

The Senate Insurance and Labor Committee offered the following substitute to SB 649:

A BILL TO BE ENTITLED
AN ACT

1 To amend Code Section 33-7-11 of the Official Code of Georgia Annotated, relating to
2 uninsured motorist coverage under motor vehicle liability policies, so as to provide that the
3 term "insured" in motor vehicle liability policies includes officers, agents, and employees
4 while performing their duties and while in the scope of their employment; to provide that
5 such policies containing uninsured motorist coverage shall be subject to stacking or
6 aggregating in the same manner as for policies issued to natural persons; to provide for
7 related matters; to repeal conflicting laws; and for other purposes.

8 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

9 Code Section 33-7-11 of the Official Code of Georgia Annotated, relating to uninsured
10 motorist coverage under motor vehicle liability policies, is amended by striking subparagraph
11 (b)(1)(B) and inserting in lieu thereof a new subparagraph (b)(1)(B) to read as follows:

12 (B) 'Insured' means the named insured and, while resident of the same household, the
13 spouse of any such named insured and relatives of either, while in a motor vehicle or
14 otherwise; any person who uses, with the expressed or implied consent of the named
15 insured, the motor vehicle to which the policy applies; a guest in such motor vehicle to
16 which the policy applies; or the personal representatives of any of the above. When the
17 named insured is an artificial person, the term 'insured' means the officers, agents, and
18 employees of the artificial person when such officers, agents, and employees are acting
19 in furtherance of their duties for or within the scope of their employment by such
20 artificial person. In such cases, if there are six or fewer policies of motor vehicle
21 liability insurance which include uninsured motorist coverage, then such policies shall
22 be subject to the stacking or aggregating of uninsured motorist coverage in the same
23 manner as policies for natural persons."
24

SECTION 2.

25 All laws and parts of laws in conflict with this Act are repealed.
