

The House Committee on Judiciary offers the following substitute to SB 420:

A BILL TO BE ENTITLED
AN ACT

1 To amend Chapter 9 of Title 19 of the Official Code of Georgia Annotated, relating to child
2 custody proceedings, so as to provide for the creation, authorization, procedure, revocation,
3 and termination of a power of attorney from a parent to a grandparent for the care of a
4 grandchild; to provide for short titles; to provide definitions; to provide for the creation of
5 a pilot program to provide a subsidy to certain grandparents raising grandchildren under
6 certain circumstances; to provide for an assessment and evaluation of the pilot program; to
7 provide for other related matters; to provide an effective date; to repeal conflicting laws; and
8 for other purposes.

9 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

10 style="text-align:center">**SECTION 1.**

11 This Act shall be known and may be cited as the "Care of a Grandchild Act."

12 style="text-align:center">**SECTION 2.**

13 The General Assembly finds that:

14 (1) An increasing number of relatives in Georgia, including grandparents and
15 great-grandparents, are providing care to children who cannot reside with their parents
16 due to the parents' incapacity or inability to perform the regular and expected functions
17 in the care and support of the children;

18 (2) Parents need a means to allow grandparents and great-grandparents to have authority
19 to act on behalf of grandchildren and great-grandchildren without legal intervention;

20 (3) Grandparents and great-grandparents caring for their grandchildren and
21 great-grandchildren under these circumstances often do not have sufficient financial
22 resources to provide for such children; and

23 (4) Providing both a statutory mechanism for granting authority and limited financial
24 support under certain circumstances for these grandparents and great-grandparents caring

1 for their grandchildren and great-grandchildren enhances family preservation and
2 stability.

3 **SECTION 3.**

4 Chapter 9 of Title 19 of the Official Code of Georgia Annotated, relating to child custody
5 proceedings, is amended by adding a new Article 4 to read as follows:

6 "ARTICLE 4

7 Part 1

8 19-9-120.

9 This part shall be known and may be cited as the 'Power of Attorney for the Care of a
10 Minor Child Act.'

11 19-9-121.

12 (a) As used in this part, the term:

13 (1) 'School' means:

14 (A) Any county or independent school system as defined in Code Section 20-1-9;

15 (B) Any private school as such term is defined in code Section 20-2-690;

16 (C) A home study program meeting the requirements set forth in subsection (c) of
17 Code Section 20-2-690;

18 (D) Pre-kindergarten programs; or

19 (E) Early care and education programs as such term is defined in paragraph (6) of Code
20 Section 20-1A-2.

21 (2) 'Serious illness' means a physical or mental illness as determined by a licensed health
22 care professional, including a psychiatrist or psychologist, that causes the parent to be
23 unable to care for the minor child due to the physical or mental condition or health of the
24 parent including a condition created by medical treatment.

25 (3) 'Terminal illness' has the same meaning as the term 'terminal condition' as provided
26 in paragraph (13) of Code Section 31-32-2.

27 (b) A parent or parents of a minor child may delegate to any grandparent or
28 great-grandparent residing in this state caregiving authority regarding the minor child when
29 hardship prevents the parent or parents from caring for the child. This authority may be
30 delegated without the approval of a court by executing in writing a power of attorney for
31 the care of a minor child in a form substantially complying with the provisions of this part.

32 (c)(1) Hardships may include, but are not limited to:

33 (A) The death, serious illness, terminal illness, or incarceration of a parent;

1 (B) The physical or mental condition of the parent or the child such that care and
2 supervision of the child cannot be provided by the parent;

3 (C) The loss or uninhabitability of the child's home as the result of a natural disaster;
4 and

5 (D) One or both parents are on active military duty.

6 (2) Hardship shall not include the granting of a power of attorney for the care of a minor
7 child for the purpose of subverting an investigation of the child's welfare by the
8 Department of Human Resources or other agency responsible for such investigations.

9 (d) The instrument providing for the power of attorney shall be executed by both parents,
10 if both parents are living and have legal custody of the minor child, and shall state with
11 specificity the details of the hardship preventing the parent or parents from caring for the
12 child.

13 (e) If only one parent has legal custody of the minor child, then such parent shall execute
14 the instrument. The noncustodial parent shall be notified in writing of the name and
15 address of the grandparent or great-grandparent who has been appointed the agent under
16 the power of attorney. The executing parent shall send the notification by certified mail,
17 return receipt requested, or by statutory overnight delivery to the noncustodial parent at the
18 noncustodial parent's last known address. The noncustodial parent, who is a legal parent,
19 shall have the same authority to execute a revocation of the power of attorney as granted
20 to the custodial parent.

21 (f) The power of attorney for the care of a minor child shall be signed and acknowledged
22 before a notary public by the parent or parents, as the case may be, executing the power of
23 attorney.

24 (g) Through the power of attorney for the care of a minor child, the parent may authorize
25 the agent grandparent or great-grandparent to perform the following functions without
26 limitation:

27 (1) Enroll the child in school and extracurricular activities;

28 (2) Obtain medical, dental, and mental health treatment for the child; and

29 (3) Provide for the child's food, lodging, housing, recreation, and travel.

30 Nothing contained in this Code section shall be construed to limit the power of the parent
31 to grant additional powers to the agent grandparent or great-grandparent.

32 (h) The agent grandparent or great-grandparent shall have the right to enroll the minor
33 child in a school serving the area where the agent grandparent or great-grandparent resides.
34 The school shall allow such agent grandparent or great-grandparent with a properly
35 executed power of attorney for care of a minor child to enroll the minor child. Prior to
36 enrollment, the school may require documentation of the minor child's residence with such
37 agent grandparent or great-grandparent and verification of the validity of the stated

1 hardship. Except where limited by federal law, the agent grandparent or great-grandparent
2 shall have the same rights, duties, and responsibilities that would otherwise be exercised
3 by the parent or parents pursuant to the laws of this state.

4 (i) If the minor child ceases to reside with the agent grandparent or great-grandparent, the
5 agent grandparent or great-grandparent shall notify any person, school, or health care
6 provider that has been provided the power of attorney for care of a minor child that the
7 child no longer resides with the agent grandparent or great-grandparent.

8 (j) The agent grandparent or great-grandparent shall have the authority to act on behalf of
9 the minor child until the parent or parents, as the case may be, who executed the power of
10 attorney for care of a minor child revoke the power of attorney in writing.

11 (k) The power of attorney for care of a minor child may also be terminated by any order
12 of a court of competent jurisdiction that appoints a legal guardian or legal custodian.

13 (l) An agent grandparent or great-grandparent under a power of attorney for care of a
14 minor child shall act in the best interests of the minor child. Such agent grandparent or
15 great-grandparent shall not be liable for consenting or refusing to consent to medical,
16 dental, or mental health care for a minor child when such decision is made in good faith
17 and is exercised in the best interests of the minor child.

18 (m) No person, school official, or health care provider who acts in good faith reliance on
19 a power of attorney for care of a minor child shall be subject to criminal or civil liability
20 or professional disciplinary action for such reliance.

21 (n) A person who relies on the written power of attorney for care of a minor child has no
22 obligation to make any further inquiry or investigation. Nothing in this part shall relieve
23 any individual from liability for violations of other provisions of law.

24 (o) Each parent who executes the power of attorney for care of a minor child shall certify
25 that such action is not for the primary purpose of enrolling the child in a school so that the
26 child may participate in the academic or interscholastic athletic programs provided by that
27 school or for any other unlawful purpose. Violation of this subsection shall be punishable
28 in accordance with Georgia law and shall require, in addition to any other remedies,
29 repayment by such parent of all costs incurred by the school as a result of the violation.

30 (p) The power of attorney for care of a minor child is not intended to replace the temporary
31 written grant of permission to seek emergency medical treatment or other services for a
32 minor child while in the custody of an adult who is not the parent and who is temporarily
33 supervising the child at the parent's request.

34 (q) An agent grandparent or great-grandparent shall be obligated to comply with any
35 existing court order relative to the child, including but not limited to any visitation order.

1 19-9-122.

2 (a) The statutory power of attorney for care of a minor child form contained in this Code
 3 section may be used to grant an agent grandparent or great-grandparent powers with respect
 4 to the minor child's registration for school and medical, dental, and mental health care and
 5 is not intended to be exclusive. No provision of this part shall be construed to bar use by
 6 the parent of any other or different form of power of attorney for care of a minor child that
 7 complies with this part. If a different power of attorney for care of a minor child is used,
 8 it may contain any or all of the provisions set forth or referred to in this Code section.
 9 When a power of attorney for care of a minor child in substantially the form set forth in this
 10 Code section is used, it shall have the same meaning and effect as prescribed in this part.
 11 Substantially similar forms may include forms from other states.

12 (b) The power of attorney for care of a minor child shall be in substantially the following
 13 form:
