parent shall be determined in the  
13 process of setting the Presumptive Amount of Child Support and shall include all  
14 income from any source, before deductions for taxes and other deductions such as  
15 Preexisting Orders for child support and credits for other Qualified Children, whether  
16 earned or unearned, and includes, but is not limited to, the following:

17 (i) Salaries;

18 (ii) Commissions, fees, and tips;

19 (iii) Income from self-employment;

20 (iv) Bonuses;

21 (v) Overtime payments;

22 (vi) Severance pay;

23 (vii) Recurring income from pensions or retirement plans including, but not limited  
24 to, Veterans' Administration, Railroad Retirement Board, Keoghs, and individual  
25 retirement accounts;

26 (viii) Interest income;

27 (ix) Dividend income;

28 (x) Trust income;

29 (xi) Income from annuities;

30 (xii) Capital gains;

31 (xiii) Disability or retirement benefits that are received from the Social Security  
32 Administration pursuant to Title II of the federal Social Security Act;

33 (xiv) Workers' compensation benefits, whether temporary or permanent;

34 (xv) Unemployment insurance benefits;

35 (xvi) Judgments recovered for personal injuries and awards from other civil actions;

36 (xvii) Gifts that consist of cash or other liquid instruments, or which can be converted  
37 to cash;

- 1 (xviii) Prizes;  
2 (xix) Lottery winnings;  
3 (xx) Alimony or maintenance received from persons other than parties to the  
4 proceeding before the Court; and  
5 (xxi) Assets which are used for the support of the family.

6 (B) *SELF-EMPLOYMENT INCOME*. Income from self-employment includes income from,  
7 but not limited to, business operations, work as an independent contractor or consultant,  
8 sales of goods or services, and rental properties, less ordinary and reasonable expenses  
9 necessary to produce such income. Income from self-employment, rent, royalties,  
10 proprietorship of a business, or joint ownership of a partnership, limited liability  
11 company, or closely held corporation is defined as gross receipts minus ordinary and  
12 necessary expenses required for self-employment or business operations. Ordinary and  
13 reasonable expenses of self-employment or business operations necessary to produce  
14 income do not include:

- 15 (i) Excessive promotional, travel, vehicle, or personal living expenses, depreciation  
16 on equipment, or costs of operation of home offices; or  
17 (ii) Amounts allowable by the Internal Revenue Service for the accelerated  
18 component of depreciation expenses, investment tax credits, or any other business  
19 expenses determined by the Court or the jury to be inappropriate for determining  
20 Gross Income.

21 In general, income and expenses from self-employment or operation of a business  
22 should be carefully reviewed by the Court or the jury to determine an appropriate level  
23 of Gross Income available to the Parent to satisfy a child support obligation. Generally,  
24 this amount will differ from a determination of business income for tax purposes.

25 (C) *FRINGE BENEFITS*. Fringe benefits for inclusion as income or 'in kind' remuneration  
26 received by a Parent in the course of employment, or operation of a trade or business,  
27 shall be counted as income if the benefits significantly reduce personal living expenses.  
28 Such fringe benefits might include, but are not limited to, use of a company car,  
29 housing, or room and board. Basic allowance for housing and subsistence and variable  
30 housing allowances for members of the armed services shall be considered income for  
31 the purposes of determining child support. Fringe benefits do not include employee  
32 benefits that are typically added to the salary, wage, or other compensation that a  
33 Parent may receive as a standard added benefit, including, but not limited to, employer  
34 paid portions of Health Insurance premiums or employer contributions to a retirement  
35 or pension plan.

36 (D) *VARIABLE INCOME*. Variable income such as commissions, bonuses, overtime pay,  
37 and dividends shall be averaged by the Court or the jury over a reasonable period of

time consistent with the circumstances of the case and added to a Parent's fixed salary or wages to determine Gross Income. When income is received on an irregular, nonrecurring, or one-time basis, the Court or the jury may, but is not required to, average or prorate the income over a reasonable specified period of time or require the Parent to pay as a one-time support amount a percentage of his or her nonrecurring income, taking into consideration the percentage of recurring income of that Parent.

(2) EXCLUSIONS FROM GROSS INCOME. Excluded from Gross Income are the following:

(A) Child support payments received by either Parent for the benefit of a Child of another relationship;

(B) Benefits received from means-tested public assistance programs such as, but not limited to:

(i) PeachCare for Kids Program, temporary assistance for needy families, or similar programs in other states or territories under Title IV-A of the federal Social Security Act;

(ii) Food stamps or the value of food assistance provided by way of electronic benefits transfer procedures by the Department of Human Resources;

(iii) Supplemental security income received under Title XVI of the federal Social Security Act;

(iv) Benefits received under Section 402(d) of the federal Social Security Act for disabled adult children of deceased disabled workers; and

(v) Low income heating and energy assistance program payments; and

(C) A Nonparent Custodian's Gross Income.

(3) SOCIAL SECURITY BENEFITS.

(A) Benefits received under Title II of the federal Social Security Act by a Child on the obligor's account shall be counted as child support payments and shall be applied against the Final Child Support Order to be paid by the obligor for the Child.

(B) After calculating the obligor's Gross Income, including the countable Social Security benefits as specified in division (1)(A)(xiii) of this subsection, and after calculating the amount of child support, if the Presumptive Amount of Child Support is greater than the Social Security benefits paid on behalf of the Child on the obligor's account, the obligor shall be required to pay the amount exceeding the Social Security benefit as part of the Final Child Support Order in the case.

(C) After calculating the obligor's Gross Income, including the countable Social Security benefits as specified in division (1)(A)(xiii) of this subsection, and after calculating the amount of child support, if the Presumptive Amount of Child Support is equal to or less than the Social Security benefits paid to the Nonparent Custodian or

1 Custodial Parent on behalf of the Child on the obligor's account, the child support  
2 responsibility of that Parent is met and no further child support shall be paid.

3 (D) Any benefit amounts under Title II of the federal Social Security Act as determined  
4 by the Social Security Administration sent to the Nonparent Custodian or Custodial  
5 Parent by the Social Security Administration for the Child's benefit which are greater  
6 than the Final Child Support Order shall be retained by the Nonparent Custodian or  
7 Custodial Parent for the Child's benefit and shall not be used as a reason for decreasing  
8 the Final Child Support Order or reducing arrearages.

9 (E) The Court shall make a written finding of fact in the Final Child Support Order  
10 regarding the use of Social Security benefits in the calculation of the child support.

11 (4) RELIABLE EVIDENCE OF INCOME.

12 (A) *IMPUTED INCOME*. When establishing the amount of child support, if a Parent fails  
13 to produce reliable evidence of income, such as tax returns for prior years, check stubs,  
14 or other information for determining current ability to pay child support or ability to  
15 pay child support in prior years, and the Court or the jury has no other reliable evidence  
16 of the Parent's income or income potential, Gross Income for the current year shall be  
17 determined by imputing Gross Income based on a 40 hour workweek at minimum  
18 wage.

19 (B) *MODIFICATION*. When cases with established orders are reviewed for modification  
20 and a Parent fails to produce reliable evidence of income, such as tax returns for prior  
21 years, check stubs, or other information for determining current ability to pay child  
22 support or ability to pay child support in prior years, and the Court has no other reliable  
23 evidence of that Parent's income or income potential, the Court may enter an order to  
24 increase the child support of the Parent failing or refusing to produce evidence of  
25 income by an increment of at least 10 percent per year of that Parent's pro rata share  
26 of the Basic Child Support Obligation for each year since the Final Child Support Order  
27 was entered or last modified.

28 (C) *REHEARING*. If income is imputed pursuant to subparagraph (A) of this paragraph,  
29 the party believing the income of the other party is higher than the amount imputed may  
30 provide within 90 days, upon motion to the Court, evidence necessary to determine the  
31 appropriate amount of child support based upon reliable evidence. A hearing shall be  
32 scheduled after the motion is filed. The Court may increase, decrease, or the amount  
33 of current child support may remain the same from the date of filing of either Parent's  
34 initial filing or motion for reconsideration. While the motion for reconsideration is  
35 pending, the obligor shall be responsible for the amount of child support originally  
36 ordered. Arrearages entered in the original child support order based upon imputed  
37 income shall not be forgiven. When there is reliable evidence to support a motion for

1 reconsideration of the amount of income imputed, the party shall not be required to  
2 demonstrate the existence of a significant variance or other such factors required for  
3 modification of an order pursuant to subsection (k) of this Code section.

4 (D) *WILLFUL OR VOLUNTARY UNEMPLOYMENT OR UNDEREMPLOYMENT*. In determining  
5 whether a Parent is willfully or voluntarily unemployed or underemployed, the Court  
6 or the jury shall ascertain the reasons for the Parent's occupational choices and assess  
7 the reasonableness of these choices in light of the Parent's responsibility to support his  
8 or her Child and whether such choices benefit the Child. A determination of willful or  
9 voluntary unemployment or underemployment shall not be limited to occupational  
10 choices motivated only by an intent to avoid or reduce the payment of child support but  
11 can be based on any intentional choice or act that affects a Parent's income. In  
12 determining willful or voluntary unemployment or underemployment, the Court may  
13 examine whether there is a substantial likelihood that the Parent could, with reasonable  
14 effort, apply his or her education, skills, or training to produce income. Specific factors  
15 for the Court to consider when determining willful or voluntary unemployment or  
16 underemployment include, but are not limited to:

- 17 (i) The Parent's past and present employment;
- 18 (ii) The Parent's education and training;
- 19 (iii) Whether unemployment or underemployment for the purpose of pursuing  
20 additional training or education is reasonable in light of the Parent's responsibility to  
21 support his or her Child and, to this end, whether the training or education may  
22 ultimately benefit the Child in the case immediately under consideration by increasing  
23 the Parent's level of support for that Child in the future;
- 24 (iv) A Parent's ownership of valuable assets and resources, such as an expensive  
25 home or automobile, that appear inappropriate or unreasonable for the income  
26 claimed by the Parent;
- 27 (v) The Parent's own health and ability to work outside the home; and
- 28 (vi) The Parent's role as caretaker of a Child of that Parent, a disabled or seriously  
29 ill Child of that Parent, or a disabled or seriously ill adult Child of that Parent, or any  
30 other disabled or seriously ill relative for whom that Parent has assumed the role of  
31 caretaker, which eliminates or substantially reduces the Parent's ability to work  
32 outside the home, and the need of that Parent to continue in the role of caretaker in the  
33 future. When considering the income potential of a Parent whose work experience  
34 is limited due to the caretaker role of that Parent, the Court shall consider the  
35 following factors:

- 36 (I) Whether the Parent acted in the role of full-time caretaker immediately prior to  
37 separation by the married parties or prior to the divorce or annulment of the

1 marriage or dissolution of another relationship in which the Parent was a full-time  
2 caretaker;

3 (II) The length of time the Parent staying at home has remained out of the  
4 workforce for this purpose;

5 (III) The Parent's education, training, and ability to work; and

6 (IV) Whether the Parent is caring for a Child who is four years of age or younger.

7 If the Court or the jury determines that a Parent is willfully or voluntarily  
8 unemployed or underemployed, child support shall be calculated based on a  
9 determination of earning capacity, as evidenced by educational level or previous  
10 work experience. In the absence of any other reliable evidence, income may be  
11 imputed to the Parent pursuant to a determination that Gross Income for the current  
12 year is based on a 40 hour workweek at minimum wage. A determination of willful  
13 and voluntary unemployment or underemployment shall not be made when an  
14 individual is activated from the National Guard or other armed forces unit or enlists  
15 or is drafted for full-time service in the armed forces of the United States.

16 (5) ADJUSTMENTS TO GROSS INCOME.

17 (A) *SELF-EMPLOYMENT*. One-half of the self-employment and Medicare taxes shall be  
18 calculated as follows:

19 (i) Six and one-quarter percent of self-employment income up to the maximum  
20 amount to which federal old age, survivors, and disability insurance (OASDI) applies;  
21 plus

22 (ii) One and forty-five one-hundredths of a percent of self-employment income for  
23 Medicare

24 and this amount shall be deducted from a self-employed Parent's Gross Income.

25 (B) *PREEXISTING ORDERS*. An adjustment to the Parent's Gross Income shall be made  
26 on the Child Support Schedule B – Adjusted Income for current Preexisting Orders  
27 actually being paid under an order of support for a period of not less than 12  
28 consecutive months immediately prior to the date of the hearing or such period that an  
29 order has been in effect if less than 12 months prior to the date of the hearing before the  
30 Court to set, modify, or enforce child support.

31 (i) In calculating the adjustment for Preexisting Orders, the Court shall include only  
32 those Preexisting Orders where the date of entry of the initial support order precedes  
33 the date of entry of the initial order in the case immediately under consideration;

34 (ii) The priority for Preexisting Orders shall be determined by the date of the initial  
35 order in each case. Subsequent modifications of the initial support order shall not  
36 affect the priority position established by the date of the initial order. In any

modification proceeding, the Court rendering the decision shall make a specific finding of the date of the initial order of the case;

(iii) Adjustments shall be allowed for current preexisting support only to the extent that the payments are actually being paid as evidenced by documentation including, but not limited to, payment history from a court clerk, a IV-D agency, as defined in Code Section 19-6-31, the Child Support Enforcement Agency's computer data base, the child support payment history, or canceled checks or other written proof of payments paid directly to the other Parent. The maximum credit allowed for a Preexisting Order is an average of the amount of current support actually paid under the Preexisting Order over the past 12 months prior to the hearing date;

(iv) All Preexisting Orders shall be entered on the Child Support Schedule B – Adjusted Income for the purpose of calculating the total amount of the credit to be included on the Child Support Worksheet; and

(v) Payments being made by a Parent on any arrearages shall not be considered payments on Preexisting Orders or subsequent orders and shall not be used as a basis for reducing Gross Income.

(C) *THEORETICAL CHILD SUPPORT ORDERS.* In addition to the adjustments to Gross Income for self-employment taxes provided in subparagraph (A) of this paragraph and for Preexisting Orders provided in subparagraph (B) of this paragraph, credits for either Parent's other Qualified Child living in the Parent's home for whom the Parent owes a legal duty of support may be considered by the Court for the purpose of reducing the Parent's Gross Income. To consider a Parent's other Qualified Children for determining the Theoretical Child Support Order, a Parent shall present documentary evidence of the Parent-Child relationship to the Court. Adjustments to income pursuant to this paragraph may be considered in such circumstances in which the failure to consider a Qualified Child would cause substantial hardship to the Parent. If the Court, in its discretion, decides to apply the Qualified Child adjustment, the Basic Child Support Obligation of the Parent for the number of other Qualified Children living with such Parent shall be determined based upon that Parent's Gross Income. Except for self-employment taxes paid, no other amounts shall be subtracted from the Parent's Gross Income when calculating a Theoretical Child Support Order under this subparagraph. The Basic Child Support Obligation for such Parent shall be multiplied by 75 percent and the resulting amount shall be subtracted from such Parent's Gross Income and entered on the Child Support Schedule B – Adjusted Income.

(D) *PRIORITY OF ADJUSTMENTS.* In multiple family situations, the adjustments to a Parent's Gross Income shall be calculated in the following order:

(i) Preexisting Orders according to the date of the initial order; and

(ii) After applying the deductions on the Child Support Schedule B – Adjusted Income for Preexisting Orders, if any, in subparagraph (A) of paragraph (4) of this subsection, any credit for a Parent’s other Qualified Children may be considered using the procedure set forth in subparagraph (B) of this paragraph.

(g) *Parenting Time Adjustment.*

(1) For purposes of this subsection, the term 'Day' means that a Child spends more than 12 hours of a calendar day with or under the control of a Parent and that Parent expends a reasonable amount of resources on the Child during such time period directly related to the care and supervision of the Child. Partial days of parenting time that are not consistent with this definition shall not be considered a 'Day' under this Code Section. A Child is under the control of a Parent when the Child is in the Parent’s home or at school, work related day care, or such activity as the Parent expressly permits.

(2) The Child Support Obligation Table is based upon expenditures for the Child in intact households and therefore there is no consideration for cost associated with court ordered visitation exceeding the standard visitation period with the Noncustodial Parent, which, for purposes of this Table only, typically includes a minimum of every other weekend from Friday through Sunday, two weeks in the summer, and two weeks during holidays throughout the year, for a total of approximately 80 days per calendar year.

(3)(A) If the Noncustodial Parent is ordered more than 120 days of court ordered visitation per calendar year with a Child, the Noncustodial Parent’s Basic Support Obligation may be reduced as provided in subparagraph (B) of this paragraph.

(B) Determine the Adjustment Percentage based upon the following schedule:

Number of Days	Adjustment Percentage
121 - 136 Days	10 percent
137 - 151 Days	20 percent
152 - 166 Days	30 percent
167 - 181 Days	40 percent
182 or more Days	50 percent

(C) Multiply the adjustment percentage by the Noncustodial Parent’s Basic Child Support Obligation, and the resulting number from this multiplication may be subtracted from the Noncustodial Parent’s Basic Child Support Obligation to arrive at the Parenting Time Adjustment upon a showing by the preponderance of the evidence that the Parenting Time Adjustment is consistent with the best interests of the Child.

(D) If there is more than one Child in the case with whom the Noncustodial Parent is ordered more than 120 days of visitation per calendar year, and the Noncustodial Parent

1 is ordered different amounts of visitation time with each Child, then the time the  
2 Noncustodial Parent is ordered with each Child shall be averaged to determine the  
3 Parenting Time Adjustment.

4 (E) If the Adjusted Incomes of the Parents are equal and the court ordered visitation  
5 with each Parent is equal, neither Parent shall pay any Basic Child Support Obligation;  
6 provided, however, that either Parent may be responsible for additional support  
7 obligations, including a Parent's pro rata share for Health Insurance, Work Related  
8 Child Care Costs, Uninsured Health Care Expenses, and Deviations for Extraordinary  
9 Expenses as set forth in subparagraph (i)(2)(I) of this Code section.

10 (4) Where a Parenting Time Adjustment is ordered and the Noncustodial Parent fails to  
11 exercise the court ordered visitation, the court shall have the power to sanction the  
12 Noncustodial Parent to the same extent as is provided by law for contempt of the court  
13 in any other action or proceeding cognizable by the court. Any proceeding for  
14 compliance pursuant to this authority shall be a part of the underlying action, and a  
15 motion for such enforcement shall not constitute the filing of a new action or require the  
16 payment of a new filing fee.

17 (5) In accordance with subsection (d) of Code Section 19-11-8, if any action or claim for  
18 Parenting Time Adjustment is brought under this subsection, it shall be an action or claim  
19 solely between the Custodial Parent and the Noncustodial Parent, and not any third  
20 parties, including the Child Support Enforcement Agency. Where a Parenting Time  
21 Adjustment is ordered and the Noncustodial Parent fails to exercise the court ordered  
22 visitation, the court shall have the power to sanction the Noncustodial Parent to the same  
23 extent as is provided by law for contempt of the court in any other action or proceeding  
24 cognizable by the court. Any proceeding for compliance pursuant to this authority shall  
25 be a part of the underlying action, and a motion for such enforcement shall not constitute  
26 the filing of a new action or require the payment of a new filing fee.

27 (h) *Adjusted support obligation.* The Child Support Obligation Table does not include the  
28 cost of the Parent's Work Related Child Care Costs, Health Insurance premiums, or  
29 Uninsured Health Care Expenses. The additional expenses for the Child's Health  
30 Insurance premium and Work Related Child Care Costs shall be included in the  
31 calculations to determine child support. A Nonparent Custodian's expenses for Work  
32 Related Child Care Costs and Health Insurance premiums shall be taken into account when  
33 establishing a Final Child Support Order.

34 (1) WORK RELATED CHILD CARE COSTS.

35 (A) Work Related Child Care Costs necessary for the Parent's employment, education,  
36 or vocational training that are determined by the Court to be appropriate, and that are  
37 appropriate to the Parents' financial abilities and to the lifestyle of the Child if the

Parents and Child were living together, shall be averaged for a monthly amount and entered on the Child Support Worksheet in the column of the Parent initially paying the expense. Work Related Child Care Costs of a Nonparent Custodian shall be considered when determining the amount of this expense.

(B) If a child care subsidy is being provided pursuant to a means-tested public assistance program, only the amount of the child care expense actually paid by either Parent or a Nonparent Custodian shall be included in the calculation.

(C) If either Parent is the provider of child care services to the Child for whom support is being determined, the value of those services shall not be an adjustment to the Basic Child Support Obligation when calculating the support award.

(D) If child care is provided without charge to the Parent, the value of these services shall not be an adjustment to the Basic Child Support Obligation. If child care is or will be provided by a person who is paid for his or her services, proof of actual cost or payment shall be shown to the Court before the Court includes such payment in its consideration.

(E) The amount of Work Related Child Care Costs shall be determined and added as an adjustment to the Basic Child Support Obligation as 'additional expenses' whether paid directly by the Parent or through a payroll deduction.

(F) The total amount of Work Related Child Care Costs shall be divided between the Parents pro rata to determine the Presumptive Amount of Child Support and shall be included in the Worksheet and written order of the Court.

(2) COST OF HEALTH INSURANCE PREMIUMS.

(A)(i) The amount that is, or will be, paid by a Parent for Health Insurance for the Child for whom support is being determined shall be an adjustment to the Basic Child Support Obligation and prorated between the Parents based upon their respective incomes. Payments made by a Parent's employer for Health Insurance and not deducted from the Parent's wages shall not be included. When a Child for whom support is being determined is covered by a family policy, only the Health Insurance premium actually attributable to that Child shall be added.

(ii) The amount of the cost for the Child's Health Insurance premium shall be determined and added as an adjustment to the Basic Child Support Obligation as 'additional expenses' whether paid directly by the Parent or through a payroll deduction.

(iii) The total amount of the cost for the Child's Health Insurance premium shall be divided between the Parents pro rata to determine the total Presumptive Amount of Child Support and shall be included in the Child Support Schedule D – Additional

Expenses and written order of the Court together with the amount of the Basic Child Support Obligation.

(B)(i) If Health Insurance that provides for the health care needs of the Child can be obtained by a Parent at reasonable cost, then an amount to cover the cost of the premium shall be added as an adjustment to the Basic Child Support Obligation. A Health Insurance premium paid by a Nonparent Custodian shall be included when determining the amount of Health Insurance expense. In determining the amount to be added to the order for the Health Insurance cost, only the amount of the Health Insurance cost attributable to the Child who is the subject of the order shall be included.

(ii) If coverage is applicable to other persons and the amount of the Health Insurance premium attributable to the Child who is the subject of the current action for support is not verifiable, the total cost to the Parent paying the premium shall be prorated by the number of persons covered so that only the cost attributable to the Child who is the subject of the order under consideration is included. The amount of Health Insurance premium shall be determined by dividing the total amount of the insurance premium by the number of persons covered by the insurance policy and multiplying the resulting amount by the number of children covered by the insurance policy. The monthly cost of Health Insurance premium shall be entered on the Child Support Schedule D – Additional Expenses in the column of the Parent paying the premium.

(iii) Eligibility for or enrollment of the Child in Medicaid or PeachCare for Kids Program shall not satisfy the requirement that the Final Child Support Order provide for the Child's health care needs. Health coverage through PeachCare for Kids Program and Medicaid shall not prevent a Court from ordering either or both Parents to obtain other Health Insurance.

(3) UNINSURED HEALTH CARE EXPENSES.

(A) The Child's Uninsured Health Care Expenses shall be the financial responsibility of both Parents. The Final Child Support Order shall include provisions for payment of the Uninsured Health Care Expenses; provided, however, that the Uninsured Health Care Expenses shall not be used for the purpose of calculating the amount of child support. The Parents shall divide the Uninsured Health Care Expenses pro rata, unless otherwise specifically ordered by the Court.

(B) If a Parent fails to pay his or her pro rata share of the Child's Uninsured Health Care Expenses, as specified in the Final Child Support Order, within a reasonable time after receipt of evidence documenting the uninsured portion of the expense:

(i) The other Parent or the Nonparent Custodian may enforce payment of the expense by any means permitted by law; or

(ii) The Child Support Enforcement Agency shall pursue enforcement of payment of such unpaid expenses only if the unpaid expenses have been reduced to a judgment in a sum certain amount.

(i) *Grounds for Deviation.*

(1) GENERAL PRINCIPLES.

(A) The amount of child support established by this Code section and the Presumptive Amount of Child Support are rebuttable and the Court or the jury may deviate from the Presumptive Amount of Child Support in compliance with this subsection. In deviating from the Presumptive Amount of Child Support, primary consideration shall be given to the best interest of the Child for whom support under this Code section is being determined. A Nonparent Custodian's expenses may be the basis for a Deviation.

(B) When ordering a Deviation from the Presumptive Amount of Child Support, the Court or the jury shall consider all available income of the Parents and shall make written findings or special interrogatory findings that an amount of child support other than the amount calculated is reasonably necessary to provide for the needs of the Child for whom child support is being determined and the order or special interrogatory shall state:

(i) The reasons for the Deviation from the Presumptive Amount of Child Support;

(ii) The amount of child support that would have been required under this Code section if the Presumptive Amount of Child Support had not been rebutted; and

(iii) How, in its determination:

(I) Application of the Presumptive Amount of Child Support would be unjust or inappropriate; and

(II) The best interest of the Child for whom support is being determined will be served by Deviation from the Presumptive Amount of Child Support.

(C) No Deviation in the Presumptive Amount of Child Support shall be made which seriously impairs the ability of the Custodial Parent to maintain minimally adequate housing, food, and clothing for the Child being supported by the order and to provide other basic necessities, as determined by the Court or the jury.

(2) SPECIFIC DEVIATIONS.

(A) *HIGH INCOME.* For purposes of this subparagraph, Parents are considered to be high-income Parents if their Combined Adjusted Income exceeds \$30,000.00 per month. For high-income Parents, the Court shall set the Basic Child Support Obligation at the highest amount allowed by the Child Support Obligation Table but the Court or the jury may consider upward Deviation to attain an appropriate award of child support for high-income Parents which is consistent with the best interest of the Child.

1 (B) *LOW INCOME*. For purposes of this subparagraph, 'low income person' means a  
2 Parent whose annual Gross Income is at or below \$1,850.00 per month.

3 (i) If the Noncustodial Parent is a low income person and requests a Deviation on  
4 such basis, the Court or the jury shall determine if the Noncustodial Parent will be  
5 financially able to pay the child support order and maintain at least a minimum  
6 standard of living by calculating a self-support reserve as set forth in division (ii) of  
7 this subparagraph. The Court or the jury shall take into account all nonexempt  
8 sources of income available to each Parent and all reasonable expenses of each Parent,  
9 ensuring that such expenses are actually paid by the Parent and are clearly justified  
10 expenses. The Court or the jury shall also consider the financial impact that a  
11 reduction in the amount of child support paid to the Custodial Parent would have on  
12 the Custodial Parent's household. Under no circumstances shall the amount of child  
13 support awarded to the Custodial Parent impair the ability of the Custodial Parent to  
14 maintain minimally adequate housing, food, and clothing and provide for other basic  
15 necessities for the child being supported by the court order.

16 (ii) To calculate the self-support reserve for the Noncustodial Parent, the Court or the  
17 jury shall deduct \$900.00 from the Noncustodial Parent's Adjusted Income. If the  
18 resulting amount is less than the Noncustodial Parent's pro rata responsibility of the  
19 Presumptive Amount of Child Support, the Court or the jury may deviate from the  
20 amount of support provided for in the Child Support Obligation Table to the resulting  
21 amount. If the child support award amount would be less than \$75.00, then the  
22 minimum child support order amount shall be \$75.00.

23 (iii) If the Custodial Parent is a low income person, the Court or the jury shall  
24 subtract \$900.00 from the Custodial Parent's Adjusted Income. If the resulting  
25 amount is less than the Custodial Parent's pro rata responsibility of the Presumptive  
26 Amount of Child Support, the Court or the jury shall not deviate from the amount of  
27 support required to be paid by the Noncustodial Parent as provided for in the Child  
28 Support Obligation Table.

29 (iv) The self-support reserve calculation described in this subparagraph shall apply  
30 only to the current child support amount and shall not prohibit an additional amount  
31 being ordered to reduce an obligor's arrears.

32 (v) The Court shall make a written finding in its order or the jury shall find by special  
33 interrogatory that the low income Deviation from the Presumptive Amount of Child  
34 Support is clearly justified based upon the considerations and calculations described  
35 in this subparagraph.

36 (C) *OTHER HEALTH-RELATED INSURANCE*. If the Court or the jury finds that either Parent  
37 has vision or dental insurance available at a reasonable cost for the Child, the Court

1 may deviate from the Presumptive Amount of Child Support for the cost of such  
2 insurance.

3 (D) *CHILD AND DEPENDENT CARE TAX CREDIT*. If the Court or the jury finds that one of  
4 the Parents is entitled to the Child and Dependent Care Tax Credit, the Court or the jury  
5 may deviate from the Presumptive Amount of Child Support in consideration of such  
6 credit.

7 (E) *TRAVEL EXPENSES*. If court ordered visitation related travel expenses are substantial  
8 due to the distance between the Parents, the Court may order the allocation of such  
9 costs or the jury may by a finding in its special interrogatory allocate such costs by  
10 Deviation from the Presumptive Amount of Child Support, taking into consideration  
11 the circumstances of the respective Parents as well as which Parent moved and the  
12 reason for such move.

13 (F) *ALIMONY*. Actual payments of alimony shall not be considered as a deduction from  
14 Gross Income but may be considered as a Deviation from the Presumptive Amount of  
15 Child Support. If the Court or the jury considers the actual payment of alimony, the  
16 Court shall make a written finding of such consideration or the jury in its special  
17 interrogatory of such consideration as a basis for Deviation from the Presumptive  
18 Amount of Child Support.

19 (G) *MORTGAGE*. If the Noncustodial Parent is providing shelter, such as paying the  
20 mortgage of the home, or has provided a home at no cost to the Custodial Parent in  
21 which the Child resides, the Court or the jury may allocate such costs or an amount  
22 equivalent to such costs by Deviation from the Presumptive Amount of Child Support,  
23 taking into consideration the circumstances of the respective Parents and the best  
24 interest of the Child.

25 (H) *PERMANENCY PLAN OR FOSTER CARE PLAN*. In cases where the Child is in the legal  
26 custody of the Department of Human Resources, the child protection or foster care  
27 agency of another state or territory, or any other child-caring entity, public or private,  
28 the Court or the jury may consider a Deviation from the Presumptive Amount of Child  
29 Support if the Deviation will assist in accomplishing a permanency plan or foster care  
30 plan for the Child that has a goal of returning the Child to the Parent or Parents and the  
31 Parent's need to establish an adequate household or to otherwise adequately prepare  
32 herself or himself for the return of the Child clearly justifies a Deviation for this  
33 purpose.

34 (I) *EXTRAORDINARY EXPENSES*. The Child Support Obligation Table includes average  
35 child rearing expenditures for families given the Parents' monthly combined income  
36 and number of children. Extraordinary expenses are in excess of average amounts  
37 estimated in the Child Support Obligation Table and are highly variable among

1 families. Extraordinary expenses shall be considered on a case-by-case basis in the  
2 calculation of support and may form the basis for Deviation from the Presumptive  
3 Amount of Child Support so that the actual amount of the expense is considered in the  
4 calculation of the Final Child Support Order for only those families actually incurring  
5 the expense. Extraordinary expenses shall be prorated between the Parents.

6 (i) *Extraordinary educational expenses.* Extraordinary educational expenses may be  
7 a basis for Deviation from the Presumptive Amount of Child Support. Extraordinary  
8 educational expenses include, but are not limited to, tuition, room and board, lab fees,  
9 books, fees, and other reasonable and necessary expenses associated with special  
10 needs education or private elementary and secondary schooling that are appropriate  
11 to the Parent's financial abilities and to the lifestyle of the Child if the Parents and the  
12 Child were living together.

13 (I) In determining the amount of Deviation for extraordinary educational expenses,  
14 scholarships, grants, stipends, and other cost-reducing programs received by or on  
15 behalf of the Child shall be considered; and

16 (II) If a Deviation is allowed for extraordinary educational expenses, a monthly  
17 average of the extraordinary educational expenses shall be based on evidence of  
18 prior or anticipated expenses and entered on the Child Support Schedule  
19 E – Deviations.

20 (ii) *Special expenses incurred for child rearing.* Special expenses incurred for child  
21 rearing, including, but not limited to, quantifiable expense variations related to the  
22 food, clothing, and hygiene costs of children at different age levels, may be a basis for  
23 a Deviation from the Presumptive Amount of Child Support. Such expenses include,  
24 but are not limited to, summer camp; music or art lessons; travel; school sponsored  
25 extracurricular activities, such as band, clubs, and athletics; and other activities  
26 intended to enhance the athletic, social, or cultural development of a Child but not  
27 otherwise required to be used in calculating the Presumptive Amount of Child  
28 Support as are Health Insurance premiums and Work Related Child Care Costs. A  
29 portion of the Basic Child Support Obligation is intended to cover average amounts  
30 of special expenses incurred in the rearing of a Child. In order to determine if a  
31 Deviation for special expenses is warranted, the Court or the jury shall consider the  
32 full amount of the special expenses as described in this division; and when these  
33 special expenses exceed 7 percent of the monthly Basic Child Support Obligation,  
34 then the additional amount of special expenses shall be considered as a Deviation to  
35 cover the full amount of the special expenses.

36 (iii) *Extraordinary medical expenses.* In instances of extreme economic hardship,  
37 such as in cases involving extraordinary medical needs not covered by insurance or

1 other extraordinary special needs for the Child of a Parent's current family, Deviation  
2 from the Presumptive Amount of Child Support may be considered. In such cases,  
3 the Court or the jury shall consider the resources available for meeting such needs,  
4 including those available from agencies and other adults. The Court or the jury may  
5 consider extraordinary medical expenses of a Parent as a reason for finding a  
6 Deviation from the Presumptive Child Support amount, but such Deviation shall not  
7 act to leave a Child unsupported and such Deviation may be ordered for a specific  
8 period of time measured in months.

9 (3) NONSPECIFIC DEVIATIONS. Deviation from the Presumptive Amount of Child  
10 Support may be appropriate for reasons in addition to those established under this  
11 subsection when the Court or the jury finds it is in the best interest of the Child. If the  
12 circumstances which supported the Deviation cease to exist, the Final Child Support  
13 Order may be modified as set forth in subsection (k) of this Code section to eliminate the  
14 Deviation.

15 (j) *Involuntary loss of income.*

16 (1) In the event a Parent suffers an involuntary termination of employment, has an  
17 extended involuntary loss of average weekly hours, is involved in an organized strike,  
18 incurs a loss of health, or similar involuntary adversity resulting in a loss of income of  
19 25 percent or more, then the portion of child support attributable to lost income shall not  
20 accrue from the date of the service of the petition for modification, provided that service  
21 is made on the other Parent. It shall not be considered an involuntary termination of  
22 employment if the Parent has left the employer without good cause in connection with  
23 the Parent's most recent work.

24 (2) In the event a modification action is filed pursuant to this subsection, the Court shall  
25 make every effort to expedite hearing such action.

26 (3) The Court may, at its discretion, phase in the new child support award over a period  
27 of up to one year with the phasing in being largely evenly distributed with at least an  
28 initial immediate adjustment of not less than 25 percent of the difference and at least one  
29 intermediate adjustment prior to the final adjustment at the end of the phase-in period.

30 (k) *Modification.*

31 (1) No petition to modify child support may be filed by either Parent within a period of  
32 two years from the date of the final order on a previous petition to modify by the same  
33 Parent except where:

34 (A) The Child Support Obligation Table set forth in subsection (o) of this Code section  
35 creates a difference of 15 percent or more between a new award and a prior award;

36 (B) A Parenting Time Adjustment pursuant to subsection (g) of this Code section was  
37 made and a Noncustodial Parent has failed to exercise the court ordered visitation;

(C) A Parenting Time Adjustment pursuant to subsection (g) of this Code section was made and a Noncustodial Parent has exercised a greater amount of visitation than was provided in the court order; or

(D) The motion to modify is based upon an involuntary loss of income as set forth in subsection (j) of this Code section.

(2) In any proceeding to modify an order entered prior to July 1, 2006, an increase or decrease of 15 percent or more between the amount of the existing order and the amount of child support resulting from the application of the Child Support Obligation Table shall be presumed to constitute a substantial change of circumstances as may warrant a modification based upon the Court's consideration of the Parent's income and financial status and the needs of the Child. This differential shall be calculated by applying 15 percent to the existing award. If there is a difference of 30 percent or more between a new award and a prior award, the Court may, at its discretion, phase in the new child support award over a period of up to one year with the phasing in being largely evenly distributed with at least an initial immediate adjustment of not less than 25 percent of the difference and at least one intermediate adjustment prior to the final adjustment at the end of the phase-in period. All IV-D case reviews and modifications shall proceed and be governed by Code Section 19-11-12. Subsequent changes to the Child Support Obligation Table shall be a reason to request a review for modification from the IV-D agency to the extent that such changes are consistent with the requirements of Code Section 19-11-12.

(3) In proceedings for the modification of a child support award pursuant to the provisions of this Code section, the Court may award attorney's fees, costs, and expenses of litigation to the prevailing party as the interests of justice may require. Where a Custodial Parent prevails in an upward modification of child support based upon the Noncustodial Parent's failure to be available and willing to exercise court ordered visitation as scheduled under the prior order of child support which provided a Parenting Time Adjustment in accordance with subsection (g) of this Code section, reasonable and necessary attorney's fees and expenses of litigation shall be awarded to the Custodial Parent.

(l) *Split Parenting*. In cases of Split Parenting, a Worksheet shall be prepared separately for the Child for whom the father is the Custodial Parent and for the Child for whom the mother is the Custodial Parent, and that Worksheet shall be filed with the clerk of court. For each Split Parenting custodial situation, the Court shall determine:

(1) Which Parent is the obligor;

(2) The Presumptive Amount of Child Support;

- (3) The actual award of child support, if different from the Presumptive Amount of Child Support;
- (4) How and when the sum certain amount of child support owed shall be paid; and
- (5) Any other child support responsibilities for each Parent.

(m) *Worksheets.*

- (1) The Child Support Worksheet is used to record information necessary to determine and calculate child support. Schedules and Worksheets shall be prepared by the parties for purposes of calculating the amount of child support. Information from the schedules shall be entered on the Child Support Worksheet. The Child Support Worksheet shall be attached to the final court order or judgment, and any schedules completed by the parties shall be filed with the clerk of court.
- (2) The Child Support Worksheet and schedules shall be promulgated by the Georgia Child Support Commission.

(n) *Child Support Obligation Table.* The Child Support Obligation Table shall be proposed by the Georgia Child Support Commission and shall be as codified in subsection (o) of this Code section.

(o) *Georgia Schedule of Basic Child Support Obligations.*
