 8 payment of tax allocation bonds only to the extent that positive tax allocation increments  
 9 and lease or other contract payments in the special fund are insufficient at any time to pay  
 10 principal and interest due on such bonds. Subject to any agreement with bondholders,  
 11 moneys in the fund may be temporarily invested in the same manner as other funds of the  
 12 political subdivision. Except as provided in Code Section 36-44-20, general funds derived  
 13 from the tax allocation district may be used for payment of tax allocation bonds only to the  
 14 extent that positive tax allocation increments and lease or other contract payments in the  
 15 special fund are insufficient at any time to pay the principal and interest due on such bonds.  
 16 After all redevelopment costs and all tax allocation bonds of the district have been paid or  
 17 provided for, subject to any agreement with bondholders, if there remains in the fund any  
 18 moneys derived from positive tax allocation increments, they shall be paid over to each  
 19 county, municipality, consolidated government, or county or independent board of  
 20 education whose ad valorem property taxes were affected by the tax allocation district in  
 21 proportion to the aggregate contribution of such taxes by such political subdivision less  
 22 aggregate payments to such political subdivision pursuant to subparagraph (G) of  
 23 paragraph (8) of Code Section 36-44-3 and in the same manner ~~and proportion~~ as the most  
 24 recent distribution by the county tax collector or tax commissioner, municipal official  
 25 responsible for collecting municipal ad valorem property taxes, or consolidated government  
 26 official responsible for collecting consolidated government ad valorem property taxes. If  
 27 there remains in the fund any other moneys, they shall be paid over to each political  
 28 subdivision which contributed to the fund in proportion to the respective total contribution  
 29 each made to the fund."

### 30 SECTION 6.

31 Said chapter is further amended by striking Code Section 36-44-15, relating to tax millage  
 32 rate, and inserting in lieu thereof a new Code Section 36-44-15 to read as follows:

33 "36-44-15.

34 (a) For the purpose of fixing the tax millage rate to fund the annual budget of each political  
 35 subdivision or county or independent board of education having the power to levy taxes or  
 36 set ad valorem tax millage rates on property located within a tax allocation district, which

1 has consented to the inclusion of its ad valorem property taxes for the computation of tax  
 2 allocation increments as provided in Code Section 36-44-9, the taxable value of property  
 3 subject to ad valorem property taxes within a tax allocation district shall not exceed the tax  
 4 allocation increment base of the district until the district is terminated. Nothing in this  
 5 chapter shall be construed to freeze the ad valorem tax millage rate of any political  
 6 subdivision or county or independent board of education consenting to the inclusion of its  
 7 ad valorem property taxes as a basis for computing tax allocation increments, and any such  
 8 rate may be increased or decreased at any time after the creation of a tax allocation district  
 9 in the same manner and under the same authority that such rate has been previously fixed  
 10 by such political subdivision or county or independent board of education.

11 ~~(b) Notwithstanding the provisions of subsection (a) of this Code section and the~~  
 12 ~~provisions of any other law to the contrary, including but not limited to those provisions~~  
 13 ~~relating to the joint county and municipal sales and use tax provided for in Article 2 of~~  
 14 ~~Chapter 8 of Title 48, until a tax allocation district is terminated, a political subdivision or~~  
 15 ~~county or independent board of education consenting to the inclusion of its property taxes~~  
 16 ~~as a basis for computing a tax allocation increment base within a tax allocation district, as~~  
 17 ~~provided in Code Section 36-44-9, may not decrease its ad valorem tax millage rate on~~  
 18 ~~taxable property located within that district below the millage rate levied on that property~~  
 19 ~~on the last date tax allocation bonds were issued for redevelopment costs of that district."~~

#### 20 SECTION 7.

21 Said chapter is further amended by striking Code Section 36-44-17, relating to limitation on  
 22 creation of tax allocation districts, and inserting in lieu thereof a new Code Section 36-44-17  
 23 to read as follows:

24 "36-44-17.

25 No political subdivision may create a tax allocation district when the total current taxable  
 26 value of property subject to ad valorem property taxes within the proposed district plus the  
 27 total current taxable value of property subject to ad valorem property taxes within all its  
 28 existing tax allocation districts exceeds 10 percent of the total current taxable value of all  
 29 taxable property located within the area of operation of the political subdivision."

#### 30 SECTION 8.

31 Code Section 48-5-32.1, relating to certification of assessed taxable value of property and  
 32 method of computation, is amended by striking paragraph (9) of subsection (a) of said Code  
 33 section in its entirety and inserting in lieu thereof the following:

34 "(9) 'Roll-back rate' means the previous year's millage rate minus the millage equivalent  
 35 of the total net assessed value added by reassessments; ~~provided, however, that if the~~

1 ~~taxing jurisdiction has created a redevelopment area under the provisions of Chapter 44~~  
2 ~~of Title 36 and the roll-back rate that would otherwise result is lower than the minimum~~  
3 ~~millage permissible under such chapter, the roll-back rate shall mean such minimum~~  
4 ~~millage."~~

#### 5 **SECTION 9.**

6 Nothing in this Act shall impair or invalidate any redevelopment plan, redevelopment area,  
7 or tax allocation district in effect on the effective date of this Act, or any bonds, notes or  
8 certificates thereof. Any redevelopment agency as defined in paragraph (6) of Code Section  
9 36-44-3 having an existing tax allocation district to which the definition of "ad valorem  
10 property taxes" provided for in Section 1 of this Act is effective may apply, in writing, to the  
11 state revenue commissioner for a determination or redetermination of the tax allocation  
12 increment base of such tax allocation district. Within a reasonable time, and not exceeding  
13 60 days after such application, the state revenue commissioner shall certify to the  
14 redevelopment agency the tax allocation increment base, as defined by this Act, as of the  
15 effective date of the creation of such tax allocation district. Such certification shall supersede  
16 any prior certification and, unless amended pursuant to subsection (b) of Code Section  
17 36-44-10, shall constitute the tax allocation increment base of the tax allocation district.

#### 18 **SECTION 10.**

19 This Act shall become effective on its approval by the Governor or upon its becoming law  
20 without such approval; provided, however, that the definition of "ad valorem property taxes"  
21 provided for in Section 1 of this Act shall not be effective as to the calculation of the tax  
22 allocation increment base of any tax allocation district for which a political subdivision has  
23 issued tax allocation bonds, notes, or certificates prior to the effective date hereof, and the  
24 definition of such term effective prior to the effective date hereof shall remain effective as  
25 to any such tax allocation district.

#### 26 **SECTION 11.**

27 All laws and parts of laws in conflict with this Act are repealed.
