11 Article 3 of Chapter 13 of Title 48 of the Official Code of Georgia Annotated, relating to the  
12 excise tax on the furnishing for value to the public of any rooms, lodgings, or  
13 accommodations, is amended by striking paragraphs (1) and (2) of subsection (a) of Code  
14 Section 48-13-51, relating to the levy and collection of certain excise taxes, and inserting in  
15 their place new paragraphs (1) and (2) to read as follows:

16 "(a)(1)(A) The governing authority of each municipality in this state may levy and  
17 collect an excise tax upon the furnishing for value to the public of any room or rooms,  
18 lodgings, or accommodations furnished by any person or legal entity licensed by, or  
19 required to pay business or occupation taxes to, the municipality for operating a hotel,  
20 motel, inn, lodge, tourist camp, tourist cabin, campground, or any other place in which  
21 rooms, lodgings, or accommodations are regularly furnished for value. Within the  
22 territorial limits of the special district located within the county, each county in this  
23 state may levy and collect an excise tax upon the furnishing for value to the public of  
24 any room or rooms, lodgings, or accommodations furnished by any person or legal  
25 entity licensed by, or required to pay business or occupation taxes to, the county for  
26 operating within the special district a hotel, motel, inn, lodge, tourist camp, tourist  
27 cabin, campground, or any other place in which rooms, lodgings, or accommodations

1 are regularly furnished for value. The provisions of this Code section shall control over  
2 the provisions of any local ordinance or resolution to the contrary enacted pursuant to  
3 Code Section 48-13-53 and in effect prior to July 1, 1998. Any such ordinance shall not  
4 be deemed repealed by this Code section but shall be administered in conformity with  
5 this Code section.

6 (B)(i) The excise tax shall be imposed on any person or legal entity licensed by or  
7 required to pay a business or occupation tax to the governing authority imposing the  
8 tax for operating a hotel, motel, inn, lodge, tourist camp, tourist cabin, campground,  
9 or any other place in which rooms, lodgings, or accommodations are regularly  
10 furnished for value and shall apply to the furnishing for value of any room, lodging,  
11 or accommodation. Every person or entity subject to a tax levied as provided in this  
12 Code section shall, except as provided in this Code section, be liable for the tax at the  
13 applicable rate on the lodging charges actually collected or, if the amount of taxes  
14 collected from the hotel or motel guest is in excess of the total amount that should  
15 have been collected, the total amount actually collected must be remitted.

16 (ii) Any tax levied as provided in this Code section is also imposed upon every  
17 person or entity who is a hotel or motel guest and who receives a room, lodging, or  
18 accommodation that is subject to the tax levied under this Code section. Every such  
19 guest subject to the tax levied under this Code section shall pay the tax to the person  
20 or entity providing the room, lodging, or accommodation. The tax shall be a debt of  
21 the person obtaining the room, lodging, or accommodation to the person or entity  
22 providing such room, lodging, or accommodation until it is paid and shall be  
23 recoverable at law by the person or entity providing such room, lodging, or  
24 accommodation in the same manner as authorized for the recovery of other debts. The  
25 person or entity collecting the tax from the hotel or motel guest shall remit the tax to  
26 the governing authority imposing the tax, and the tax remitted shall be a credit against  
27 the tax imposed by division (i) of this subparagraph on the person or entity providing  
28 the room, lodging, or accommodation.

29 (C)(i) The tax authorized by this Code section shall not apply to charges made for  
30 any rooms, lodgings, or accommodations provided to any persons who certify that  
31 they are staying in such room, lodging, or accommodation as a result of the  
32 destruction of their home or residence by fire or other casualty. The tax authorized by  
33 this Code section shall apply to the fees or charges for any rooms, lodgings, or  
34 accommodations during the first ten days of continuous occupancy and shall not apply  
35 to charges imposed for any continuous occupancy thereafter. The tax authorized by  
36 this Code section shall not apply to charges made for the use of meeting rooms and

1 other such facilities or to any rooms, lodgings, or accommodations provided without  
2 charge.

3 (ii) The tax authorized by this Code section shall not apply to the charges for any  
4 rooms, lodgings, or accommodations furnished for a period of one or more days for  
5 use by Georgia state or local governmental officials or employees when traveling on  
6 official business. Notwithstanding the availability of any other means of identifying  
7 the person as a state or local government official or employee, whenever a person  
8 pays for any rooms, lodgings, or accommodations with a state or local government  
9 credit or debit card, such rooms, lodgings, or accommodations shall be deemed to  
10 have been furnished for use by a Georgia state or local government official or  
11 employee traveling on official business for purposes of the exemption provided by  
12 this division.

13 (D) Except as provided in paragraphs (2.1), (2.2), (3), (3.1), (3.2), (3.3), (3.4), (3.5),  
14 (3.7), (4), (4.1), (4.2), (4.3), (4.4), (4.5), (4.6), (4.7), (5), (5.1), (5.2), and (5.3) of this  
15 subsection, no tax levied pursuant to this Code section shall be levied or collected at a  
16 rate exceeding 3 percent of the charge to the public for the furnishings.

17 (2) A county or municipality levying a tax as provided in paragraph (1) of this subsection  
18 shall in each fiscal year beginning on or after July 1, 1987, expend for the purpose of  
19 promoting tourism, conventions, and trade shows a percentage of the total taxes collected  
20 under this Code section which is not less than the percentage of such tax collections  
21 expended for such purposes during the immediately preceding fiscal year. In addition,  
22 if during such immediately preceding fiscal year any portion of such tax receipts was  
23 expended for such purposes through a grant to or a contract or contracts with the state,  
24 a department of state government, a state authority, or a private sector nonprofit  
25 organization, then in each fiscal year beginning on or after July 1, 1987, at least the same  
26 percentage shall be expended through a contract or contracts with one or more such  
27 entities for the purpose of promoting tourism, conventions, and trade shows. The  
28 expenditure requirements of this paragraph shall cease to apply to a county or  
29 municipality which levies a tax at a rate in excess of 3 percent, as authorized under  
30 paragraphs (2.1), (3), (2.2), (3.1), (3.2), (3.3), (3.4), (3.5), (3.7), (4), (4.1), (4.2), (4.3),  
31 (4.4), (4.5), (4.6), (4.7), (5), (5.1), (5.2), and (5.3) of this subsection; and in such case the  
32 expenditure requirements of such paragraph of this subsection pursuant to which such tax  
33 is levied shall apply instead."
