

LOST

Senator Smith of the 52nd offered the following amendment to the committee substitute (LC 33 1434S) to SB 603:

by deleting lines 24-25 of page 7 and inserting in lieu thereof the following:

“Be available for review and approval by the Composite State Board of Medical Examiners following submission to the board which shall exercise authority to regulate and discipline the nurse protocol agreement and all participants and parties to the agreement.”
