16 grant funds from a subrecipient.

17 (2) 'Unit of local government' means, for purposes of this Code section and  
18 notwithstanding paragraph (16) of Code Section 36-81-2, a:

4 grant certification form. The form shall be designed by the state auditor and shall be  
5 distributed with each covered grant as required by this Code section. The grant certification  
6 form shall require the certification by the recipient unit of local government and by the unit  
7 of local government auditor that the grant funds were used solely for the express purpose  
8 or purposes for which the grant was made. Such form shall be filed with the state auditor

5 of state funds from the Governor's emergency fund or from a special project  
6 appropriation, regardless of the amount thereof.

7 (2) Notwithstanding ~~subsections~~ subsection (b) or (c) of this Code section, a recipient  
8 unit of local government shall have the right or authority to obtain or perform an audit of  
9 any grant of state funds to a subrecipient from the Governor's emergency fund or from  
10 a special project appropriation, regardless of the amount thereof.

13 been received by the unit of local government. In the case of a state grant awarded to a  
14 subrecipient, the subrecipient shall be responsible for the return to the state of any such
