

ADOPTED SENATE

Senator Thompson of the 33rd offered the following amendment:

Amend the committee substitute to HB 184 by adding on line (6) of page (3) “A new section to read: “No partnership or limited liability corporation may engage in the business of heat and air until regularly connected to a partnership or corporation actually engaged in the performance of the business and who has valid license. They shall be authorized to continue upon the death of the person holding that license for (180) following such death.”

And renumber accordingly.
