(B) 'Special tag renewal fee' means a \$25.00 fee paid at the time a revalidation decal is issued for a special license plate.

(2) The General Assembly has determined that the issuance of special license plates to support an agency or fund or a program beneficial to the people of this state that is administered by a nonprofit corporation organized under Section 501(c)(3) of Title 26 of the Internal Revenue Code and dedicating a portion of the funds raised from the sale of these special license plates is in the best interests of the people of this state.

1 Therefore, the special license plates listed in subsection (n) of this Code section shall
2 be issued by the department beginning on July 1, 2007, if all of the requirements of
3 subsections (b) through (k) of this Code section have been satisfied. The license plates
4 listed in subsection (m) of this Code section shall continue to be issued as long as they
5 continue to meet the requirements of subsections (b), (c), (f), (g), (i), (j), and (k) of this
6 Code section.

7 (b) The agency, fund, or nonprofit corporation sponsoring the special license plate, in
8 cooperation with the commissioner, shall design special distinctive license plates
9 appropriate to promote the program benefited by the sale of the special license plate. The
10 special license plates must be of the same size as general issue motor vehicle license plates
11 and shall include a unique design and identifying number, whereby the total number of

15 agency, fund, or nonprofit corporation sponsoring the license plate may request the
16 assignment of the first of 100 in a series of license plates upon payment of an additional
17 initial registration fee of \$25.00 for each license plate requested.

18 (c) Notwithstanding the provisions of subsection (b) of this Code section, no special
19 license plate shall be produced until such time as the State of Georgia has, through a
20 licensing agreement or otherwise, received such licenses or other permissions as may be
21 required to produce the special license plate. The design of the initial edition of any special
22 license plate, as well as the design of subsequent editions and excepting only any part or
23 parts of the designs owned by others and licensed to the state, shall be owned solely by the
24 State of Georgia for its exclusive use and control, except as authorized by the

26 of and protect such right, including the copyright or copyrights. However, such steps shall
27 be cumulative of the ownership and exclusive use and control established by this
28 subsection as a matter of law, and no person shall reproduce or otherwise use such design
29 or designs, except as authorized by the commissioner.

30 (d) Beginning on January 1, 2007, any Georgia resident who is the owner of a motor
31 vehicle, except a vehicle registered under the International Registration Plan, upon

6 (f) Before the department disburses to the agency, fund, or nonprofit corporation funds
7 from the sale of special license plates, the agency, fund, or nonprofit corporation must
8 provide a written statement stating the manner in which such funds shall be utilized. In
9 addition, a nonprofit corporation must provide the department with documentation of its
10 nonprofit status under Section 501(c)(3) of Title 26 of the Internal Revenue Code. The
11 purposes for which the funds shall be utilized must be the same as those specified in

17 statement provided by the agency, fund, or nonprofit corporation, the department shall
18 withhold payment of such funds until such noncompliance issues are resolved.

19 (g) An applicant may request a special license plate any time during the applicant's
20 registration period. If such a license plate is to replace a current valid license plate, the
21 special license plate if issued under subsection (m) of this Code section shall be issued with
22 appropriate decals attached upon payment of the manufacturing fee but without payment
23 of the special tag renewal fee. However, special license plates issued under subsection (n)

25 manufacturing fee and the special tag renewal fee.

26 (h) No special license plate authorized pursuant to subsection (n) of this Code section shall
27 be issued except upon the receipt by the department of at least 1,000 applications. The
28 special license plate shall have an application period of two years after January 1, 2007, for
29 payment of the manufacturing fee. After such time if the minimum number of applications
30 is not met, the department shall not continue to accept the manufacturing fee, and all fees
31 shall be refunded to applicants.

32 (i) The department shall not be required to continue to manufacture the special license
33 plate if the number of active registrations falls below 500 registrations at any time during
34 the period provided for in subsection (b) of Code Section 40-2-31. A current registrant
