

House Resolution 1750

By: Representative Gardner of the 57th

A RESOLUTION

1 Commending the American Red Cross and proclaiming March, 2006, American Red Cross
2 Month in Georgia; and for other purposes.

3 WHEREAS, the essential, humanitarian role of the American Red Cross has never been more
4 relevant than in 2005, a year of unprecedented disasters, from the aftermath of the killer
5 tsunami in Asia and Africa to the deadly hurricanes and flooding that devastated New
6 Orleans and much of our Gulf Coast, affecting millions of people worldwide; and

7 WHEREAS, following Hurricanes Katrina and Rita, Georgia's Red Cross conducted the
8 largest disaster relief operation in state history and, with the support of caring Georgians,
9 distributed more than \$44 million in financial assistance to 43,000 Gulf Coast families who
10 turned to our state for help. In addition, the Red Cross provided safe lodging for 3,100
11 hurricane evacuees in 22 shelters, served more than 400,000 meals and snacks, and gave
12 health and emotional support to nearly 21,000 people devastated by the hurricanes; and

13 WHEREAS, last year, the American Red Cross also responded to more than 3,100 other
14 disasters in Georgia, ranging from floods and tornadoes to home and apartment fires, and
15 faithfully fulfilled its national and state responsibilities for feeding, clothing, and sheltering
16 disaster victims, providing blood, first aid, health care, and counseling in times of crisis; and

17 WHEREAS, though not a government agency itself, the American Red Cross closely
18 collaborates with Georgia's emergency planning community to prepare for and respond to
19 emergencies of all types and leads the way in helping Georgia's families become safer,
20 healthier, and better prepared to face the unexpected - natural or manmade disasters or the
21 threat of pandemic influenza; and

22 WHEREAS, as part of its humanitarian mission, the American Red Cross provides the only
23 world-wide communications link between service members and their loved ones – 16,300
24 of Georgia's military families turned to the Red Cross last year to relay news of births,

1 deaths, serious illnesses, and other urgent circumstances. In addition, Georgia's refugees,
2 who lose touch with loved ones due to changing world conditions, can also turn to the Red
3 Cross for help; and

4 WHEREAS, the American Red Cross is saving lives in Georgia every day - last year alone,
5 Red Cross Blood Services collected more than 294,000 pints of blood from Georgia blood
6 donors, who in turn saved more than 884,000 lives through their selfless generosity. Red
7 Cross instructors also trained more than 190,000 of our citizens in how to save lives with first
8 aid, CPR, use of an AED, lifeguarding, water safety, and HIV/AIDS prevention education;
9 and

10 WHEREAS, the American Red Cross, celebrating its 125th year in 2006, continues to
11 channel the compassion of countless Georgians who support its life-saving mission with their
12 blood and financial contributions and the nearly 22,000 Red Cross volunteers in Georgia who
13 freely give their time and talent to ease and prevent human suffering.

14 NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES that
15 the members of the body join the President of the United States, the Governor of Georgia,
16 and government officials across the country in proclaiming March, 2006, American Red
17 Cross Month and call upon all citizens to support and honor this organization and recognize
18 its proud heritage of service.
