 4 improving, and extending the project and to pay the principal of and interest on the revenue  
 5 bonds which may be issued to finance, in whole or in part, the cost of such project or  
 6 projects.

29 with the Constitution or general laws of this state; and

30 (10) To do all things necessary or convenient to carry out the powers expressly given in  
31 this Act.

## 32 **SECTION 6.**

### 33 Revenue bonds.

34 The authority, or any authority or body which has or which may in the future succeed to the  
35 powers, duties, and liabilities vested in the authority created by this Act, is authorized to

1 provide by resolution for the issuance of negotiable revenue bonds of the authority for the  
2 purpose of paying all or part of the cost as herein defined of any one or more projects. The  
3 principal of and interest on such revenue bonds shall be payable solely from the special fund  
4 provided in this Act for such payment. The bonds of each issue shall be dated, shall bear  
5 interest at such rate or rates per annum, be payable at such time or times, shall mature at such  
6 time or times not exceeding 50 years from their date or dates, shall be payable in such  
7 medium of payment as to both principal and interest as may be determined by the authority,  
8 and may be redeemable before maturity, at the option of the authority, at such price or prices  
9 and under such terms and conditions as may be fixed by the authority in the resolution for  
10 the issuance of bonds.

11 **SECTION 7.**

12 Revenue bonds; form; denomination; registration; place of payment.

13 The authority shall determine the form of the bonds, including any interest coupons to be  
14 attached thereon, and shall fix the denomination or denominations of the bonds and the place  
15 or places of payment of principal and interest thereon, which may be at any bank or trust  
16 company inside or outside the state. The bonds may be issued in coupon or registered form,  
17 or both, as the authority may determine, and provision may be made for the registration of  
18 any coupon bond as to principal alone and also as to both principal and interest.

19 **SECTION 8.**

20 Revenue bonds; signatures; seal.

21 In case any officer whose signature shall appear on any bonds or whose facsimile signature  
22 shall appear on any coupon shall cease to be such officer before the delivery of such bonds,  
23 such signature shall nevertheless be valid and sufficient for all purposes the same as if such  
24 officer had remained in office until such delivery. All such bonds shall be signed by the  
25 chairperson of the authority and the official seal of the authority shall be affixed thereto and  
26 attested by the secretary of the authority and any coupons attached thereto shall bear the  
27 facsimile signatures of the chairperson and the secretary of the authority. Any coupon may  
28 bear the facsimile signatures of such persons and any bond may be signed, sealed, and  
29 attested on behalf of the authority by such persons as at the actual time of the execution of  
30 such bonds shall be duly authorized or hold the proper office, although at the date of such  
31 bonds such person may not have been so authorized or shall not have held such office.

**SECTION 9.**

Revenue bonds; negotiability; exemption from taxation.

All revenue bonds issued under the provisions of this Act shall have and are declared to have all the qualities and incidents of negotiable instruments under the laws of this state. Such bonds, their transfer, and the income there from shall be exempt from all taxation within this state.

**SECTION 10.**

Revenue bonds; sale; price; proceeds.

The authority may sell such bonds in such manner and for such a price as it may determine to be for the best interest of the authority. The proceeds derived from the sale of such bonds shall be used solely for the purpose or purposes provided in the resolutions and proceedings authorizing the issuance of such bonds.

**SECTION 11.**

Revenue bonds; interim receipts; certificates; temporary bonds.

Prior to the preparation of any definitive bonds, the authority may, under like restrictions, issue interim receipts, interim certificates, or temporary bonds, with or without coupons, exchangeable for definitive bonds upon the issuance of the latter.

**SECTION 12.**

Revenue bonds; replacement of lost or mutilated bonds.

The authority may provide for the replacement of any bonds or coupons which shall become mutilated or be destroyed or lost.

**SECTION 13.**

Revenue bonds; conditions precedent to issuance.

Such revenue bonds may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions, and filings which are specified or required by this Act. In the discretion of the authority, revenue bonds of a single issue may be issued for the purpose of any particular project. Any resolution providing for the issuance of revenue bonds under the provisions of this Act shall become effective

1 immediately upon its passage and need not be published or posted, and any such resolution  
 2 may be passed at any regular or special meeting of the authority by a majority of its  
 3 members.

4 **SECTION 14.**

5 Credit not pledged.

6 Revenue bonds issued under the provisions of this Act shall not be deemed to constitute a  
 7 debt of Pickens County nor a pledge of the faith and credit of said county; but such bonds  
 8 shall be payable solely from the fund hereinafter provided for and the issuance of such  
 9 revenue bonds shall not directly, indirectly, or contingently obligate said county, nor  
 10 individual members of the authority, to levy or to pledge any form of taxation whatever  
 11 therefor or to make any appropriation for their payment. All such bonds shall contain recitals  
 12 on their face covering substantially the foregoing provisions of this section.

13 **SECTION 15.**

14 Trust indenture as security.

15 In the discretion of the authority, any issuance of such revenue bonds may be secured by a  
 16 trust indenture by and between the authority and a corporate trustee, which may be any trust  
 17 company inside or outside the state. Such trust indenture may pledge or assign fees, tolls,  
 18 revenues, and earnings providing for the issuance of revenue bonds or such trust indenture  
 19 may contain such provisions for protecting and enforcing the rights and remedies of the  
 20 bondholders as may be reasonable and proper and not in violation of the law, including  
 21 covenants setting forth the duties of the authority in relation to the acquisition of property,  
 22 the construction of the project, the maintenance, operation, repair, and insuring of the project,  
 23 and the custody, safeguarding, and application of all moneys, and may also provide that any  
 24 project shall be constructed and paid for under the supervision and approval of consulting  
 25 engineers or architects employed or designated by the authority, and satisfactory to the  
 26 original purchasers of the bonds issued therefor, and may also require that the security given  
 27 by contractors and by any depository of the proceeds of the bonds or revenues or other  
 28 moneys be satisfactory to such purchasers, and may also contain provisions concerning the  
 29 conditions, if any, upon which additional revenue bonds may be issued. It shall be lawful  
 30 for any bank or trust company incorporated under the laws of this state to act as such  
 31 depository and to furnish such indemnifying bonds or pledge such securities as may be  
 32 required by the authority. Such indenture may set forth the rights and remedies of the  
 33 bondholders and of the trustee and may restrict the individual right of action of bondholders

1 as is customary in trust indentures securing bonds and debentures of corporations. In  
2 addition to the foregoing, such trust indenture may contain such other provisions as the  
3 authority may deem reasonable and proper for the security of the bondholders. All expenses  
4 incurred in carrying out such trust indentures may be treated as a part of the cost of  
5 maintenance, operation, and repair of the project affected by such indenture.

#### 6 **SECTION 16.**

7 To whom proceeds of bonds shall be paid.

8 In the resolution providing for the issuance of revenue bonds or in the trust indenture, the  
9 authority shall provide for the payment of the proceeds of the sale of the bonds to any officer  
10 or person who, or any agency, bank, or trust company which, shall act as trustee of such  
11 funds and shall hold and apply the same to the purposes of this Act, subject to such  
12 regulations as this Act and such resolution or trust indenture may provide.

#### 13 **SECTION 17.**

14 Sinking fund.

15 The revenues, fees, tolls, and earnings derived from any particular project or projects,  
16 regardless of whether or not such fees, earnings, and revenues were produced by a particular  
17 project for which bonds have been issued, unless otherwise pledged and allocated, may be  
18 pledged and allocated by the authority to the payment of the principal and interest on revenue  
19 bonds of the authority as the resolution authorizing the issuance of the bonds or the trust  
20 instrument may provide. Such funds so pledged from whatever source received, including  
21 funds received from one or more or all sources, shall be set aside at regular intervals as may  
22 be provided in the resolution or trust indenture into a sinking fund which shall be pledged to  
23 and charged with the payment of:

- 24 (1) The interest upon such revenue bonds as interest shall fall due;  
25 (2) The principal of the bonds as the same shall fall due;  
26 (3) The necessary charges of paying agents for paying principal and interest and other  
27 investment charges;  
28 (4) Any premium upon bonds retired by call or purchase as provided in this Act; and  
29 (5) Any investment fees or charges.

30 The use and disposition of such sinking fund shall be subject to such regulations as may be  
31 provided in the resolution authorizing the issuance of the revenue bonds or in the trust  
32 indenture but, except as may otherwise be provided in such resolution or trust indenture, such  
33 sinking fund shall be maintained as a trust account for the benefit of all revenue bonds

1 without distinction or priority of one over the other. Subject to the provisions of the  
2 resolution authorizing the issuance of the bonds or the trust indenture, any surplus moneys  
3 in the sinking fund may be applied to the purchase or redemption of bonds, and any such  
4 bonds so purchased or redeemed shall forthwith be canceled and shall not again be issued.

5 **SECTION 18.**

6 Remedies of bondholders.

7 Any holder of revenue bonds issued under the provisions of this Act or any of the coupons  
8 appertaining thereto and the trustee under the trust indenture, if any, except to the extent the  
9 rights given in this Act may be restricted by resolution passed before the issuance of the  
10 bonds or by the trust indenture, may, either at law or in equity, by suit, action, mandamus,  
11 or other proceedings, protect and enforce any and all rights under the laws of this state or  
12 granted under this Act or under such resolution or trust indenture and may enforce and  
13 compel performance of all duties required by this Act or by such resolution or trust indenture  
14 to be performed by the authority or any officer thereof, including the fixing, charging, and  
15 collecting of revenues, fees, tolls, and other charges for the use of the facilities and services  
16 furnished.

17 **SECTION 19.**

18 Refunding bonds.

19 The authority is authorized to provide by resolution for the issuance of bonds of the authority  
20 for the purpose of funding or refunding any revenue bonds issued under the provisions of this  
21 Act and then outstanding, together with accrued interest thereon and any premium. The  
22 issuance of such funding or refunding bonds, the maturities and all other details thereof, the  
23 rights of the holders thereof, and the duties of the authority in respect to the same shall be  
24 governed by the foregoing provisions of this Act insofar as the same may be applicable.

25 **SECTION 20.**

26 Validation.

27 Bonds of the authority shall be confirmed and validated in accordance with the procedures  
28 of Article 3 of Chapter 82 of Title 36 of the O.C.G.A., known as the "Revenue Bond Law."  
29 The petition for validation shall also make party defendant to such action the State of  
30 Georgia or any municipality, county, authority, political subdivision, or instrumentality of  
31 the State of Georgia which has contracted with the authority for the services and facilities of

1 the project for which bonds are to be issued and sought to be validated, and the state or such  
2 municipality, county, authority, political subdivision, or instrumentality shall be required to  
3 show cause, if any exists, why such contract or contracts and the terms and conditions thereof  
4 should not be inquired into by the court and the contract or contracts adjudicated as part of  
5 the basis for the security for the payment of any such bonds of the authority. The bonds,  
6 when validated, and the judgment of the validation shall be final and conclusive with respect  
7 to such bonds, and the security for the payment thereof and interest thereon and against the  
8 authority issuing the same and the state and any municipality, county, authority, political  
9 subdivision, or instrumentality, if a party to the validation proceedings, contracting with the  
10 Pickens County Airport Authority.

11 **SECTION 21.**

12 Venue and jurisdiction.

13 Any action to protect or enforce any rights under the provisions of this Act or any suit or  
14 action against such authority shall be brought in the Superior Court of Pickens County,  
15 Georgia; and any action pertaining to validation of any bonds issued under the provisions of  
16 this Act shall likewise be brought in said court which shall have exclusive, original  
17 jurisdiction of such actions.

18 **SECTION 22.**

19 Interest of bondholders protected.

20 While any of the bonds issued by the authority remain outstanding, the powers, duties, or  
21 existence of said authority or its officers, employees, or agents shall not be diminished or  
22 impaired in any manner that will affect adversely the interests and rights of the holders of  
23 such bonds. No other entity, department, agency, or authority will be created which will  
24 compete with the authority to such an extent as to affect adversely the interest and rights of  
25 the holders of such bonds, nor will the state itself so compete with the authority. The  
26 provisions of this Act shall be for the benefit of the authority and holders of any such bonds,  
27 and, upon the issuance of bonds, under the provisions hereof, shall constitute a contract with  
28 the holders of such bonds.

**SECTION 23.**

Moneys received considered trust funds.

All moneys received pursuant to the authority of this Act, whether as proceeds from the sale of revenue bonds, as grants or other contributions, or as revenue, income, fees and earnings, shall be deemed to be trust funds to be held and applied solely as provided in this Act.

**SECTION 24.**

Purpose of the authority.

Without limiting the generality of any provision of this Act, the general purpose of the authority is declared to be that of acquiring, constructing, equipping, maintaining, and operating an airport and the usual facilities related thereto, and improving of such facilities, acquiring facilities and parking areas in connection therewith, acquiring the necessary property therefor, both real and personal, and leasing or selling any or all of such facilities, including real property, and doing any things deemed by the authority to be necessary, convenient, or desirable for and incident to the efficient and proper development and operation of such types of undertakings.

**SECTION 25.**

Rates, charges, and revenues; use.

The authority is authorized to prescribe and fix rates, to revise the same from time to time, and to collect tolls and charges for the services, facilities, and commodities furnished and, in anticipation of the collection of the revenues of such undertaking or project, to issue revenue bonds as herein provided to finance, in whole or in part, the cost of the acquisition, construction, reconstruction, improvement, betterment, or extension of any project and to pledge to the punctual payment of said bonds and interest thereon, all or any part of the revenues of such undertaking or project, including the revenues of improvements, betterments, or extensions thereto thereafter made.

**SECTION 26.**

Rules and regulations for operation of projects.

It shall be the duty of the authority to prescribe rules and regulations for the operation of the project or projects constructed or acquired under the provisions of this Act.

**SECTION 27.**

Tort immunity.

The authority shall have the same immunity and exemption from liability for torts and negligence as Pickens County; and the officers, agents, and employees of the authority, when in the performance of the work of the authority, shall have the same immunity and exemption from liability for torts and negligence as the officers, agents, and employees of Pickens County as when in the performance of their public duties or work for the county.

**SECTION 28.**

Tax exemption.

It is found, determined, and declared that the creation of the authority and the carrying out of its corporate purpose is in all respects for the benefit of the people of this state and that the authority is an institution of purely public charity and will be performing an essential governmental function in the exercise of the power conferred upon it by this Act, and this state covenants with the holders of the bonds that the authority shall not be required to pay any taxes or assessments upon any of the property acquired or leased by it or under its jurisdiction, control, possession, or supervision or upon its activities in the operation or maintenance of the projects erected by it or any rates, fees, tolls, or other charges for the use of such projects or other income received by the authority, and that the bonds of the authority, their transfer, and the income therefrom shall at all times be exempt from taxation within this state. The exemption from taxation provided for in this section shall not extend to tenants or lessees of the authority and shall not include exemptions from sales and use taxes on property purchased by the authority or for use by the authority.

**SECTION 29.**

Powers declared supplemental and additional.

The foregoing sections of this Act shall be deemed to provide an additional and alternative method for the doing of the things authorized by this Act, shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing. This Act shall not and does not in any way take from Pickens County or any municipality located therein or any adjoining county the authority to work, operate, and maintain projects or to issue revenue bonds as is provided by Article 3 of Chapter 82 of Title 36 of the O.C.G.A., the "Revenue Bond Law."
